MONDAY AFTERNOON SESSION

JULY 2, 1973

The Public Opening Ceremonies of the Ninety-Ninth Imperial Council Session, A.A.O.N.M.S. was convened in the Grand Ballroom, Marriott Motor Hotel, Atlanta, Georgia, at three o'clock p.m.

The meeting was opened with Potentate Gene Bracewell being escorted to the podium by the Deputy Imperial Marshal.

NOBLE BRACEWELL: Nobles, ladies and guests: At this time I would like to ask our Marshal's staff if they would please escort to the podium from my left here our governmental dignitaries. Let us give them a hand.

(The assembled guests applauded as the civic and governmental officials were escorted to the platform.)

NOBLE BRACEWELL: Thank you.

At this time, I would like to ask the Marshal's staff if they would please, at this time, escort our Masonic dignitaries to the platform.

(The Masonic dignitaries were likewise escorted to the platform.)

NOBLE BRACEWELL: Thank you.

At this time I would like to request that the Imperial Marshal's staff please escort to the platform our Past Imperial Officers.

(The Nobles and other guests arose and applauded as the Past Imperial Officers were escorted to the platform.)

NOBLE BRACEWELL: At this time, I would like to also request that the Imperial Marshal's staff please escort to center stage platform the Imperial Officers of the Shrine of North America.

(Whereupon, the Imperial Officers were likewise escorted to the platform.)

NOBLE BRACEWELL: And now, will the Imperial Marshal's staff please escort to the platform the Imperial Potentate of the Shrine of North America, Imperial Sir Henry B. Struby.

(Whereupon, the assembly arose and applauded as Imperial Sir, Henry B. Struby, Imperial Potentate, was escorted to the podium with the band playing "Back Home in Indiana".)

NOBLE BRACEWELL: Thank you very much.

Will you all please remain standing while the Yaarab Temple Legion of Honor presents the colors and please remain standing through the invocation.

(Whereupon, the Yaraab Temple Legion of Honor presented the Colors, following which those assembled recited the "Shriner's Pledge of Allegiance" after which the playing of the Canadian, Mexican and American anthems ensued.)

NOBLE BRACEWELL: Now, Nobles and Guests, if you will please continue to remain standing I will now call on the Imperial Chaplain, the Reverend Frank Wingerter, for the invocation which will be followed by the singing of the "Lord's Prayer" by the Yaarab Temple Chanters.

REVEREND FRANK WINGERTER: Eternal God, we ask you to be here but before we ask you to be here, we thank you Lord. Your paths of service lead through these blazing lights and down the slopes of need. They reach your throne. They encompass land and sea and they who journey in them walk with Thee.

We dedicate ourselves to service, Almighty God. We know that every man and every woman that walks the streets is safe in your sight and that those dedicated to service, no matter what service it may be, service to the Creator and service to humanity, are likewise dedicated to Thee.

We recognize this afternoon the Senator of this state, the Governor of this state and the Mayor of this great city.

We are also thankful Almighty God, for him who has led this great organization in this past year, Henry B. Struby and his lady, Margaret and for all of those who have labored with him and have had such great success.

We also beseech you, in behalf of Jacob A. Wingerter and his beloved and the Divan that is going to work faithfully with him in the ensuing months, that the victory that has been known by Henry Struby may also be known by Jacob.

We are indeed thankful for every Potentate and every Noble that walks among the sands and we ask them, Almighty God, that in the midst of the labors of our great Shrine of North America that thou wilt bless us all.

There is one thing that we are very sensitive about and that is we are sensitive, Almighty God, of unity. We are not afraid of it but we are sensitive of it. We want all of our Shriners to be as sensitive of unity as the compass is sensitive to the North Pole and we know that if we are sensitive to our Creator, if we are sensitive to services, then the victory that has been ours in the past will be ours tomorrow and will be ours down through the corridors of history.

We beseech Thee to hear our prayer, in the name of the great Creator, in the name of the Christ and in the name of Him whom we call the "Contemporary Spirit." Amen.

(The singing of the "Lord's Prayer" by the Yaarab Chanters ensued.)

NOBLE BRACEWELL: Please be seated.

I would like for us at this time to give a round of applause to the Yaarab Temple Brass Band that has entertained us and also to the Yaarab Chanters for their beautiful rendition of "The Lord's Prayer."

(Applause.)

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs, Distinguished Guests, Nobles, Ladies and my friends: As Potentate of Yaarab Temple and Director General of the Ninety-Ninth Imperial Council Session, I want to thank you and welcome each of you to the Public Opening of this Imperial Session. We have in Yaarab Temple more than twelve thousand members and it is on behalf of each of these Nobles I also extend greetings to each of you.

I wish to take this opportunity to thank the Mayor, the officials of the City of Atlanta and the Convention Bureau of our city for their cooperation, courtesies and the assistance which they rendered to us in the past two to three years in which we have been planning, organizing and preparing for this convention.

For your information, the last time that the City of Atlanta and Yaarab Temple had the opportunity to host a National Shrine Convention was some fifty-nine years ago, back in 1914. As I mentioned at the meeting earlier this morning, coincidentally, last year they hosted the National Convention in Dallas, Texas, another great city, and they likewise had hosted a previous convention some fifty-nine years ago, back in 1913.

Therefore, you can see, certainly, that in 1913, with Dallas hosting the convention and Atlanta in 1914 and then both of us coming back fifty-nine years later, back to back, it is certainly coincidental and we are certainly proud to be associated with such a fine convention as the Ninety-Ninth Imperial Council Session. (Applause)

To our Imperial Potentate, Henry B. Struby, I will always be grateful for appointing me as Director General of this Convention.

This convention, we think, is certainly a great asset. We know it is a great asset to our great city and we also thank him for selecting the City of Atlanta as the host city for this convention.

Before we know it, the next four days, which will certainly be busy ones, will have passed and the Ninety-Ninth Imperial Council Session will have come to a close. I trust that when this time comes that you can sincerely and genuinely say, "I have enjoyed the convention; much was accomplished for the good and betterment of Shrinedom and certainly the Nobility of Yaarab Temple and the people of Atlanta have shown and exhibited true southern hospitality to all visiting Nobles and their ladies."

Again, I say, welcome and thank you for attending.

May God be with you and insure for you and yours a safe and pleasant journey home.

Thank you very much. Applause)

Now, Nobles and Ladies, with us today are a number of our prominent leaders from government, from Masonry and, certainly, from Shrinedom.

It is my pleasure at this time to introduce them to you.

We are certainly delighted to have with us today the Mayor of our host city, the Mayor of Atlanta, the Honorable Sam Massell. At this time I would like to present to you our Mayor, the Honorable Sam Massell.

(Rising applause ensued.)

THE HONORABLE SAM MASSELL (Mayor of Atlanta): Thank you very much and good afternoon, ladies and gentlemen.

I am extremely and sincerly pleased to have this opportunity of bringing you official greetings on this occasion and also a very warm welcome to our City.

Now, I am sure that some of you down there at this point are thinking "He doesn't look very much like a Mayor, does he?" Well, what you are going to see in this City also isn't very typical either because we think we have one of the most unusual cities in North America. We think we have one of the greatest cities of the world and your selecting Atlanta for this convention adds to its greatness and we are appreciative of your coming.

I say this because we are well acquainted with the fine work done by the Shrine, by the members here in Atlanta and so we know that you represent this same dedication to service from your respective homes. So, indeed, your very distinguished audience and you do us honor by meeting in our city.

Now, I don't know exactly what happened fifty-nine years ago. I don't know what made you wait so long to come back but I hope it will not be that period of time again that passes between now and your next visit with us.

I want you to enjoy yourselves. I know you are here for serious deliberations but we are going to do all we can to see that you do, in fact enjoy your stay here—

that you find it to be a pleasant one and one that will attract you back as individuals in between now and the next International Convention.

I would like to take a moment or two to introduce to you Atlanta and tell you a little bit about some of the things we are doing, such as, for example, our mass transit program, where we have assessed ourselves a one percent sales tax with which we purchased our public transportation system and lowered the bus fare from what was forty-five cents and a nickel transfer to fifteen cents.

This happened over a year ago, during which time the patronage has increased approximately twenty-six percent. This translates into something like one million rider months that would otherwise not have taken place, of people being able to move about the whole city and use the great department stores and visit the parks and get employment and whatever they need. All of this that we have done gives them the mobility they require.

This is somewhat different from what is happening in other cities in relation to their transit systems, especially where fares keep going up and, as a result, patronage keeps going down.

We also hope that while you are here you will visit our great new Coliseum, a seventeen million dollar facility seating about seventeen thousand people. We had Elvis Presley perform there the other night. We also have there Rock Concerts for the young, professional Ice Hockey, Basketball for some of us older people and a little bit of every type of family entertainment.

However, the uniqueness of this facility was that it was built without money from the taxpayer. We negotiated with a hard pencil for private enterprise to pay the full principal, interest and maintenance over thirty years of indebtedness.

This is also a city that has the second busiest airport in the United States and we are only twenty-seventh in size. This gives you a little idea of the importance we place on this facility, which is really your facility.

Our airport, for example, is the number one interchange airport in the world and they tell us that people on their way to Heaven even have to change planes in this airport. I see by your smiles some of you have already done that.

Also, this is the first city in the United States, incidentally, to experiment with the four-day forty-hour work week, a real innovation and something that I think will be commonplace in private business and government within the next ten or fifteen years.

This is also the first city in the United States to bale and ship its waste to other areas. Actually, of course, everybody will benefit from this because we have baled our waste and are putting it on railways cars and moving it to an area which has been desecrated by strip mining, reclaiming that property and improving it for the total environment and, therefore, we all come out smelling good.

This is also a city that thinks of the future. For example, a little over a year ago, I received a gift of nine million dollars with which to purchase a center city block, in connection with which we developed a park which was just opened this past April. This is a very attractive, open, moving, living facility, where you will find, for example, secretaries eating lunch and business executives making deals and also lovers and demonstrators that this type of park attracts. However, it is really alive in providing open space while downtown.

This is also a city that believes that it can find a solution to every problem.

We are one of the healthiest cities in the country, both economically and morally. Just in the last ten months we had ten hotels announce with ten thousand rooms, some of which are already under construction. I wish they had been completed for you now. One of these is seventy stories tall, the tallest in the world and another has over two thousand rooms, the fourth largest in the world.

Another one is not so large, in that it only has five hundred rooms, but tied in with it we have theaters and tennis courts in the lobby.

I have lists of many other things that I would like to tell you about but they are pulling my coat tails back here and I know others also want to welcome you as well.

However, in closing, I just want to extend to you greetings on the part of our city. I know you are here for serious deliberations as well as to have a pleasant

time and, therefore, while you are here, I hope that you will get to know the city better and, the city, in turn, will get to know you better.

You will find developments in every direction. Atlanta is a city that is happy and serious at the same time—it is a city that believes in itself and in the future as I mentioned.

We, incidentally, also have some excellent food here, some very fine shops, some good entertainment. The Convention Bureau tells me that the average visitor in Atlanta spends $50.48 per day. We would like to have you do your part. (Laughter) This is also an election year in Atlanta and so, as you might imagine, in addition to all my other duties, I am rather busy.

However, I did want to take this time and welcome you. Yours is a very important group—you honor us by visiting our city. Thank you very much. (Applause)

NOBLE BRACEWELL: Thank you, Mr. Mayor. We certainly do appreciate you taking your time out of your busy schedule to be with us.

Now, ladies and gentlemen, Nobles and friends, it is indeed an honor to have with us today and to present to you the number one citizen of our great State of Georgia, his excellency Jimmy Carter, Governor of Georgia. (Applause)

THE HONORABLE JIMMY CARTER (Governor of Georgia): Distinguished visitors to our state, on behalf of five million Georgians, I want to tell you this is one of the most pleasant experiences that I have had since I have been the Executive Officer in Georgia—to welcome this tremendous convention here.

I know how difficult it is to tie together a harmonious group of people of widely divergent interests and backgrounds who come from different parts of the nation.

I noted, for example, that earlier someone mentioned the word "unity" and I do think that is extremely important in this modern day and age.

I spent the last several nights with Billy Graham, who conducted a crusade here, and Billy was telling about the need for people of different backgrounds to understand one another.

He tells the story, for example, about a Baptist who, as you know, was not supposed to gamble. This was one of these Baptists who had never gambled but, nevertheless, he went up to New York to visit some relatives and friends and he was expecting to have a good time and so he went to the race track and he resolved in his own mind that he would just watch the horses because he wanted to learn all about the procedures there.

Therefore, in his travels and before the race started, he went to the paddock and he observed very carefully a Catholic Priest conducting a ceremony in front of a horse and his jockey. Well, he went and watched the first race and this particular horse won. He was very intrigued with this occurrence and so he again went back to the paddock and again watched the same Catholic Priest and, sure enough, before the race started, he went out and performed the same ceremony in front of another horse and, as you can imagine, this horse likewise won the race.

Well, this happened a third time and so the Baptist said to himself, "Well, I am not a betting man, I don't gamble, but this is not gambling—this is a sure thing." Therefore, he took all the money he had out of his pockets, borrowed what he could from the kin folks around the area and went back to watch the Catholic Priest again and, sure enough, at the beginning of the fourth race, the Priest went before another horse and performed the same ceremony. The Baptist took all the money he had and bet on a horse to win. Well, the horse got a good start from the starting gate, ran about two-thirds of the race but as he started the last turn, he fell dead in the middle of the track. The jockey went head over heels and, of course, the Baptist realized that he had lost his life's savings.

He was extremely broken hearted but he thought about the Priest and the fact that he had misled him. Therefore, he went around and found the Priest, grabbed him by the front of his coat and said, "You know, I watched you in connection with the first three races. You performed a ceremony in front of the horse and he won. Well, I bet all of the money I had on the fourth race and the horse lost. Why did you mislead me that way?"

Well, the Catholic Priest stood there in silence for a moment and then he replied, "Well, you must be a protestant."

The man replied, "Yes, not only am I a protestant but I am a Baptist."

The Priest then replied, "Well, there is your answer for had you been a Catholic you would have known the difference between a blessing and the last rites. Laughter and applause)

I do think it is important that we understand one another and in just a few minutes, as a young Governor, I would like to tell you what I understand about you.

I was fortunate enough, on Saturday morning, to be in San Francisco and I rode back to Atlanta on a plane with about 180 Shriners. It was the fifth load that Delta told me they had brought to this city.

Now, I had an opportunity to talk to a couple of them about their own interests and inclinations. Now, as I carry on my responsibilities for dealing with afflicted people in Georgia and think about the nineteen Shrine Hospitals for Crippled Children, it truly touches my heart to know about this tremendous organization and the twelve thousand Shriners in our low local Temple, whose hearts are bound together with a feeling of compassion, love and benevolence to children who are most defenseless and most in need in this modern and often callous world.

I also think about the unique contribution of your three Burns Centers. I could give you several instances that have occurred since I have been Governor of this state in the last few months that relate directly to this service. One incident that stuck in my mind is one that occurred this year, when a Group of Shriners from Jacksonville called me. I was down in the south Georgia area campaigning among my people and to learn about their inclinations. However, they were insistent and continued to call and finally located me and told me about a little girl from southwest Georgia who was horribly burned. They had read about it in the newspaper. They had called her family and her family had told them there were no treatment facilities to save this child's life.

Well, that small group of Shriners, and, unfortunately, I don't know their names, but they had been calling me and said, "If you can get that girl to Dallas, Texas, we believe her life can be saved."

Well, I made an announcement about this and, in turn, one of our wealthy citizens in Georgia said, "Well, if the Shriners love that girl that much, Mr. Governor, I will furnish you with my private jet airplane to take her out there." Well, they took her to Galveston and her life has been saved.

Well, at any rate, there is no need for me to outline to you the things that you know so well.

I think about the $28 million that is contributed through our own benevolence in support of these institutions and others like them and although I know that the Scottish Rite Hospital here near our own city is not an official one of your nineteen Shrine Hospitals, it illustrates a point. This was the first hospital built, I believe, under the auspices of Shriners in 1950, when one of our people from Atlanta, a man by the name of Forrest Adair went to a convention and while the Shriners were celebrating, one of them, late at night stuck a trumpet under the door of Mr. Adair's room and he played a tune—"I'm forever blowing bubbles."

Now, Mr. Adair recognized, as I do, that Bapitsts, farmers, nuclear physicists, politicians and all types of people enjoy themselves when they get together. However, he made a speech the following morning about the seriousness of the Shrine's commitment and out of that speech there came an inspiration for the Scottish Rite Hospital.

It happens that the first superintendent of that hospital had the same name as my mother and that is why I know about it.

Well, I could go on and on. We are glad of your coming to Atlanta and of knowing that your convention will entail a financial exchange of about fifty million dollars. Georgia will benefit from it. (Laughter)

You bring to our city and to our state a happiness and joy, an enlightenment, a brotherhood and friendship and understanding and a communication that will change our lives for the better.

Also, what you bring to me is a renewed inspiration to turn my own heart to God and to turn my attention to those in our society who need me, which you have recognized for so many decades and generations.

From the bottom of my heart, I welcome you to our fine state and, from the bottom of our hearts, I thank you for the contribution that you make to a sometimes confused society but one which always stands eager to receive the blessings of dedicated, responsible, honest men like you, bound together in a common, worthwhile purpose.

Thank you very much. (Applause)

NOBLE BRACEWELL: Governor, thank you for those warm and touching remarks.

Nobles and ladies, we are also indeed fortunate today to have another governmental leader with us. Certainly, he needs no introduction to anyone from the State of Georgia, as well as the states throughout our great United States, because they are well aware of his endeavors and accomplishments that he has put forth through our Senate.

This gentleman here likewise has a busy schedule. Further, I am happy to say that he is a member and a Noble of Yaarab Shrine Temple—our senior Senator from the State of Georgia, the Honorable Herman E. Talmadge. (Rising Applause)

THE HONORABLE HERMAN E. TALMADGE (Senator from Georgia): Illustrious Imperial Potentate, Henry B. Struby, Governor Carter, Mayor Massell, Illustrious Sirs, Nobles, Ladies and Gentlemen: I am honored indeed to join with our distinguished Governor, our distinguished Mayor, to welcome this great organization to the City of Atlanta and to your Ninety-Ninth Imperial Council Session.

I know that you will have a good session and for those of you who are not already familiar with the hospitality that Atlanta and Georgia afford, I know that you will have an enjoyable occasion.

Most of all, I congratulate you, the Shriners, for all of your good work in behalf of needy children and people less fortunate than ourselves throughout our nation.

Our fraternity, which I am most proud to share with you, is rich in a glorious history of devotion to God and country. Masonry came to this country with the colonists—it has flourished along with our nation and it is because Masonry prospers best where the spirit of man is free which, after all, is the essence of our sacred fraternity.

All of us have seen great changes in our American Society since the colonists first brought Masonry to these shores but the principles for which Masonry stands remain the same today as they were two-hundred years ago—principles of morality, personal conduct and individual responsibility, of right and wrong, of patriotism and godliness. These are values that never change.

I hope all of us here today as Masons and good Americans make sure that they never do. I wish you Godspeed. (Rising applause)

NOBLE BRACEWELL: Thank you, Senator Talmadge.

You know, when we first invited the Senator to be with us, he was not sure that he could make it. He is certainly busy and on a very important committee, something about Watergate or Waterloo or something like that. (Laughter)

Now, my brethren, ladies and gentlemen and Nobles, I am honored at this time to introduce and present to you the current number one Mason in this Grand Jurisdiction—a wonderful man, able leader and certainly a warm, personal friend of mine. He is also a Past Potentate of Alee Temple, our sister Temple located in Savannah, Georgia.

I am now honored to present to you the Most Worshipful Grand Master of Masons of the State of Georgia, Most Worshipful Brother George E. Oliver. (Rising applause)

MOST WORSHIPFUL BROTHER GEORGE E. OLIVER (Grand Master of Masons, State of Georgia): Imperial Sir, Mr. Mayor, Mr. Governor, Senator Talmadge, Nobles, Grand Masters: I am privileged on behalf of the 96,483 Masons and their 472 Lodges to welcome sixty or seventy thousand of you and your families to this beautiful State of Georgia and the great City of Atlanta.

We Masons, too, thrill with you at the miracles being performed in your twenty-two Hospitals and Burns Institutes. We also have been with you at your antics and enjoy you with your parades and, of course, we will exert every effort here to make sure that you have a pleasant stay.

We welcome all of you, beautiful ladies and my Brothers. Thank you. (Applause)

NOBLE BRACEWELL: We are also honored today, at this Public Opening Ceremony, to have with us the Grand Master from our Imperial Potentate's State. I present to you for your applause and recognition, Most Worshipful Brother Forrest A. Wakeman, Grand Master of Masons of Indiana. (Applause)

Now, Nobles and ladies, I present to you the General Grand High Priest of the General Grand Chapter of Royal Arch Masons, Illustrious Edward M. Selby. (Applause)

It is also my pleasure to introduce and present to you at this time, the Grand Master of the Grand Encampment of Knights Templar of the United States, a Past Potentate of Ansar Temple, Noble C. Wilbur Bell. (Applause)

I would now like to give a real southern welcome to our good friend from the North, the Sovereign Grand Commander of the Supreme Council, 33rd, Northern Jurisdiction, a member of Ismailia Temple, Illustrious Noble George A. Newbury. (Applause)

Representing the Red Cross of Constantine, the Grand Sovereign Illustrious Noble William J. Netherton. (Applause)

Certainly all of us are aware of the great importance of the Order of DeMolay. We have with us today the Grand Master. If you had the privilege of attending our church service yesterday, you certainly were cognizant and made aware of the DeMolay boys presence and performance during this Imperial worship service.

At this time, let us have a big hand for a Past Potentate of Al Chymia Temple, Past Imperial Potentate of the Shrine of North America, DeMolay Grand Master, George M. Klepper. (Applause)

Ladies and gentlemen and Nobles, not only are we privileged to have with us today the Grand Master of the International Supreme Council, Order of DeMolay, but we are also privileged to have with us the Grand Master of the Canadian Supreme Council, Order of DeMolay, Illustrious Noble Ross MacLean. (Applause)

From the Sovereign Great Priory of Canada, Most Worshipful W. Stanley Wright. (Applause)

We are privileged also to have many Grand Masters from other states throughout the different jurisdictions with us here today. At this time, I would like to ask that they stand and be recognized as their names are called. Will you all please hold your applause until we have completed the presentations.

From the State of Arkansas, Most Worshipful M. C. Lewis, Jr.

From the State of California, Most Worshipful William Price.

From the State of Florida, Most Worshipful H. Ben Collins.

From the State of Illinois, Most Worshipful John R. Murphy.

From the State of Kansas, Most Worshipful J. Fred Williamson.

From the State of North Carolina, Most Worshipful N. C. Dean.

From the State of Texas, Most Worshipful Duncan C. Howard.

From the State of Virginia, Most Worshipful William C. Vaughan.

Let's give these Grand Masters a hand. (Applause)

If there are other Grand Masters in the audience, would you please stand? Will you please come and take a seat in the East? I apologize for not having you on the list but I respectfully request that during the afternoon and early tomorrow morning

that you please register with our Imperial Recorder so that you will be on the list for future occasions.

We are happy to have you with us. Let us give these Grand Masters another hand. (Applause)

Most Worshipful Sirs, we certainly want to welcome you to these ceremonies.

Nobles and ladies, at this time, I would like to recognize the committee chairmen that have worked so diligently in helping us to prepare for this convention and who have done the very best they could to make this a very pleasant convention for you. (Applause)

At this time, I would like to introduce to you the Past Imperial Potentate of the Shrine of North America.

First, C. Victor Thornton, Moslah Temple, Fort Worth, Texas, Imperial Potentate 1971-1972. (Applause)

Imperial Sirs, Masonic Dignitaries, Distinguished Guests, Nobles and Ladies, at this time it is indeed my personal pleasure and indeed an honor to have the privilege of presenting to you the number one Shriner of North America, a man who has certainly led the Shrine with dignity and at all times put forth every effort possible to insure its growth and the betterment of Shrinedom—a man whose administration will long be remembered as certainly one of the greatest ones.

Ladies and gentlemen, I present to you the Imperial Potentate of the Shrine of North America, Imperial Sir Henry B. Struby. (Rising Applause)

IMPERIAL POTENTATE HENRY B. STRUBY: Potentate and Director General, Gene, you can see why I selected him as Director General—he says nice things about me.

Grand Master Oliver, to my Imperial Officers, I am sorry Senator Talmadge and Governor Carter and Mayor Massell left because for about thirty-six years my wife has been trying to get me to write my speeches and I do not do so. However, after hearing these distinguished leaders talk, maybe I should have written mine. However, on this occasion, it would have been too late.

At any rate, with the presence of so many distinguished Masons and great Shrine leaders and lovely ladies, it has certainly been a really great thing for us to have this convention at Atlanta.

I have never had anybody work as hard as Gene and his committees. You know I came down here two or three times during the year and, of course, this work has really now been going on for almost five years but he assembled all of his committee chairmen the night I came down here and we allowed some fifteen to twenty minutes for the report of each chairman.

This fine cooperation has been true in relation to everything that has happened. As a matter of fact, I cannot remember, and I have been coming to these conventions for some twenty-six years now, where we have had any better arranged or better worked out plans in relation to an Imperial Council Session.

Thus far the first week has gone pretty well and, of course, you will have to determine on Wednesday or Thursday as to how the second week has gone.

However, in all sincerity, it has been a delightful thing for us. I will always be indebted to your leaders here, not only in the Shrine but your civic leaders, as well as to many people in these hotels, for the great personal aid I have had. All of these people, including my aides, have made my life just a little bit easier because they have been looking after my every need.

You know, there is really only one little thing that I have been a little bit disheartened about and if anybody does it to me any more I am really going to be upset.

For example, the other night, in connection with my suite, a story got out to the effect the Elvis Presley lived there. (Laughter) Unfortunately, this happened at the same time that they had a convention of the Rainbow Girls here. (Laughter) Now, just imagine having a whole line of these gals sitting outside of your door all night laughing and waiting to see Elvis. (Laughter)

But, really, on a more serious note, we do expect to have a great convenuon. Atlanta is a fine city and we are so grateful, both Margaret and I, to all of you lovely people, to Gene and his lovely wife, to all of you who have made this such a fine thing for us.

I have said many times here in the Southeast and I will say it again, that I used to come to these conventions long before I had any aspiration for the job of Imperial Outer Guard and long before I was wearing any stars.

Therefore, again, I thank all of you so very much for all the courtesies you have extended to both Margaret and I and, also, I wish to express my thanks for my own Grand Master being down here. He is a great guy and I can also tell you that all of these Grand Masters will have an opportunity to speak sometime during our regular sessions.

Thank you all very kindly. (Rising applause)

NOBLE BRACEWELL: Nobles and ladies, will you please rise and Nobles, will you remove your Fez. At this time I would like our Imperial Chaplain to please step forward and give the benediction and this will then conclude our Public Opening Ceremonies.

REVEREND FRANK WINGERTER: May the peace of God brought again from the dead, that great Shepherd, abide with you this afternoon and forevermore. Amen.

(Whereupon, at four-ten o'clock p.m., the Public Opening Ceremonies were adjourned.)

AFTERNOON SESSION

TUESDAY, JULY 3, 1973

THREE O'CLOCK P.M.

The Ninety-Ninth Annual Sesison of the Imperial Council, A.A.O.N.M.S., was convened in the Grand Ballroom, Marriott Motor Hotel, Atlanta, Georgia, Tuesday, July 3, 1973 at three o'clock p.m., Imperial Potentate Henry B. Struby opening the meeting.

IMPERIAL POTENTATE STRUBY: Nobles, will you please take your seats.

You probably know I am going to go out of office in a few more days and so I can stay here until the middle of next week. However, I also think some of you want to go home. Therefore, I would urge you to take your seats so that we can get the session over. I am sure you would like to do this so that, in turn, we can expedite our business as quickly as possible.

At this time, I am going to call on a grand man, an individual who I think has done a great job in a short time, the Reverend Frank Wingerter, Imperial Chaplain, to give the invocation.

REVEREND FRANK WINGERTER: Let us pray.

Eternal God, we are here for serious deliberations. Grant that we may dedicate to you our zeal. Fill us with life anew that we may really love with you and do what you do. Amen.

IMPERIAL POTENTATE STRUBY: Do you see what I mean?

I would now like to declare the Ninety-Ninth Annual Session open for business and the waiving of forms and ceremonies.

I would like to call for the report of the Committee on Credentials, Noble W. Howard Millington, Chairman.

(Whereupon, Noble Millington summarized the report of the Committee on Credentials as indicated below.)

NOBLE W. HOWARD MILLINGTON: Imperial Sir, I would like to move for the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion as seconded. Is there discussion? All in favor indicate by saying "aye"; contrary by the same sign. It is so ordered.

I would at this time like to recognize George M. Saunders for a motion to elect Representatives and members of the Colorado Corporation.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, in accordance with the provisions of Section 504.1 of the Colorado Bylaws, I move that all of the elected Representatives and the Emeritus Representatives of the Iowa Corporation be elected Representatives of the Colorado Corporation.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion as seconded. Is there discussion? All in favor indicate by saying "aye"; contrary by the same sign. It is so ordered.

The Chair now declares this session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and it will remain open until the session is adjourned.

At this time it is my duty to give to you my Annual Report.

Well, let me say that my Annual Report has been published and for those of you who cannot read, there are some good pictures in it. (Laughter) However, I would like to indicate to you that I am not going to take up your time by reading this report at this time. While it took me a little time to write my report, I am sure, if you are interested, you can read it.

However, I would only like to indicate to you this—that, as you know, my program for the year involved DeMolay, Membership and the One Hundred Million Dollar Club. Time will only tell whether I have had a successful administration but we did have a good year, for example, in DeMolay.

We gave the DeMolay some $25,000, our Shrine did. They are growing and I think that under the leadership of Imperial Sir George Klepper, who is presently the Grand Master of DeMolay, they will continue to grow.

In relation to our membership, we gained some 10,000 and, let me say, that is the best gain we have had in the last ten years. (Applause)

Regarding our wills, bequests and gifts, we practically doubled any amount we had ever received before, not counting the four million dollars we took in from the Hundred Million Dollar Club and the ten thousand new wills. This is a record that all of you participated in making.

I have only been glad to be your leader when all of this was accomplished.

Again, I would like to indicate to you that there are some interesting facts and figures in my report and, therefore, at your leisure, I would urge you to read it. I think you will be gratified at what we have done during the past year and, as I indicated, I do not want to take up time to present to you any more of that particular report.

However, I do want to thank you very kindly for your support and I hope, in connection with the fine Noble that succeeds me, Jake Wingerter, that you will likewise give him the same kind of great cooperation you have given us in the past.

Thank you all very kindly. (Applause)

Attention is called to the amendments to the By-Laws of the Imperial Council (Iowa Corporation), that were adopted at the Dallas-Fort Worth Session:

ARTICLE 1

GENERAL PROVISIONS

§ 101.3 DEFINITIONS.

(p) "Associations of Units" means regional, national, or international organizations of Temple uniformed units or of Nobles who, as a prerequisite for their membership in such organizations, are members of Temple uniformed units.

ARTICLE 6

OFFICERS

§ 206.5 DUTIES.

(e) Imperial Treasurer.

(8) With the approval of the Board of Directors, he shall arrange for the prudent investment of all funds of the Imperial Council not needed for immediate payment of obligations under current appropriations.

ARTICLE 9

SHRINE ASSOCIATIONS

§ 209.1 ASSOCIATIONS OF TEMPLES.

Any number of Temples may form a Shrine Association, for holding conventions for purely fraternal purposes, when and if the Imperial Council issues a charter therefor. No Association formed hereunder shall endorse, by resolution or otherwise, any candidate for elective office in any Temple or the Imperial Council, or adopt any resolution or take any action suggesting, advocating, proposing, endorsing, or opposing any legislation or action by the Imperial Council.

§ 209.3 ASSOCIATIONS OF UNITS.

(a) No Association of Units now existing shall continue in existence after January 1, 1973, without the express written permission of the Board of Directors.

(b) No Association of Units shall be organized without the express written permission of the Board of Directors.

(c) Every Association of Units is subject to regulation by the Imperial Council, any Association of Temples to which it is appendant, and the Potentates of the Temples in the jurisdictions of which it meets from time to time.

(d) The By-Laws of an Association of Units shall be effective only after having been approved by the Imperial Potentate; and, likewise, amendments thereto shall be effective only after his approval.

(e) For violation of Shrine Law or for other cause, the Imperial Potentate may arrest the charter and suspend the activities of any Association of Units.

(f) Nothing done pursuant to this Section shall affect the powers of any Potentate with respect to control of Temple units.

ARTICLE 11

REVENUES

§ 211.5 PAYMENT OF PER CAPITA TAX.

The annual per capita tax shall be paid to the Imperial Recorder as follows:

(a) Not later than March 31, 50%;

(b) Not later than June 1, 35%; and

(c) Not later than October 1, the remaining 15%.

ARTICLE 23

TEMPLE MEMBERSHIP

§ 323.7 ASSOCIATE MEMBERSHIP.

(a) Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) Applications for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the second Temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto effect his suspension in the second. His suspension for any other cause

or his expulsion from either Temple shall ipso facto effect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Each Temple in which a Noble holds associate membership shall collect and remit the hospital levy for an associate member unless he has been issued a Permanent Contributing Membership certificate by the Recorder of that Temple.

(f) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

ARTICLE 25

RCORDERS PLEASE NOTE

CORPORATIONS

The Recorder of each Temple shall send to the Imperial Recorder at the close of each calendar year a copy of the audit report, (preferably by a C.P.A.) and a

copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations.

1. Temple Corporation and/or Temple Holding Corporation;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporation of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital bequests and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the Imperial Recorder of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1973 IMPERIAL COUNCIL SESSION

The 1973 Session of the Imperial Council will be held in Atlanta, Georgia, the week of July 2, 1973. The Director General is Gene Bracewell (Yaarab Temple) P. O. Box 43106, Atlanta, Ga. 30336, Telephone Area Code 404, 691-9292.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Atlanta, Georgia area as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Atlanta, Georgia. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units

in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1973 Session in Atlanta, Georgia.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representative there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Atlanta are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Atlanta, Georgia is Daniel D. Shermer, 1095 C North Jamestown Road, Decatur, Georgia 30030, Telephone Area Code 404, 633-5005.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

It is suggested that no breakfast or morning engagement be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resume of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Imperial Recorder) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples, chartered by the Imperial Council operate, i.e., United States, Canada and Mexico.

These three National flags should also be properly displayed at all Shrine meetings. **NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.**

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. THIS IS NOT PROPER. No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward eight pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions please write the Imperial Recorder.

TOURS & CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Imperial Recorder of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises and pilgrimages.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour by supplemental air carrier, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of such carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

5. All pilgrimages, tours and cruises when sponsored by a temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

TAX RETURN INFORMATION—RECORDS AND REPORTING

The Tax Reform Act of 1969 will affect United States Shrine Temples and their title-holding, affiliated and appendant corporations. Informational tax returns will be required and the Unrelated Business Income Tax will apply. There are penalties for failure to file returns; and the penalties are assessed by the government against the *person or persons* in the Temple who are responsible.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each Temple shall appoint Legal Counsel and an independent Auditor, whose names and addresses shall be immediately furnished to the Imperial Recorder.
2. That all Potentates shall see that all title-holding corporations, Units, Shrine Clubs, Shrine Club Holding Companies, and other appendant and affiliated organizations of the Temple maintain adequate accounting records of all financial transactions.
3. That all U.S. Temple Potentates shall ascertain the need for and, *where necessary,* secure a separate Employer identification number for the Temple, its title-holding corporations, Units, Shrine Clubs, and other affiliated and appendant organizations.
4. That all informational tax returns filed for years after 1969 for each U.S. Shrine Temple shall include the financial transactions of *all Units and Shrine Clubs* (except those which are separately incorporated and/or have their own federal tax-exempt status and will be required to file their own returns) regardless of the amount of their annual gross receipts. For informational tax return purposes, all Units and Shrine Clubs are integral parts of the Temple.
5. That all title-holding corporations, any Shrine Clubs having their own tax-exempt status and/or which are separately incorporated, all Shrine Club Holding Companies, and all other appendant and affiliated organizations which are required by law to file tax returns or informational returns do so timely and with the advice and assistance of the Legal Counsel or independent Auditor who prepares the Temple informational tax return.
6. That copies of all Temple returns and returns of all Temple-related organizations shall be sent to the Imperial Recorder at the same time they are filed with the Internal Revenue Service; and they shall be accompanied by a certification of the Potentate and either the Temple's Legal Counsel or independent Auditor that they are true and complete to the best of their knowledge and belief.
7. That the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order.

Individuals required to pay U.S. income taxes are entitled to list certain charitable contributions or gifts as deductions on their income tax returns. Under the proper circumstances, contributions or gifts made to Shrine Temples may be included in the list of deductible charitable contributions. By the terms of § 170 (c) (4) of the Internal Revenue Code, deductibility is recognized for a contribution to "a domestic fraternal society, Order, or association, operating under the lodge system, *but only if such contribution or gift is to be used exclusively for religious, charitable, scientific, literary, or educational purposes,* or for the prevention of cruelty to children or animals."

In the Internal Revenue Code Regulations as to the annual informational return (Form 990) required to be filed by all United States Shrine Temples, the following statement appears:

> Organizations described in section 501 (c) (8) or (10) (and, for taxable years beginning after December 31, 1970, organizations described in section 501 (c) (7)) that receive contributions or bequests to be used exclusively for purposes described in section 170 (c) (4), 2055 (a) (3), or 2522 (a) (3), must attach a schedule with respect to all gifts which aggregate more than $1,000 from any one person showing the name of the donor, the amount of

the contribution or bequest, the specific purpose for which such amount was received, and the specific use to which such amount was put. In the case of an amount set aside for such purposes, the organization shall indicate the manner in which such amount is held (for instance, whether such amount is commingled with amounts held for other purposes). If the contribution or bequest was transferred to another organization, the schedule must include the name of the transferee organization, a description of the nature of such organization, and a description of the relationship between the transferee and the transferor organizations.

It appearing that the interests of the Order would be well served by the issuance and observance of the following, it is ORDERED:

1. That each United States Temple shall comply with the specific reporting instructions and requirements referred to above in filing their annual (Form 990) return.
2. That each United States Temple shall keep and maintain a separate set of financial records and a separate bank account for the receipt and disbursement of all contributions to the Temple which qualify as deductible contributions under § 170 (c) (4), (2055) (a) (3) or 2522 (a) (3), of the Internal Revenue Code.
3. That, notwithstanding the provisions of paragraph 2, the annual levy for the support of Shriners Hospitals for Crippled Children remains subject to the provisions of § 332.3 of the Imperial by-laws and shall still be treated as a segregated trust fund.

HOSPITAL PAMPHLETS—MOVIES—MATERIAL INSTRUCTIONS

Various Hospital Units, Temples, Shrine Clubs, and Units have undertaken the commendable and praiseworthy task of producing public relations material concerning Shriners Hospitals for Crippled Children. In order to coordinate these efforts and to insure that such material is in all respect accurate, it appears that the best interests of the Shrine would be served by the issuance and observance of the following General Order.

THEREFORE, IT IS ORDERED: Before any pamphlets, brochures, movies and film strips pertaining to Shriners Hospitals for Crippled Children, its affiliates and hospitals are printed, written approval must be secured from the Board of Governors of the Hospital involved and except for those publications to be used for professional training purposes only, written approval must also be secured from the Chairman of the Public Relations Committee of Shriners Hospitals for Crippled Children, the Director of Medical Affairs, and General Counsel as to its form, content, place and method of printing.

Luncheons for Representatives will be served in the Hall of Nations of the Marriott Motor Hotel on Wednesday and Thursday. Tickets for these luncheons will be in your registration envelope.

REPRESENTATIVES' LADIES' LUNCHEON

Representatives' Ladies' Luncheon will be held in the Phoenix Ballroom of the Regency Hyatt House on Thursday, July 5, 1973 at 12:30 P.M. Doors open at 11:30 A.M. Admission will be by ticket only. Each Representative's registration envelope will contain a ticket for his lady.

You will be advised of other social affairs through the medium of a program to be issued by the Convention Corporation.

Do not fail to visit the "Shrine Convention Mart" in the Regency Hyatt House.

PUBLIC OPENING CEREMONIES of the Convention will be held at 3:00 P.M. Monday, July 2, 1973, in the Grand Ballroom of the Marriott Motor Hotel. This will include welcoming speeches, introduction of Imperial Officers and distinguished guests, etc. (Heretofore this has been after the parade on Tuesday but frequently because of lengthy parades, the Opening Ceremonies were held at the same time certain Temples were parading, hence Imperial Potentate Struby decided to hold the PUBLIC Opening Ceremonies on Monday, when there would be no interference.)

OFFICIAL OPENING

The OFFICIAL OPENING MEETING of this Imperial Council Session will take place Tuesday, July 3, 1973, promptly at 3:00 P.M. in the Grand Ballroom of the Marriott Motor Hotel.

SPECIAL NOTICE TO RECORDERS

In order that proper tribute may be paid to our departed Nobility, Recorders of Subordinate Temples are requested to immediately send direct to the Chairman of the Necrology Committee, c/o The Imperial Recorder's Office, 323 N. Michigan Avenue, Chicago, Illinois 60601, memoranda relative to the distinguished Nobles of their membership who have died since the last session of the Imperial Council. The Committee on Necrology is dependent on the cooperation of the Recorders for this information.

EMERITI MEMBERS

Please advise the office of the Imperial Recorder immediately the name of any Representative of your Temple who will become eligible for Emeritus membership

by attendance at the 1973 Session of the Imperial Council so that the Chairman of the Committee on Emeriti Members may be notified.

ARTICLE 3, SECTION 203.4 EMERITI REPRESENTATIVES

No nominations for Emeriti Representatives shall be considered by the Committee unless the same is received by the Imperial Recorder at least 30 days prior to the date of the convening of the Imperial Council Session at which said nominations are to be acted upon.

NOTICE TO POTENTATES AND RECORDERS

The Imperial Recorder's Office in the Hermitage Room of the Marriott Motor Hotel, will open on Friday morning, June 22, 1973. In order to expedite the work of the office and facilitate the preparation of the necessary reports to the Imperial Council, it would be a great accommodation if the Potentates and Recorders would forward any changes in Representatives so as to reach the Chicago office on or before June 22, 1973.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 OF ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION, THE POTENTATE SHALL APPOINT A REPRESENTATIVE, AND NOTICE OF THE APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S OFFICE BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE." THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON THURSDAY, JUNE 28, 1973.

RECEPTION FOR NEWLY ELECTED IMPERIAL POTENTATE

The reception and inauguration pageant for the newly elected Imperial Potentate and all Newly Elected Imperial Officers will take place in the Auditorium at the Civic Center on Thursday morning, July 5, at 9:00 A.M. All Nobles and their ladies and friends are invited to attend and honor our newly elected Imperial Potentate and Officers.

ROLL CALL

The Imperial Potentate advises that there WILL be roll call of Representatives at any time during the sessions of the Imperial Council.

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

BE SURE TO CARRY YOUR BALLOT BOOK TO ALL SESSIONS.

COMMITTEE LIST

Appointed by Imperial Potentate Henry B. Struby

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular matter. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The Day Parade will start promptly at 9:30 A.M. on Tuesday, July 3. The route of march will start at Baker Street, south on Peachtree to Edgewood, east on Edgewood to Pryor, north on Pryor to Auburn, east on Auburn to Ivy—Marching Units north on Ivy to Harris and disperse; Animal Units north on Ivy to Forest Avenue, south on Forest to Piedmont and disperse; and motorized units disperse between Harris & Piedmont Streets.

The Shriners "Honor America" Parade will start promptly at 2:00 P.M. on Wednesday, July 4. The route and dispersal area will be the same as the Day Parade.

The Night Parade will start promptly at 7:30 P.M. on Thursday, July 5. The route and dispersal area will be the same as the Day Parade.

Potentates will instruct commanders of their Uniformed Units that all movements in the three Parades must be forward movements. By instruction of the Imperial Potentate nothing will be permitted in the Shrine parades that is a violation of any laws of the land. This regulation will be enforced.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Gene Bracewell, Director General of the Convention, whose office is located in the Marriott Motor Hotel. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamor of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Atlanta, Georgia, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Atlanta, Georgia will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to**

comply with this parade regulation are not to form in line for the parades. The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Atlanta, Georgia, the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than **ONE CAR for the officers of each Temple with uniformed units in the parades.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. The Reviewing Stand will be located on Peachtree Street directly in front of the Regency Hyatt House for the Day Parade, the Shriners Honor America Parade, and the Night Parade. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, Uniformed Bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the left of the parade movement.
2. **No national Flag shall be lowered** when passing the reviewing stand.

3. Neither candy nor other objects shall be thrown to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding the use of hard helmets instead of the Fez.
6. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as to not give the impression that they are drinking intoxicants.
7. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

If your Uniformed Units attend the Imperial Council Session in Atlanta, Georgia, it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple), to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Fred Danner. Deputy Provost Marshal is Bill Whitworth. Provost Headquarters during the Convention will be in the Marriott Motor Hotel and the Regency Hyatt House. Each Potentate will kindly advise Noble Fred Danner the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. The members of the Provost Guard are to be instructed that they will meet with Noble Fred Danner for instructions, etc. on Monday, July 2, at 9:00 A.M. at his headquarters in the Regency Hyatt House. Correspondence with Noble Danner prior to July should be addressed to him in care of the Director General, Gene Bracewell, at Shrine Convention Headquarters in the Marriott Motor Hotel.

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various Temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

Official notice has been received that the following Illustrious Nobles, listed alphabetically by Temple Name, will be candidates for Imperial Office.

IMPERIAL SIR ROBERT GARDINER WILSON, JR. (Past Imperial Potentate): Imperial Potentate and Nobles, your Committee on Transactions of Imperial Officers, to whom the more detailed report of the Imperial Potentate, Henry B. Struby was referred, submits the following recommendations:

1. That all matters relating to finance, revenue, budgets, expenditures and bonds be referred to the Committee on Finance and Accounts.

5. That all matters pertaining to Jurisdictional Lines be referred to the Committee on Jurisdictional Lines.

It is a distinct pleasure for this committee to express the genuine gratitude of the Representatives to this session for the great contribution to the welfare of the Shrine as a fraternal organization, as well as the World's Greatest Philanthropy in the work of Shriners Hospitals for Crippled Children.

Imperial Sir Henry and his wife, Margaret, have given so much of their lives and living to us down through the past years and they deserve the genuine thanks and

appreciation of all Shrinedom for their most unselfish and dedicated service to Shrine ideals.

They have enjoyed a wealth of personal friendship throughout the year and have endeared themselves to the hearts of all with whom they have come in contact.

Truly, it has been a great year for our Noble Order, even at the personal sacrifice of each of them.

The Shrine will long remember their year of service as leaders and certainly revere each of them as dear ones who will soon enter the ranks of past leaders. We recognize Henry's continued service in all fields of Masonry, as well as Shrine endeavor and join with Masonry in all of our jurisdictions in our words of thanks and appreciation to them.

We, your Committee, know that the Representatives to this Ninety-Ninth Session would be glad to join in a word of warm personal greeting that bears with it the warmth of the spoken word.

This report is respectfully submitted by the Committee on Transactions of the Imperial Officers, in whose behalf I now offer this report and would move for its adoption.

Respectfully submitted,

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor of the adoption of this report of the Committee on Transactions of Imperial Officers indicate by saying "aye"; contrary by the same sign. It is carried and so ordered.

I would now call on Bob Turley for procedures insofar as this meeting is concerned.

NOBLE ROBERT J. TURLEY: Imperial Sir, Imperial Sirs and Representatives, in years past without expressing any opinion for or against proposed legislation, the Jurisprudence and Laws Committee has reported to the Imperial Council on the form of each proposed amendment and upon its consistency with other provisions of the Imperial Bylaws and the Articles of Incorporation of the Iowa Corporation or the Colorado Corporation, as the case may be.

It was customary for the members of this Committee who made such a report to move the adoption of the amendment simply to bring it to the floor for action and in the interest of conserving time.

Now, that procedure has not been followed for the last two years nor will that procedure be followed this year. The Jurisprudence and Laws Committee will simply present its report as to the form and legality of each proposed amendment and which-

ever one of us presents the report will merely move that our report be accepted. Assuming favorable action upon such motion, the Imperial Potentate will then tender the floor to the Representative who proposed the amendment. It will then be left to him to move the adoption of his proposed legislation and to argue its merits.

Therefore, the reports of the Jurisprudence and Laws Committee are not meant to indicate to you that the Jurisprudence and Laws Committee as such is either in favor of a proposed amendment or against it. In his capacity, as a Representative, each of the members of the Committee may have strong feelings as to the merit of a particular proposal and any of us, like you, may wish to participate in the debate concerning one or more proposed amendments. In so doing, he will speak as an individual Representative and not for the Jurisprudence and Laws Committee as such.

Finally, we hope that you will understand that the Jurisprudence and Laws Committee is prepared to answer questions concerning the legal effect of proposed legislation and we will make every effort to serve this Imperial Council as you see fit.

Are there any questions about this procedure? If not, thank you, Imperial Sir.

IMPERIAL POTENTATE STRUBY: Thank you, Bob. In your usual good manner, you have tried to explain these things and I hope this will clarify as to how we are going to proceed during the elections and other business to come before this meeting.

At this time I would like to recognize Imperial Recorder, George M. Saunders, for the purpose of announcements and report on absentee Officers and Representatives of the Imperial Council, who will move that appropriate telegrams be sent to absentee members unable to attend.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, Imperial Sirs and Representatives: We have announced this before and you probably all know of it. Imperial Sir Harvey Smith, Imperial Oriental Guide, has had a coronary. He is, of course, in the hospital. The doctor says he is getting along fine and will be all right. He will have to, however, slow up in relation to some of his activities.

I would move that appropriate telegram be sent to Harvey Smith and also to any of the Emeritus Representatives who have been reported as being ill and not being able to attend this Session.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All those in favor please signify by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

I would now like to present Noble Walter E. Bischoff, Chairman of the DeMolay Study Committee, Potentate of Medinah Temple, for his report.

NOBLE WALTER E. BISCHOFF: Imperial Sir, Imperial Sirs and Representatives, this is the report of the Special DeMolay Study Committee, the members of this committee being some twenty-seven in number.

These members, through an exchange of letters throughout the year, came up with some sound ideas and suggestions for the help of promotion of DeMolay in our Temples.

With the help of the Imperial Recorder's Office, copies of some of these letters were mailed to each Potentate and Recorder as a part of the recent Imperial Recorder's Newsletter.

A recap or digest of the suggestions can be summed up for your Temple by, first, through moral support—that is, through manpower to enlist advisors at the Chapter level; to help assign administrative assistances at the state or jurisdictional level or to assist the sponsoring body of each Chapter to determine the adequacy of its Advisory Council.

Second, through financial assistance, encourage each Temple to subsidize DeMolay for fees to attend leadership camps, fees to send delegates to the DeMolay Congress, contributions to the Executive Officers for their jurisdictional expenses, supporting special programs at the jurisdictional level, such as Ritual contests, sweetheart contests, athletic programs or competition.

Nobles, last but most important is to encourage, stimulate, motivate the Nobility to take time and give generously of their energy and talents to help DeMolay.

Representatives of those Temples having DeMolay Committees or Units will be asked to meet together this week and compare notes or exchange ideas so as to promote DeMolay through their respective groups.

We believe it is important to point out that one of our own Past Imperial Potentates, Imperial Sir George M. Klepper, has been elected and installed as Grand Master of the International Supreme Council, Order of DeMolay. This is indeed an honor to him and to the Shrine of North America. We wish him well in that tremendous responsibility.

And, lastly, all of you know, I am sure, that our Imperial Sir, Henry B. Struby, is to be commended for placing DeMolay in such an important place in his program. Every talk or speech that he made before the Nobility stressed the importance of Shrinedom's interest in DeMolay.

This report is respectfully submitted by your Committee and I would move for its acceptance.

Respectfully submitted,

DeMOLAY STUDY COMMITTEE

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that this report be accepted. Is there discussion? If not, all in favor indicate by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, in accordance with the wishes of the Committee, an arrangement has been made for the committee to meet with the chairman, Walter Bischoff at eighty-thirty a.m. tomorrow morning.

IMPERIAL POTENTATE STRUBY: Those who desire to attend will be governed accordingly.

Now is Joe Shirley in the room? I would like to have you come up, Joe and tell them what you have been doing in relation to membership, not as long as you usually talk but tell them a few of the things that you have been doing. (Laughter) Just a moment, I think I committed my first goof of the day. We have to be in recess when he talks because he does not happen to be a Representative. You know, if I don't call upon him to talk, he will probably tear the building down, (Laughter) and so I urge that you please grant me this wish.

All those in favor of granting this wish indicate by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

NOBLE JOSEPH SHIRLEY (Syrian Temple): Imperial Sir, Imperial Sirs, Nobles and Masons all, the greatest asset that we have in our Temples is new blood. Don't fail to ask the best friend you have to become a Shriner.

On Friday morning at six o'clock I received a telephone call—"Come up and see me, Joe." I said that I would come up. He said, "Mom will make us breakfast."

Well, I drove the sixty miles and Mom did make us breakfast and this gentleman introduced me to his dad and his dad, in turn, introduced me to their grandson.

I then, at the first appropriate moment, inquired as to why I had been asked to come up there and the answer was—"Well, Joe, we know you have petitions in your pocket and all three of us want to become Shriners."

Gentlemen, it is a pleasure to make those miles because those miles represent the stability, the blood and the background of our great Temples.

Don't fail, if there is any possibility, to give it a chance and let's walk straight toward the million mark because it is possible.

As a matter of fact, with those three petitions, I signed my three thousand-fortieth first-line petition. (Applause)

Also, I am going to make a pledge that I am going to have at least fifty a year for the next ten years and so maybe I will get to thirty-five hundred. (Applause)

Please, let's walk together, shoulder to shoulder and through our efforts and through the efforts of each and every one individual in your Temple, may we grow the other ten percent in the next two years.

I thank you for your time. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you very much, Joe. I hope that your sincerity and willingness to work on membership and these brief comments regarding your success, will likewise motivate other Nobles to do the same thing.

You know, we probably have here at this meeting some of the most distinguished Masonic leaders that we have had present for a long, long time.

You know, apparently we are having trouble with our microphone system here. As I said in my travels this year, we can send a man to the moon but we apparently can't get one of these things to work properly. (Laughter)

However, I would like to say that we certainly do have a great group of Masonic leaders here and, of course, they would not be Masonic leaders and hold the positions that they do if they likewise were not distinguished Masons and fine men.

Now, we do have a little time here and perhaps we can recognize some of them. Of course, I don't want you to get the impression we are merely using them to fill in time. It is certainly a great pleasure for me to know that these fine men would give of their time to come here and be with us.

Now, since most of them are assembled here at the moment, I would first like to call on George E. Oliver, Grand Master of Masons from the State of Georgia, to give us a few remarks. (Applause)

MOST WORSHIPFUL BROTHER GEORGE E. OLIVER (Grand Master of Masons of Georgia): Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Nobles and Masons all, you know somebody told me the other day about two small boys who were reading some books they should not have been reading when somebody walked in on them. This individual walked up to one of the boys "what are you reading?" The boy replied, "well, I am reading a book on nuclear physics." This individual then asked the other boy the same question and he replied, "I am reading Playboy."

He then asked each of the boys what they would like to be when they grew up and the boy who had been reading the book on nuclear physics said, "I would like to be a nuclear physicist." When asking the other boy the same question, he replied, "Golly, I would just like to be grown up." (Laughter)

Now, after that parade this morning, I am sure everybody would love to be a Shriner because that was something really very fine.

It is my privilege, of course, as the Grand Master of Masons of Georgia, to wel-

come you here. I want you to know that nearly one hundred thousand Masons in Georgia are proud of you and proud that you are here.

We are proud, too, of the twenty-two Orthopedic Hospitals and Burns Units that you support and we want to say again that we do laugh at your antics, that we enjoy your parades and, in turn, we want to exert every effort on our part to see that you have a good time while you are here, along with your handling your other business affairs.

Again, on behalf of the Masons of Georgia, let me extend to you a hearty welcome and wish for you a most enjoyable stay during the time you are in this great city.

Thank you very much for this recognition. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Worshipful Grand Master.

Now, is Wilbur Bell in the audience?

(Cries of "yes".)

IMPERIAL POTENTATE STRUBY: I would like to have you come up here, Wilbur.

While he is coming up here, let me say to all of you fine Nobles that here certainly is a man who has probably done as much for the Knights Templar in the last three years as has been done in the last twenty-five years. It has been a pleasure to know Wilbur about that length of time and I am sure he has a message for you.

NOBLE G. WILBUR BELL (Grand Master, Knights Templar): Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and fellow Representatives: Certainly, it gives me a great deal of pleasure to be here and to bring to you and to the Imperial Sir the greetings of the Grand Encampment.

I am very happy and proud to report to you that all of us are Shriners.

We join with you in rejoicing over your many accomplishments of this past year. We intend to participate with you in your accomplishments in the future.

I should also likewise desire to extend to each of you an invitation to attend our Triennial, which is going to be held in Chicago on August 11-16 of this year. Now, some people are of the opinion that the Triennial Conclave is only for the officers. However, this is not true—it is really for all members of the Commandery and for any of you who are not Commandery members, I just happen to have a couple of petitions with me. (Laughter)

Imperial Sir, I express to you my sincere thanks and appreciation for the courtesies that you have extended to the Grand Encampment, to me personally over the years. It has been a thrill and a pleasure to have walked side by side with you and your lady, Margaret, and we wish you well in the future and may God bless all of your efforts.

Thank you so much. (Applause)

IMPERIAL POTENTATE STRUBY: You know, the best time you can really get to this individual is at four o'clock in the morning when, as I found out on one occasion, he was beating a base drum in his Temple Band. This is really the kind of fellow he is. He is a true gentleman and a great Mason and a real fine Shriner.

Now, in relation to this next distinguished guest, while it hasn't been my privilege to know him too many years, however, since I have known him, I consider him to be one of the greatest fraternal leaders I have ever met. Now, this may be stretching a point but, nevertheless, I am very sincere in my speaking about him because he is a friend of a lot of you men, I am sure and, further, to we in the Northern Jurisdiction, who have known him so well, I would like to present to you George A. Newbury, Grand Commander, the Northern Jurisdiction of the 33rd, Scottish Rite.

NOBLE GEORGE A. NEWBURY (Grand Commander, Northern Jurisdiction, Scottish Rite): Imperial Potentate, Most Worshipful Grand Master of Georgia, Distinguished Divan, Distinguished Guests and Nobles all: I assure you it is a great pleasure to be with you here at this Imperial Council Session and also to bring you the greetings from your Brothers in the Scottish Rite of the Northern Masonic Jurisdiction.

It was my privilege to receive you at our session a year ago. I am looking forward to receiving your successor at our session in Detroit shortly.

You know, we are all very proud of the Shrine. Whether or not we find our major endeavor in the Shrine or in the Masonic bodies, I think you can find no greater

effort than of the guests who are at this session—in the efforts of these, for example, Grand Masters, not only of the DeMolay, not only from our own jurisdiction but the Grand Master of DeMolay of Canada. We are all here because we love the Shrine and we are proud of the work that is done.

Good fellowship is a major part of Freemasonry. As a matter of fact, Freemasonry cannot function effectively separate from an atmosphere of good fellowship and you Nobles in the Shrine provide that in rich measure.

You also exemplify in a splendid manner the true tenets of Freemasonry, with your great hospitals, your Burn Institutes, your good fellowship and all the rest.

I again assure you that it is a great joy to be here with you—to congratulate you, Imperial Sir, on the splendid year you have had and to wish your successor the greatest of things in the year that lies ahead.

It is a great joy to be with you. Thank you very much for this courtesy. (Applause)

IMPERIAL POTENTATE STRURY: Thank you, George. It is always a delight to have you at the session and to hear from you.

Now, I don't know whether Bill Netherton is in the room. He is the Grand Sovereign of the Red Cross of Constantine. If he is in the room, it will certainly be a great pleasure to hear from him. I understand he is not with us at the moment.

Now, I made this remark at the Red Cross meeting this morning and I want to repeat it again—to you fellows that do not know him, you should learn to know him because he is a great guy and, therefore, at this time, I would like to present to you Forrest A. Wakeman, the Grand Master of Indiana. (Applause)

MOST WORSHIPFUL BROTHER FORREST A. WAKEMAN (Grand Master of Indiana): Imperial Potentate, Imperial Divan, Past Potentate, Most Worshipful Grand Masters and my Brethren: One hundred sixty-one thousand Masons in Indiana send you greetings and they are inordinately proud of your Imperial Potentate. Each one of us have appreciated very much the service he has given to Shrinedom and to Freemasonry this year.

Of course, this likewise applies to Margaret, his lovely wife. You know she told me of an incident that just happened recently. They had been traveling, were very tired and went to bed one night and, after they had been laying there awhile she kind of cuddled up to Henry and said, "Henry, you know, when we were first married, you used to take me in your arms." Well, Henry rolled over, took Margaret in his arms and then she said, "you know, Henry, when we were first married, you used to kiss me." So he kissed her. She then said, "Henry, you know, when we were first married you used to bite me on the neck." At this point, Henry threw back the covers, got out of bed and, as he was doing so, Margaret asked, "Henry, where are you going?" He replied, "to the bathroom to get my darn teeth." (Laughter)

You know, one hundred ninety-seven years ago, fifty-six men signed one of the most historic documents ever signed in this country. They pledged their lives, their fortunes and their sacred honor that this country might live and persevere and prosper.

Now, some of these men lost their lives—some of them lost their fortunes but, certainly, none of them lost their honor in that great endeavor.

May I remind you, Nobles, that the 200th birthday of this beloved country of ours is coming up very rapidly and I would suggest to each of you that, while you are a Representative of your Temple, you are also a Representative of Freemasonry. Therefore, I would suggest that each of your Temples have a bicentennial committee to promote a renewed sense of patriotism in this country.

An event of great significant has happened during the past year—our prisoners of war have come back from the jungles of North Viet Nam and Hanoi and they have brought us a great gift—the gift of a renewed sense of love of country, a love of patriotism and a dedication to our flag. I plead with you, my Brethren, to participate in this great birthday of our country.

It deserves the help of every Mason in this country and, certainly, of every Shriner and, therefore, I plead with you to help stimulate love of country and, certainly, among Shriners and among Masons.

Imperial Sir, I thank you very much for the courtesies that you have extended to me and thank you very much for giving me this honor of saying these few words. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you very much and, in connection with your remarks, please keep my personal life out of it. (Laughter and applause)

We next have with us the Grand High Priest of the Royal Arch Masons. Are you here, Ed? I would like to extend the courtesy of the microphone to him because I am sure he has some words of wisdom for us.

NOBLE EDWARD M. SELBY (Grand High Priest, Royal Arch Masons): Imperial Sir, Most Worshipful Grand Master and Nobles of the Mystic Shrine: I want to express the appreciation of both Mrs. Selby and myself to the Imperial Potentate, to the Imperial Recorder for the invitation which has made it possible for us to visit with you here today.

This is my first attendance at an Imperial Session of the Shrine and I assure you that I am impressed.

I am overwhelmed with the things that are done by this fine organization.

It is my privilege to speak to you on behalf of approximately five hundred thousand Royal Arch Masons in the General Grand Chapter and each of them, I know, has a very close feeling for the Mystic Shrine because it has been over the threshhold of the Chapter that so many of your members have passed on their way to becoming Shriners.

This organization, as you know, does a great work, a work which is a credit to the Masonic Fraternity and it is a privilege for me to speak for just one segment and express to you our admiration and likewise to bring you good wishes for continued success in the great work in which you are embarked.

Again, thank you for all of the courtesies shown and for this opportunity of saying these few words to you.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Ed. Now, Nobles, I can assure you that there are quite a few more of these distinguished guests that I can call on but, with the exception of one more individual, these other distinguished guests we will call on at various times during our proceedings later on in the week.

However, at this time, I would like to recognize Most Worshipful Brother H. Ben Collins, Most Worshipful Grand Master of the State of Florida. Will you please come up here.

MOST WORSHIPFUL BROTHER COLLINS (Grand Master of Masons, Florida): Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and all in the wonderful audience: I would like to bring you greetings from the eighty thousand Masons in the State of Florida and the approximately thirty-six thousand Shriners.

Imperial Sir, I would like to commend you on your stand with regard to the DeMolay. Having been a DeMolay myself, it was a great honor and privilege to, in our period of some one hundred forty-four-odd years, become one of the four Grand Masters who served as a DeMolay. To you wonderful men, for the job you are doing, I want to commend you. We in Florida feel that we have something that most states do not have and that is that we have some of the greatest unity there is among the Shrine and the Blue Lodges.

The six Temples in our great state are very, very close to the Grand Lodge and, of course, we are proud of it because we know that the Shrine is doing a great job.

Likewise, we know that you are here to work for a great cause during this session.

Imperial Sir, let me say it has been a tremendous pleasure for me to be here. Further, I appreciate the invitation for both myself and my lady and, further, it is likewise wonderful to see so many ladies working and serving around with the Nobility. I wish, in relation to our various Blue Lodges that we likewise could get our wives more interested in what we are doing.

You know, when we think of these ladies, my Brethren, according to statistics, for example, they own fifty-eight percent of the stock in this country, they purchase

eighty-two percent of the clothing that we men wear and, therefore, you can see their importance to our efforts.

You know, we have to be prepared for almost anything and everything in our office of Grand Master and I am sure that the Imperial Sir likewise has to be prepared for almost anything.

Now, in connection with his efforts toward getting this meeting to order, the Grand Master of Georgia, who is a judge and myself, who had been a police officer for two years, we had a solution toward that end but we are not going to tell you what it is, Imperial Sir. However, we could have straightened your difficulties out for you very quickly. For example, the judge said that if he could have the gavel and I, in turn, go out there with my blackjack, we might straighten some of those fellows out. (Laughter)

Again, Imperial Sir, thank you for all the courtesies extended to me and my wife. On behalf of the Masons of Florida, we wish for you much success during the coming session and trust that you will go home with all of your problems solved and goals met.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Ed.

I am sure you can all now understand, Nobles, what a great group of Masons and men as Shriners they all are.

Now, Nobles, we have, according to our schedule, some fifteen minutes left and, rest assured, I am going to get you out of here at four o'clock as I intend.

While I was in California, I received a call from my sister-in-law that my Brother had passed on while in Florida and so I went over to Jacksonville and I did not have much time to make arrangements. However, with that group over there, Judge Jones, Randy Thomas and some of the rest of them they arranged it so that I had a car and got to see my sister-in-law and brother. They also fixed it up so that I had a hotel room that night and attended to just any little thing I desired or needed.

Now, if I never get anything more out of Shrinedom than the consideration I received those two days of my stay there and then my subsequent trips that I had to make back there, it certainly will have been well worth it to me. These are a great bunch of guys they have down there. They are also good humanitarians and fine Shriners. Therefore, I want to publicly acknowledge, at this time, the consideration they gave to me and the things they did for me.

I might say, also, that Judge Jones and I have been friends for many, many years. Confidentially, if you will take him into your confidence, he will drive you crazy. (Laughter)

However, nevertheless, we are real good friends.

NOBLE WARREN L. (JUDGE) JONES: Confidentially, like he said, if it be well that I take him into my confidence, that he take me into his, let it now be done and let it then be over with. (Laughter and applause)

IMPERIAL POTENTATE STRUBY: You must know, for example, that I would be half crazy to argue with a federal judge. (Laughter) However, I can tell you this—that when he was Transportation Chairman down there at the Southeast one time he said to me, "How are you going to get to the airport?" Well, I replied, "You're the Transportation Chairman, you figure that out." He replied, "You know, it is the craziest thing but as soon as you get these fellows elected to the Imperial Divan they forget how to call a taxi." (Laughter and applause) However, he got me to the airport.

Now, we do have several things we can handle here and, of course, I hope they will be non-controversial. These are items that, I understand, are supposed to be referred to the Jurisdictional Lines Committee. These are various proposals that are in the Call. I think, Nobles, this has been taken care of maybe by Judge Wilson but, at any rate, insofar as the items referred to in the Call are concerned, I would like to request that you give us permission to refer those items pertaining to Jurisdictional Lines to the Committee on Jurisdictional Lines. I would like to have a motion to that effect.

(The motion was severally made and seconded.)

IMPERIAL POTENTATE STRUBY: You have the motion and the second. Is there discussion? If not, all in favor indicate by saying "aye"; contrary-minded by the same sign. It is carried and so ordered. (Gavel.)

You know, as time gets shorter, the gavel gets quicker. (Laughter)

I would now like to call upon Bob Turley, who has a few other announcements to make and will probably get some of the non-controversial things over with. As I indicated to you before, we are going to get out of here as scheduled.

NOBLE ROBERT TURLEY: Imperial Sir, Judge Cochran has two reports to bring to you.

NOBLE JOHN D. COCHRAN: Imperial Sir, Imperial Sirs and Representatives: I will be reporting on the Bylaws of the various Temples which have been submitted during the past year.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws the Imperial Recorder's Report of New and Amended Temple By-laws which were approved by this Committee and the Imperial Potentate during the recess of the Imperial Council, which report is required to be presented by § 331.4(a). The report is in proper form and there have been no objections to or appeals from the approval of any of the Temple By-Laws listed herein.

Wherefore, this Committee recommends the approval and adoption of the report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, which is that the report be accepted and filed. Is there any discussion?

If not, all those in favor signify by saying "aye"; those opposed by the same sign. The motion is carried and it is so ordered.

Now, I think there are a couple of small items that we have here from Bill Knowlton.

NOBLE WILLIAM H. KNOWLTON: Imperial Sir and Representatives, I am reporting on the Imperial Potentate's Rulings and Decisions. You have received a copy of them, all the Representatives, in your packet.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws the Imperial Potentate's Report of his Rulings and Decisions issued and made during the recess of the Imperial Council, which report is required to be presented by § 206.5(a)(14). The report is in proper form and there have been no objections to or appeals from any of the Rulings and Decisions listed therein.

This committee concurs in the Imperial Potentate's Rulings and Decisions and, therefore, recommends adoption of the erport and approval of the Imperial Potentate's Rulings and Decisions.

Respectfully submitted,

REPORT ON RULINGS AND DECISIONS TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

1972-1973

OSMAN TEMPLE August 11, 1972	A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.
ABU BEKR TEMPLE August 11, 1972	Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.
JERUSALEM TEMPLE August 21, 1972	Upon suspension by the Imperial Potentate of a Potentate of a temple, § 327.2(d) requires the Chief Rabban to act as Potentate until a special election is held and the office of Potentate thereby filled.
ANEZEH TEMPLE August 21, 1972	A Noble who is indebted to his temple and under sentence of expulsion is not eligible for a demit under § 323.10.
EL BEKAL TEMPLE August 29, 1972	A Noble holding associate membership under § 323.7 must pay the hospital assessment in each temple in which he holds membership and from which he does not have a Permanent Contributing Membership certificate issued pursuant to § 332.4.
OASIS TEMPLE August 29, 1972	A special election under § 325.13(a) is not mandatory; but the temple itself may direct that a special election be called, in which even a special election must be held at the time and place directed.

KERBELA TEMPLE
August 31, 1972
Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

JERUSALEM TEMPLE
August 31, 1972
The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

KAABA TEMPLE
August 31, 1972
Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

ANEZEH TEMPLE
September 15, 1972
An appeal to the Imperial Council having been withdrawn, § 330.2(b)(9) applies and a judgment of expulsion should be executed.

KOREIN TEMPLE
September 15, 1972
Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

KENA TEMPLE
September 15, 1972
Imperial By-law §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

IMPERIAL RECORDER
September 21, 1972
Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

ABOU SAAD TEMPLE
September 28, 1972
So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

MOHAMMED TEMPLE
September 28, 1972
The purchase of an automobile at a discount upon the promise to display the dealer's name thereon would identify a commercial enterprise with the Order and thereby violate § 335.2(a).

JERUSALEM TEMPLE
September 28, 1972
By reason of § 335.9 a temple may not earmark a specified percentage of its annual dues for use by its uniformed units, and the Potentate may not be empowered to make expenditures of funds not appropriated under § 334.4.

RAMESES TEMPLE
October 24, 1972
Section 1 of Article III of the Articles of Incorporation prohibits membership of a temple in an organization not wholly subject to control by the Imperial Council if the temple is anywise subject to the control of such organization.

RAMESES TEMPLE
October 24, 1972
Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

KAZIM TEMPLE
November 9, 1972
One who has procured his initiation into the Order by misrepresentation of facts concerning his residence is nevertheless a member of the temple that initiated him. He is subject to discipline under § 206.5(a)(11) or Article 30 or both.

EL ZARIBAH TEMPLE
November 10, 1972
The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

AL MALAIKAH TEMPLE
November 13, 1972
To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10(b).

EL MAIDA TEMPLE December 4, 1972	Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).
MEDINAH TEMPLE December 4, 1972	§ 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.
CRESCENT TEMPLE December 5, 1972	A budget adopted pursuant to § 334.4 and using the Uniform Chart of Accounts may make provision for admission charges to entertainment functions of the temple.
BAHIA TEMPLE December 5, 1972	Under § 323.8 a Noble is required to maintain membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.
CRESCENT TEMPLE December 5, 1972	Temples are forbidden by § 323.3(b) to add to or take from the prerequisites for membership fixed by § 323.3(a) and incorporated by reference in § 323.8(a), so Shrine law neither requires nor permits a temple to require proof of symbolic lodge membership as a prerequisite for retention of membership in the Shrine.
AL AMIN TEMPLE December 12, 1972	All those who sign a letter soliciting support for a candidate for temple office thereby violate § 325.10(a); and if such letter was published or circulated with the knowledge or consent of the candidate, he is likewise guilty of violating § 325.10(a).
ALHAMBRA TEMPLE December 14, 1972	In accordance with § 323.7(g) and § 323.12 a Past Potentate of one temple who is elected to associate membership in a second temple is entitled to be classified as a Past Potentate in both temples.
ABOU SAAD TEMPLE December 18, 1972	The editor of a Shrine club newsletter which announces a member's candidacy for temple office has violated § 325.10(a), but disciplinary action need not be taken against the candidate himself if publication of the announcement was made without his knowledge or consent.
KERAK TEMPLE December 19, 1972	By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.
AL BEDOO TEMPLE January 23, 1972	In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.
BEKTASH TEMPLE February 1, 1973	Even under § 327.3(b)(1), a temple may provide a controlled method for its circus committee to receive and disburse funds so long as an accounting is made to the temple and the net proceeds are paid to the Recorder.
AL KORAN TEMPLE February 8, 1973	Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).
AAHMES TEMPLE February 8, 1973	A candidate for temple office may withdraw after inconclusive ballots, and he is not prohibited by Shrine law from explaining the reason for his withdrawal.

MECCA TEMPLE February 8, 1973	It is left to the temples under § 337.1 to establish their own policies as to whether or not all Shrine Club officers must be members of the temple under the aegis of which the club operates.
BALLUT ABYAD TEMPLE March 6, 1973	§ 335.6 does not prohibit verification by one Recorder to another of a claim that an individual once held membership in the former's temple.
KENA TEMPLE April 2, 1973	Except for uniformed units, to which Article 36 applies, local organizations of Shriners may be formed only subject to the provisions of Article 37.
IREM TEMPLE April 3, 1973	Under § 327.5, temple by-laws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.
BENI KEDEM TEMPLE April 26, 1973	A Noble's charge that the Potentate of his temple has arbitrarily or capriciously exercised his authority under § 336.1 should be referred to the Grievances and Appeals Committee in accordance with § 208.6(a).
IREM TEMPLE April 27, 1973	§ 332.1(d) requires payment of initiation fees before initiation, so that the acceptance of credit cards or other credit transactions to which the temple is a party for the purpose of financing the initiation of candidates is prohibited.
AL AZHAR TEMPLE April 30, 1973	Construction of a new mosque at a different site but within the corporate limits of the city named in its charter does not change the location of a temple within the meaning of § 322.5.
AL AZHAR TEMPLE April 30, 1973	§ 334.7 does not apply to the purchase of property or the construction of a building if neither a secured nor a long-term obligation is required to finance the venture.
KOSAIR TEMPLE April 30, 1973	According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3(j), General Orders which have expired are no longer Shrine law.
KOSAIR TEMPLE April 30, 1973	While each temple is to determine, in light of its own circumstances, what insurance coverage is adequate and proper under § 334.2, the Potentate of a temple entertaining a Shrine association meeting has authority under § 336.2(c) to make additional requirements with respect to insurance coverage on vehicles owned by other temples to be within his temple's jurisdiction.
MAHI TEMPLE May 15, 1973	Shrine law does not prohibit the levy by a temple of a tax on its Shrine clubs and, so long as the tax is levied on the Shrine club rather than on the members of the Shrine club, it may be computed on a per capita basis.
MAHI TEMPLE May 16, 1973	The hospital levy made by § 332.3 may not be treated as a part of temple dues but must be segregated in a separate account.
AL BEDOO TEMPLE May 31, 1973	Use of the name "Shriners Hospitals for Crippled Children" in advertisements by an automobile dealer is forbidden by § 335.2(a).

NOBLE WILLIAM H. KNOWLTON: Imperial Sir, I move that the report as presented be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, which is to adopt the report as presented. Is there discussion?

If not, all in favor indicate by saying "aye"; those opposed by the same sign. The motion is carried and it is so ordered.

NOBLE WILLIAM H. KNOWLTON: This is the report of the Jurisprudence and Laws Committee on the General and Special Orders issued by the Imperial Potentate. To the Representatives of the Imperial Council:

The Imperial Potentate's General and Special Orders issued pursuant to § 206.5(a)(4) and (5), consisting of General Orders Nos. 1 and 2 (series of 1972-1973) and Special Order No. 1 (series of 1972-1973), having been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers and in accordance with § 206.5(a)(14). Your Committee now reports that all of such General and Special Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and the By-Laws of the Iowa Corporation.

WHEREFORE, this Committee recommends that the Imperial Potentate's General and Special Orders be approved.

Respectfully submitted,

SPECIAL ORDER

(Series 1972-1973)

No. 1
August 21, 1972

To the Potentate of
Jerusalem Temple

Having received official notification of his suspension by the Grand Master of Masons and in the prerequisite bodies, the Imperial Potentate suspended the Potentate of Jerusalem Temple until the conclusion of the next Session of the Imperial Council.

NOBLE WILLIAM H. KNOWLTON: Imperial Sir, I would move for the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, which is to adopt this report. Is there any discussion?

If not, all in favor indicate by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

Now, I wonder if Gene Bracewell is in the audience. Well, I can only tell you that this fine Noble has done a grand job for me as Director General. I don't know what you think about the convention thus far. (Applause) However, he, as well as Danny Shermer, our Housing Chairman, I believe, have done an excellent job.

I might also say that it is not easy to get a convention such as this together, especially with the large number of units in the parade today. However, Chuck and his boys also did a great job.

Now, I have also been asked to mention the Shriners Candy that is being sold. Let me say that we made arrangements with the group that is going to put on the Robinson, Illinois Shrine Golf Tournament to sell this candy. This is going to be a$125,000 golf tournament to be held at Robinson, Illinois. First prize is some $25,000. Now, I don't know how many top-flight professionals we will have there but it is the first PGA sponsored Shrine Tournament that is being put on.

Now, in conjunction with this, it was thought that it might be well if we tried the

Shrine candy idea therewith, not all over the country but sort of in the midwest area and maybe down as far as Atlanta.

They are now distributing and selling this candy and for every dollar they receive, fifty cents of it goes to the Shrine.

As I say, we have not tried this before and I am not so sure you all approve. However, if you see it around, let me assure you that it is good candy and we know the money will be going for a good purpose. Therefore, if you can help us out in relation to the sale of this candy, we would greatly appreciate it.

Now, Chuck, maybe you might come up here and talk about anything in relation to the parade.

IMPERIAL SIR CHARLES CLAYPOOL: Imperial Sir, Imperial Sirs and Nobles: I would like to notify some of you Potentates that in the parade today we had a man dressed as a woman. Now, he did not belong to any Temple. Insofar as we could ascertain, he worked himself in with some of the units. However, I would again urge that you make sure these people do not infiltrate your units and, in turn, give your Temple a bad image.

I want to thank all of the Potentates who were in the parade today and, likewise, I want you to inform your units that each of them went forward and, as a result, we have had one of the best Shrine parades that I have ever seen.

Again, thank you all very, very much for your cooperation. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Chuck. This is the first time that I can recall that we ever have had three parades. We will also have one on Wednesday to help out the people here. We promised that we would hold this parade on the 4th of July and then, of course, there is likewise the Thursday night parade.

Now, Bob, do you have anything else to report upon in connection with the Jurisprudence and Laws Committee?

NOBLE ROBERT J. TURLEY: Not at the present time, Imperial Sir.

IMPERIAL POTENTATE STRUBY: Then, at this time, I would like to recognize Noble Clyde Oliver, Chairman of the Elections and Tellers Committee, who will give you instructions with regard to balloting. Before calling on him, let me emphasize that you bring your ballot book with you to all of the sessions because you never know when you will need them.

Now, Clyde, would you like to come up here at this point and give them any instructions you desire?

NOBLE CLYDE OLIVER: Imperial Sir and Fellow Representatives: As you undoubtedly know, tomorrow is election day. In order to keep within the scheduled time frame, my remarks will be very brief.

First, I would like to remind you to definitely bring your ballot books with you tomorrow as you come because, from all appearances, we are going to do a lot of balloting or a lot of voting and, yes, even undoubtedly some voting by ballot. Therefore, your ballot books will be most necessary.

Now, the procedure we would like to follow insofar as voting is concerned is that the members of the Elections Committee will attend you on the aisles. Ballot boxes will be passed back and forth and the voting will be done only from your places where you are seated. There will be no voting done beyond the ropes at the rear of the room, out in the corridors or elsewhere. There will be ballots collected on the stage, of course, but voting, as I say, will be done from the Representatives' area.

The election, as I understand it, will start at nine o'clock and will continue until the Imperial Outer Guard has been elected.

Again, remember, your ballot books are most important and we will start at nine o'clock.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Let me say, Nobles, that this Noble had had this job for many, many years and he does a good job and, therefore, if you men will listen to and abide by his instructions, we will not have a bit of difficulty.

Now, my watch shows one minute of four and, George, do you have anything else?

IMPERIAL SIR GEORGE M. SAUNDERS: I have several Representatives who have not checked in and I would like to again read the names.

(Whereupon, Imperial Sir George M. Saunders read the names of Representatives who had not checked in.)

Also, a suggestion has been made that it would be much better if you would sign on the outside cover of your book so, in the event the book is lost, we can determine to whom it belongs.

Also, with regard to pictures with the Deputy Imperial Potentate, if anyone desires these pictures, they are being taken at the Imperial Recorder's Office.

Let me again remind those who are not registered in—that if they do not register in today, there will be no per diem indicated on their paycheck for today. Therefore, if there are any Representatives present who are not registered, they should come up forward immediately and sign in.

IMPERIAL POTENTATE STRUBY: Now, Nobles, this concludes our meeting for this afternoon. We will start again at nine o'clock in the morning. Thank you all once again for your cooperation.

I will now declare this meeting recessed until nine o'clock tomorrow morning.

(The Ninety-Ninth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four o'clock p.m., to reconvene at nine o'clock a.m., Wednesday, July 4, 1973 at the Marriott Motor Hotel, Atlanta, Georgia.)

MORNING SESSION

WEDNESDAY, JULY 4, 1973

NINE O'CLOCK A.M.

The Ninety-Ninth Annual Session of the Imperial Council A.A.O.N.M.S. reconvened at the Marriott Motor Hotel, Atlanta, Georgia, Wednesday, July 4, 1973, at nine o'clock a.m., Imperial Potentate Henry B. Struby presiding.

IMPERIAL POTENTATE STRUBY: Will the Representatives please take their seats and the meeting will be in order. It is now nine o'clock and time to resume our business.

At this time, I would like to again call upon our Imperial Chaplain, Reverend Frank Wingerter, for the invocation.

REVEREND FRANK WINGERTER: Eternal God, you have what it takes, we need what it takes. We walk with you and we have what it takes.

Oh Master let us walk with you, in lowly paths of service free. Tell us your secret. That's what we need. Help us bear the strain and fret of care that our flag will flutter forever. We ask this in Christ's name. Amen.

IMPERIAL POTENTATE STRUBY: Thank you, Reverend Wingerter. How fortunate we are to have an Imperial Chaplain like him.

Of course, Nobles, I might add that I lost a real friend in John Jefferson but Frank is doing an excellent job for us and I certainly appreciate it.

Now, the first order of business this morning has to do with the election of officers. Therefore, at this time, I would like to recognize a man who is going to nominate our new man for Imperial Potentate, Dr. Edwin W. Doe of Salaam Temple.

NOBLE EDWIN W. DOE (Salaam Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs, Delegates and Nobles all: This morning it is a great honor for me, as the Potentate of Salaam Temple, to place in nomination the name of a man whom I have been associated with throughout my entire Masonic life—a dedicated Mason, dedicated Shriner—a man that is going to carry the Shrine of North America to greater heights than it has ever attained in the past.

I would like to place in nomination for the office of Imperial Potentate a Past Potentate of Salaam Temple, our Illustrious Sir, Imperial Sir Jacob A. Wingerter.

I would like to request that Kenneth E. Smith, Past Potentate of Salaam Temple and a long time friend of Imperial Sir Wingerter, be given permission to cast a unanimous ballot for his friend.

Thank you, Sir. (Applause)

IMPERIAL POTENTATE STRUBY: Is Ken Smith here? Jake says that maybe we had better take a vote. (Laughter) Are there further nominations? If not, all of those in favor of Imperial Sir Jacob Wingerter for the office of Imperial Potentate for the ensuing year indicate by saying "aye"; contrary the same sign. It is unanimous. Thank you very much.

NOBLE KENNETH SMITH: Imperial Sir, Imperial Sirs, Representatives, Distinguished Guests and Nobles all: It is my pleasure to cast the unanimous ballot for my great friend, a man whom I have been associated with for the past twenty years in business and who I know is going to give the same amount of effort and loyalty to the Shrine during the coming year that he gives to his own business—Imperial Sir Jacob A. Wingerter. I hereby cast a unanimous ballot for him at this time. Thank you. (Applause)

IMPERIAL POTENTATE STRUBY: By your ballot you have elected Imperial Sir Jacob A. Wingerter your new Imperial Potentate.

Jake, do you accept?

IMPERIAL SIR JACOB A. WINGERTER: You bet I do. (Laughter) Thank you, Nobles, you know how much this means to me. I will have a message for you a little bit later.

I only hope that you will give attention to our meeting here and that when you arise tomorrow morning that you will all be prepared to come over to the Civic Center, where all of the Imperial Officers, both past and present, will be presented to you. We have arranged to have buses both at the Regency and the Marriott to carry you over there. There is also all kinds of parking space at this wonderful place. You can drive your cars and bring your ladies.

We plan on putting on a wonderful pageant and I certainly would appreciate all of you coming to see it.

I am also sure that you will help me, during the coming year, carry on the great progress that has been made during this past year by Imperial Sir Henry B. Struby and those who have gone before.

Thank you all very much for your confidence in me. (Applause)

IMPERIAL POTENTATE STRUBY: I would now like to recognize the Potentate of Luxor Temple, Noble Arthur E. Leach, for placing in nomination the name of the candidate for office of Deputy Imperial Potentate.

NOBLE ARTHUR E. LEACH (Luxor Temple): Imperial Sir, Imperial Sirs, Fellow Representatives: A few years ago an outstanding Canadian answered a call to serve on the Imperial Divan. He has fulfilled those duties with integrity and distinction.

It now becomes my great pleasure and honor to place the name of Imperial Sir Jack M. Streight in nomination for Deputy Imperial Potentate.

Now, hearing no further nominations, Imperial Sir, I move that nominations be closed, the rules be suspended and that our Imperial Recorder, George M. Saunders, be instructed to cast a unanimous ballot for Imperial Sir Jack M. Streight.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor indicate by saying "aye"; contrary by the same sign. The motion is unanimously carried. I will now ask our Imperial Recorder, George M. Saunders, to cast a unanimous ballot.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: It is a genuine pleasure for me to cast a unanimous vote of this Imperial Council for Imperial Sir Jack M. Streight for the office of Deputy Imperial Potentate for the ensuing year. The ballot is hereby cast. (Applause)

IMPERIAL POTENTATE STRUBY: Jack, do you accept?

IMPERIAL SIR JACK M. STREIGHT: Thank you very much, Nobles. I do accept with pleasure and I can assure you that this election has gone far better than when I first started. (Laughter and applause)

IMPERIAL POTENTATE STRUBY: The Chair will now recognize Noble Maxroy Ritter, the Potentate of Ararat Temple, who will make a nomination for the office of Imperial Chief Rabban.

NOBLE MAXROY RITTER (Ararat Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: It is my privilege to present to you in nomination as our next Imperial Chief Rabban, a Past Potentate of Ararat Temple, Kansas City, Missouri—our mutual friend and future great Imperial Potentate to be, W. W. Bennett, known as "Woody" to all of us.

Likewise, Imperial Sir, if there are no further nominations, I would like to move that nominations be closed, the rules be suspended and that our Imperial Recorder, George M. Saunders, cast a unanimous ballot for Woody Bennett for the office of Imperial Chief Rabban.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor of the motion indicate by saying "aye"; contrary by the same sign. It is unanimous and so ordered.

I will now again ask our Imperial Recorder to cast the unanimous ballot for Imperial Sir W. W. Bennett.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: It is a special privilege for one from Ararat Temple to cast the unanimous ballot of this Imperial Council for another from Ararat Temple, W. W. Bennett, for the office of Imperial Chief Rabban for the ensuing term and the ballot is hereby cast.

IMPERIAL POTENTATE STRUBY: Woody, do you accept?

IMPERIAL SIR W. W. BENNETT: Imperial Sir and Fellow Representatives: I do accept and let me also add that we do not have a candidate from Ararat Temple for the office of Outer Guard. Thank you. (Laughter and applause)

IMPERIAL POTENTATE STRUBY: The Chair will now recognize, Raymond Giddings from Cairo Temple, who will make the nomination for the office of Imperial Assistant Rabban.

NOBLE RAYMOND W. GIDDINGS (Cairo Temple): Imperial Sir, Imperial Sirs and Representatives all: It is a distinct pleasure for me to place in nomination the name of Imperial Sir Peter Val Preda for the office of Imperial Assistant Rabban.

Imperial Sir, if there are no further nominations, I move that nominations be closed, that the rules be suspended and that our Imperial Recorder, George M. Saunders, be instructed to cast one unanimous ballot for Imperial Sir Peter Val Preda.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor please indicate by saying "aye"; contrary minded the same sign. The motion is carried and it is so ordered. It is a unanimous ballot and I will now ask our Imperial Recorder to cast this ballot.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: I am pleased to cast the unanimous ballot of this Imperial Session for Imperial Sir Peter Val Preda for the office of Imperial Assistant Rabban for the ensuing term. The ballot is cast.

IMPERIAL POTENTATE STRUBY: Peter, do you accept?

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, and Imperial Sirs, Illustrious Sirs: It is with pleasure that I accept. I will endeavor to do my best to serve you well. Thank you for your confidence. (Applause)

IMPERIAL POTENTATE STRUBY: You know, from the way this is moving along, it doesn't look like we are going to have too much competition at the moment but I will suggest that there will be competition for several of these other offices. Therefore, if you do not have your ballot books with you, you had better get them because you are going to be using them sometime this morning. I can certainly assure you of that.

I indicate this just as a word of warning to those who may have forgotten their ballot books—that you had better procure them quickly.

Now, continuing with our balloting, I am sorry to announce that Harvey Smith isn't here. However, we have had several telephone conversations with him. He is now out of intensive care and the doctor assures him that if he slows down a little

bit, he might get along all right. Of course, trying to slow Harvey down will be a problem for somebody.

However, in order to properly recognize the fact that he has to be nominated for the office of Imperial High Priest and Prophet, I call on his good friend, Roy Lord to make his nomination.

NOBLE ROY T. LORD (Morocco Temple): Thank you very much, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives of this Imperial Council: We do regret the illness of our very beloved Imperial Sir, Harvey W. Smith but, as our Imperial Potentate has just indicated to you, he is getting along very nicely and wants to be remembered to everyone and is also, as I understand it from a flash received this morning, with us in spirit.

Therefore, it is my pleasure at this time to present in nomination for the office of Imperial High Priest and Prophet, our friend of many years in the Imperial Council, Imperial Sir Harvey W. Smith.

Now, Imperial Sir, if there are no further nominations, I would move that the nominations be closed, that the rules be suspended and that our Imperial Recorder, George M. Saunders, cast a unanimous ballot for the election of Imperial Sir Harvey W. Smith.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion. All in favor of the motion indicate by saying "aye"; contrary-minded by the same sign. The motion is unanimously carried. Therefore, George, will you please cast the ballot.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: I am pleased, at this time, to cast the unanimous ballot of this Imperial Council Session for Imperial Sir Harvey W. Smith for the office of Imperial High Priest and Prophet for the ensuing term. The ballot is hereby cast.

IMPERIAL POTENTATE STRUBY: Now, Roy, I imagine that Harvey gave you authority to accept this job for him? (Laughter)

NOBLE ROY T. LORD (Morocco Temple): In behalf of Sudan Temple and Imperial Sir Harvey Smith, we do accept. (Applause)

IMPERIAL POTENTATE STRUBY: The next office to be filled is that of Imperial Oriental Guide. The nomination will be made by Gerald W. Groat, Jr. of Moslem Temple, Detroit.

NOBLE GERALD W. GROAT, JR. (Moslem Temple): Imperial Sir, Henry, Imperial Sirs, Illustrious Sirs and Fellow Representatives and Nobles: It is with great honor and pride that I place in nomination, for the office of Imperial Oriental Guide, Moslem Temple's incomparable Past Potentate, Imperial Sir Fred R. Morrison.

Now, Imperial Sir, if there are no further nominations, I would move that the nominations be closed, the rules be suspended and that our Imperial Recorder, George M. Saunders, cast a unanimous ballot of this session for Imperial Sir Fred R. Morrison for the office of Imperial Oriental Guide.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion. All in favor please signify by saying "aye"; contrary-minded by the same sign. It is unanimously carried.

I will recognize our Imperial Recorder.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: It is a pleasure for the Imperial Recorder to cast the unanimous ballot of this Imperial Council for Moslem's incomparable Past Potentate, Imperial Sir Fred R. Morrison, for the office of Imperial Oriental Guide for the ensuing term. The ballot is cast.

IMPERIAL POTENTATE STRUBY: Fred, do you accept?

IMPERIAL SIR FRED R. MORRISON: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: Thank you very much. I thank all of you for helping me get elected to this office.

Now, I did note that just before this nomination for this particular office, the Imperial Potentate had cautioned you to make sure you had your ballot books with you and, if not, to run up and get them because he thought there was going to be a contest. (Laughter) However, again, it is with great pleasure that I accept this office

and I can assure you that I will do my very best during the coming year. Thank you all for your confidence in me. (Applause)

IMPERIAL POTENTATE STRUBY: The next office to be filled is that of Imperial Treasurer, the present incumbent being Imperial Sir Thomas W. Melham. I would like to recognize Emery J. Ansorge, the Potentate of Tripoli Temple.

NOBLE EMERY J. ANSORGE (Tripoli Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Representatives: It is with a great deal of pleasure that I embark upon the privilege of placing in nomination the name of a man from Tripoli Temple at Milwaukee, who is a Past Potentate of our Temple, who is a Past Imperial Potentate and who, for the last seven years, has served as Imperial Treasurer.

It is therefore with a great deal of pride and honor that I place in nomination the name of Thomas W. Melham to succeed himself as Imperial Treasurer.

Imperial Sir, if there are no further nominations, I would move that nominations be closed and a unanimous ballot be cast for Thomas W. Melham as Imperial Treasurer.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion. All in favor please signify by saying "aye"; contrary by the same sign. It is unanimously carried. He has not only made the nomination but is also going to cast the unanimous ballot.

NOBLE EMERY J. ANSORGE (Tripoli Temple): Imperial Sir, to make the record complete, I would hereby cast a unanimous ballot for the reelection of Imperial Sir Thomas W. Melham as Imperial Treasurer for the ensuing term.

IMPERIAL POTENTATE STRUBY: Tom, do you accept?

IMPERIAL SIR THOMAS W. MELHAM: Imperial Sir and Representatives: I am sorry to be delayed here but apparently some of the folks on the floor here did not want me to come up to the stage. (Laughter) However, I do accept and also with deep and abiding thanks to all of you. (Applause)

IMPERIAL POTENTATE STRUBY: We now come to the office of Imperial Recorder and for nomination for this office, I would like to now recognize W. Howard Millington, who will make the nomination for the office of Imperial Recorder.

NOBLE W. HOWARD MILLINGTON: Imperial Sir and Fellow Representatives: You know, we Recorders have to stick together because if we don't stick together, then somebody is going to stick us. (Laughter)

However, it is my pleasure and privilege to place in nomination for Imperial Recorder of the Imperial Council, your good friend and the good friend of all Nobles and the Nobility of North America, George M. Saunders, to be Imperial Recorder for the ensuing year.

Now, Imperial Sir, I have not heard another nomination and so I will move that nominations be closed and that another good Recorder cast the unanimous ballot of this august body for George M. Saunders for Imperial Recorder.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion. All in favor indicate by saying "aye"; contrary by the same sign. The motion is unanimously carried.

I will now recognize Noble Leslie H. Swan of India Temple.

NOBLE LESLIE H. SWAN (India Temple): Imperial Sir, Imperial Sirs and Representatives: It is indeed a pleasure for me to comply with your vote and at this time cast a unanimous ballot of this Imperial Council for Imperial Sir George M. Saunders as Imperial Recorder for the ensuing term. Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: George, do you accept?

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: It is with deep gratitude to all of the Representatives that I am pleased to accept. Thank you all very much. (Applause)

IMPERIAL POTENTATE STRUBY: The next office to be filled is that of Imperial First Ceremonial Master and at this time I would like to recognize Noble Dale E. Norton of Zuhrah Temple.

NOBLE DALE E. NORTON (Zuhrah Temple): Imperial Sir, Imperial Sirs and Representatives all: It is with a great deal of pleasure that I nominate the youngest man to

ever hold the office of Potentate in our Temple and the youngest man on the Imperial Divan—that great ball of fire, Warren F. Weck, Jr., for the Imperial First Ceremonial Master.

Now, Imperial Sir, if there are no further nominations, I request that nominations be closed, that the rules be suspended and that the Imperial Recorder cast a unanimous ballot for Imperial Sir Warren F. Weck.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor indicate by saying "aye"; contrary by the same sign. It is a unanimous ballot and I will now recognize our Imperial Recorder.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Potentate and Representatives, it is a pleasure to cast a unanimous ballot of this Imperial Council and the Imperial Council Representatives for Imperial Sir Warren F. Weck for the office of Imperial First Ceremonial Master for the ensuing term. The ballot is hereby cast.

IMPERIAL POTENTATE STRUBY: Warren, do you accept?

IMPERIAL SIR WARREN F. WECK, JR.: Imperial Sir, Imperial Sirs and Fellow Representatives: It is with deep gratitude and humility that I accept and, of course, I will do my best to serve all of you. Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: The next office to be filled is that of Imperial Second Ceremonial Master and I would at this time like to recognize my good friend Roland E. St. John of Antioch Temple.

NOBLE ROLAND E. ST. JOHN (Antioch Temple): Imperial Sir Henry, Imperial Sirs and Representatives all: I would like to place in nomination the name of Imperial Sir Charles Claypool, better known to most of us as "Chuck" who has served you well as Imperial Marshal, for the office of Imperial Second Ceremonial Master.

Imperial Sir, there being no further nominations, I would move that nominations be closed, the rules be suspended and that the Imperial Recorder be instructed to cast a unanimous ballot for Imperial Sir Charles Claypool for the office of Imperial Second Ceremonial Master.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor indicate by saying "aye"; contrary by the same sign. The motion is carried unanimously. I will recognize our Imperial Recorder.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: It is a pleasure to cast a unanimous ballot of the Imperial Council for Imperial Sir Charles J. Claypool for the office of Imperial Second Ceremonial Master for the ensuing term. The ballot is hereby cast.

IMPERIAL POTENTATE STRUBY: Chuck, do you accept?

IMPERIAL SIR CHARLES J. CLAYPOOL: Imperial Sir and Representatives: I do accept. As a matter of fact, I hope that I will do well enough during the coming term so that you will see fit to nominate me again next year. Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Let me also say to you, Chuck, that you have done a great job for me as Imperial Marshal and I deeply appreciate what you have done.

Now, I will call on Noble Walter S. Pettit to make the nomination for Imperial Marshal.

NOBLE WALTER S. PETTIT, JR. (Abou Ben Adhem Temple): Imperial Sir, Illustrious Sirs and Fellow Representatives: It is a real pleasure for me, on behalf of our Temple and the Imperial Council, to place in nomination the name of our favorite son from the top of the Ozarks, as Imperial Marshal. This man is Dr. Francis T. H'Doubler, Jr., M.D. It is my pleasure, Imperial Sir, to present him to you and to you Representatives for the office of Imperial Marshal for the ensuing term.

Now, Imperial Sir, if there are no other nominations, I move that nominations cease, that the rules be suspended and that our Imperial Recorder, George M. Saunders, cast the unanimous ballot of this Imperial Council for Dr. H'Doubler for Imperial Marshal.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor please signify by saying "aye"; contrary by the same sign. It is a unanimous vote. I will recognize our Imperial Recorder.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Representatives: I am very happy to cast the unanimous ballot of the Imperial Council for another Missourian, Dr. H'Doubler, for the office of Imperial Marshal for the ensuing term. The ballot is hereby cast.

IMPERIAL POTENTATE STRUBY: Dr. H'Doubler, do you accept?

IMPERIAL SIR F. T. H'DOUBLER: Imperial Sir and Fellow Representatives, I graciously accept. Thank you all so very much. (Applause)

IMPERIAL POTENTATE STRUBY: The next office is that of Imperial Captain of the Guard. I would like to call on Wilford C. Lyon, Jr. of Morocco Temple.

NOBLE WILFORD C. LYON, JR. (Morocco Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: It is a pleasure for me, as the Potentate of Morocco Temple, to bring you greetings from the "Sunshine" State.

We think a wise decision was made last year in Dallas to place Randy Thomas on the Imperial Divan. We also think it would be a wise decision today to elevate him to the position of Imperial Captain of the Guard.

I therefore place in nomination the name of Imperial Sir Randolph (Randy) R. Thomas for the office of Imperial Captain of the Guard.

Now, Imperial Sir, if there are no further nominations, I would move that nominations be closed, the rules be suspended and that our Imperial Recorder cast a unanimous ballot for Imperial Sir Thomas for the office of Imperial Captain of the Guard.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor please signify by saying "aye"; contrary by the same sign. It is unanimous and I will now again recognize our Imperial Recorder.

IMPERIAL RECORDER GEORGE M. SAUNDERS: Imperial Sir and Representatives: It is a pleasure for me to cast the unanimous ballot of this Imperial Council for Imperial Sir Randolph Thomas for the office of Imperial Captain of the Guard for the ensuing year. The ballot is hereby cast.

IMPERIAL POTENTATE STRUBY: Randy, do you accept?

IMPERIAL SIR RANDOLPH THOMAS: Thank you, Imperial Sir.

Imperial Sir, Illustrious Sirs and Fellow Representatives: I do accept and let me assure you that my blood pressure is much more normal today than it was in Dallas last year. Thank you so much. (Laughter and applause)

IMPERIAL POTENTATE STRUBY: Gentlemen, now comes the hour of selection and we have, insofar as I am aware, three known candidates—Noble Myron D. Bodam of Al Kaly Temple; Dr. Daniel E. Bowers of Mohammed Temple and Noble Richard B. Olfene of Kora Temple.

Now, is there anybody else that wants to throw their hat into the ring? If they do, they do have the privilege but, on the other hand, it is a little late in the game.

Now, at this point, I would suggest that these three Nobles come forward to the stage and we will have a drawing for position insofar as nominations are concerned.

(Whereupon, the three Nobles approached the podium and drawing for position for nomination ensued.)

IMPERIAL SIR GEORGE M. SAUNDERS: Representatives, the drawing was, number one, Dr. Daniel E. Bowers, who is going to be nominated by Robert Voss; number two, Noble Bodam, who is going to be nominated by W. N. Ladd and number three, Noble Olfene, who is going to be nominated by Noble M. D. Rust.

Now, if the first nominator is ready to come to the stage, I am sure the Imperial Potentate will recognize him.

IMPERIAL POTENTATE STRUBY: I will now recognize Noble Robert Voss, Past Potentate of Mohammed Temple.

NOBLE ROBERT VOSS (Mohammed Temple): Imperial Sir, Imperial Sirs, Illustrious Potentates and Representatives all: In 1971, at the Imperial Session in Miami Beach, Florida, I first nominated Dan Bowers for the office of Imperial Outer Guard. In 1972, at Dallas, Texas, I was privileged a second time to nominate Dan for that high office.

As I stand here today, I sincerely hope that all of you Representatives will agree with the old adage—"The third time is the charm."

Certainly, Dan Bowers is a dedicated Noble—worthy and well qualified to serve as an Imperial Officer of the Shrine of North America.

For more than twenty years, Dan has given freely and without hesitation of his time and energy to Shrinedom. He has been Chairman or member of virtually every committee in his Temple. For nine years he served on the Divan of Mohammed Temple and in 1970 was its Potentate.

He has served as a member of the Temple Board and the Temple Finance Board. He was Director General of the Temple's circus and it was under his leadership that Mohammed Temple spent over $800,000 air conditioning and enlarging its Mosque.

Yes, Dan is a dedicated Noble and it was his dedication that inspired him to travel thousands of miles back and forth across this country, visiting Temples, meeting and talking with hundreds of you Representatives.

He has attended virtually every Shrine Association's business and ceremonial sessions during these past three years. He did this so that each of you could get to know him and judge his qualifications for yourselves.

Throughout Dan's life it has been this dedication to purpose that has made him a skilled surgeon and physician; an experienced executive administrator of a large medical complex.

During World War II, Dan demonstrated his dedication to his country as he served as Chief Surgeon in a battlefield hospital in the African and European Theaters of War.

Dan's love and dedication to the Shrine, to his profession and to his country have made him a wise and just leader—a man who understands pain and suffering and a man who acts with compassion and love for his fellowman.

Dan Bowers is a businessman with wide and varied business interests that have given him a practical understanding of the complexities of our business world. He is a part owner of a large five-hundred-room hotel which just recently underwent a vast renovation program and became a part of the Hilton chain of hotels. With its large convention and dining facilities, it is the center of hundreds of conventions that come to Peoria.

Dan is also a member of the Board of Directors of a large savings and loan and has interests in many other businesses. This involvement has given Dan an intimate knowledge of financial and business problems and the experience of how to implement this knowledge for the good of our Shrine fraternity.

Dan Bowers is a devoted husband and father. Dan is fortunate to have a lovely and gracious wife, whose personality and charm give Dan a strong right arm—a constant and understanding counselor. Virginia Bowers would be an excellent addition to the delightful family of Imperial ladies who now grace our fraternity.

Dan has three fine children. A son, Dan, Jr., a Noble of Mohammed Temple and a professor of medicine at a medical school in St. Louis and Melissa, a teacher in the school system of Chicago, and also Belinda, a wife and mother.

Yes, Dan Bowers is worthy and well qualified, dedicated to the Shrine, dedicated to his country and dedicated to his family. Put them together with Dan's experience as a physician and business leader and here is a Noble of whom we would all be proud to have as one of our Imperial Officers—one whom, some day, with God's grace, we would likewise be proud to have as our Imperial Potentate.

It is with a great deal of pride and pleasure that I place in nomination for the office of Imperial Outer Guard, my dear and good friends, Dr. Daniel E. Bowers, Past Potentate of Mohammed Temple.

Thank you very much. (Applause)

IMPERIAL SIR GEORGE M. SAUNDERS: If Representative W. N. Ladd will approach the podium, the Imperial Potentate will recognize him for a nomination.

DR. WILBUR N. LADD (Al Kaly Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Distinguished Nobles: It is hardly necessary to remind you that our purpose here is to devote our best efforts to the betterment of our great fraternity, with the ultimate goal, of course, of serving our fellow man or, to more aptly state it, to better serve those unfortunate children who so desperately need the loving generosity of the Nobles of the Mystic Shrine.

Ever mindful of those greater achievements we are trying to attain in Shrinedom, Al Kaly Temple proudly presents a Noble whose record of service to our Temple leaves no doubt as to his ability to serve all of Shrinedom.

Dedication and enthusiasm add materially to the success of the endeavors of our great Order.

Suffice it to say that in the business world he rose to an important executive capacity while in the employment of others before becoming uniquely successful in the ownership and operation of a number of his own business establishments.

It is also important to note that as he approached a responsibility of leadership in Al Kaly Temple, he so arranged his affairs that he might devote his entire time, as well as his capabilities, to the service of our Order and to Al Kaly Temple.

May I recount the record of some of our Temple's outstanding successes in 1972, which likewise are a testimony to this Noble's dedication and tireless efforts.

At that time, our membership did the impossible—over a twelve percent gain in one year. Further, the largest class of candidates in over twenty-five years crossed the sands of the great sand dunes of Colorado. Further, only six of our Nobles were dropped for nonpayment of dues and, Nobles, this is something that just doesn't happen. Further, Al Kaly's annual football game provided a larger than ever contribution to the World's Greatest Philanthropy. The Hundred Million Dollar Club became a byword in conversation and a real "plus" for our Temple.

Also, the Representatives of the Central Shrine Association Ceremonial Sessions last fall can testify to one of the best planned and most enjoyable Shrine experiences in recent history. This was hosted by Al Kaly Temple at Colorado Springs.

His nomination would not be complete without mentioning his charming and talented wife, who is a true artist and also dedicated to the principles of our Order. She is ready, willing and able to strengthen and support his further ventures into Shrinedom.

Nobles, a man with this record, this talent and this enthusiasm is available for service with our Imperial Divan and with the same zeal that has characterized his past achievements.

Nobles, the Shrine of North America needs this man and he is ready to go.

Therefore, it is with a deep sense of pleasure that Al Kaly Temple presents its beloved Past Potentate, Myron D. Bodam as a candidate for the office of Imperial Outer Guard and I so nominate him. (Applause)

IMPERIAL SIR GEORGE M. SAUNDERS: And now, if Representative Rust would come forward, the Imperial Potentate would recognize him for a nomination.

NOBLE MYRON D. RUST (Kora Temple): Imperial Sir Struby, Imperial Sirs, Illustrious Sirs and Representatives all: Kora Temple is very happy to be here to participate in this Ninety-Ninth Imperial Council Sesison. Kora Temple is not a large Temple. Likewise, it is not a small Temple. However, we think it is one of the greatest Temples.

We stand at just over forty-eight hundred members. However, we are happy to be represented at this Ninety-Ninth Imperial Council Session and to present to you one of Kora Temple's own Past Potentates as a candidate for the office of Imperial Outer Guard.

You have all received our printed material in relation to our candidate and during the past few days a tremendous number of you have had the opportunity to meet with him. However, he has been a little bit modest in meeting and talking with you and, therefore, I want to tell you something more about him.

You know, as a country lawyer from a small town, I have to tell it like it really is because, if we don't, we soon run out of clients and would be out of business.

Our candidate for the office of Imperial Outer Guard, Illustrious Past Potentate Dick Olfene, represents what Shrinedom is all about—vim, vigor and vitality and enthusiasm and dedication—a candidate who, ten years hence, can and will give our Shrine the image which we ought to have—youthful maturity, a vigorous, enthusiastic program and progressive management.

Noble Dick has been married for more than twenty years. His wife, Joanne, who is a real lovely gal, unfortunately could not be with us this week. During a golf game, a few days before he left, she swung a little too hard and threw her back out a little bit. However, she will be with us in the future.

Dick likewise has two boys, age twenty and age seventeen, one being in college and the other going to college this fall.

Dick, like many of you, has had the opportunity to serve with the United States Armed Forces. He did his time in the Second Division of the United States Marine Corps.

On leaving the Service, Dick went to Bentley College, where he majored in Business Accounting and Finance. After college, Noble Dick went into the family's retail grocery business, extended it to a chain of supermarkets, made a dollar there; sold off the supermarkets and made another dollar but, like the astute businessman he is, he retained all the real estate. Later he went into the real estate investment business and is president of Beech Hill Estates. From there Dick moved into the hotel business and is now the owner and operator of the largest motel-restaurant and lounge and banquet complex in his home, Lewiston-Auburn area. Business management, experience and skill he has in ample measure.

In the area of civic and community work, Dick has been active likewise. He serves on the Board of the YMCA, on the Board of the largest hospital-medical complex in the Lewiston-Auburn community area and is a Trustee of the Auburn Sewage District, an independent district.

Politically, he has been a State Senator, which shows his appeal to the broad spectrum of the general public.

Now, although Dick is a business and community oriented individual, he has his hobbies—lake and stream fishing, golf, boating, tennis and a fine game of bridge and also music.

He is a man who wants to participate—a man who will participate and a man who is a leader. The background of a candidate is important because it tells you what kind of a man he really is. However, Noble Dick's Masonic and Shrine credits are equally as good. As a Blue Lodge Mason, he went on up through the York Rite and the Scottish Rite bodies and the Knights of the Red Cross of Constantine and into tthe Shrine. He is also a Jester.

In the Shrine, he served as a unit man in the Kora Band and he still plays a mean "slush pump" in the band.

He served as Director and President of his own area Shrine Club, Vice Chairman and Chairman of our annual Shrine circus, which is conducted in three of our major area cities.

He went into our Divan line as Outer Guard, worked to earn each appointed office and later each elected office in our ten-year program, serving as our Potentate in 1966 and during my time on the Divan, he has been one of the best.

In 1967, Noble Dick served as President of our Northeastern Shrine Association and at that point in time our Association was on real wobbly legs and in serious trouble. Dick brought all his vigor, enthusiasm and dedication to bear and gave our Association a new lease on life.

His work and efforts in this area have had a tremendous impact on Shrinedom within our Association area.

There are many Past Potentates here today who can verify and bear witness to those facts.

Noble Dick Olfene is one of the best and most respected Past Potentates in our Association.

As a Past Potentate, Dick did not rest there. He went on to serve as an officer and director of our local Court of Jesters. He continues as an active unit man in our band. He serves as a Trustee of our Temple Holding Corporation and a member of the Executive and Finance Board.

Here at the Imperial level, Dick has been elected Representative for seven years. He has served four sessions on the Imperial Marshal's staff and served on several other Imperial Council Committees.

Imperial Representatives, Illustrious Past Potentate Dick Olfene of Kora Temple has earned his spurs—he has vigor, vitality, dedication, enthusiasm and leadership. These are important today but they will be even much more important five to ten years hence.

We are not here today just to elect an Imperial Outer Guard but, rather, to select and elect an Imperial Potentate in 1983, ten years hence, to serve you and our great philanthropy in 1983-1984.

Nobles, as they say in the old mother Lodge—"Look well to the East, remember your ballot and vote for the good of the Order."

We urge your vote for Noble Dick Olfene for the office of Imperial Outer Guard and at this time I am happy to place his name in nomination.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you.

I believe this completes the nominations. Are there further nominations?

If not, at this point, I would again like to call on Clyde Oliver, who will tell you and instruct you how to ballot.

Now, again, to make it legal, are there further nominations? I don't know why we do this but I guess it is to make it legal. However, if there are no further nominations, I will now declare the nominations formally closed. (Gavel)

Please now give your attention to Clyde Oliver.

NOBLE CLYDE OLIVER: Imperial Sir and Representatives: The members of the Tellers Committee have been assigned their respective stations and in a few moments you will be voting.

Imperial Sir Struby has indicated that ballot number 3 will be used, the tan ballot. Should there be any other ballot used, they will be considered as "spoiled." Therefore, again, it will be ballot number 3. This is the ballot you will use for this vote.

The ballots will be passed down the rows, the vote will be taken only from the position where you are seated, Nobles, not from the aisle way, from the hallway or outside of this room.

Therefore, if the Tellers will proceed, we will begin with our balloting.

(Whereupon, balloting and collection of ballots ensued.)

IMPERIAL POTENTATE STRUBY: Has everyone voted who desires to vote? Is there anybody who has not voted? I hear no response and, therefore, at this point, I will declare the ballot to be closed. I declare the ballot closed. (Gavel)

Now, while the ballots are being counted, Nobles, let me say that there is other business we can conduct.

At this point, I would like to call upon our Imperial Recorder, who will instruct you as to what we are next going to do.

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE STRUBY: It is a real pleasant duty for me to introduce this fine Noble at this time who, at his own and quite a bit of expense to himself, has done something that we, as Shriners, should be most grateful for.

At this time, I would like to call on Noble Harvey B. Leggee of Aleppo Temple to tell us just the fine thing he has done for our Shrine.

NOBLE HARVEY LEGGEE (Aleppo Temple): Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Representatives all: The Mystic Shrine has just celebrated its Diamond Jubilee in recognition of a century of fraternalism.

One hundred years ago, two Masons, one an actor and the other a well known New York physician and surgeon with a theatrical bent, decided to form an organiza-

tion composed of Knight Templar and Thirty-Second Degree Masons, for the purpose of fraternalism, fellowship and relaxation from their daily activities.

One of the two founders of this organization, William J. Florence, who was born in Albany, New York on July 26, 1831, went to New York City as a youth where he found employment in a mercantile concern. His Irish brogue, Dutch dialect and southern stories brought much merriment among his associates and it was not long before he founded an amateur theatrical society, which later resulted in his debut at the age of nineteen on the regular stage of the old Bowery Theater. From that time on, his life in the theater was carved with great success. He won fame and fortune in his vocation until his death in 1891.

In his profession, Billy Florence, the author, actor and dramatist, was an extensive traveler in foreign countries. It has been contended that the Shrine was founded upon some one or more of the ancient orders or societies existing in the Far East at an early date which were communicated to or conferred upon the noted American actor during one of his trips abroad, and that he was the founder of our present Order.

Little did he know that he was founding an organization which, one hundred years later, would have a membership of nearly nine hundred thousand and sponsor the World's Greatest Philanthropy—the Shriners Hospitals for Crippled and Burned Children.

It has been my great pleasure to have been closely associated with Shrinedom for the past fifty years, beginning in June, 1923 as assistant to the Imperial Recorder, Benjamin W. Rowell. It was also a privilege and an honor to know and work with many other distinguished Shriners, including Imperial Potentate and Shrine Historian, William B. Melish, Imperial Potentate W. Freeland Kendrick, founder of our Shrine Hospitals and Imperial Treasurer William S. Brown.

Some forty years ago, I acquired a plastic working model of a bust of actor William J. Florence. It has been reasoned that during his hey day as one of New York's outstanding actors, his friends had this model made for the purpose of casting it in bronze. After long and diligent research, it has been concluded that for some unknown reason the project was never completed.

Therefore, this past year, the Paul King Foundry of Rhode Island was deputized to cast a bronze bust from the model of Florence, the founder of the Shrine, which is believed now to be the only one in existence.

Imperial Sir Struby, in appreciation of my fifty years of close association with the Shrine and in commemoration of the Order's first one hundred years of existence, I wish to present to the Imperial Council, through you this bronze bust of the founder of our Order, to be placed in the Imperial Room of the Shrine Rooms in the George Washington Masonic Memorial Building at Alexandria, Virginia.

(Presentation of bronze bust of William J. Florence ensued.)

IMPERIAL POTENTATE STRUBY: Harvey, while I am sure I can claim no credit for this, I am deeply pleased it happened during my year and you are surely to be congratulated on your thoughtfulness and kindness to go to this extent and trouble to have this beautiful bust made of one of our founders.

I am sure that in years to come we will all appreciate it and while we did not need this to remember such a dedicated, fine Shriner, we are certainly appreciative of the fact you thought of it.

Thank you very kindly for this presentation. I am sure it will be placed in a fitting place of honor among our Shrine treasures. (Applause)

Now, gentlemen, as I told you yesterday, any opportunity we had, we were going to continue to call on some of the other distinguished Masonic leaders present with us at our sessions. Therefore, while we are waiting for the results of the ballot and continuing with our recognition of our Masonic dignitaries commenced the other day, I would now like to call on Noble William J. Netherton, Grand Sovereign, Red Cross of Constantine. We welcome you here, Bill, and would appreciate hearing a few words from you.

NOBLE WILLIAM J. NETHERTON (Grand Sovereign, Red Cross of Constantine): Imperial Sir, Imperial Sirs, Past Most Illustrious Grand Sovereign Saunders and Nobles: I appreciate very much your taking cognizance of the small group that I represent.

I am sure that most of you know that the Red Cross of Constantine is an invitational body and, at the moment, we have less than six thousand members internationally. At any rate, I am proud to be here. I appreciate the hospitality you have extended Mrs. Netherton and me and also want to let you know that the 102nd Annual Assembly of the Red Cross of Constantine will be held in Louisville, next year on June 6, 7 and 8.

Yesterday morning we had one of the finest breakfasts I have ever attended and we had almost as many present there as we had in New York during the early part of this month, some 137 Companions. I was really proud of such a large number.

I have attended quite a few Imperial Sessions but this was the greatest number I have seen here and I appreciate it very much.

Imperial Sir, thank you very much for giving me this opportunity. (Applause)

IMPERIAL POTENTATE STRUBY: As a member of this great group, I likewise was pleased. It was a delightful breakfast and in the twenty-six years I have been coming to these sessions, this is, I believe, the biggest crowd that we ever had. Therefore, I think it is probably a tribute to Bill as well as to our group that we had that many present here.

Now, I would like to call on Imperial Sir George Klepper.

As you know, part of my program this year has been DeMolay and while I have not been too active in the DeMolay as a youngster I am now serving on its Executive Committee. It is a pleasure for me to work with these fine men and, therefore, George, at this time would you like to come up and say a few words?

IMPERIAL SIR GEORGE M. KLEPPER: Imperial Sir, Worshipful Grand Masters, Distinguished Guests and Members of the Imperial Divan and Representatives: On behalf of the Order of DeMolay, I want to take this opportunity to thank the Shrine for its long support of the Order, both from the Temple level and from the Imperial Council level.

To me, the Order of DeMolay is the only proving ground that Masonry has for future members.

When you realize that all big corporations, such as General Motors, spend a fortune in order to deliver to the public automobiles that are without fault, you can see, as corollary, that we desire to do the same thing with our youth.

I know that most of you have seen the work of the Order of DeMolay and I assure you that when a young man is trained in the tenets of the Order that he is qualified, in my opinion, to be a member of the Masonic Order.

Of course, DeMolay is not a Masonic organization but it is sponsored by Masonry. It was thought up by Masons. The Ritual was written by a Mason. It is supervised by Masons and I assure you that it is an order that is well worthy of every Mason's time.

I also want to thank the many in the audience for their response in reference to the activities within their Temples in an effort to assist and aid in promulgating the Order of DeMolay.

I would also like to report to you that in connection with the referral proposition which we sent out to you in January and February, that we have received more than six hundred referrals for the Order and, strange to say, most of these have come from uncles and grandfathers and over fifty percent of them have come across state lines. Therefore, as you can see, the message is getting over.

I merely request you to continue your efforts because our investigations disclose that approximately fifty percent of those that become members of the Order of DeMolay likewise become Masons.

I am pleased to report to you, for example, that more than four hundred DeMolays are now 33rd Degree Masons and that more than two hundred are Past Masters of their respective Lodges in the various states.

Therefore, with this thought in mind in relation to helping Masonry in general, I think the Shrine can do a tremendous job because, in the DeMolay, we need membership.

We have had, as has already been indicated, a wonderful year this year under Fred Morrison's direction, under Membership. We have had the greatest gain we

have had in many, many years. We want to keep the ball rolling and I think one of the avenues or vehicles which will accomplish that is to sponsor the Order of DeMolay.

The Order of DeMolay needs manpower, it needs advisors, it needs help. Most of the Temples are interested and many Shrine Clubs support the Order.

The Order of DeMolay is moving ahead and we hope to have a big year this year and, of course, with your help I am sure that we will.

Imperial Sir, thank you very much for giving me this opportunity to talk about this wonderful Order which, as I say, will provide for the future of Masonry. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, George. At this time I would like to recognize W. Stanley Wright of the Sovereign Grand Priory of Canada. Will you please come forward, Sir.

NOBLE W. STANLEY WRIGHT (Grand Master, Grand Priory, Canada): Imperial Sir, Imperial Sirs, Representatives and Nobles all: It is certainly a privilege and a great pleasure for me to bring you the greetings and best wishes from the seventeen thousand Knights Templar of Canada.

I likewise desire to take advantage of this opportunity to congratulate the Shriners on their contributions and dedication to the philanthropic hospitals of the Shrine and I likewise want to congratulate you, Imperial Sir, Harvey Beffa, in particular, for your dedication and contribution to this effort.

I would like to take this opportunity to thank you for the courtesies extended to my wife, Betty and myself, at the Imperial Council and this will also be reported in my annual statement to our Priory of Canada.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: With all due respect to the many visitations we made and the lovely gifts we received, I think the one my wife treasures the most is when we were up there at the Royal York Hotel they gave her a placard that read—"Margaret Struby slept here before Queen Elizabeth did." (Laughter) However, they are a great bunch of fellows, those Canadians and we have enjoyed associating with them during the past year.

Now, Nobles, I undestand we are ready to announce the results of the ballot. I wonder if the Grand Master of California has come in. I understand he is not yet registered.

Grand Master Lewis of Arkansas had a death in his family and had to leave us.

Is the Grand Master of Illinois present? I understand he isn't present, at least at this moment either.

Is Dr. Robert Wilhite, Jr., the Grand Master of Kentucky present? There he is. Let me say that I had the privilege of talking with him when I made my visitation. He is quite a gentleman also, as well as a distinguished Mason and, Doctor, at this time, the microphone is yours for any comments you may desire to make.

DR. ROBERT WILHITE, JR. (Grand Master, Kentucky): Imperial Sir, Imperial Sirs, Distinguished Guests and Delegates and Nobles all: It is my pleasure to bring greetings from more than one hundred thousand Masons of Kentucky to you and to the delegation here assembled.

It has also been my platform this year to work and talk for the DeMolay. I am on the other side of the fence from some of the men you have been listening to because I am one of the Chapter Advisors and have been for a number of years. I see the results of the help that is given these fine young men. You are paid in your heart for what you see in the way these men grow and mature and become fine young men.

I not only see it in relation to working with over one hundred boys in our Chapter but I also see it in my four sons, all of whom are DeMolay members. I have one going out this year and one that just came in. However, I have seen these young men mature and, gentlemen, when you have young men who take the obligations that they have taken and work the way they work, then we likewise know that our future in Masonry and our future in this country is secure.

Thank you very much, Imperial Sir, for the courtesies extended to me and also the courtesy of the floor for this brief period. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you very much, Worshipful Grand Master.

I would now like to present to you Charles R. Glassmire, Grand Master of the State of Maine.

MOST WORSHIPFUL BROTHER CHARLES R. GLASSMIRE (Grand Master, State of Maine): Imperial Sir, Imperial Sirs and my Brethren all: It is a great and distinct pleasure to come here and to bring you the greetings of the Most Worshipful Grand Lodge of Maine and all forty-three thousand of our Brethren.

Following all of these distinguished speakers makes me feel somewhat in the same position as that of Barbara Hutton's seventh husband who said," I know what I am supposed to do but I don't know how to make it interesting." (Laughter)

I am afraid that I created somewhat of a little stir among those watching the doors here, especially coming in wearing a Representative's badge and still having a Fez which says only "Second Ceremonial Master" on it. I am, however, proud of that Fez as I believe I am one of the few Grand Masters in the country who is also a working member of a Shrine Divan and I take a great deal of pride in that position. (Applause)

You know, we in Maine have always had a tremendous relationship between Symbolic Masonry and the Shrine, not only predicated upon the great philanthropy which Shrinedom represents but also of the tremendous record of the various Shriners in the Masonic Orders.

We have many Past Grand Masters in the Shrine and it is always great to get out and meet the various members of the other organizations because, in the last few years, we have seen a great change in the image of Masonry in general and this, of course, is something which we must, as Shriners, keep in mind.

You know, the day when the Shriner can be described as that fellow with a funny red hat chasing girls down the street is over and I hope it remains that way. (Applause)

I would urge each of you to do one thing when you return to your home—go back and have fun in your Shrine Temples but also attend your Blue Lodges, where you have the heart of Masonry and be an active individual there if not in office, at least in attendance, so that when your Master and other members of his staff do Degree work, they do not look on the sidelines and wonder where everybody went. If you will support your Blue Lodges we in Masonry have nothing to fear because this image which we are creating will carry through and we will continue, with God's help, to be the greatest fraternity of men that this world has ever known.

I thank you, Imperial Sir, for your great hospitality extended to my wife and to me and we sincerely hope that you will come up and see us in the Northeast corner.

Thank you all very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you very much. I hope you will all agree with me—that the image of some of our Grand Masters has changed also. (Laughter) Undoubtedly, I would like to add that this is the greatest group I have ever been with and they are a swell bunch of fellows and how proud we should be that they do give us the backing we need. (Applause)

I now understand the ballot is official and so I will now call on Clyde Oliver to give us the results.

NOBLE CLYDE OLIVER: Imperial Sir, it is with pleasure that I give you the results of the ballot for Imperial Outer Guard, which is as follows:

There were a possible 735 votes, one spoiled ballot; necessary for choice 368, of which Noble Bodam received 50; Noble Olfene 62 and Dr. Daniel Bowers, 622. (Applause)

NOBLE RICHARD B. OLFENE (Kora Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: I would like to congratulate you in selecting Dr. Bowers as the new member of the Imperial Divan and ask that the Imperial Recorder cast one unanimous ballot of this convention for Dr. Dan Bowers as the Imperial Outer Guard and I will see all of you again at Atlantic City. (Applause)

IMPERIAL POTENTATE STRUBY: I appreciate those remarks and, by the results of the ballot just announced, I will declare Dr. Bowers elected as Imperial Outer Guard. Doctor, do you accept?

DR. DANIEL E. BOWER (Mohammed Temple): Imperial Sir Henry, Imperial Sirs, Fellow Delegates and Nobles: The results of the tally and the support you have given me is most overwhelming and I am almost at a loss for words.

Never have I stood so tall and yet so humble as I stand before you at this moment. In the last few years, you have come to know me well and I know you and I have come to the conclusion that every successful man goes through life shielding his individual smallness behind a majestic group of giants whom he chooses as his life's companions. The choice of such Imperial companions is made either because their personality charms us, their life inspires us or their world enlightens us.

Perhaps it is not so much the fact that we choose them but, rather, it is they, who from their lofty position, reach down to adopt us.

Therefore, I feel this morning, in a philosophical way, that Shrinedom has adopted me by granting to me this high honor and for this I thank you.

I fully realize that with honor goes great responsibility and so I shall do my utmost in the years ahead to work hard and diligently to serve you, the Shrine.

In our Masonic Order, there is a destiny that makes us brothers, for, certainly, no one goes his way alone. All that we send into the lives of others, comes back into our own.

May I take this opportunity to thank my wife, Virginia, for her unswerving help and patience, my good friend, Bob Voss, who nominated me, my Potentate, his Divan and members of my Temple, you and others who supported me in this great effort. Also, to those who aspire to this office for next year, may I wish you well, may the Lord touch you and bless the proceedings of this session. May He smile upon each of you and your families as you return safely to your home.

Again, thank you so much. (Rising applause)

IMPERIAL POTENTATE STRUBY: You know, I hate to be facetious, but I believe this fellow expected to be elected. (Laughter) I never heard such an acceptance speech before in my life. (Laughter and applause)

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE STRUBY: At this time I would like to recognize Worshipful Brother N. C. Dean, Grand Master of North Carolina.

MOST WORSHIPFUL BROTHER N. C. DEAN (Grand Master, North Carolina): Imperial Sir, Imperial Sirs, Delegates and Nobles all: It is a real pleasure to be here. This is my first attendance at an Imperial Council Session and, needless to say, I am having a wonderful time.

I desire, at this time, to bring you the greetings from the seventy thousand Masons in North Carolina.

At this point, I wish to share a story with you which has made me very happy. This is a story which I told at one of our State Shrine Conventions some time back. It has become my favorite story.

Our Grand Lodge Meeting this year was held at Raleigh, North Carolina on the 17th and 18th of April. My wife and I were made tremendously happy when our daughter came to visit us there. We had not seen her since early December.

When the Grand Lodge closed that afternoon, I rushed to the hotel to meet her and she said, "Dad, I have a story to tell you." She is a supervisor of airline stewardess operations and had to make a trip from Chicago to Honolulu.

She said that this particular flight she was on was a non-stop flight from Chicago to Honolulu involving some three hundred passengers on board the plane and, among them, were a group of Shriners from the State of West Virginia. She said that in her three years of experience with the airlines she had never had a group that she enjoyed having on board more than she did those Shriners because they were all perfect gentlemen. She indicated that she had talked with many of them during the flight and that there was on board one who had an extremely southern accent. She talked with him in particular and asked him if he was a native of West Virginia and he said, "No, mam, I am originally from Durham, North Carolina." She re-

plied, "I am also from Durham, North Carolina." She then said, "I am going to North Carolina next week." He replied, "on vacation?" She said, "No, not exactly, if my father is elected Grand Master of Masons of North Carolina, I am going to be there on Wednesday night for his installation."

She said this news traveled over the plane like a flash and she, during the course of the conversation became the girl whose father was to be Grand Master of Masons in North Carolina. She then said that after they landed at Honolulu, she, together with the other stewardesses, was standing at the door of the plane thanking these Nobles for flying with the airline and wishing them a pleasant stay in Honolulu and that she did not believe there was a single Shriner who got off that plane that did not say to her—"Give my regards to your father and wish him a successful year."

Now, the beauty of that story, my brethren, is this—here, some five thousand or six thousand miles from home, she met all of these Shriners and in their heart they had love and respect for both her and the office of Grand Master of my state. This further demonstrated the unity that prevailed at that time between the Shrine and the Blue Lodge in the States of West Virginia and North Carolina. Of course, that is the way it should be in my book. (Applause)

Imperial Sir, thank you for recognizing me and for the courtesies extended to me at this Imperial Council Session. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you so much, Grand Master Dean.

I would now like to call on a real active Shriner, the Grand Master of the State of Virginia, William C. Vaughan.

MOST WORSHIPFUL BROTHER WILLIAM C. VAUGHAN (Grand Master, Virginia): Imperial Sir, Imperial Sirs and Nobles all: This is not my first trip with you. I have enjoyed being a Shriner for a long time.

I wish to bring you the greetings of the seventy-one thousand Virginia Masons and, if you will permit me, I would like to talk to you for just a few moments out of the depths of my heart.

Brethren, Masonry is the greatest organization in the world, next to the Church Universal—dedicated to taking good men and inspiring them to be better, better fathers, better sons, better husbands, better citizens.

We have a great history and a great heritage in Masonry. We have so much to be proud of but, my Brethren, we are living in a strange world today—where, for example, people do not go one hundred percent by your past—they are looking at what you are doing today. They are demanding that you tell them where you are going.

Brethren, I think we are living in a country today that demands answers and the people want to know where we are going and what the future of Masonry is. Of course, my Brethren, its future is up to you and me, who wear the Square and Compass and also that Shrine pin on our lapel. If we want that heritage to continue to increase, then we must start doing the things that will make Masonry great for, my Brethren, it is what you do that counts. It is what you do as Masons that will determine our future.

My Brethren, there never was a time when Masonry needed to let the world see its light more. You know, my Brethren, we in Masonry bring forth the tenets of Freemasonry and, also, my Brethren, every nation is what the morality of its people is. My Brethren, the public demands to know what we are doing and the Shrine is the greatest window of Freemasonry that the public can view Masonry through, for it is the deeds that we perform in our various hospitals that has brought much credit to Shrinedom and to Masonry in general. We should all be proud to be Shriners and proud to be Masons for our Shrine is the answer to reaching the public. As I say, we are the windows through which the public sees Masonry and the only reason any individual is going to be coming to our gate seeking admittance is because he sees a difference in you and me who wear the Square and Compass as we work with him or play with him or whatever we may do on the street with him.

My Brethren, it is really important that we live our Masonry. The future of Freemasonry depends on you and me and what we do and I say to you in all sincerity that some of us in the Shrine has been inclined to forget the foundation stone and that great Book that rests on the Altar in every Masonic organization, which tells us,

for example, that we should not build our house upon the sand but upon the solid rock and the solid rock of Masonry, my Brethren, is living our Masonry every day.

One of our Grand Masters in our State, a few years ago remarked that a man gets to be a Master Mason when he begins to live it. Those of us who enjoy our Masonry and Masonic heritage enjoy it the most when we practice it and are willing to go out and practice it every day.

My Brethren, as has been indicated to you before, your Blue Lodges need leadership. If I were to boil it down in one word, I would say that the greatest need of the Blue Lodge is leadership. This likewise applies to all the appendant organizations of Masonry. We know, for example, that the Shrine has siphoned off some of our best leadership. Of course, it is also partly the fault of the Blue Lodge.

Now, in my rounds in the State of Virginia, I have been indicating to the boys in the Blue Lodges—"Invite the Shriners and York and Scottish Rite men back to the Lodge." I have likewise said to the men in the York and Scottish Rite and the Shrine, "Brethren, go back and save your Lodges which are in danger of extinction, for the Blue Lodge is the foundation of all Masonry." I say to you, in all sincerity, that the Blue Lodge needs you. You are the kind of men that can go back and, in connection with many of these Blue Lodges, give them the leadership so necessary and vital for their existence and continue in the future. My Brethren, I cannot emphasize too strongly that we do need that kind of leadership.

In conclusion, Imperial Sir, may I thank you for this courtesy and for the invitation extended me to be here. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Grand Master.

I would now like to recognize Worshipful Brother J. Fred Williamson, Grand Master of Masons for the State of Kansas.

MOST WORSHIPFUL BROTHER J. FRED WILLIAMSON (Grand Master, Kansas): Imperial Sir, Imperial Sirs and Nobles all: It is indeed a pleasure for me to be here as Grand Master and to share in these festivities.

As a Grand Master, as I am sure my other Brother Grand Masters will attest to, we receive many honors. We have opportunities to attend many functions and I want you to know, at this meeting, we have met some of the friendliest, outgoing bunch of people it has ever been our privilege to be with and I thank you for this very much.

I also want to thank you for recognizing two Nobles from my home Temple. We have long recognized the talents of these Brothers and we are privileged now to share them with you.

Also, I like to share stories with people when I talk to them and, in this connection, I have a little story that I would like to share with you.

Yesterday, as I went down to watch the parade, I was walking near the Reviewing Stand when a Noble came up to me and said—"Hi, Noble, we need some help over here—would you help us get some chairs for the brass up on the Reviewing Stand?" Well, I went with him, grabbed six chairs and carried them approximately a half a block to the Reviewing Stand. When we got there, we were informed they did not need the chairs and so we carried them back another half block. Now, this Noble did not know it, but I felt he enjoyed the service of a rather select group because, after all, few Nobles are privileged to have the Grand Master of a state as a chair caddy. (Laughter)

However, let me say that both my wife and I have very much enjoyed being with you and we do thank you for the many courtesies that have been extended to us.

Also, Imperial Sir, I was recently pleased to hear you put in a plug for the lowering of the Masonic petition age to 18. This has been one of our hopes this year in the State of Kansas—that we could do this. (Applause) Of course, when this idea was first started to be kicked around a little bit, there was a lot of opposition to it. However, I now detect a growing swell in favor of this because I feel personally that many young men at the age of eighteen are ready for both Masonry and Shrinedom. After all, the number of birthdays that a man has had does not determine his maturity, not by any extent. Therefore, I am in hopes that on March 8th or 9th in Kansas that we can join those states who have lowered the age to eighteen.

Imperial Sir, again thank you so very much for allowing me to be with you and,

certainly, I want to congratulate you on your very successful year this past year. I know it has been a most rewarding one for you and, further, to the new Imperial Divan Officers, I wish for them a most successful coming year.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: As I said facetiously about Dr. Bowers a few moments ago, he talked like he knew he was going to get elected. Now, however, I am sure of it because his nominator wants to present him with a Fez. (Laughter) Therefore, Bob, come on up here and you can perform that duty right now.

NOBLE ROBERT VOSS (Mohammed Temple): Thank you, Imperial Sir.

I should say that it was some three years ago, with both hope and anticipation, that we purchased this Fez. (Laughter) As a matter of fact, three different Potentates have been carrying this thing around for three years. (Laughter) I am speaking for the two other Potentates when I say that we are darned glad to get it off of our hands. (Laughter) Therefore, Imperial Sir, if I may, at this time I would like to call on the newly elected Imperial Outer Guard and present to him this Fez. I don't know where he is at the moment—he went out. Well, I will put it on for him. Thank you very much, Imperial Sir.

IMPERIAL POTENTATE STRUBY: I would now like to call on Grand Master McClamroch of Louisiana.

MOST WORSHIPFUL BROTHER N. H. MCCLAMROCH, JR. (Grand Master, Louisiana): Imperial Sir Struby, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Master and Brethren all: It gives me a great thrill indeed to bring to you the greetings of the fifty thousand Masons of the great and diversified and rich State of Louisiana and to wish you good luck and continued success in this wonderful meeting you are holding here today.

We have heard both some beautiful and some wonderful things here. There have been some wonderful introductions and, in that connection, I would like to tell you a little story about an introduction.

This involved a young lady who was very proud of her family tree. She felt that her family was a big part of her and was very proud of it and so she went to a genealogist and asked him to find out all about all of the members in her family. She said, "If you will do that for me, I will pay you well." Well, he later came back with a glowing report in all instances except one, where it seems that an uncle of hers had been electrocuted at Sing Sing Prison. After seeing this, she went back to him and said, "We just cannot have this, there must be something good about Uncle Henry." Therefore, for another fee, the gentleman proposed to go out and recheck it. A little bit later he came back with this revised report—that Uncle Henry had occupied the chair of applied electricity at one of our better known state institutions and that he had died in harness in the prime of life. (Laughter)

I strongly suggest that with all of the brass and all of the braid here, and they are certainly entitled to it, at least in most cases, that if you scratch the surface underneath all of us, you will find a person proud indeed of the Lambskin Apron that we have in our keeping at home, that we look upon the Lambskin Apron as a challenge to better things and, further, that in some instances we may be a bit sorry, as we look at it and contemplate it, because we have missed golden opportunities that we should not have lost.

Having served my Temple as Potentate in 1961 and having been Chaplain of it for a number of years, I am as much a part of it as I am of Masonry and I tell you that these two have what in biology is a symbriotic relationship—each giving to and receiving from the other to the enrichment of both.

I like the statement that the Shrine is the show place of Freemasonry because it is Masonry on parade. I am very proud, during the years that I have been a Shriner, that I have seen it mature and become indeed beautiful.

I want to tell you, as I tell any group, that we of our Temple are proud indeed to have the pilot model, the first Children's Hospital and we love that building and just recently there we were privileged to have what we term Shrine Hospital Visitation Day, and if there is anyone here who has never seen a Shrine Hospital, you owe it to yourself to visit one.

I would like to express publicly my gratitude to my wonderful Divan and my Temple for bringing me up here as Grand Master.

We are having a good year in Shrinedom and in Freemasonry in Louisiana and it is wonderful indeed to be here and to bring you fraternal greetings and to thank you for the cordiality you have continually shown to each of us.

Thank you very much, Imperial Sir, for this privilege of speaking. (Applause)

IMPERIAL POTENTATE STRUBY: At this time, I would like to recognize Worshipful Brother Donald W. Vose, Grand Master of Massachusetts.

MOST WORSHIPFUL BROTHER DONALD W. VOSE (Grand Master, Massachusetts): Imperial Sir, Worshipful Grand Masters, Imperial Sirs, Nobles and Guests: I want to bring to you the warm fraternal greetings of the one hundred fifteen thousand symbolic Lodge Masons of the Commonwealth of Massachusetts and the Districts beyond our borders.

We are proud of our Shrine in Massachusetts. We are pressing forward in fraternalism this year, uniting all branches of the Craft, encouraging all Masons to find a place for themselves that will interest them most in their dedication to Masonry and to their service for mankind.

We find that many Nobles are very happy in the Shrine. We do not very much regard it seriously that they do not return to the Blue Lodges because we know they are, nevertheless, loyal Masons and that they find an interest in the Shrine that perhaps they do not find in Symbolic Masonry, and the same goes for the York Rite and the Scottish Rite.

You know, there is a place in Masonry for everyone. There is no excuse for taking a demit and if any Shriner knows of any man who takes a demit from his Blue Lodge, I hope that he will, in turn, go back and encourage him to talk to that Brother and say, "Have you tried the Shrine? Come in and I will show you the way."

This is something we endeavor to exemplify in Massachusetts regarding our father and sons. For example, to day, our Illustrious Potentate, Robert Gardiner Wilson, III is the son of Imperial Sir Robert Gardiner Wilson, Jr. and we are proud of that fact.

In Massachusetts Masonry we point to our great hospitals, Shrine Hospitals, the Burns Institutes as being the work of Masons.

One time I went to visit a Temple in the western part of the State and thought, in a way, that I was also visiting a Blue Lodge because it said, in connection with a Blue Lodge notice, that the Shrine Degree Team would be there that night performing its functions. Well, that night I visited that Blue Lodge, not expecting to find many Nobles there. However, when the candidate was raised and they asked me to make some remarks afterwards I said that I would yield to the Illustrious Potentate of the Temple to speak on that occasion because I thought that inasmuch as it had said on the notice that the Shrine Degree Team would be raising the candidate, that perhaps he should speak. However, I found out at the last moment that he could not be there and so I said—"Is there no one here to speak for the Temple?" and, of course, there wasn't and therefore, as Grand Master, I spoke with regard to Shrinedom and then, after I had finished, I wondered just how many candidates we might get for Shrinedom out of a Symbolic Lodge. Well, at that point, I asked all of those present who were members of the Temple to put up their hands and about everyone except the candidates raised their hands. Therefore, I did not get many candidates for Shrinedom on that particular occasion, but I did prove that Shrinedom was supporting Symbolic Masonry.

Now, perhaps some of you do not know this, but the Grand Lodge of Masons in Massachusetts is a missionary Lodge. The merchants and whalemen of old established Symbolic Lodges around the globe. For example, we have three of them in China who are and have been in recess for the past twenty years. We have one in Japan, one in Cuba, three in Chile and we have seven in the Canal Zone.

Now, last winter, I went down to visit the Lodges in the Canal Zone and while I was there I was asked to visit the Grand Lodge of Panama, which is outside of the zone. There I was among strangers and there were speeches made and they looked at me as they made those speeches, all in Spanish and, if you will recall the situation

back there in January, there was a stirring going on in the Canal Zone, there were difficulties and so, as a result, I wondered what was being said to me. However, as I looked over at our interpreter, he gave me reassuring smiles and then he got up and translated for me the fine words that were said on that occasion—that although there might be differences among statesmen, there might be differences among men, Masons stood united. I don't think I ever heard any more encouraging or happy words than I heard on that occasion from our interpreter.

Therefore, my Brethren, I do want to point out that Shriners everywhere can take a very important part in uniting this great nation. They have already united Masonry —they are the one great group that is spread over the entire fraternity and Masons along with all of those who think the way Masons do are among those who can bring this great nation together again, as well as the nations beyond our borders, so that we may all work to the glory of God and the good of mankind.

Imperial Sir, it has been a pleasure to be with you today and I thank you for your hospitality. (Applause)

IMPERIAL POTENTATE STRUBY: I understand that Duncan Howard, the Grand Master of Texas is here. Worshipful Sir, we would, if you so desire, like to have a few words from you.

MOST WORSHIPFUL BROTHER DUNCAN C. HOWARD (Grand Master, Texas): Imperial Sir, Imperial Sirs, Representatives and Guests: It is a pleasure and a privilege for me to be here with you.

It is a pleasure to enjoy the fun of Shrinedom and it is likewise a privilege to bring you greetings from more than two hundred thirty thousand Masons in Texas.

You know, I am real proud that the Shrine Fez can represent a symbol for Masonry.

I heard two individuals talking in the hall just a little while ago and one of them said—"What is this symbolism in Masonry, how is it all put together and how do they teach their lessons?" I then, in turn, heard an explanation of how symbolism teaches things.

It seems, for example, there was a Potentate riding on a train, riding in a European Compartment of a train with an Oriental Guide whom he had opposed in his election for the Divan. Also on the train was an old maid and her niece. As the train went into the tunnel it was enveloped in total darkness and there was heard the sound of a kiss and a slap. Now, each person in the train recognized, of course, the symbol of a kiss and a slap but they gave different meanings to them. For example, the old maid immediately thought that the Oriental Guide had kissed her niece and had been slapped for his efforts. The niece, in turn, immediately thought that the Potentate had kissed her aunt and had been slapped for his brashness. The Oriental Guide knew the complete story. He knew, for example, that in the total darkness, he had kissed the back of his hand and slapped his Potentate real hard. (Laughter) Therefore, that is certainly a wonderful way that we teach—by symbolism. (Laughter)

There is another little story that I would like to share with you and that is in the days long ago, when Alibaba and the Forty Thieves were roaming the earth there was a great Far Eastern Potentate who had three sons and as the time came close to divide his kingdom and wondering which of his sons should receive the kingdom, he decided to put his sons through a little test to see which loved him the most and, of course, the one that did would inherit the kingdom.

Therefore, he asked his sons to go out into the world and to bring back the best gift that they could find for him, thinking, naturally, that the one who brought back the best gift would love him the most.

One of the sons, in his travels, found a magic looking glass in which he could look and it would immediately transform him to any place he wanted to go in the flick of an eyelash.

Another son found a magic potion of medicine that would cure any illness or disease instantly.

The third son found a magic carpet that could transport him or anyone he desired anywhere in the twinkling of an eye.

Well, these sons, each on their individual way home, met approximately half way through their journey and, as they sat talking, the son with the looking glass looked

upon it and, lo and behold, observed his father seriously ill and on his death bed. Thereupon, the son with the magic carpet placed his two brothers and himself upon it and in the twinkling of an eye they were at their father's death bed.

He was quickly then, in turn, administered the magic potion and instantly became not only well but aware that his three sons loved him with equal intensity.

You know, these three sons are so very much like Masonry. For example, Blue Lodge Masonry is our parent but it has three sons that we might call the York Rite, the Scottish Rite and the Shrine. They can love him equally well and share his kingdom equally well and each of us can find time to serve one category with intensity and share the symbolism of faith, hope and charity in all directions.

Imperial Sir, thank you for the courtesy extended me and the privilege of being able to speak briefly with you today. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Worshipful Brother.

Now, at this time, if I may, I would like to call on Imperial Sir Fred Morrison, our Membership Chairman.

IMPERIAL SIR FRED MORRISON: Imperial Sir, Imperial Sirs and Fellow Representatives and Nobles: I was wondering whether the Imperial Sir was going to call on me but, as you see, I am here.

You know, the other day I gave a talk before the Recorders in relationship to membership. Now, I am not going to bore you with all of the details of that talk but, nevertheless they were very important insofar as the Recorders were concerned and I am sure they will pass this on to their Potentates.

However, I do want you to know that we had the greatest membership gain during the last year since 1957. We had an increase of over 10,250 in membership. Now, Nobles, this was accomplished mostly through the efforts of the Southern Temples. I am a Northerner but I have to give the Southerners a lot of credit. (Applause)

However, to offset this, we had some 11,000 suspensions. Naturally, of course, we cannot keep everybody from being suspended but I have always maintained that if you attend your business meetings at the time these suspensions are read, a lot of times you will hear names read of Nobles that you know and, therefore, should make a special effort to go out and contact these people. Just think, had we kept those 11,000 people from being suspended, we would have had a gain of over some 20,000. However, I do appreciate all of the efforts put forth by all of the Temples toward making this a great year for membership for Imperial Sir Struby.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: I likewise wish to extend my thanks and congratulations to Fred. He has worked hard at the job and really accomplished excellent results.

You know, when we think of all of the fraternities, lodges and even churches who are losing members, we can readily see that he has done a fine job and, of course, a lot of credit likewise goes to you Nobles on the firing line and on these Shrine Membership Committees. I certainly appreciate your hard work.

Now, perhaps at this time we might also again recognize Fred for the purpose of talking on Regalia.

IMPERIAL SIR FRED MORRISON: With regard to the matter of Regalia, Nobles, let me say this to you—that as I looked around the room two years ago at the Recorders' Session, I found there were more illegal Fezes on their heads than there were anywhere in Shrinedom. Then I gave them a little talk. Now, it has taken me two years but I now see more of these Recorders with legal Fezes on today. Therefore, it only took two years to accomplish what has been accomplished and maybe, on the other hand, in three or four years we will have everybody down the line wearing legal Fezes.

I would appreciate it if you would just go back to your Temples and mention this to your Nobility, perhaps not in a forcible way as I generally do but in a more of a suggested manner.

Now, I say this merely to urge you to uphold the law with regard to what should be on the Fez. Of course, if you do not like this, then perhaps action should be taken to change the law. I am going to correspond with you further this year about this

matter—namely, I think we either have to live up to the law or change the law. That is all I ask.

I know that the laws pertaining to this are pretty stringent. However, I certainly hope there is one thing that can be done in this connection and that is that any unit man or any member of a Temple who orders a Fez should try to purchase it through his Recorder's office, with the approval of the Potentate. Now, if the Potentates of the Temples will endeavor to issue some orders on this basis, I think we can correct what is a real bad situation. As I say, we did it with the Recorders and I know we can do it with the Nobility.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Fred, for those reports.

At this time, Nobles, I would like to call on Worshipful Brother John Murphy, Grand Master of Illinois.

MOST WORSHIPFUL BROTHER JOHN MURPHY (Grand Master, Illinois): Imperial Sir, Illustrious Sirs, Members of the Divan and Nobles all: I assure you it is an honor, a privilege and a pleasure for me to be here this morning representing the one hundred ninety thousand Master Masons of the State of Illinois.

I am here at the invitation of my Shrine and I guess I should say also at their expense. I am also here because of the great admiration I have for your Imperial Potentate.

We in Illinois, for example, are proud of the fact that he chose the great State of Illinois in which to be born. (Laughter) However, I might add, a few years later he moved across the mighty Wabash River into Indiana, which is only sixty miles from my home. You know, I am so far south in Illinois that when I go to Chicago they call me a "Southerner." Also, when I come down to this area, they call me a "Damn Yankee."

I remember a few years ago, when I attended a session of the Grand Lodge of Mississippi and they called on me for a few remarks. I advised them of the fact that I happened to be a Southern Baptist. Well, the next morning, when I came out of the room, out of the breakfast room, one of the Past Grand Masters of Mississippi called me over and said, "Brother Murphy, come here. You may be a Southern Baptist but you talk like a damn Yankee." (Laughter)

Well, whenever we move across this great country of ours, Brethren, of course, we find people with different accents, different ideas but, on the other hand, the thing that I am sure certainly impresses each of us as Master Masons and as Nobles is what we really accent upon in relation to our life.

I would like to say to you this morning—be sure that your accent does not deceive you. Regardless of what section of this great country you might come from, what is it that you really like way down deep inside? What is it you like where nobody can see you but God Almighty? What is it that you accent in Masonry? What is it that you accent in the Shrine?

Certainly, the Shrine has its charities in relation to which we are all proud and, certainly, we can accent these wherever we go.

When we accent the virtues of Freemasonry, when we accent the virtues of our Shrinedom and when we give our money to our great charities, certainly we cast our shadow where we can never be.

Thank you very much, Imperial Sir, for this privilege of being with you and extending these greetings. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you very much.

I next would like to present to you a fine Mason and a Noble, a very busy doctor but an individual who has given of his time and his efforts to help the DeMolay in Canada. We of course, wish him all the success in the world. Therefore, at this time, I would like to recognize Dr. Ross MacLean, the Grand Master of DeMolay, Canada.

DR. ROSS MACLEAN (Grand Master, DeMolay, Canada): Imperial Sir, Imperial Sirs and Nobles all: It is my pleasure to bring you greetings from all the DeMolays in Canada and all the men who work with them.

It may be of interest for you to know that on the 29th of May of this year the International Council, Order of DeMolay, recognized the Canadian Supreme Council as being autonomous in its own jurisdiction. This is particularly pleasing to us in Canada because this is our fiftieth anniversary in DeMolay. Fifty years ago the formation of a Canadian DeMolay Chapter, in turn, made the Order of DeMolay international. We hope that this move will help us spread DeMolay throughout the world, to increase its strength in Canada and in other countries where it exists.

We in Canada owe a great deal of gratitude to many very well known Masons in the United States for their assistance in bringing this about.

In this connection, I would like to mention the names of George Newbury, Wilbur Bell, George Saunders and our Imperial Potentate, Henry Struby.

Now, we in Canada do not enjoy the universal support of our Grand Lodges such as you do here in the United States. As a matter of fact, DeMolay is recognized by Grand Lodges in only three provinces. In our largest province at the present time we find the Grand Lodge diametrically opposed to DeMolay and this, of course, causes us many difficulties in relation to tying together DeMolay across the country.

However, I might say this—that if it were not for the support of the Shrine in Canada, both the individual Shriners and the Shrine Temples, I doubt very much if DeMolay could continue to exist.

I was most interested in the report of the DeMolay Study Committee. I hope you will all read this and I hope you will see that their recommendations are brought about in all areas of the United States and also in Canada. If this is done, I think you will see that DeMolay will grow and prosper and continue to be of great help to Masonry such as it has been in the past.

I would like to thank you, Imperial Sir, for the many courtesies you have extended to me and my wife during our stay here and we wish for you and Margaret health and happiness in the future.

Thank you so very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you very much.

Nobles, I might announce to you that we are going to quit at twelve o'clock because of the fact that they have had a civic parade here for the past seven years on the fourth of July and some of our units have been asked to participate and, of course, they know which Temples they are. We will then reconvene at three o'clock and go until four-thirty and then recess again so that you will have time to get ready for tonight's banquet.

Now, I don't know how this change is going to work out but, nevertheless, I thought we ought to try it at least one time.

In connection with the banquet, there will be no speeches, no entertainment except some violin players going around playing while you are eating. However, we will get out of there by nine or nine-thirty and then you can go back and spend time with your units and the people that came down here with you.

Now, I only say this to you because I know some of you are wondering why the situation has been handled this way. It was only because, for example, on Monday night we generally have the Recorder's Banquet, on Tuesday night it is the Jesters and then on Wednesday it was the big banquet, Thursday night is the parade and then you go home and really haven't seen the people you came down here with. Therefore, we are going to try this present arrangement at least one time. I hope you like it and, if you don't then maybe we can go back to the old system.

Also, in connection with the banquet, there will not be any reservations insofar as table numbers are concerned and so it will not make any difference as to where you actually sit. If you don't get near the head table, you are not going to miss anything because, as I said, there will be no speeches. As a matter of fact, maybe you will be luckier if you sit in the back. Therefore, if you are wondering what happened in relation to our banquet program, let me say that we just are not going to have any. (Applause)

Now, at this time, I would like to call on Past Imperial Potentate George Stringfellow for the Emeriti Report.

IMPERIAL SIR GEORGE STRINGFELLOW (Past Imperial Potentate): Thank you, Imperial Sir.

To the Imperial Potentate and Representatives of the Imperial Council:

Your Committee on Nomination of Emeriti Members to the Imperial Council respectfully submits the following report:

Article 3, Section 203.4 of the By-Laws of the Iowa Corporation provides:

> "Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least 15 years, including that Session."

Your Committee finds that the following Nobles are eligible to be elected Emeriti members of this Imperial Council:

John D. Cochran ..... Afifi Temple
J. Harry Leggett ..... Scimitar Temple

Respectfully submitted,

COMMITTEE ON EMERITI MEMBERS
George E. Stringfellow, *Chairman*
James W. Hughes, Arabia Temple
J. Worth Baker, Murat Temple
Gerald D. Crary, Naja Temple
Harold C. Close, Sphinx Temple

Imperial Sir, since the Committee prepared this report, we have received the biographies of these gentlemen, a very brief biography which I would now like to read.

Noble Cochran is a Scottish Rite Mason. He served as Chairman of the Imperial Council's Jurisprudence and Laws Committee in 1969. He is a Past Impressario and a Past Director of Tacoma Court #104, Royal Order of Jesters. In 1955 he became a Superior Court Judge in the State of Washington and presently holds that position.

His civic and community activities include being a Past President of the Tacoma Lions Club and he is presently a member of the Board of Trustees of the Tacoma General Hospital.

Noble J. Harry Leggett is a York and Scottish Rite Mason. He is a Past Potentate of his Temple and a present National Officer of the Royal Order of Jesters. He has served all of the offices in the Cabiri.

He was President of the Central States Association and is the owner of three funeral homes, a cemetery and a monument company and two insurance companies. (Laughter) You know, all he needs now to promote his business is a doctor and a hospital. (Laughter)

Imperial Sir, I move the adoption of the report and these two Nobles be elected Emeriti Members of this Imperial Council.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: Thank you, George. Nobles, you have heard the motion and the second. Is there discussion?

If not, all those in favor of adopting this motion will you please signify by saying "aye"; contrary by the same sign. It is a unanimous vote and it is so ordered. Thank you very kindly, Imperial Sir. Are these Nobles present?

IMPERIAL SIR STRINGFELLOW: I would like to ask these two Nobles to come to the stage so that your certificates can be presented to you by the Imperial Potentate.

(At this point, presentation of Emeriti Certificates and picture taking ensued.)

IMPERIAL POTENTATE STRUBY: Thank you, Nobles and my congratulations go to you along with the Chairman of this Committee.

I wonder if the Chairman of the Grievance and Appeals Committee is ready to present the report of this Committee. This will probably be the last report before we announce the results of the last ballot and go to lunch.

NOBLE FRANK L. TAYLOR (Beni Kedem Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: Your Grievance and Appeals Committee had two cases and

therefore, there are two reports and I would like to present them individually for action.

To the Representative of the Imperial Council:

Your Committee on Grievances and Appeals met in the Thornwood Suite of the Marriott Motor Hotel in Atlanta, Georgia, at 3:00 o'clock p.m. on July 2, 1973, to hear the appeal of R. L. Hubbard from the action of the Potentate of El Zaribah Temple in suspending him from membership therein for 18 months following a trial and conviction of conduct unbecoming a Noble.

The opponents of the appeal appeared, but Mr. Hubbard had not appeared at 3:45 p.m.

The Committee was of the unanimous opinion that the judgment of El Zaribah Temple, on the record and by reason of the appellant's failure to appear, should be affirmed and the appeal is dismissed.

Respectfully submitted and signed by all members of the Committee who were present.

Respectfully submitted,

COMMITTEE ON GRIEVANCES AND APPEALS
Frank L. Taylor, Beni Kedem Temple, *Chairman*
Gale Robinson, Al Menah Temple
Merwyn H. Brown, Kerak Temple
Thomas C. Roberts, Medinah Temple
Gerald W. Groat, Jr., Moslem Temple
Sigurd A. Bertelsen, Osman Temple
Edwin F. Baertschi, Zenobia Temple

Imperial Sir, I would move the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: We have heard the motion and the second, which is to adopt the report. Is there discussion?

If not, all in favor of the adoption of the report indicate by saying "aye"; contrary by the same sign. It is carried and so ordered.

NOBLE FRANK L. TAYLOR: Imperial Sir, Imperial Sirs and Fellow Representatives: I would now like to present to you the second portion of the report of this Committee.

To the Representatives of the Imperial Council:

The Grievances and Appeals Committee met at 4:00 p.m., Monday, July 2, to consider an appeal by Noble Paul H. Milam of Beni Kedem Temple, Charleston, West Virginia, from a ruling by Potentate, Dr. Marion F. Jarrett of said Temple. Sigurd A. Bertelsen, Committee member was elected Chairman Pro-Tem for the hearing to replace Committee Chairman Judge Frank L. Taylor, who disqualified himself for the reason of being a member of Beni Kedem Temple, a party of the action.

The Committee waited for 45 minutes past the called time for the hearing of 4:00 p.m. As Noble Milam failed to appear to prosecute his appeal, the decision of the Potentate of Beni Kedam Temple was sustained and affirmed.

Respectfully submitted,

COMMITTEE ON GRIEVANCES AND APPEALS
Sigurd A. Bertelsen, Osman Temple, *Chairman Pro-Tem*
Gale Robinson, Al Menah Temple
Merwyn H. Brown, Kerak Temple
Gerald W. Groat, Jr., Moslem Temple
Thomas C. Roberts, Medinah Temple
Edwin F. Baertschi, Zenobia Temple

Imperial Sir, I would move for the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have before you the motion and the second to adopt this report of the Committee. Is there discussion? If not, all in favor of adoption of the report indicate by saying "aye"; contrary by the same sign. It is carried and so ordered.

Let me tell you again, Nobles, that I just cannot tell you how much I appreciate your cooperation. You have kept down most of the noise so that our business could be expeditiously handled.

We are now pretty well on schedule. We have things to take up in relation with the Call. Now, we still have a few moments left and, so, at this time, I would like to call on Nelson Banks.

NOBLE NELSON BANKS: Imperial Sir, Imperial Sirs and Nobles all: We in North Carolina are sponsoring, along with Liggett and Myers a golf tournament to be held August 21-26. That will begin on Tuesday and end on Sunday. It has a purse of some $250,000. Jack Nicklaus will be at this tournament as will some other professionals. As a matter of fact, most all the golf professionals will be in attendance.

This tournament is being played for the benefit of Shriners Hospitals for Crippled Children. Sudan Temple and some of the boys in Oasis Temple have tickets available for gallery attendance. We hope you will avail yourselves of this opportunity to purchase these tickets. We hope you will participate in this great event in behalf of Shriners Hospitals for Crippled Children.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Nelson. I have not put in a plug for the Robinson Tournament but I would like to say that is a little bit closer to my home. This will be a tournament involving some $125,000. Of course, we are not quite as big as they are down here in the South, at least for this first year. Now, we likewise appeal to any of you men in this territory to come down and be with us. It seems to me like this might be a new avenue with regard to raising money because, as you know, these professional football teams are now beginning to cut in quite a bit into our regularly sponsored football games and, as a result, we are beginning to suffer from this intrusion. Therefore, Nobles, if you can support these golf tournaments, that will help all of us because, after all, this money all goes for the same good purpose as the money from these other games and receipts previously went. Therefore, I would urge that you help us all you can.

(At this point, business was conducted in the Colorado Corporation.)

IMPERIAL POTENTATE STRUBY: Before you leave, Nobles, our Imperial Recorder has a few announcements to make.

(Various announcements by Imperial Recorder Saunders ensued.)

IMPERIAL POTENTATE STRUBY: Thank you again Nobles. You have been a great group and I certainly appreciate your cooperation. Don't forget to be back here at three o'clock this afternoon for the next session.

(The Ninety-Ninth Annual Session of the Imperial Council, A.A.O.N.M.S. recessed at eleven-fifty-five o'clock a.m., to reconvene at three o'clock p.m., Wednesday, July 4, 1973, at the Marriott Motor Hotel, Atlanta, Georgia.)

AFTERNOON SESSION
WEDNESDAY, JULY 4, 1973
THREE O'CLOCK P.M.

The Ninety-Ninth Annual Session of the Imperial Council A.A.O.N.M.S. reconvened at the Marriott Motor Hotel, Atlanta, Georgia, on July 4, 1973, at three o'clock p.m., Imperial Potentate Henry B. Struby presiding.

IMPERIAL POTENTATE STRUBY: Nobles, if you will please take your seats, I would like to call the session to order. It is three o'clock and I believe we are now ready to proceed.

Will you please give your attention to our Imperial Chaplain, Reverend Frank Wingerter, who will give the invocation.

REVEREND FRANK WINGERTER: Let us pray.

Eternal Potentate, we ask you to come into our deliberations this afternoon, to come in this day and to come in to stay and lead us in that intelligent way through our Creator, our Christ and our contemporary spirit. Amen.

IMPERIAL POTENTATE STRUBY: Thank you, Reverend Wingerter.

Again, let me say, Nobles, that you are going to be blessed with the same Imperial Chaplain again next year. I thought you would be glad to hear that. (Applause)

At this time the Chair would like to recognize Noble Karl L. Friedrichs, Chairman of the Dispensations and Charters Committee.

NOBLE KARL L. FRIEDRICHS: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters, a petition received from Nobles of South Carolina, requesting a dispensation for a new Shrine Temple in that area known as Jamil, located at Columbia, South Carolina.

The petition was reported to your Committee as being in good order by the Imperial Recorder. Your Committee examined the petition and found a sufficient number of qualified Nobles from many Temples of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

The Committee was of the opinion that the material and information prepared and presented by the proponents was in proper order, well prepared and met all the provisions of the Imperial Code.

After a full and free discussion of all the facts relating to the petition for dispensation of the new Temple, your Committee met and by a majority vote approved the granting of the dispensation.

Following the recommendation of the Committee on Jurisdictional Lines, as prescribed by Section 329.3, in the By-Laws of the Iowa Corporation, your Committee further recommends that Jamil Temple be given exclusive jurisdiction in the following counties:

Edgefield, Sumpter, McCormick, Fairfield, Kershaw, Chesterfield, Richland, Lexington, Aiken.

Your Committee therefore recommends the granting of the dispensation.

COMMITTEE ON DISPENSATIONS AND CHARTERS

Karl L. Friedrichs, Murat Temple, *Chairman*
Roger E. Murdock, Al Malaikah Temple
Roland E. St. John, Antioch Temple
Roy T. Reynolds, El Bekal Temple
Gaylon L. Clark, Hadi Temple
John M. Hartman, Oasis Temple
J. Edgar Bowron, Zamora Temple

Imperial Sir, I would move for the adoption of the report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: There is a motion and a second before the House that this report, as presented, be adopted.

(Cry of "Imperial Sir".)

IMPERIAL POTENTATE STRUBY: Just a moment, please.

Now, I would have to, in all fairness, since this is a report in favor, have to recognize someone that speaks in favor of this report, somebody who is going to speak in favor of it.

NOBLE J. J. GILLIS (Omar Temple): Imperial Sir, my name is Joe Gillis and I am Immediate Past Potentate of Omar Temple.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: After sitting here this morning and listening to the speeches that were

made by our Most Worshipful Grand Masters, I would like to say it was most heart warming and I feel that all of us could take a lesson from these gentlemen and go back to our Blue Lodges and try to work in harmony for the years to come.

I would also like to say that inasmuch as I heard them mention they would like to lower the age of eligibility to 18, that this sounds like progress to me. I am proud to be a Shriner and I am for progress.

Last year at Dallas, a petition was presented, was found to be in proper order, approved by the Dispensations and Charters and Jurisdictional Lines Committees and before they had an opportunity to get it on the floor, a motion was made and it was tabled.

Of course, actually, sometimes, when you vote on a tabling motion, you are actually voting to vote it down. However, the matter was tabled and therefore it was not defeated—was actually carried over.

Again they petitioned this year and so at this point I would like to indicate to you my position in this matter.

Last year, as Potentate of Omar Temple, I felt it was the wrong time and so I got on the floor and opposed the granting of the dispensation.

Now, you Representatives also received a letter from me thirty days or so ago stating all about the objections that I had last year for asking that you turn it down. All of those objections, however, this year, have been resolved.

I was asked to be brief on this and I know we have a lot to do and this session is moving along so smoothly that I would like to abide by the wishes of everyone here and be as brief as possible. I have quite a few notes here but I am not going to use them at all. I have them in the event there is any opposition and, further, if you think I am going to filibuster, I am not.

As Potentate my reasons last year were the indebtedness of the Mosque, reduction of membership at Omar Temple. Further, they were requesting too much territory. Also, I felt at that time it was a division of one Temple due to the territory they were requesting.

They have resolved those points. The debt on the Mosque has been paid off. Omar Temple is now debt free by paying off the $99,000 indebtedness in bonds that we had last year and which were not completely due until 1976.

Further, the membership last year was approximately 5,000 and the territory they were asking for was going to affect better than 2,000—was going to reduce Omar's membership down to the point that I did not feel they could operate and continue to prosper as they have in the past. However, by the end of this year they will have approximately 6,000 members, especially with the growth had last year and also up through the first ceremonial this year.

Now, gentlemen, I have not signed this dispensation. I am still a member of Omar Temple. However, regarding the territory we are requesting, we, last year, were requesting nineteen counties but during the past year we have reduced it and now only asking for four and a-half counties. One county has concurrent jurisdiction with Hejaz. Therefore, it is four and a-half counties they are asking for.

Last year the territory they requested consisted of twenty-one units and Shrine Clubs of the forty-two units and Shrine Clubs under Omar's jurisdiction. This year they are asking for only ten units and Shrine Clubs. Therefore, Omar Temple will still have as many, with the exception of a couple of units and clubs, as they had last year.

Further, all of the facts were presented at a meeting held on Sunday in connection with this matter.

Last year there was a lien or liability from the Internal Revenue Service of approximately ninety to ninety-five thousand dollars. We at Omar Temple did not feel that we were in a position to grant them dispensation and thus obligate ourselves for that tax. Therefore, we were also against that. However, gentlemen, this likewise has been resolved.

The IRS rendered a ruling on May 14, 1973, exempting the Shrine Club. Therefore, as a result of that ruling, there is no tax liability hanging over them in any

way whatsoever that the mother Temple, Omar Temple, would have to obligate itself for.

A copy of this ruling was received and it was forwarded to the Imperial Potentate, with a copy to the Imperial Recorder.

Now, if you gentlemen are for progress and the growth of Shrinedom, are not interested in any one individual Temple, as I seem to have been last year, not realizing that despite our numbers we were growing, then I would urge you to grant this dispensation.

Let me further add that the Columbia Shrine Club is in a position today where they have approximately one-half of the growth value of Omar Temple. Property, land and all assets amount to $566,315, with $100,000 gentlemen, in a safe in Columbia in cash, checks and bank notes. Their total assets of today are $666,000.

I personally feel these people are qualified—in fact, I know they are qualified because of the reports we get back from the Dispensations and Charters Committee.

If you agree with us and grant dispensation, then our neighboring Temple, Hejaz has 9,000 members and they are in the top twenty Temples. Omar will have approximately 5,000 members, which will place them in the middle seventies insofar as rank of Temple is concerned.

It is potential growth that all of us as Shriners should be interested in, gentlemen and this potential growth in South Carolina, let me say, is tremendous.

We presently have, for example, in the State of South Carolina, 51,425 Master Masons who are not Shriners. We have not touched them as yet. Omar's remaining territory would leave them with 17,599 Master Masons who are not Shriners.

In the proposed five counties that this Committee is asking for, the growth of Shrinedom will involve 10,686 Master Masons.

Also, the Shrine Bowl of the Carolinas Committee has indicated they would stay out of this discussion because they were going for progress. Therefore, nothing will be mentioned in relation to them.

Last year this game, however, brought in $652,000. Now, we feel that with the addition of one more Temple, having five Temples operating and working together for our Crippled Childrens Hospitals, that we five will be able to present a check gentlemen, for one million dollars at the Imperial Session some two years from now. We are almost certain, from this way this is growing, that we will be able to present to our Chairman, Imperial Sir Beffa, a check for one million dollars with these five Temples working together.

Also, gentlemen, as you know, the Imperial Sir appointed a committee to judge, to rule and to see that the Credentials and everything presented were in proper order. We have a Chairman that has been on this Committee for twenty-five years or more and all of the gentlemen have studied dispensations. They recommend that this dispensation be granted and I feel that we, the elected Representatives of the Shrine of North America, should respect their judgment and their rules and go along with them.

Last year the Jurisdictional Lines Committee granted this committee the counties they asked for—nineteen of them. This year they pulled in to a figure of nine. Therefore, I think it becomes much more lucrative and would be a much better situation for the growth of Shrinedom.

We feel that shortly after this Ninety-Ninth Sesison is over, if the dispensation is granted, within a period of four months, we will, in Columbia, initiate 600 candidates. The Illustrious Potentate of Hejaz Temple just had a ceremonial at Myrtle Beach and inducted over 500 candidates and we are trying and feel sure that we will pass his all time record in the state and have 600 and, of course, he has promised to help us to see if we can get that many.

We all need these candidates—we all feel that they are available. Just in the past year there has been interest stirred in this area by the capable gentlemen on this committee.

We feel that with this dispensation for one year that they should and possibly would be able to initiate one thousand candidates by the Imperial Session next July. They have contacted Masons, they have gotten agreements or understandings in con-

versations with the Scottish Rite—they are going to have an annual Conclave meeting in Columbia and I am sure that they will get at least ninety percent of their candidates into the Shrine.

Also, for the last ten years, under circumstances of this type, all but one mother Temple regained and surpassed their previous membership after a New Temple had been formed from it. Also, gentlemen, four of the last six new Temples granted dispensations and charters are now in the top ten leading Temples in our One Hundred Million Dollar Program—four out of six baby Temples are in the top ten.

If we as Shriners were to sit back and not form new Temples, we would be in the position such as Mecca Temple was in at one time, where they said, "No, we don't need any more Shrine Temples." I am sure, under these circumstances, all of us would agree that instead of the present 172 Temples and close to 900,000 Shriners we presently have, we could possibly be sitting back with one Temple and thirteen Shriners.

We have grown and I am especially proud of our program. I am happy to be a Shriner. My Masonic life has been fulfilled.

I was born in the year that our first hospital was established and last year I had the distinct honor and privilege, during our One Hundredth Anniversary, of serving as Potentate and I have also had the distinction of being appointed and trying to do my little bit by Imperial Sir Thornton and Imperial Sir Henry on the International Hospital Day Program and we have tried to enhance that.

If dispensation is granted to this group of hard-working Nobles in Columbia, I feel sure that we will fast approach the magic figure that our Imperial line is asking for, looking for and desiring—that of a million dollars.

Therefore, gentlemen, think before you cast your vote about the growth of Shrinedom. We need it for our crippled children. We need it to support our hospitals and the Columbia Shriners of Jamil Temple have pledged a thousand candidates in a year and, of course, we will do our part to present a check from the Shrine Bowl of the Carolinas for one million dollars the year after next.

I thank you kindly for listening to me, Imperial Sir. (Applause)

IMPERIAL POTENTATE STRUBY: Since this is an important matter, I will sure offer the microphone here to anyone to speak for or against this program.

In speaking, will you please identify yourself by giving your names and Temple so that we may have it for our record.

NOBLE ROBERT S. REESE (Omar Temple): My name is Robert S. Reese and I am a Past Potentate of Omar Temple.

I stand before you, Imperial Sir and Imperial Sirs, Illustrious Sirs and Distinguished Representatives, with a deep throb in my heart and I say that for this reason.

Today you elected Representatives of this Ninety-Ninth Imperial Council Session will decide as to whether you are going to cut down a progressive Temple just as it has approached the threshhold of greatness. No, it doesn't affect us in a small way but in a big way.

Further, the four and a-half counties that have been mentioned are actually five and a-half counties and I say that for the purpose of getting the record straight. Further, the Nobles of Omar Temple living within those five and a-half counties are 2189 in number and this would reduce a Temple which, in the past six years has reflected a thirty-eight percent growth in membership and with its daughter Temple, Hejaz, the two of them combined, have had a forty-eight percent growth in membership in the past six years.

Already this year we have initiated together some 750 candidates.

We believe in progress—certainly, we believe in progress because this is progress.

In order to show you the penetration made within our prerequisite bodies, and this is truly where your Shriners come from, you may have 60,000 Masons in a state but if you don't get but 16,000 of those into the prerequisite bodies, then that is all you have to work with. We have penetrated the prerequisite bodies to the extent today that we have 91.2 percent of our York and Scottish Rite Masons in the two Temples—Hejaz and Omar—91.2 percent, and we are still continuing to work.

Within the past five years, working in perfect harmony with our daughter Temple, Hejaz in Greeneville and the two great North Carolina Temples, Sudan and Oasis, we have contributed $2,981,282.72 from the Shrine Bowl of the Carolinas Association. That is, of course, a tremendous effort but then we are not stopping there.

Let me put the record straight. The Divan of Omar Temple is one hundred percent in opposition to the formation of a new Temple in South Carolina.

The majority of the Divan of Hejaz, the entire Divan of Oasis Temple is opposed.

The majority of the Divan of Sudan is opposed.

Gentlemen, we ask you to think very seriously. We apologize, but not really, for not being able to set up a hospitality room and furnish you with beverages to entice you to vote. We do not work that way. We would not insult your intelligence. We would never try to insult your intelligence gentlemen.

Seriously, however, we ask you to think from the very depths of your heart.

Remember these figures, Nobles, that the combined net gain created by both Omar and Hejaz Temple together in the past six years was forty-eight percent and the amount of money that has been raised through the combination and harmonious efforts of these four great Temples. Therefore, gentlemen, the destiny of our Temple being reduced from 5,731 members down to 3,742 members rests in your hands.

It is the fervent prayer of 13,000 Nobles of South Carolina that you will not let them down. Thank you very kindly. (Applause)

IMPERIAL POTENTATE STRUBY: Is there any further discussion?

(The question on the motion was severally called for.)

IMPERIAL POTENTATE STRUBY: Now, let's give them a chance to hear the story. This is only fair. This is a big decision and so we want to hear what anybody has to say about it.

NOBLE D. DIXON LEE (Omar Temple): Imperial Sir, Imperial Sirs and Representatives: My name is Dixon Lee and I am a Past Potentate of Omar Temple. I am also an Emeritus Member of this august body.

Nobles, I rise here to just say a few words and I will only say a few words and not bore you with a lot of statistics.

This matter of a new Temple in relation to this area is not a new problem, not a new question, not a new thought by any manner of means. As a matter of fact, back in 1954, when Noble Joe Dare was Potentate of Hejaz Temple, he came up with the idea and it was discussed among people who knew what they were talking about, like Noble Thomas C. Law of Atlanta, one of the greatest Shriners I believe I have ever known. He said at that time, "Boys, the time is not right, go home and keep it warm, one day it will come."

Then, at Indianapolis, John Terry, who was then Potentate of the Temple, came up with the idea again and after discussion with quite a few of the Omar people, he was also convinced it still wasn't the right time—that there was a bonded indebtedness in connection with a new Mosque and, further, we had obligated ourselves to the retirement of that. This, as you have been informed, is now retired. However, even at that time, those Nobles, as enthusiastic as they were, laid it aside and let it mature, let it grow a little more in its infancy.

Now that the debt has been retired and there is no indebtedness on the Temple, the dues have been reduced from $30 to $20 and there is money in the bank and, in my opinion, the time has arrived for a Temple at Columbia. (Applause)

The only statistics, fellow Representatives, that I desire to quote to you today are these.

It takes a possum seven days of gestation to produce; it takes a woman nine months; it takes an elephant three years; it took twenty years for this period of gestation to bring out a progressive Temple for the Imperial Council and so I think that today is the time to give birth to that Temple.

Thank you very much. (Applause)

Nobles, let me add, I have served on the Jurisdictional Lines Committee of this wonderful body, I have seen petitions and applications presented and I have never yet seen one as perfect as this one is and your two great committees—one headed by

Karl Friedrichs and the other by Arthur Armitage, they say this is the best qualified petition that they have ever considered.

I wish all of you could have seen the presentation which these boys made to the committee on Sunday afternoon.

I think I have said enough. I hope that each of you will give this your complete thought and when the question is put, let the boys from Carolina prove they can do what they say they can do.

Thank you very kind. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you very much.

This might be an appropriate time to indicate to you that there was recently another birth—Jack Streight's daughter made him a grandfather with a seven and a-quarter pound boy at three o'clock recently.

(Cheers and applause.)

Is there further discussion?

NOBLE J. T. WILSON (Hejaz Temple): Imperial Sir, Imperial Sirs and Fellow Representatives, I am J. T. Wilson, Potentate of Hejaz Temple.

I, as Potentate, am really strongly in favor of the new Temple. The basic figures have all been presented but there is one thing that I would like to say and that is that out of three and a-half counties that they are asking for, at our last ceremony we only initiated 16 but we initiated 534 candidates in Myrtle Beach in May and we are going to initiate over 500 in Greeneville this coming November. Thank you very much. I hope that you vote for this petition.

IMPERIAL POTENTATE STRUBY: I will recognize this Noble over here.

NOBLE WALTER L. MILLER, JR. (Hejaz Temple): Thank you, Imperial Sir.

I am Walter Miller, Recorder of Hejaz Temple.

I arise on a matter of personal privilege and as a matter of information to you, my Fellow Representatives, to tell you that the Divan of Hejaz Temple is opposed to the formation of this new Temple, with the exception of one man.

Now, I am not going to take but a moment of your time. However, I might tell you that I did stop by the hospitality room and I enjoyed it. (Laughter) Fellow Nobles, Hejaz Temple, in the last ten years, by one hundred percent cooperation of both the Divan and the membership, has more than doubled its membership. Last year, for example, we had a net gain of 662.

Further, we have given more blood to our Orthopedic and Shrine Burns Institute than all of the other Temples in North America combined. (Cheers and applause)

We had one Shrine Club last year that gave one thousand pints and those were all Shriners that we bled and we really bled them good. (Laughter)

My fellow Nobles, the greatest accomplishments we have enjoyed have been the additions to our membership. Our blood is working for our crippled children.

The four Temples in the Carolinas—Oasis, Sudan, Omar and Hejaz—through a high school game last December, gave to the local Chairman of our Hospital in Greenville, South Carolina, a check for $662,106.50.

I am through Brethren, but I just want to ask one thing of you. Are you going to spank our tail for the success that we have been making in South Carolina? We do not need another Temple. If we did, I would be the first one to advocate it. Thank you, Imperial sir. (Applause)

IMPERIAL POTENTATE STRUBY: Could the Chair perhaps gain some idea as to how many more Nobles wish to speak on this particular subject? Of course, we can go on with this forever. Is there any further discussion or does anybody have anything to offer on either side that has not been indicated as yet.

(The question on the motion was severally called for.)

IMPERIAL POTENTATE STRUBY: All right, the motion is before you, which is to grant the dispensation. It has been seconded. This takes a majority vote. I will now put the question.

All those in favor of granting dispensation indicate by saying "aye"; contrary by the same sign. The Chair orders that it has been carried. (Cheers and applause)

Now, some of you eager beavers, please do not get too happy because there is still another report before we have a right to grant them a charter. However, you made your vote on this known and it seems quite obvious that the rest of the report will be handled without too much difficulty.

At this time I would like to call on Cecil Walrath, who is going to report for the Jurisdictional Lines Committee.

NOBLE CECIL WALRATH: Imperial Sir Henry, Imperial Sirs and Fellow Representative to this Ninenty-Ninth Imperial Session here in Atlanta. This is the report of the Committee on Jurisdictional Lines concerning this matter.

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisdictional Lines the matter of the petition received from Nobles of South Carolina requesting a dispensation for a new Shrine Temple in that area known as Jamil, located at Columbia, South Carolina. If the dispensation for said Temple were to be granted Article 85 of the By-Laws of the Iowa Corporation relating to jurisdiction of Temples in South Carolina, would necessarily be amended.

Your Committee on Jurisdictional Lines held a hearing jointly with the Dispensations and Charters Committee at which time all parties interested were heard and after which this committee met in executive session to fully consider the matter.

After due consideration it is the unanimous recommendation of the committee that if the petition for dispensation be granted that Article 85 of the By-Laws of the Iowa Corporation be amended as follows:

ARTICLE 85

TEMPLES IN SOUTH CAROLINA

485.1 HEJAZ TEMPLE

Has exclusive jurisdiction over Greenville, Spartanburg, Cherokee, York, Lancaster, Chester, Union, Laurens, Newberry, Saluda, Greenwood, Abbeville, Anderson, Oconee and Pickens Counties.

485.2 OMAR TEMPLE

Has exclusive jurisdiction over Marlboro, Dillon, Marion, Horry, Darlington, Lee, Florence, Clarendon, Williamsburg, Georgetown, Berkeley, Orangeburg, Calhoun, Dorchester, Charleston, Collenton, Bamberg, Barnwell, Allendale, Hampton, Jasper and Beaufort Counties.

485.3 JAMIL TEMPLE, U.S.

Has exclusive jurisdiction over McCormick, Edgefield, Aiken, Lexington, Richland, Fairfield, Sumter, Kershaw and Chesterfield Counties.

I move the report be received and refererd to the Committee on Jurisprudence and Laws for appropriate action by that Committee.

Respectfully submitted,

COMMITTEE ON JURISDICTIONAL LINES

Arthur E. Armitage, Sr., Crescent Temple, *Chairman*
Cecil B. Walrath, Afifi Temple
Dewey E. S. Kuhns, Beni Kedem Temple
Ruter E. Coleman, Hasan Temple
Martin G. Browne, Suez Temple
Louis J. Best, Tripoli Temple
Gene Bracewell, Yaarab Temple

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: There is a motion and a second that this report just presented to you be referred to the Jurisprudence and Laws Committee for appropriate action by that committee. Is there any discussion?

All those in favor please signify by saying "aye"; contrary by the same sign. It is so ordered.

I now understand that Ed Maag will report on this matter for the Jurisprudence and Laws Committee.

NOBLE EDWARD G. MAAG: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by the Committee on Jurisdictional Lines the proposed creation of a new Temple to be known as Jamil Temple at Columbia, South Carolina. As authorized by Section 101.5(a) of the By-Laws of the Iowa Corporation, this Committee now submits and reports upon proposed amendments to the By-Laws of the Iowa Corporation as follows:

First, that Article 85 of the By-Laws be amended as follows:

485.1 HEJAZ TEMPLE

Has exclusive jurisdiction over Greenville, Spartanburg, Cherokee, York, Lancaster, Chester, Union, Laurens, Newberry, Saluda, Greenwood, Abbeville, Anderson, Oconee and Pickens Counties.

485.2 OMAR TEMPLE

Has exclusive jurisdiction over Marlboro, Dillon, Marion, Horry, Darlington, Lee, Florence, Clarendon, Williamsburg, Georgetown, Berkeley, Orangeburg, Calhoun, Dorchester, Charleston, Collenton, Bamberg, Barnwell, Allendale, Hampton, Jasper and Beaufort Counties.

485.3 JAMIL TEMPLE, U.D.

Has exclusive jurisdiction over McCormick, Edgefield, Aiken, Lexington, Richland, Fairfield, Sumter, Kershaw and Chesterfield Counties.

The committee reports that the proposed amendments are in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTED ON JURISPRUDENCE AND LAWS

Robert J. Turley, *Chairman*
Warren L. Jones
Walter S. Jeffries
John D. Cochran
William H. Knowlton
Elmer P. Bromley
Edward G. Maag

Imperial Sir and Imperial Sirs, I move that this report be received and filed with the Imperial Recorder and I move that the proposed amendment to the By-Laws as just read be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that the proposed amendments to the By-Laws be adopted. As you probably know, this takes a two-thirds vote of registered Representatives and, therefore, how you vote.

All those in favor signify by saying "aye"; it is already two-thirds but those against may indicate to the contrary.

Well, I have to say it is unanimous. That is fine and I think that is the right spirit. (Applause)

Now, I am not going to try to rush you, believe me, but we still have some forty minutes to try to take up the matter of our other new Temple. Therefore, at this time I would like to call on the Chairman of the Dispensations and Charters Committee, Karl Friedrichs.

NOBLE KARL FRIEDRICHS: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Dispensations and Charters, a petition received from Nobles of Louisiana, requesting a Dispensation for a new Shrine Temple in that area known as Habibi, located at Lake Charles, Louisiana.

The petition was reported to your Committee as being in good order by the Imperial Recorder. Your Committee examined the petition and found a sufficient number of qualified Nobles from many Temples of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

The Committee was of the opinion that the material and information prepared and presented by the proponents was in proper order, well prepared and met all the provisions of the Imperial Code.

The Committee commends the presentation by the Nobles who appeared on behalf of the petitioner, and the Nobles who were opposed to granting the dispensation.

After a full and free discussion of all the facts relating to the petition for dispensation of the new Temple, your Committee met in executive session and approved the granting of the dispensation.

Following the recommendation of the Committee on Jurisdictional Lines, as prescribed by Section 329.3 in the By-Laws of the Iowa Corporation, your Committee further recommends that Hababi Temple be given exclusive jurisdiction in the following parishes:

Calcasieu and Cameron, and concurrent jurisdiction over the rest of the State with El Karubah and Jerusalem Temples.

Your Committee therefore recommends the granting of the dispensation.

COMMITTEE ON DISPENSATION AND CHARTERS
Karl L. Friedrichs, Murat Temple, *Chairman*
Roger E. Murdock, Al Malaikah Temple
Roland E. St. John, Antioch Temple
Roy T. Reynolds, El Bekal Temple
John M. Hartman, Oasis Temple
J. Edgar Bowron, Zamora Temple

I move you, Imperial Sir, the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that we adopt this report. Is there now any discussion?

(The question was severally called for.)

IMPERIAL POTENTATE STRUBY: Well, hearing none, I will put the question. Just a moment, we have a Noble coming up here.

NOBLE ROBERT A. CAMPBELL (El Mina Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: My name is Robert Campbell and I am the Potentate of El Mina Temple in Galveston, Texas.

We feel it fitting and proper that El Mina Temple be the sponsoring Temple of a New Temple in Lake Charles, Louisiana, the new Temple of Habibi. The reason for this is that we are so close. We are the closest Temple to them if they do receive the dispensation, which will involve a distance of 140 miles from our Temple to their Temple.

El Mina Temple enjoys beautiful fraternal relations with the neighboring Temple to the west, which is Arabia in Houston and also beautiful relations with the Temple to the north, which is Sharon Temple and, therefore, we would like to do the same thing with Habibi over in Lake Charles, Louisiana.

Beautiful tomorrows begin today and my Divan feels this is progress in Masonry, particularly in Shrinedom.

Imperial Sir, I move that the petition for dispensation of Habibi Temple in Lake Charles, Louisiana, be granted. (Applause)

IMPERIAL POTENTATE STRUBY: There is already a motion before the House to that effect. We are now merely requesting discussion.

(The question on the motion was severally called for.)

NOBLE CLEVE G. HEYL, JR. (El Karubah Temple): Imperial Sir, I am Cleve Heyl, Potentate of El Karubah Temple at Shreveport, Louisiana.

For you Nobles who do not know where Shreveport is, I would like to say it is across the Red River where, they say, women are women and men are tired of it. (Laughter)

You know, I don't like drinking too many cocktails but then I also attended a cocktail party and I enjoyed it also. (Laughter)

I have a few facts here that I would like to state in relation to my opposition against the issuance of this dispensation.

According to the Imperial Recorder's reports for the year ending December 31, 1972, the membership of the principal bodies of Masonry in the State of Louisiana, which is on page 17, the first thing I would like to say in accordance with that is that the Grand Lodge of the State of Louisiana has had a minus 664 members in that year.

The second thing I would like to say is that the Commandery in the State of Louisiana also had a minus 5 membership in the same year.

The Scottish Rite bodies of the State of Louisiana have had a minus 168 members and the Shrine, with their two Temples in the State of Louisiana, had a minus of 17 in the same year.

Jerusalem Temple, in New Orleans, had a minus of 81 members and El Karubah Temple at Shreveport, Louisiana had a plus 64 members. Therefore, this gives us in the state a minus 17.

Fellow delegates, these figures do not reflect the facts and other information that have been submitted from this platform earlier. It is a case, at least to me, that another Temple, especially at this time, is not needed in the State of Louisiana and the Divan of El Karubah Temple retains its position as stated in our report submitted to the Committee on Dispensations and Charters—that the Shrine of North America will not be benefitting anything by the establishment of a Temple at Lake Charles at this time.

I also have a comment I would like to make with no disrespect and it is just an error, I am sure, but on page 62 in the Habibi booklet that they passed out, in the first paragraph, it states that Habibi has the blessings of El Karubah Potentate and Recorder. It also states it has the blessing of Jerusalem's Potentate and Recorder. Well, I cannot speak for Jerusalem but I say now that it is in error—they have never received the blessing from El Karubah.

Gentlemen, I ask that you give careful consideration and thought in casting your ballot on this mighty important decision. It is very important to us in Louisiana. We likewise want progress—we showed some progress last year but we are trying to get Masonry on the go and we are certainly getting El Karubah on the go in 1973 for both you and me.

Imperial Sir, I would therefore ask for denial of the petition. Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: I have to repeat again that there is a motion on the floor and so this other motion will not be honored at this time. Is there further discussion?

NOBLE LEWIS C. HEACKER (Arabia Temple): Imperial Sir, my name is Lewis C. Heacker and I am Potentate of Arabia Temple, Houston, Texas.

Imperial Sir, Imperial Sirs and fellow Potentates, Distinguished Masons and Shriners all: We are the neighbor to the proposed Habibi Temple, at least to the west. Actually, Arabia Temple is approximately 45 miles closer than their Temple on the north and about 175 miles closer than the other Temple on the east. In other words, I think that from Shreveport to Lake Charles, Louisiana, I believe, is approximately 180 miles; from Houston to Lake Charles it is approximately 135 or 140 miles; from Lake Charles to New Orleans it is, I think, about 250 miles. Therefore, you see that in connection with El Mina Temple in Galveston, the only thing that will separate these two is the state line of Texas and Louisiana. They are very close together and, as you can see, El Mina has sponsored them as their neighbor and fellow Masonic Temple and we also do this.

You know, for the past two years we have had a Temple that was applying for dispensation in Texas. This was our Temple that was granted this charter last year, the Temple in Corpus Christi and they are doing fine and they likewise had been protested.

Now, the fellows were talking about the showcase of Masonry in the Shrine and it appears to me, from my distinguished Potentate's speech, that Louisiana certainly needs some new blood and some new help.

Thank you very much. (Applause)

I would also like to add, Imperial Sir, as an afterthought, that this is an enthusiastic bunch of fellows—a group that certainly got everything in order. Further, you have your committee that has studied these special dispensations and charters for many years and they are composed of some of the most honorable and distinguished Shriners in our nation. These are brilliant men and, as I know you know, they have gone into every phase of this.

I think we would like at least for one time to support them by showing them that we have confidence in their judgment and what they do and, therefore, let's give these folks a special charter of dispensation and let them roll along. Also, let's not have any scars, let's give it to them this year—let them have it and roll along. Let's build Shrinedom.

Therefore, Imperial Sir and Representatives, I want to tell you with all of my heart that I second the motion for approval of this dispensation.

Again, thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: I will now recognize the Potentate of Al Amin Temple, Noble H. Floyd Foster.

NOBLE H. FLOYD FOSTER (Al Amin Temple): Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests, Representatives and Nobles: Of course, Al Amin is the baby Temple because we just received our charter last year and so I think it is a privilege and honor to be asked to support our second recommendation.

I think you have a very learned committee in the members of the Committee on Dispensations and Charters. As has been indicated, they have gone into all facets of this request.

Now, I am not going to bore you with a bunch of facts or statistics. I think the Committee has looked into this quite properly and this is their job.

Now, I would like to ask you to consider the success of your new Temple that you have created within the past few years.

As an example, we have had a fifty percent gain in membership; we now have twenty units where we originally had one; we have five Shrine Clubs and, therefore, we think we are doing a good job. Therefore, look around and consider the success that your new Temples are bringing for Shrinedom in general.

I ask your consideration and support of this petition for the growth of Shrinedom.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Is there further discussion?

(The question on the motion was severally called for.)

IMPERIAL POTENTATE STRUBY: The question has been called for. I will put the question.

All those in favor of the report of the Dispensations and Charters Committee please signify by saying "aye"; contrary the same sign. The "ayes" have it and I will declare the motion to be carried and it is so ordered.

We would now like to receive a report from the Jurisdictional Lines Committee and I understand that Martin Browne is going to make that report.

NOBLE MARTIN BROWNE: (Reading)

To the Representatives of the Imperial Council:

I move you, Imperial Sir and Representatives, that this report be received and filed and to the extent that your action taken on the floor a moment ago may be implemented, I also move adoption of the proposed amendments to Article 63 as presented in this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second.

Is there discussion? If not, all in favor of the motion indicate by saying "aye"; contrary by the same sign. It is a unanimous vote. It is more than the necessary two-thirds vote and so I will declare the motion carried.

Now, Nobles, we are getting close to the end of our afternoon session. According to my watch, we have some fifteen or twenty minutes left. However, there are a few items we can take up in the remaining time. Now, before proceeding, to you men who are just going to be U.D., George happens to have a charter here that he will be happy to have you come up later and get your pictures taken in connection therewith. I know this is a great day for the people involved. Therefore, if you want to do that after four-thirty, when we close, you are welcome to do it.

Now, the Potentate of El Karubah Temple has requested permission to talk again and, therefore, I will again recognize him at this time.

NOBLE CLEVE G. HEYL, JR. (El Karubah Temple): Fellow Delegates and Members of Habibi Temple: I want to first say that I am also proud of the manner in which you have prepared your information and the necessary things you have had to do in order to procure this Temple Charter.

I also want to be one of the first to congratulate you and I would also like to say this again, and with no disrespect to anyone. What I would like to say is that

I would suggest you stay with your Louisiana people and not go over to Texas, please. (Laughter and applause)

IMPERIAL POTENTATE STRUBY: Well, this is definitely Shrinedom at its best and I likewise wish to congratulate you fellows. You are a great group. You have stuck together and you have solved the problem so that we are not cutting each other's throats. I am so proud of all of you.

Now then, we are down to fifteen minutes of remaining time and I believe that Bob still has a few small items that we can get out of the way.

You have done so fine here that I know we are going to get through with our business in prompt fashion. However, we are going to have to come back here again on Friday morning because Jake's pageant will be held tomorrow morning. Our Imperial Recorder will tell you more about that. Nevertheless, you will have to come back on Friday because at that time we will have our final wrap-up. However, I am sure that we will be able to get through here by noon on Friday and, again, I just cannot tell you how pleased and proud I am of all of you for the cooperation that you have given us.

I will now recognize Bob Turley.

NOBLE ROBERT TURLEY: Imperial, Imperial Sirs and Representatives: I have received a letter that I would like to read to you. It reads as follows:

"On behalf of Cyprus Temple, Albany, New York, I hereby withdraw our proposal seeking concurrent jurisdiction with Mecca Temple in Orange County. I appreciate the gracious consideration and time spent with us by the members of the Jurisdictional Lines Committee led by Arthur Armitage."

This is signed "Robert Case, Potentate, Cyprus Temple."

It is dated July 4, 1973.

Imperial Sir, that proposal having been withdrawn by the Representative at whose instance it was published in the Call, I move you, Sir, that the Jurisdictional Lines Committee and the Jurisprudence and Laws Committee be discharged from further consideration and report at this session on this matter.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second.

All those in favor signify by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

NOBLE ROBERT TURLEY: Imperial Sir, your Jurisprudence and Laws Committee has received information that Past Potentate and Emeritus Representative Herman L. Englehardt is ill and is not present at this session. Is there anyone here, any Representative here who has been designated by him to present his two proposed amendments? If so, will that Representative please come to the stage and confer with the Jurisprudence and Laws Committee at the conclusion of recess of this session.

Further, Imperial Sir, I would also like to request that the Representatives of the Temples in Montana please come to the stage upon recess of this session this afternoon.

Now, Imperial Sir, I have a report from the Committee on Jurisprudence and Laws that I would like to present and you will see why in a minute.
To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Robert J. Turley, a Past Potentate and Representative of Oleika Temple, a proposal to amend § 323.5 of Article 23 of the By-Laws of the Iowa Corporation, so that said section will read as follows:

§ 323.5 BALLOTING

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Robert J. Turley, *Chairman*
Warren L. Jones
Walter S. Jeffries
John D. Cochran
William H. Knowlton
Elmer P. Bromley
Edward G. Maag

Imperial Sir, I move that the Committee's report be received.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, which is to receive the Committee's report.

All in favor indicate by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

NOBLE ROBERT J. TURLEY: Imperial Sir, this proposal is on page 14 of the Call and I presented this report and I now stand before you and apologize to somebody and I do not know who. Some one of you either telephoned me or at a meeting, perhaps at the Seminar, asked that this amendment be prepared in order that he could submit it and for some reason, and I must confess I don't even know the resaon, I don't know who asked me to do it. (Laughter) Consequently, I prepared it and have submitted it under my own name.

This is a housekeeping amendment. It simply provides especially that if a ballot on a candidate for initiation shows four black balls the first time the ballot is cast, there is no question but what the ballot need not be taken a second time. However, if three black balls appear on the first occasion, a second ballot must be taken. If less than three appear, he is accepted. Is there any question about that aspect of the amendment?

If not, I move you, Imperial Sir, with apologies to the man whose idea it was, that this amendment be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. Is there discussion? If not, all in favor of the adoption of the amendment indicate by saying "aye"; contrary by the same sign. The motion is adopted and it is so ordered.

(Business was conducted in the Colorado Corporation at this time.)

NOBLE ROBERT TURLEY: Imperial Sir, the Jurisprudence and Laws Committee is through reporting for today. We will have other reports to present at another session.

IMPERIAL POTENTATE STRUBY: Thank you, Bob. You know, I told you we would get out by four-thirty and we are going to do it. I believe that George has a few announcements and if anybody else has any announcements they desire to make at this time, I would be most happy to let them have the podium and, for the good of the Order, we would like to do that.

IMPERIAL SIR GEORGE M. SAUNDERS: I would appreciate it if the Potentate of Salaam Temple would come to the stage and also the Director of this Convention and the Potentates of Yaarab Temple come to the stage. We need a little information from each of you folks for these Representatives so that they will understand what is going to take place.

NOBLE KENNETH SMITH (Salaam Temple): Imperial Sir, I would only ask that you grant me a moment or two of this time.

I want to say to you that tomorrow Imperial Sir Elect Jacob Wingerter will hold his pageant at the Civic Auditorium, which is about four and a-half blocks from here. There will be buses here in front of this hotel. They will be here from eight o'clock on. They will shuttle back and forth to the Civic Center.

There will also be Aides there to direct you to the bus. There will likewise be a bus or two over at the Hyatt House to take the people from there to the Civic Center.

We intend to begin our pageant tomorrow morning promptly at nine o'clock. We are also going to try to get out of there as near eleven o'clock as we can. If we can shorten it up, we will do that.

Let me say that there is plenty of parking space over there for the Nobles who come from the outlying Temples and who have to come in from the outside and want to drive their cars.

For the first time, I believe, in quite some time, we are going to present all of the Imperial Officers and their ladies at this pageant, as well as the Past Imperial Officers. Therefore, I would like very much to have each of you there to see all of these folks as they pass in review for you. I think we are going to have a wonderful pageant for Jake Wingerter.

Thank you very much. (Applause)

IMPERIAL SIR GEORGE M. SAUNDERS: Let me say, Nobles, this is going to be a bit more than just a pageant—this is going to be a presentation of the newly elected Imperial Divan and there will be units from some of the Temples of the Imperial Divan members participating in this presentation. That is why it is a very important thing for you to be there. It will start at nine o'clock and we know it will be finished in time for you to leave there by lunch time and come over here for lunch and then the session here will reconvene in this room tomorrow after luncheon.

IMPERIAL POTENTATE STRUBY: We also have with us the Director General of this Convention and I am sure he will also give us some information.

NOBLE GENE BRACEWELL: Imperial Sir, I will only take about a minute and forty-five seconds.

Let me say that our Imperial Banquet tonight starts at seven-fifteen p.m. sharp. This is when the dinner will be served. We will open the doors to the Civic Center at six p.m. There will be cocktails available with the purchase of tickets in the foyer. There will be transportation, of course, available for the Imperial Sirs, Past Imperial Sirs and Masonic dignitaries. Also, we will try to have some transportation available for the rest of you. However, it is not that far a walk, only about three and a-half blocks.

You have already been informed as to the bus transportation arrangements from the hotel to the Civic Center for tomorrow morning. Therefore, I need not go into that. At any rate, let me assure you that there will be ample transportation available. I believe that completes my comments. Thank you, Imperial Sir.

IMPERIAL POTENTATE STRUBY: Thank you, Gene. We are now in recess and will reconvene at one o'clock tomorrow afternoon here in this room.

(The Ninety-Ninth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-thirty o'clock p.m. to reconvene at the Marriott Motor Hotel, Atlanta, Georgia on Thursday, July 5, 1973 at one o'clock p.m.)

Eternal God, we thank you for this day of freedom. Our forefathers, on this day, many years ago, climbed the steep ascent of heaven through peril, toil and pain. Oh God, may grace be given to us to follow in their footsteps.

We also thank you, Almighty God, for him whom we honor tonight, our Imperial Potentate, Imperial Sir Henry B. Struby. We pray that your grace will be with him and with his wife down through the years.

We thank you for our families and we thank you, Almighty God, for the love that we have, one for another, through Jesus Christ, our Lord. Amen.

(At this point, the serving of the banquet dinner ensued.)

(Whereupon, at eight-thirty o'clock p.m., the Banquet Session was adjourned.)

IMPERIAL POTENTATE'S PAGEANT

THURSDAY, JULY 5, 1973

NINE O'CLOCK A.M.

The Pageant in honor of Imperial Potentate-Elect Jacob A. Wingerter was convened at the Atlanta Civic Center, Atlanta, Georgia, on Thursday morning, July 5, 1973, at nine o'clock a.m., Noble Edwin W. Doe, Jr., Potentate of Salaam Temple, acting as Master of Ceremonies.

(A musical prelude through the courtesy of the Yaarab Temple Brass Band, Atlanta, Georgia, took place prior to the official opening ceremonies.)

NOBLE EDWIN W. DOE: Nobles and ladies, may we have your attention. We would like to commence with the presentation of the pageant honoring our newly elected Imperial Potentate of the Shrine of North America, Imperial Sir Jacob A. Wingerter.

Ladies and gentlemen, will you kindly rise for the presentation of the colors.

(The assembly arose as the Salaam Temple Legion of Honor, under the direction of Commander Edward A. Webber, Jr., presented the colors, which was followed by the recital of the Shriners' Pledge of Allegiance and the playing of the national anthems of Canada, Mexico and the United States.

NOBLE DOE: If you will remain standing, we will now have the invocation by our Imperial Chaplain, Frank W. Wingerter.

Reverend Frank Wingerter: Let us pray.

Eternal God, our gracious Potentate, there are times when you give us the opportunity to taste of your glory and this morning we taste of your glory.

As Henry Struby passes on his torch, he is not laying down the torch of glory, he is sharing it with Jacob A. Wingerter and Selma and the members of their great Divan.

We pray, Almighty God, that as you have been with Henry, that Thou will be with Jacob, that Thou will be with the Shrine of North America and help us to cause the banners of our Great Shrine to flutter.

Fling out the banner high and wide, skyward and seaward let it fly, the torch that lights the Eastern sky, the service for which our Creator died.

May every Shriner and Noble of North America help Jacob and Selma and his great Divan to carry that torch for the sake of the crippled and to the glory of our Creator. Amen.

NOBLE DOE: Please be seated, ladies and Nobles.

We will now have a selection by the Pit Band from Crescent Temple.

(A selection by the Crescent Temple Brass Band ensued.)

NOBLE DOE: Ladies and gentlemen, it gives me a most wonderful sense of pleasure to introduce, not to introduce but to present to you the Imperial Potentate of the Shrine of North America, Imperial Sir Henry B. Struby.

(Rising applause.)

IMPERIAL POTENTATE STRUBY: Kindly be seated. I have no gavel but I am sure you do not want to stand and it really will not take me long.

To all of you Potentates and to all of you great, good Nobles and lovely ladies, it says on the program that I am supposed to give a "welcome" address. Well, I did not know that until about two minutes ago and so you can be sure my remarks will be brief.

First let me say that I am pleased to have so many people in attendance here today to honor our new leader, Jake. It has been a real pleasure for me here during the last two weeks because Atlanta has been most gracious to all of us.

We have heard from your mayor, your governor and also your Senator. We have likewise had and enjoyed the presence of many Masonic leaders and dignitaries, the heads of other appendant organizations and prerequisite bodies and, further, we have been royally entertained.

For all of this, we are grateful to Gene Bracewell and to his various committee chairmen and all of the members of the different committees that worked on this fine convention, and with very few exceptions I think we have had a delightful convention and these follows have worked very hard to make it so.

Well, this is probably not the proper place to say this because this is a welcoming address but I don't know how I can publicly state it in any other way and that is that I want to express my thanks to my kind and understanding wife, Margaret, who has put up with me these thirty-nine years and helped me in connection with my activities in the Shrine and thus made my job that much easier.

Again, we do welcome you all, we are so proud you came over here this morning and I am sure that you will enjoy a great pageant. Thank you very kindly. (Applause)

NOBLE DOE: Imperial Sir, ladies and Nobles, it is with a great sense of honor and pleasure that I address you today as the Potentate of Salaam Temple of Livingston, New Jersey.

Salaam Temple was the eighty-sixth Temple founded in the Shrine of North America and on July 9, 1973, we will celebrate our seventieth birthday.

We Nobles of Salaam number slightly less than seven thousand members.

We are also most proud of our Mosque, which is a scant seven years old. It is a product of the determination and dedicated efforts and devotion of each of our Nobles. It is free of indebtedness or any incumberances, which certainly testifies to the wisdom and the prudent leadership of those Nobles who have guided our destiny through the years.

This brings me to the reason for our being here today—one of our most distinguished and illustrious Nobles is to be honored for his great achievement in becoming the Imperial Potentate-Elect of the Shrine of North America.

We of Salaam Temple, as well as all of you present here today, are expressing our fraternal love and earnest support of this truly great man.

You know, greatness comes to few men in a lifetime. God has granted it to Jake. We, each in our own way, pray for his continued success and happiness, his continued stability and his firmness.

As he travels the heights of our road to glory, may God grant that it ever be so.

Ladies and gentlemen, I present Imperial Sir Jacob A. Wingerter, Imperial Potentate-Elect of the Shrine of North America and his lovely lady, Selma.

(Whereupon, Imperial Sir Jacob A. Wingerter and Mrs. Wingerter were escorted to their places at the side of the stage.)

NOBLE DOE: Please be seated.

It is a wonderful pleasure for me to bring forth two people at this time, Jake and Selma's beautiful granddaughters, Heidi and Noel. (Applause)

NOBLE DOE: Now, ladies and gentlemen, as soon as they open up the curtain it will be a real pleasure for us (we hope) (Laughter) to present to you the Imperial Divan in reverse order.

First we would like to introduce the Reverend Frank W. Wingerter, our Imperial Chaplain from Irem Temple, Wilkes Barre, Pennsylvania. (Applause)

Next in line, Dr. Daniel Bowers, our newly elected Imperial Outer Guard, from Mohammed Temple, Peoria, Illinois, and his lady. (Applause)

Imperial Sir Randy Thomas, Imperial Outer Guard, Morocco Temple of Jacksonville, Florida, and his lady. (Applause)

Imperial Sir F. T. H'Doubler, Jr., Imperial Captain of the Guard, from Abou Ben Adhem Temple, Springfield, Missouri, and his lady, escorted by his Temple Band. (Applause)

We next have Imperial Sir Charles J. Claypool, Imperial Marshall, Antioch Temple, Dayton, Ohio, and his lovely lady, escorted by his Marching Patrol. (Applause)

Imperial Sir Warren F. Weck, Jr., Imperial Second Ceremonial Master, Zuhrah Temple, Minneapolis, Minnesota, and his lovely lady, escorted by his Temple's Legion of Honor. (Applause)

Imperial Sir Fred R. Morrison, Imperial First Ceremonial Master, Moslem Temple, Detroit, Michigan, and his lady, escorted by his Temple's Highlander Band. (Applause)

Imperial Sir George M. Saunders, Imperial Recorder, Ararat Temple, Kansas City, Missouri, and his lovely lady, Mabel. (Applause)

Imperial Thomas W. Melham, Imperial Treasurer, Tripoli Temple, Milwaukee, Wisconsin, and Mrs. Melham. (Applause)

Unfortunately, at this point, I must announce the illness of Imperial Sir Harvey W. Smith, who is our Imperial Oriental Guide from Sudan Temple, New Bern, North Carolina, and in token of our well wishes, I think it would be nice if everybody would give him a round of applause in absentia. (Applause)

It now gives me great pleasure to introduce Mrs. Charlotte Val Preda, who is representing Imperial Sir Peter Val Preda, our Imperial High Priest and Prophet, from Cairo Temple, Rutland, Vermont. Imperial Sir Peter was called home by a business emergency and his lovely lady is standing in his stead. Mrs. Charlotte Val Preda. (Applause)

We next come to Imperial Sir W. W. Bennett, Imperial Assistant Rabban, Ararat Temple, Kansas City, Missouri, and his lady. (Applause)

Next we have Imperial Sir Jack M. Streight, our Imperial Chief Rabban from Gizeh Temple, Vancouver, British Columbia, and his lady. (Applause)

And now, the Imperial Potentate of the Shrine of North America, Imperial Sir Henry B. Struby and his lady, Margaret from Hadi Temple, Evansville, Indiana.

(The assembly again arose and applauded as Imperial Sir Struby and his lady were presented.)

IMPERIAL POTENTATE STRUBY: You know, I did not know that I would have a second opportunity at this microphone but here I am, back again. Will you please be seated. (Applause)

On behalf of our Imperial Officers, let me say that we are so glad to participate in this great show honoring our Imperial Incoming Potentate, Jacob A. Wingerter.

I have not too much to say except that if you give him the same kind of cooperation and help that has been given me during the year, I am sure he is going to have an outstanding year.

This occasion brings back a little bit of sadness for me because last year I had my brother sitting in the front row. I do have two sisters and I am pleased to have them with us because we are getting up in years and we may not know what our family is going to look like a few years from now.

Now, I do not wish to bring a note of sadness in here but I do want to say one thing and that is this—that insofar as I am concerned, the "king is dead—Long Live the King." (Applause)

NOBLE DOE: Nobles and guests, in the event you have not noticed it, I wasn't really sure which one of these Imperial Gentlemen had their ladies with them but I am sure you noticed them as they came in and, therefore, you will pardon me in failing to introduce each of them.

At this time, I would like to present to you our Past Imperial Officers.

Imperial Sir C. Victor Thornton, Imperial Potentate 1971-1972, Moslah Temple, Fort Worth, Texas, and his lady. (Applause)

Imperial Sir Aubrey G. Graham, Imperial Potentate 1970-1971, Khedive Temple, Norfolk, Virginia. (Applause)

Imperial Sir J. Worth Baker, Imperial Potentate 1969-1970, Murat Temple, Indianapolis, Indiana. (Applause)

Imperial Sir Chester A. Hogan, Imperial Potentate 1968-1969, Afifi Temple, Tacoma, Washington, and his lady. (Applause)

Imperial Sir Orville F. Rush, Imperial Potentate, 1966-1967, Kena Temple, Alexandria, Virginia, and his lady. (Applause)

Imperial Sir Barney W. Collins, Imperial Potentate 1965-1966, Anezeh Temple, Mexico City, and his lady. (Applause)

Imperial Sir Harold C. Close, Imperial Potentate 1963-1964, Sphinx Temple, Hartford, Connecticut, and his lady. (Applause)

Imperial Sir George M. Klepper, Imperial Potentate 1962-1963, Al Chymia Temple, Memphis, Tennessee. (Applause)

Imperial Sir George A. Mattison, Jr., Imperial Potentate 1960-1961, Zamora Temple, Birmingham, Alabama. (Applause)

Imperial Sir George E. Stringfellow, Imperial Potentate 1958-1959 from Crescent Temple, Trenton, New Jersey. (Applause)

Imperial Sir Gerald D. Crary, Imperial Potentate 1956-1957, Naja Temple, Deadwood, South Dakota, and his lady. (Applause)

Imperial Sir Walter C. Guy, Imperial Potentate 1952-1953, Scimitar Temple, Little Rock, Arkansas and his lady. (Applause)

Imperial Sir Harvey A. Beffa, Imperial Potentate 1952-1953, from Moolah Temple, St. Louis, Missouri. (Applause)

It is also my pleasure to announce that Illustrious Sir Beffa is Chairman of the Board of Trustees of the Colorado Corporation, Shriners Hospitals for Crippled Children. Let's give him a big hand. (Applause)

And now, Imperial Sir Robert Gardiner Wilson, Jr., Imperial Potentate 1951-1952, from Aleppo Temple, Boston, Massachusetts, who will speak for the Past Imperial Officers and ladies.

IMPERIAL SIR ROBERT GARDINER WILSON (Past Imperial Potentate): Without rehearsal, I understand from our incoming Imperial Potentate that I am supposed to speak on behalf of the sixteen, I believe it is, Past Imperial Potentates here present and who certainly welcome this opportunity to participate in the ceremonies incident to the election and year to come of a new man as the top Shriner in North America, Jacob A. Wingerter.

We are more than happy to represent the Old Guard, and I assure you that while we still walk and talk, the Old Guard never surrenders. (Applause)

IMPERIAL SIR JACOB A. WINGERTER: Nobles and ladies and gentlemen, this (indicating Imperial Sir Wilson) is the Old Guard. You know, he walks in every parade that we have. He paraded in the hot sun the other day.

You know, at one of the meetings we had in connection with the Imperial Line, he sat across the table from me and, of course, you don't know very much and so he said to me, "Will the delegate from New Jersey pay attention", and of course, I have been paying attention ever since.

NOBLE DOE: Imperial Sir, with your kind indulgence, if you will give us a moment, we would like to present to you and, through you, to the Nobility, the Past Potentates of Salaam Temple, your colleagues and men who have supported you through the years, have fought with you, have had fun with you and who loved you no matter what.

First, I would like to present to you Illustrious Sir Harry Ehrenkranz and his lady, Nan, Potentate of Salaam Temple in 1972. (Applause)

Illustrious Sir Frederick W. Wingerter and his lady, Bea, Potentate of Salaam Temple in 1971. I understand, of course, there is some kind of relationship there. (Laughter) Fred will be Jake's Housing Chairman for the year 1974 and he is doing a marvelous job.

Illustrious Sir Richard A. Schmidt, Jr., and his lady, Irene, Potentate of Salaam Temple in 1969. (Applause)

Illustrious Sir (Dr.) Christopher Smith, and his lady, Vilma, Potentate of Salaam Temple in the year of 1967.

Illustrious Sir (Dr.) Palmer D. Burde and his lady, Dorothy, Potentate of Salaam Temple in 1966. I understand that he also won some kind of election this year. (Laughter)

Illustrious Sir Kenneth Smith and his lady, Gladys, Potentate of Salaam Temple in 1960. (Applause) Ken has been appointed by the Imperial Sir as Director General for the year 1974. (Applause)

Illustrious Sir Morris Pollack and his lady, Hannah, Potentate of Salaam Temple in 1958. (Applause)

Illustrious Sir C. Jack Horner and his lady, Trudy, Potentate of Salaam Temple in the year 1957. (Applause)

I would now like to turn the microphone over to Illustrious Sir Kenneth Smith, who will have a few remarks to make to the Imperial Sir and his lady from the Past Potentates of Salaam Temple.

NOBLE KENNETH SMITH: (Salaam Temple): Thank you, Dr. Doe.

Imperial Sir, Jake, Selma, Imperial Sirs, Nobles and all you wonderful ladies. I want to say a few words on behalf of Salaam Temple for the great Past Potentate that we have given to the Shrine of North America for the last ten years.

I have been associated with Imperial Sir Jake for some twenty-five years—have known him and his family intimately, know the type of people they are.

Jake has eight brothers and three sisters who were born of very religious parents in a little town known as Baden, Pennsylvania. Imperial Sir Wingerter received his early schooling there, moved to Ohio, continued his schooling there, came to New Jersey, where we now know him as a great man.

Jake's parents being very strong individuals instilled into the family, particularly into this particular man whom we have elected here to high office today, a character that he can never lose.

In talking to Jake's father, that last time I had an opportunity to talk to him, he said to several of us sitting around the room—"Men can rise to fame; you can amass a fortune beyond any of your dreams; fame can leave you overnight, your fortune can do the same; but a character that is instilled in a man remains with him throughout life."

Now, an individual who has been brought up by the type of parents that Jake has been brought up with, the character that is a part of his being, can never leave him. You can also see that by listening to his brother, Frank Wingerter, a wonderful man, and I can assure you that every one of his brothers and sisters are of the same sterling character of integrity that has been instilled in Imperial Sir Jake.

Likewise, Jake has been an inspiration to Salaam Temple.

For example, Salaam Temple had a very bad situation back in the 1930's. This was remembered and is still remembered by a great many of you old timers in our Temple. However, when Imperial Sir Jake become Potentate of the Temple, he overcame that. He appointed a new committee to seek out programs on which to build the Temple. He went forward and built this great Temple that Salaam is today because, in the building of the Temple mosque, Jake acted as his own contractor—he built the present beautiful building for in the neighborhood of $450,000 and today it is appraised at over one and a half million dollars. Further, it is free of debt, was free of debt the day we moved into it.

To show you just what type of a man he is, we had a little opposition in the town when we came to build the Temple. We built it in a residential zone. We had one family on the corner who owned a large piece of property and who objected to this and held our Temple up. However, they did not hold us up for long. Jake went out there and purchased the property.

This is the type of individual we are giving to you—this is the man that we as Past Potentates of Salaam Temple, the Nobility of Salaam Temple, the Units, the Shrine Clubs of Salaam Temple, are proud to give to the Imperial Shrine of North America and its nine hundred thousand Nobles.

We believe that Jake will continue to be a leader of whom we shall all be very proud.

At this point, I wish to congratulate Jake and also particularly Selma, for traveling the many, many miles that she has traveled with Imperial Sir Jake because when you can see her lovely grandchildren, you can understand why she loves her home.

I know, Selma, this traveling has been a real hardship for you and every one of us in Salaam Temple appreciate what you are doing for us. (Applause)

We only hope, of course, that you will be able to continue for one more year for Jake and then, of course, you can come home and earn a well deserved rest. (Applause)

Now, Jake, on behalf of the Nobility of our great Temple, we congratulate you and are very proud of you and we consider it a privilege just to know you.

Thank you for this opportunity that I have been extended in presenting to you all of our good wishes. (Applause)

NOBLE DOE: It is my privilege at this time to present to you the elected Divan of Salaam Temple.

(Whereupon, the Divan of Salaam Temple, including their ladies, were individually presented.)

NOBLE DOE: Imperial Sir, it is a very sincere pleasure for me to represent the Divan, the Officers and the Nobility of Salaam Temple when I say to you—God Speed in the years ahead—we wish you the best of health and happiness to you and your lady and your family and may your programs be most effective; may the Shrine prosper under your leadership and, of course, we pledge our fidelity and support to you across the Board. Anything that you desire, if it is humanly possible, we will accomplish it for you. (Applause)

Now, we will have a selection by the Crescent Temple Chanters, under the direction of Noble Milsom Hughes.

(At this point, various musical selections were presented by the Crescent Temple Chanters.) (Applause)

NOBLE DOE: I believe that was certainly an excellent musical tribute by the Chanters of our Sister Temple of New Jersey, from Crescent Temple, and we are certainly most appreciative of the efforts of both the Nobles in the band and the Chanters and, of course, we previously had the opportunity to listen to the Nobles of Yaraab Temple. They have been most cooperative with us in our attempt to make this program a memorable and enjoyable one for everybody.

Now, we will pause for just a moment while the stage is being reset and then we can continue with the introduction of the Imperial Sir's family.

However, in the meantime, I would like to read to you two telegrams that had been delivered to me when I came aboard this morning.

This first one is addressed to Imperial Sir Jacob A. Wingerter and his lady, Selma, care of the Civic Center, Atlanta.

"Best wishes to you and Selma and congratulations and enjoy your year in good health."

This is from your good friend, Mabel Baker.

We have another one reading as follows:

"It is wonderful to know that you have achieved the highest office, a goal you set for yourself many years ago. Hats off to you and enjoy your year."

This is signed by George Fagenberger, a business associate.

I would also like to express for your mother, Jake, her sincere best wishes and her deepest regrets that she could not be with you in this moment of glory for you. She sends her every good wish in her heart. It was the family's decision that Mrs. Wingerter's eighty-nine years precluded a trip here to join you from her home in Florida but her heart is here and she wishes you every good wish. (Applause)

You know, the rest of the family apparently do not follow too closely in Jake's footsteps, because they are a little slow in getting together back there. (Laughter) I understand the family is now ready to be presented and so I am going to call them by name. They are certainly a beautiful and wonderful group, Jake, and you certainly have something to be very proud of. As I say, I would like to call these folks by name and have them step forward, walk over and shake hands, and then be seated under escort so that they can watch some humor that will be coming forth in a short time.

First of all, I would like to present Noble Ron Wingerter and his lovely lady, Heather, and, of course, his two lovely little daughters, Heidi and Noel. (Applause)

I would like to bring forward now David Wingerter, the son of Selma and Jake. Further, his lady, Louise, wishes to express her sincere good wishes to Jake and apologize for being unable to attend. However, she just presented you, as we all know, with a newly arrived grandchild. (Applause)

Next we have Noble George and Rose Wingerter, Jake's brother and sister-in-law, and their daughter, Jane and son-in-law, Bob. (Applause)

And now, Fred and Florence Sulfstead, Jake's sister and brother-in-law. (Applause)

Noble Frank and Dorothy Wingerter, Jake's brother and sister-in-law. (Applause)

Noble Jesse Wingerter, Jake's brother and lovely lady, Helen. (Applause)

Illustrious Sir and Noble Fred and Bea Wingerter and their lovely daughters Sheel and Val. (Applause)

I would also like to present Noble Harry Wingerter. His wife could not attend because of a new arrival at home as well. Productive, aren't they? (Laughter and applause)

At this time I would like to present Illustrious Sir Fred Wingerter, who would like to make a presentation to you, Sir, from the family.

NOBLE FRED WINGERTER: Imperial Sir, Imperial Sirs, Nobles all: It is indeed a great pleasure for me to be the spokesman for my family. We certainly are indebted to you for bringing this great honor to the Wingerter family and you, Illustrious Jake, we are most proud of you. We wish you the best—best of health and the best of everything, and may you continue to guide this great Shrine of ours in the traditions that it has known.

On this day I have here a five-star pin which the family would like to present to you. We know you will wear it with pleasure to yourself and, indeed, honor to this great fraternity. God bless you.

(Presentation of five-star pin and applause ensued.)

IMPERIAL SIR JACOB A. WINGERTER: Imperial Sir, Nobles and ladies: This is my brother, Fred. He will be the Housing Chairman in connection with the Atlantic City Convention and so you know what a job he has. He is a great guy and, of course, I likewise have a great family and am sincerely proud of all of them. Thank you very much for that presentation, Fred. (Applause)

NOBLE DOE: And now, ladies and gentlemen, it is a wonderful pleasure for me to present some slides on the life of Jake and some of his family, what we fondly call some of the things that go into the making of an Imperial Potentate.

(Slide): Well, here we go. Jake was born, July 26, 1908. This event took place in Baden, Pennsylvania. He was a pretty kid. (Laughter) Just take a look at that hair. Who said they didn't have long hair in those days? (Laughter) Brother George is standing there next to him.

(Slide): Here we have father and mother Wingerter with Jake on the left, brother George on the right and Brother Frank in the middle. Frank says he has been in the middle ever since. (Laughter)

(Slide): Here we have Jake when he first started to school. As you can see, if you are a little closer, he has no teeth. (Laughter) As indicated, he received his early education in Pennsylvania, later in Ohio and then in New Jersey.

(Slide): Here we have him when he was real lean and nasty; full of pep, vigor and all this stuff that makes for an Imperial Potentate. (Laughter)

(Slide): Here he is when he was young and unwrinkled. (Laughter)—When he had hair. As you can see, he was a fine looking man and Selma really grabbed him. (Laughter)

(Slide): Here we have him when he first started his business and was down on the boardwalk at Atlantic City. He is a real dude, I'll tell you that. (Laughter) He certainly was partial to Atlantic City even in those days and, of course, he continues to be partial to Atlantic City, which is something you will find out next year when we put on our convention down there. That is certainly going to be a

humdinger. Jake is going to take us down there and do a real job with the staff that he has picked.

(Slide): Here we have Jake and Selma on board one of their world cruise ships in their earlier life. They are just as happy today as they were then.

(Slide): Here is one of the shorter cruise ships which he has down in his summer home.

(Slide): And here is the Captain on board—Fearless Fosdick—we are going out to sea. (Laughter)

Of course, he loves fishing but then I am sure you never saw anybody catch fish with a beer can. (Laughter)

(Slide): Here we have him up in Maine. He is a very fine hunter and has always enjoyed hunting. Under the tree there, at the right side of the film we have Jake's father, a man of very deep religious dedication and strong moral courage, the father of nine sons and, of course, this is one of the greatest influences that Jake had in his life—his association with his father. May God bless him.

(Slide): And here we have the Imperial Sir up a tree. (Laughter) You know, sometimes you go out hunting and you end up being hunted. However, he finally talked his way out of it and the deer ran away and Ken Smith shot it. (Laughter)

(Slide): Jake started his early life in Jersey testing. Jake was in the business for thirty-five years and in 1968 sold the business to Walter Kidde. He is now President and Chairman of the Board of Jersey Testing. Of course, the job would not be bad if they were to give him the salary to go along with it. (Laughter)

(Slide): Here we have Jake with both his mother and father when he was privileged to be elected Oriental Guide in Salaam Temple and, of course, he was a bit younger but he still had the stamina, the dedication that he exhibits so beautifully today.

(Slide): And here is Jake when he became Potentate of Salaam Temple at the Potentate's Ball. Jake later became one of the greatest moving forces in the building of what is presently the Salaam Temple Mosque. There was never a day that passed, including Saturdays and Sundays and all holidays and a good many times two or three times a day that Jake was not out there checking, suggesting. He did a magnificent job for his Temple and his leadership has carried us forward, provided us with a beautiful Temple.

(Slide): Here we have some of the early pictures of the Temple showing the footings being laid, some of the construction work around the Temple grounds and then also the Grand Master laying the cornerstone of the Temple Building.

(Slide): Here we have the interior of the upper level of the Temple, which seats about fifteen hundred people.

(Slide): And here we have the Potentate's Office.

(Slide): Then we likewise have a rear view of the building, showing the parking area and, of course, also the front of the Temple, showing the entrance in relation to the front of the building.

(Slide): And here we have a picture of Imperial Sir Jake when he became an Imperial Sir.

Now, let me say, in conclusion of this portion of our program, that we have been extremely proud to show these pictures to you which, we believe, in some measure, present a pictorial review of what it takes to become an Imperial Potentate.

Now, it is with great pleasure that I present to you Noble Ron Wingerter, who has a presentation to make to Imperial Sir Jake.

NOBLE RON WINGERTER: Dad, it is with great pride that I present you with this highest mantle of Shrinedom.

(Presentation of five-star Fez and applause ensued.)

IMPERIAL SIR JACOB A. WINGERTER: Thank you, Ron. It is a pleasure, of course, to have your son do a thing like this, isn't it? It certainly is a great honor and pleasure and I thank you so much. (Applause)

Now, they say one good turn deserves another. He presented me with my five-star Fez and so I am likewise going to present him with one.

He is now an Imperial Potentate's Aide and, therefore, I am so proud to place this Fez on this great boy's head.

(Presentation of Imperial Potentate's Aide Fez to Noble Ron Wingerter and applause ensued.)

NOBLE DOE: It gives me great pleasure at this time to present to you, Imperial Sir, and, through you, to the Nobility and the ladies and gentlemen, a representative from your very close friend and business associate, Mr. Fred Sullivan, Chairman of the Board and President of the Walter Kidde Corporation.

I would like to present to you Mr. John A. Callahan, Special Assistant to the President of the Board of Directors of the Walter Kidde Corporation, accompanied by the Assistant Treasurer of the Walter Kidde Corporation.

IMPERIAL SIR JACOB A. WINGERTER: Ladies and gentlemen, Nobles, Dr. Doe has already told you about this great man on my left from the Walter Kidde Corporation. Now, I would merely like to say that they are what you might term a "small" outfit, being composed of about one hundred forty-five companies and doing about $900 million worth of business a year and so I try to stay close to him so that a little bit of it rubs off on me. (Laughter)

I am very delighted to present this great man to you for a few words.

MR. JOHN CALLAHAN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and ladies: I merely want to take a bit of time out of your very busy schedule to tell you how proud we all are at the Walter Kidde Corporation of Jake. In fact, we take great pride in the unselfish acts of many of our people, be they factory workers, accountants or, like Jake, Division Presidents, who play active roles in their communities through membership and support through groups like the Shrine. It is an act of good citizenship and, after all, an active man or woman, a person who cares enough to take an active part in life, is a better partner in business.

The Kidde Corporation is made up of many active people like Jake, who have chosen to join with our company but who continue to run their own businesses—making the day to day decisions which benefit those business and the parent company as well.

It is significant that these individuals are the most active people in civic, social and philanthropic causes throughout this country and around the world.

The Kidde Corporation has annual sales currently running at about one billion dollars, with principal operations in safety, security and protection products and services, consumer and commercial products and industrial equipment. Likewise, Kidde operates more than one hundred sixty manufacturing plants and other facilities world-wide, probably one of them in or near your home town. However, in the final analysis, it is the people of Kidde, people like Jake, who have played a great part in the growth of our company and also of the various communities in which they reside.

Mr. Fred Sullivan, our President and Chairman, has asked me to be with you today as an act of commendation and pleasure of our family pride in Jake Wingerter. Congratulations, Jake, and best wishes for a fruitful year as Imperial Potentate.

Also, to get your year off to a better start, it is my personal pleasure to present, on behalf of Mr. Fred Sullivan, from the Walter Kidde Corporation, a check for five thousand dollars for Shriners Hospitals for Crippled Children in the name of Jake Wingerter. (Applause)

We would also like to tell you that we would like to be invited next year and we would like to present a check in the same amount when we all see you at Atlantic City. (Applause)

IMPERIAL SIR JACOB A. WINGERTER: I know, sir, that all of these wonderful Nobles and ladies out here appreciate what you have done. You have contributed to one of the greatest philanthropic organizations in the world and may God bless you and our company and, of course, I look forward to continued success for you for many years to come.

Let me tell you a little something about the Kidde Corporation here in Atlanta. We have a gentleman here who is the head of our Fire Division and, in connection with our Board meeting, he extended an offer to inspect all of our hospitals and give us a report insofar as the condition insofar as fire safety was concerned and, of course, we accepted it.

Again, thank you very, very much. (Applause)

NOBLE DOE: Now, we have with us Illustrious Potentate Walter S. Kisselburgh from Al Malaikah Temple, with members of his Patrol, who wish to make a presentation to our Imperial Sir.

NOBLE WALTER S. KISSELBURGH (Al Malaikah Temple): Imperial Sir, Jake, it has been traditional at Al Malaikah Temple for many years to present a swagger stick to the incoming Imperial Potentate. Therefore, it now gives me great pleasure to present to you the Captain of our Patrol, George Nye and the President of the Patrol for this presentation.

NOBLE NYE: Imperial Sir, on behalf of Al Malaikah Temple from the West, it it an honor for me to present our swagger stick to you. Please carry it with honor and pride.

(Presentation of swagger stick and applause ensued.)

IMPERIAL SIR JACOB A. WINGERTER: Illustrious Potentate, Walter S. Kisselburgh, and these other two fine Nobles here, let me say that I have sat in this audience for many years and have seen many Imperial Potentates receive this wonderful gift and I also looked forward to the day when this would happen to me. As a matter of fact, I only had the hope that you would continue it until I reached this position.

This Temple, Nobles, as I am sure many of you know, is the largest Temple in Shrinedom but they are also a very warm Temple. I have known this Divan as long as I have been on the Imperial Line and even before and their great hospitality to me and to the other Imperial Officers has been just outstanding and I thank you all very, very much. (Applause)

NOBLE DOE: Imperial Sir, it is also a great pleasure for me to request that Imperial Sir George M. Saunders present himself for an additional presentation to you.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, in the name of all of the representatives to the Imperial Council, I am privileged to present to you, Imperial Sir Jake, the Imperial Potentate's official flag with our official emblem, gold embroidery and background of royal purple silk.

This flag signifies that the leader of nearly one million Nobles is present.

May you, as Imperial Potentate, enjoy a great year of service and visitation to the one hundred seventy-four Temples of our Order and the twenty-two Units of Shriners Hospitals for Crippled Children, the world's greatest philanthropy.

With your Imperial Potentate's official flag before you as you lead this mighty phalanx of mighty Nobles throughout your administration, may the year bring you joy and happiness, along with success and profit to this great Shrine that we each and every one are dedicated to.

It is a pleasure, Imperial Sir, to present you with this Imperial Potentate's flag.

(Presentation of flag and applause ensued.)

Now, Imperial Sir, I have another presentation.

You, along with Imperial Sir Peter Val Preda headed a committee that promoted and presented a seminar in New York City on the Hundredth Birthday of the Shrine and in that seminar was a ceremonial—the first ceremonial of the second hundred years. To commemorate the occasion, there was a very lovely silver commemorative medal developed and each of these coins are numbered and in commemoration of the fact that you were elected Imperial Potentate in the year 1973, that particularly numbered coin was selected as a gift to you in commemorating this very great occasion.

Along with this we know, of course, that the price of gasoline is going up, that it is going to cost a little additional to take you throughout your year's administration in your visitations and so I likewise have a little check to help cover that gasoline cost. This comes to you with the best wishes of the Imperial Council.

Imperial Sir, I am very happy to present you with these items.

(Presentation of coin and checks ensued.)

IMPERIAL SIR JACOB WINGERTER: I know you all know this particularly fine Noble. Here is one of the greatest Shriners in North America! Thank you very much, George. (Applause)

NOBLE DOE: We will now be honored by a selection from our Crescent Temple Band.

(A musical selection by the Crescent Temple Band ensued.)

NOBLE DOE: And now, Imperial Sir, Nobles and ladies, it is my honor to present to you the Honorable Ronald M. Hayman, Commissioner of Labor and Industry, State of New Jersey.

HONORABLE RONALD M. HAYMAN: Imperial Sir, Imperial Sirs, Nobles and ladies. It is indeed a pleasure for me to be here today representing our Governor from the great state of New Jersey.

We are especially proud to have Imperial Sir Wingerter the number one Shriner in the country for the next year, consider New Jersey as his home.

I would like to take this occasion to extend to you in advance the warmest welcome from Governor Cahill and the citizens of the state of New Jersey and the people from Atlantic City for your 1974 Imperial Session, which, I understand, is your one hundredth anniversary.

New Jersey is well noted for its 120 miles of sandy beaches, which is located within 250 miles driving time of one third of the U.S. population. We will have completed for your arrival next year the new Newark International Airport, which will have room for more takeoffs and landings.

We have great parkways, on which you can travel from sixty to seventy miles per hour to get to the host city.

It is our pleasure to officially welcome you to Atlantic City. I hope that you will sign up while you are down here and make plans to visit us next year.

Following the old adage that a picture is worth a thousand words, we have a brief presentation which we would like to show you entitled "Discover the New Jersey".

(Picture of New Jersey scenic beauty and other accomplishments and offerings ensued.)

As you can see, New Jersey is truly a great place to live, to work and to play. We hope that we will see you all in Atlantic City next year so that you can also discover New Jersey.

Thank you very much. (Applause)

NOBLE DOE: Thank you very much for a fine presentation.

It is now a decided pleasure, and you will see why in just a moment, to present to you the Mayor of Atlantic City, New Jersey, the Honorable Joseph F. Bradway, Jr., and his lovely wife Michelle.

THE HONORABLE JOSEPH F. BRADWAY, JR. (Mayor, Atlantic City): To Imperial Sir Jake and the Imperial Family, congratulations. I have had the pleasure of working with Imperial Sir Jake in Atlantic City in an effort to set up things for your coming down to visit us next year and I must say in all candor that Imperial Sir Jake has shown Atlantic City a lot of what it needs so far as conventions are concerned and insofar as its needs are dominant in other areas. He has been of tremendous help to all of us.

On behalf of Atlantic City, my fellow citizens and my lovely wife, Michelle and myself, we look forward to having you in Atlantic City.

I think Atlantic City has a great deal to offer and we look forward to showing you exactly what it is that we do have to offer. The City is yours.

Jake and I, in private conversation, have agreed that he will be the Acting Mayor for the week of the convention and so, certainly, anything that you want and anything that will make your stay more of a pleasure is yours.

We look forward to seeing you and please do come and have a good time.

Thank you very much. (Applause)

NOBLE DOE: Thank you so very much.

In order to save us some time here and inasmuch as the Imperial Sir has a very busy schedule, we are going to ask him to address you first, prior to the presentation of the units of Salaam Temple.

IMPERIAL SIR JACOB WINGERTER: Thank you Illustrious Sir.

Imperial Potentate, Henry B. Struby; my fellow members of the Imperial Divan, Illustrious Potentate, Members of your Divan, Ladies and Nobles: Thank you so very, very much.

I am not going to talk long. I know that this has been rather a long program but I felt that it would be good so that for those of you who had not had the opportunity of meeting your Imperial Divan,that you would have the opportunity to see them and so I am proud that they would take the time and spend this time with me.

You know, my Officers from my corporation have spoken and told you what they would do. However, I know of something else that is going to be done but I am not privileged to talk about it at the moment, due to the fact that it is something that our President is going to present to us at Atlantic City.

To Dr. Doe, to his Divan, my warmest, heartfelt thanks to you as well as to the Committee that put on this great program. (Applause) Thank you all. Let's give them a great hand. (Applause)

You know, I think that this year is going to be a year of humbleness. We may make a few mistakes, such as this microphone that we have had trouble with this morning, but you know, when you do that, it shows that you are not really professional but you are essentially trying to do the best with what you have.

Now, we are not saying that this isn't good but there will be times when things may come up where we may not be the best but you can bet your life that we are going to try to be the best and bring the Shrine along with us, as the many Shriners who have gone before have done.

I would like to thank Mr. Ronald M. Heyman, the Commissioner of Labor and Industry, for coming all the way down here and representing the Governor of New Jersey, which, I believe is a great tribute to us.

With regard to our Mayor, I would like to say one thing—that if he makes me active Mayor for that week you will not go to jail. You had better believe it. (Applause)

I am also proud of my family. I know that we do have a large family, eight boys and three girls. My father was certainly a great man and taught us many things, especially we boys and, of course, the girls kept us in order pretty well.

To my own family, my two sons and my grandchildren and my one daughter who is not here because, as they indicated, of family problems—let me say that we are very happy about the "family" problem.

To my wife, Selma, who has spent all of these years with me, throughout all of my Masonic Life, go my deep thanks.

To the units of my Temple, to the Past Potentates, thank you again.

I would like to say to you that no man stands alone—we get here by the sufferage of others around us. I am here because people have helped me along the way and for that I am thankful.

A little bit about the program I have, which I am going to talk about tomorrow, but which I would like to briefly touch on at this time.

I am going to carry on the great program of our great Imperial Potentate, Henry B. Struby on the DeMolay work and in connection with the Million Dollar Club and then we are also going to try two or three new things.

We are going to have a type of seminar throughout four parts of the United States and one in Canada, with the thought of bringing together the Masonic Brethren of the Blue Lodges and informing them of what the Shrine really is.

Now, in order to give you my thoughts on why I think this is necessary, let me say that there are a million Scottish Rite Masons in North America; there are approximately three hundred York Rite Masons in North America; and there are

also approximately four million Blue Lodge Masons. Now, of course, we also have to take into consideration the fact that there are many of us who have followed both Rites, both the York and the Scottish Rite and you can also therefore see that the market place for the Shrine is very limited. We have nine hundred thousand of the approximately one million that are available—meaning that we presently have a market of 10%.

We certainly cannot get a million members unless we go back to our Blue Lodges and tell them of the greater things Masonically in store for them in both the York and Scottish Rites and then also in the Shrine; telling them about some of the fine fellowship and benefits we have in connection with this organization.

The other thing that I want to do is to have a twenty-five-year review of the accomplishments of the many Past Imperial Divans, Past Imperial Potentates, the accomplishments in our hospitals, of the things that I am sure many of you do not know that we have accomplished. For example, here I have reference to the serum developed in the Burns Hospital at Cincinnati which has reduced the cause of death through infection and also of the work done to reduce deaths in severe burns from a figure of forty-six percent down to about sixteen percent. I think you should also know about the great programs that we are planning in research to find out, actually, the cause of crippling diseases for, as you know, if we can find out the causes of them, then, certainly, we will have gone a long way toward eliminating the crippled child.

As I said before, I am very proud to be here.

I would like to thank the Chanters from our Sister Temple, Crescent Temple, as well as the great band from Crescent Temple. Thank you all for coming out and being with us here this morning. You are all very wonderful and I am sure that I will see you one day along the road.

I would also like to express my thanks to Yaarab Temple for everything they have contributed toward making this a success.

To Gene Bracewell, if you are in the room, my thanks to you also for the great job that you have done here. You will make a great leader with us some day.

I think that now our units are about ready and I have said about all that I should say at this time—but, once again, my thanks for everything. I promise you that I will do my best to make our organization grow.

Thank you all so very, very much. (Applause)

NOBLE DOE: We will now have the presentation of the units of Salaam Temple.

(Whereupon, the curtain on the stage was raised presenting the units of Salaam Temple formed around a white Cadillac automobile.)

NOBLE DOE: Imperial Sir Jake, I present to you the units of Salaam Temple and maybe that car sitting there will help you to use that check that you received for gasoline earlier today.

IMPERIAL SIR JACOB WINGERTER: Illustrious Potentate, Dr. Edwin Doe; to these wonderful units, may God bless all of you. Thank you so very, very much for that beautiful car.

I would like to tell you, my good friends, that these are a splendid group of Nobles—hard working—and I am going to see everyone of you through the parade tonight. I missed it the other day and I know that you know that, but that was due to the business meetings that had to be taken care of. However, as I say, I will be there tonight. Also, I understand that the Imperial Potentate arranged for me to be number two, and so this year we are going to be number two but I am sure that we will work it up to number one.

Will you please, Nobles, thank the Nobility of Salaam Temple for all their courtesies, for their wonderful gift and may God bless all of you. Again, thank you all very, very much. (Applause)

NOBLE DOE: Thank you, Imperial Sir Jake.

(At this point the Salaam Temple Units retired from the stage.)

NOBLE DOE: Nobles and Ladies, it is a pleasure to have the Crescent Temple Chanters provide us with one selection that is very dear to all our hearts, but particularly so to that of our incoming Imperial Potentate—"In the Garden".

(The Crescent Temple Chanters then presented the hymn, "In the Garden".)

NOBLE DOE: This will conclude our pageant ceremonies and at this time I would like to call on the Chaplain of Salaam Temple, Reverend Dr. John R. Bowering, for the benediction.

REVEREND DOCTOR JOHN R. BOWERING: Shall we bow our heads in prayer?

Gracious God, we thank you for this Noble Imperial Council pageant and for all of your blessings given unto us, the nomads of the desert. May the shifting sands of the desert bring us to greater unity in this year which lies ahead.

We thank you for the Past Imperial Potentates and their leadership and for the greatest philanthrophy in the world, Shriners Hospitals for Crippled Children.

As the Imperial Potentate of the Shrine of North America takes his office, we pray that Imperial Sir Jacob A. Wingerter will have the wisdom of a Solomon, the courage of a David, the strength of a Sampson, the patience of Job, the leadership of Moses, the kindness of a Good Samaritan, the strategy of Alexander the Great, the faith of Daniel, the humility of Lincoln, the tolerance of the Carpenter of Nazareth and, finally, an intimate knowledge of every branch of natural biological and social sciences.

May the Lord bless you and keep you; may the Lord cause his countenance to shine upon you and be gracious unto you; may the Lord life up his countenance upon you and give you peace. Amen.

NOBLE DOE: This concludes our pageant and thank you for coming.

(Whereupon, at 11:45 o'clock a.m., the pageant ceremony adjourned.)

AFTERNOON SESSION

THURSDAY, JULY 5, 1973

ONE THIRTY O'CLOCK P.M.

The Ninety-Ninth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at the Marriott Motor Hotel, Atlanta, Georgia, on July 5, 1973, at one-thirty o'clock p.m., Imperial Potentate Henry B. Struby presiding.

IMPERIAL POTENTATE STRUBY: Nobles, will you please take your seats.

First of all, my sincere apologies to you. I told you yesterday we would reconvene at one o'clock. However, when I got my bulletin, it said one-thirty. I was asked to come to the ladies luncheon and I felt it my duty to attend. As a matter of fact, I thought they were a lot prettier than some of you. (Laughter) However, this really had nothing to do with it. I know that I told you one o'clock the other day but there was, since that time, no way to get the message to you. However, I do appreciate your being here on time.

Let me again congratulate all of you on the fine cooperation I have received as Chairman. As I said, I have been coming to these sessions for some twenty-six years now and I don't think I have ever found a finer group than this who have worked so well together in order to get our work done so expeditiously. I think you should all be congratulated. I wish you would give yourselves a great big hand. (Applause)

Now, as usual, we will open our meeting with a short prayer and at this time I would like to recognize our Imperial Chaplain, The Reverend Wingerter for that purpose.

REVEREND FRANK WINGERTER: Eternal God, we could use a little vision and you know that we can use mercy, hope and we can likewise use stamina. We look to you to fill the gap. In Christ's name. Amen.

IMPERIAL POTENTATE STRUBY: Thank you, Imperial Sir.

At this time I would like to call on Noble Ruter E. Coleman of Hasan Temple for a report from the Jurisdictional Lines Committee.

NOBLE RUTER E. COLEMAN (Hasan Temple): Imperial Potentate and Imperial Sirs, Illustrious Sirs and Representatives: This is a report of your Jurisdictional Lines Committee.

To the Representatives of the Imperial Council:

In the Call for his session is a proposal by Leo Johnson, Potentate and Representative of Scimitar Temple to amend § 448.1 and § 448.2 of Article 48 of the By-Laws of the Iowa Corporation so that said sections will read as follows:

§ 448.1 SAHARA TEMPLE

Has (a) Exclusive jurisdiction in Jefferson County.

(b) Concurrent jurisdiction with Scimitar Temple throughout the State of Arkansas except in Jefferson and Pulaski Counties.

§ 448.2 SCIMITAR TEMPLE

Has (a) Exclusive jurisdiction in Pulaski County.

(b) Concurrent jurisdiction with Sahara Temple throughout the State of Arkansas except in Jefferson and Pulaski Counties.

Your Committee on Jurisdictional Lines held a meeting on said proposal with all interested parties having been given the opportunity to be heard. Your Committee met with the Potentates of both Temples and your Committee is pleased to announce that the Potentates of both Temples have executed a signed agreement on Jurisdictional Lines within the State of Arkansas. A copy of said signed agreement is attached hereto and by this reference made a part hereof. Your Committee is pleased to congratulate these two fine Temples on their harmonious solving of this matter. Such harmonious relationships are in the best interest of Shrinedom.

The Committee therefore unanimously recommends that in accordance with said agreement Article 48 § 448.1 and § 448.2 of the By-Laws of the Iowa Corporation be amended as follows:

§ 448.1 SAHARA TEMPLE

Has (a) exclusive jurisdiction in the following counties in Arkansas, namely: Clay, Craighead, Greene, Mississippi, Poinsett, Cross, Crittenden, St. Francis, Monroe, Lee, Jefferson, Arkansas, Phillips, Dallas, Cleveland, Lincoln, Desha, Ouachita, Calhoun, Bradley, Drew, Chicot and Ashley.

(b) Concurrent jurisdiction with Scimitar Temple over the following Counties in Arkansas, namely: Madison, Newton, Marion, Baxter, Fulton, Izard, Van Buren, Garland, Miller, Prairie, Hot Springs, Clark, Nevada, Hempstead, Little River, Lafayette, Columbia, Union, Lonoke, Woodruff, Jackson, Randolph, Sharp, Lawrence and Grant.

§ 448.2 SCIMITAR TEMPLE

Has (a) Exclusive jurisdiction in the following Counties in Arkansas, namely: Benton, Boone, Cleburne, Crawford, Carroll, Conway, Franklin, Faulkner, Howard, Independence, Johnson, Logan, Montgomery, Pope, Polk, Perry, Pike, Pulaski, Saline, Scott, Sebastian, Sevier, Stone, Searcy, Washington, White and Yell.

(b) Concurrent jurisdiction with Sahara Temple over the following counties in Arkansas, namely: Madison, Newton, Marion, Baxter, Fulton, Izard, Van Buren, Garland, Miller, Prairie, Hot Springs, Clark, Nevada, Hempstead, Little River, Lafayette, Columbia, Union, Lonoke, Woodruff, Jackson, Randolph, Sharp, Lawrence and Grant.

I move the report be received and referred to the Committee on Jurisprudence and Laws for appropriate action by that committee for implementation in the Code.

Respectfully submitted,

COMMITTEE ON JURISDICTIONAL LINES
Arthur E. Armitage, Sr., Crescent Temple, Chairman
Cecil B. Walrath, Afifi Temple
Dewey E. S. Kuhns, Beni Kedem Temple

Ruter E. Coleman, Hasan Temple
Martin G. Browne, Suez Temple
Louis J. Best, Tripoli Temple
Gene Bracewell, Yaarab Temple

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that the report be received and referred to the Committee on Jurisprudence and Laws for appropriate action by that committee for implementation of the Code. Is there discussion?

If not, all in favor indicate by saying "aye"; contrary, by the same sign. The motion is carried and it is so ordered.

I would now like to call on Noble Elmer Bromley of the Jurisprudence and Laws Committee.

NOBLE ELMER BROMLEY: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Leo Johnson, Potentate and a Representative of Scimitar Temple, a proposal to amend § 448.1 and § 448.2 of Article 48 of the By-Laws of the Iowa Corporation, so that said sections will read as follows:

§ 448.1 SAHARA TEMPLE

Has (a) Exclusive jurisdiction in Jefferson County.

(b) Concurrent jurisdiction with Scimitar Temple through the State of Arkansas except in Jefferson and Pulaski Counties."

§ 448.2 SCIMITAR TEMPLE

Has (a) Exclusive jurisdiction in Pulaski County.

(b) Concurrent jurisdiction with Sahara Temple throughout the State of Arkansas except in Jefferson and Pulaski Counties.

After publication of the Call for this Session, in which notice of the foregoing proposal was given, an agreement under § 328.2(c) was made between Sahara and Scimitar Temples. A signed copy was filed with the Imperial Recorder pursuant to § 328.2(e). That agreement provides for amending § 448.1 and § 448.2 of the By-Laws of the Iowa Corporation relating to the jurisdiction of Sahara and Scimitar Temples. Therefore and in accordance with the report of the Jurisdictional Lines Committee, the original proposal as published in the call of the session should be amended so that, if adopted, the amended §§ 448.1 and 448.2 will read as follows:

§ 448.1 SAHARA TEMPLE

Has (a) Exclusive jurisdiction in the following counties in Arkansas, namely, Clay, Craighead, Greene, Mississippi, Poinsett, Cross, Crittenden, St. Francis, Monroe, Lee, Jefferson, Arkansas, Phillips, Dallas, Cleveland, Lincoln, Desha, Ouachita, Calhoun, Bradley, Drew, Chicot and Ashley.

(b) Concurrent jurisdiction with Scimitar Temple over the following counties in Arkansas, namely: Madison, Newton, Marion, Baxter, Fulton, Izard, Van Buren, Garland, Miller, Prairie, Hot Springs, Clark, Nevada, Hempstead, Little River, Lafayette, Columbia, Union, Lonoke, Woodruff, Jackson, Randolph, Sharp, Lawrence and Grant.

§ 448.2 SCIMITAR TEMPLE

Has (a) Exclusive jurisdiction in the following counties in Arkansas, namely: Benton, Boone, Cleburne, Crawford, Carroll, Conway, Franklin, Faulkner, Howard, Independence, Johnson, Logan, Montgomery, Pope, Polk, Perry, Pike, Pulaski, Saline, Scott, Sebastian, Sevier, Stone, Searcy, Washington, White and Yell.

(b) Concurrent jurisdiction with Sahara Temple over the following counties in Arkansas, namely: Madison, Newton, Marion, Baxter, Fulton, Izard, Van Buren, Garland, Miller, Prairie, Hot Springs, Clark, Nevada, Hempstead, Little River,

Lafayette, Columbia, Union, Lonoke, Woodruff, Jackson, Randolph, Sharp, Lawrence and Grant.

The Committee reports that, with such changes, the amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Imperial Sir, I move that the report be accepted.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that this report be accepted. All in favor indicate by saying "aye"; contrary by the same sign. This has to be accepted by a two-thirds vote and so may we have the vote again. All in favor indicated by saying "aye"; contrary by the same sign. I declare the vote to be unanimous in favor of acceptance.

I would like to recognize Bob Turley.

NOBLE TURLEY: Imperial Sir, inasmuch as this is by agreement and in relation to the report of the Jurisdictional Lines Committee on this matter, I would now move you, Imperial Sir, the adoption of these amendments.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. Is there discussion?

If not, all in favor indicate by saying "aye"; contrary by the same sign. The motion is so carried and it is so ordered.

Now, there is another matter here that I would like to call to your attention. It has nothing to do with our regular meeting but I think it is important enough that you might like to know about it. Further, I am not bringing up the efforts of one doctor because, after all, we have several doctors here who probably work equally as hard.

However, there is a letter here under date of June 14, indicating that Dr. Larson of the Texas group has been selected and will be presented a plaque as "Physician of the Year." This honor was tendered him by the President's Committee on Employment of the Handicapped. Dr. Larson is to receive this award on September 18. I thought you would like that information. He has also received similar awards in the past.

Now, as I say, I don't like to single out any one doctor because we have a lot of other good orthopedic doctors but he has been especially recognized in this field.

He also received the "Annual Physician's Award for 1971 and then, in 1972, there was an award given to him as the physician in Texas who contributed outstanding efforts to the prevention of crippling disease and treatment of rehabilitation patients suffering from that disease or handicapped.

As I say, I thought you might like to join with me in thanking him and thanking the Shrine for having men of that type on our staff. (Applause)

Now, let me ask at this point, is Dr. Harry Hopffgarten of El Korah Temple in the room?

(Cries of "yes".)

IMPERIAL POTENTATE STRUBY: I wonder if somebody would escort him up to the podium.

(Noble Hopffgarten was escorted to the podium.)

IMPERIAL POTENTATE STRUBY: Nobles, here is a Shrine Noble who, believe it or not, was present here fifty-nine years ago at the Imperial Council Session. He is a great shriner, a good friend of mine and I thought, at this time, we ought to recognize him. (Applause)

NOBLE J. H. HOPFFGARTEN (El Korah Temple): Now, Nobles, what do I say?

Thank you very much. Yes, it was my first year as Representative to the Imperial Council when I came to Atlanta, Georgia, in 1914. (Applause) However, I have not been continuously in attendance since then but have been pretty much here. I have had a few skips here and there. Also, I was Potentate in 1921 and attended the meeting at Des Moines, Iowa.

Now, I don't really know how many Imperial Council Sessions I have attended but it is somewhere in the neighborhood of forty.

Thank you very much for this courtesy. (Applause)

IMPERIAL POTENTATE STRUBY: Let me say that I heard about Harry being here yesterday and I certainly thought I would be derelict in my duty if we did not have an opportunity to see this great Noble and Shriner. Thank you, Nobles, for the reception that you have tendered him.

At this time, I would like to call on Noble Elmer Bromley, who has two more reports from the Jurisprudence and Laws Committee.

NOBLE ELMER P. BROMLEY: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Herman J. Engelhardt, a Past Potentate and Emeritus Representative of Aahmes Temple, a proposal to amend § 325.2 of Article 25 of the By-Laws of the Iowa Corporation, by adding a new paragraph (c) which will read as follows:

§ 325.2 ELECTION.

(c) If more than 2 candidates are nominated for the same office, no candidate, when withdrawing can withdraw in favor of another candidate."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, I move that this report be received.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that this report that has just been presented be received. All in favor please indicate by saying "aye"; contrary by the same sign. It is so ordered.

NOBLE WARREN L. JONES: Noble Engelhardt of Aahmes Temple has sent to the Imperial Recorder a telegram advising that his doctors will not permit him to leave the hospital where he is a patient to come to this Imperial Session and urged the adoption of the amendment which was proposed. On his behalf and as a member of the Imperial Council and not as a member of the Jurisprudence and Laws Committee, I move the adoption of the amendment as contained in the report of the Committee just read.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. I

understand that there might be some question or someone may desire to speak. Is there someone from Aahmes Temple here?

(Cries of "yes".)

IMPERIAL POTENTATE STRUBY: I am not going to argue with this man.

NOBLE CHARLES J. HANSEN (Aahmes Temple): Imperial Sir, Imperial Sirs and fellow Representatives: the two items that are in the Call were presented by our Emeritus Representative from Aahmes Temple without knowledge, I might say, from my office of Potentate and that of the other representatives.

On Tuesday, the Jurisprudence and Laws Committee decided—and I will read this and I know you all have a copy of that—"A candidate for Temple office may withdraw after inclusive ballots and he is not prohibited by Shrine law from explaining the reason for his withdrawal."

Now, I would vote that these two items be given a "no" vote. I stand corrected. I understand there was a motion made and I want to say that the Divan and myself from Aahmes Temple are against these proposals.

IMPERIAL POTENTATE STRUBY: Is there further discussion? If not, I will put the question.

All of those in favor of the adoption of this amendment indicate by saying "aye"; contrary "no". The amendment is declared to be defeated.

I will again recognize Noble Bromley, who has one further report to present to you.

NOBLE ELMER BROMLEY: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Herman L. Engelhardt, a Past Potentate and Emeritus Representative of Aahmes Temple, a proposal to amend Section 325.8 of Article 25 of the By-Laws of the Iowa Corporation, by adding a new paragraph (b) which will read as follows:

"§ 325.8 NOMINATION

(b) No candidate can withdraw in favor of another candidate for the office of Representative."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Imperial Sir, I move that this report be accepted.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have before you the motion to accept the report. All those in favor indicate by saying "aye"; contrary by the same sign. The motion to accept the report is carried.

NOBLE WARREN L. JONES: Imperial Sir, for the same reason as indicated before, I move the adoption of the amendment as presented by the Jurisprudence and Laws Committee.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: Now, Nobles, we have before us the motion and the second to adopt this proposed amendment. As I say, this likewise takes a two-

thirds vote. I wonder if the Representative from Aahmes Temple would like to again come up here and discuss this particular amendment?

NOBLE CHARLES J. HANSEN (Aahmes Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: I want to repeat or call to your attention what I just said a few moments ago in connection with the previous action—that I offer the same comments in relation to this item as I had to the other item we just considered.

We are not in favor of this item and we would appreciate your "no" vote on this matter. Thank you.

Imperial Sir, somebody has asked me why we are not in favor of this amendment. Let me say that we are just not in favor of it. We don't think it would be a good amendment.

IMPERIAL POTENTATE STRUBY: Thank you.

I wonder if we have someone else who might explain as to why the Temple does not like this?

NOBLE WILLIAM G. MACKAY (Aahmes Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: We of Aahmes Temple feel very strongly about these particular proposals and every man in the room should understand as to why—mainly because it concerns all of them.

This happens to be America and yesterday was Independence Day. This proposal is based on the premise that if there are three of our candidates and one desires to withdraw, he cannot say, "I am withdrawing for certain reasons."

The Jurisprudence and Laws Committee, as you know, if you were here yesterday, they approved and you approved their report, which said that there was nothing in violation of Shrine Law to withdraw and to give reasons.

Now, if you are going to withdraw and say, "I am withdrawing, that I would like to have you vote for my friend, "Joe Smith," is that illegal in America? No, it isn't. As a matter of fact, it isn't illegal in relation to national elections, in city elections, or other elections of a municipal nature. It is not wrong, as a matter of parliamentary law. It is not wrong insofar as Robert's Rules of Order are concerned.

Now, we believe we are talking about freedom—freedom of choice and, in my opinion, there is absolutely nothing wrong with that procedure. In other words, any man in the room, if he is withdrawing because he feels he is not going to make it—he can say "Thank you, friends, I would urge that you vote for my friend Bob Turley" and then you, in turn, can vote for Bob Turley and, in my opinion, there is nothing wrong with it.

Therefore, we ask you to defeat the proposal. Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Bob Turley of the Jurisprudence and Laws Committee would like to speak on this.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: I am not asking for any of those votes that Bill is talking about. (Laughter) I just want to explain one matter with regard to the record because of a comment that was made about the election for Imperial Officers the other day.

Before the result is declared by the Imperial Potentate even after the report of the Tellers Committee, someone gets up and thanks somebody. This is in order but it does not transfer any votes and this proposal, whether you are for or against it, does not transfer votes. It only has to do with whether one can, as you can see in the Call, make a statement. However, there is no way that the votes can be transferred by one candidate to anybody else.

IMPERIAL POTENTATE STRUBY: You have before you the motion and the second. If you vote for the motion, of course, you uphold what Noble Engelhardt desires; if you vote against it, you defeat his desires. This again will take a two-thirds vote. Is there further discussion?

If not, all in favor of the motion to adopt the amendment indicate by saying "aye"; contrary by the same sign. I will have to say that it is defeated. I will again recognize Bob Turley.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: I have a letter that I would like to read. It is addressed to Arthur E. Armitage, Sr., Chair-

man, Jurisdictional Lines Committee and to Robert J. Turley, Chairman, Jurisprudence and Laws Committee.

"In the Call for the Annual Session of 1973 for the Iowa Corporation, there appear two proposals to amend the Bylaws of the Iowa Corporation submitted by me as Potentate and Representative of Cahaba Temple, Huntsville, Alabama. These proposals appear on pages 16 and 17 of the Call and relate to a proposed amendment to Section 445.4(b) of Article No. 45 and Section 487.2(d) of Article 87 of the Iowa Corporation.

"I am pleased to report that the Illustrious Potentate of Alhambra Temple and I have conferred at this Session and in a spirit of fraternal harmony have reached an agreement between our Temples which will not require any amendment to the jurisdictional lines affecting our Temples. I therefore respectfully request that the proposed amendments to Article No. 45 and No. 87 submitted by me be withdrawn."

Imperial Sir, I move you that this request be granted—that the Jurisdictional Lines Committee and the Jurisprudence and Laws Committee be discharged from further consideration and report in relation to these proposals at this Session.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have before you the motion and the second. All those in favor indicate by saying "aye"; contrary by the same sign. It is so ordered.

NOBLE JOHN COCHRAN: (Reading)

To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws by Robert L. Morrison, Chief Rabban and a Representative of Midian Temple a proposal to Amend Section 327.3 of Article 27 of the Bylaws of the Iowa Corporation by adding certain language and deleting certain language.

Your committee, being of the opinion that the form of the proposal was such as to create questions as to its interpretation if adopted by the Imperial Council, Judge Morrison was invited to meet with the committee. As a result of that meeting and with the approval of Judge Morrison, your committee recommends that in order to effect his purpose the proposed amendment should be modified so that if it is adopted, Section 327.3 will read as follows:

SECTION 327.3—RECORDER:

It is the duty of the Recorder to:

(a) Keep accurate minutes of the proceedings of the Temple.

(b) Issue notice to the members of each meeting.

(c) Keep a just and true account with each member of the Temple.

(d) Present his books and papers to the Auditor whenever required.

(e) Keep a register of the members of the Temple showing the name, age, occupation, date of creation and address of each member and any withdrawal, deaths, suspensions or expulsions, as the case may be.

(f) Furnish his facsimile signature to the Imperial Recorder.

(g) Unless otherwise provided in the Bylaws of the Temple, he may, with the consent of the official Divan, hire employees or independent contractors for the Temple.

(h) At the annual meeting, render a complete report of the finances, investments and membership and other matters of interest in which his office is concerned.

(i) Before January 15th each year, transmit to the Imperial Recorder in the form prescribed the annual returns for the Temple.

(j) Arrange to remit to the Imperial Recorder the per capita tax on the basis of $1.10 per member as follows:

(1) Before March 31st, fifty per cent.

(2) Before June 1st, thirty-five percent.

(3) Before October 1st, the remaining fifteen percent.

(k) Arrange to remit $2.50 of the initiation fee for every initiate immediately after the initiation to the Imperial Recorder, who shall issue the diploma of the Imperial Council to each candidate initiated.

(l) Issue official Shrine cards to members entitled to the same.

(m) Affix the official seal of the Temple to and attest official documents.

(n) Report and remit as required by Section 323. (b), (d), (g) and (i); Section 332.4 and Section 332.5 (b) and (c).

(o) Receive all funds accruing to the Temple and promptly deposit them to the credit of the Temple in approved depositories.

(p) Keep the books of accounts and records of the Temple.

(q) Carefully preserve and file his memoranda of payment of obligations of the Temple.

(r) Draw checks, vouchers or orders for the payment of obligations to the Temple, any sums due the Imperial Council or other authorized disbursements.

(s) Report the amount of all funds received and disbursements thereof as often as the Temple Potentate may require.

(t) Submit to the members of the Temple at each annual meeting a complete report of the receipts and disbursements for the preceding financial year.

(u) Keep the budget control records.

The committee reports that the proposed amendment as modified is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND LAWS.

Imperial Sir, I move that this report be received.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that the report be received. All those in favor of receiving the report indicate by saying "aye"; contrary by the same sign. The report is received and it is so ordered.

Now, I think that in order to maybe acquaint the Representatives with what Judge Morrison is trying to do here, that it would only be fair to call him up and ask him to make a few remarks in relation to this. Therefore, at this time, I would like to have Judge Morrison talk briefly with regard to the proposal.

NOBLE ROBERT L. MORRISON (Midian Temple): Imperial Sir, Imperial Sirs and Representatives: I will try to explain what I seek to accomplish by this amendment. I wish all of you had your Bylaw Books before you so that you could really put this in its proper perspective.

The Section in question is entitled "Recorder". It is divided into two subsections—subsection (a), which starts out—"It is the duty of the recorder to . . ." and then enumerates some 14 specific duties.

We then have subsection (b) which now reads—"Unless the Temple specifically assign the following duties to another Officer, it is the duty of the Recorder to . . .", and then it likewise enumerates seven duties.

Now, the amendment as I originally proposed it and as it appears in the Call would have changed the heading of subsection (b) to give the Recorder somewhat, I felt, would be supervisory responsibilities so that he could be expected to see that these duties were performed.

Now, as the good Judge has indicated, we did have a little meeting on Tuesday morning and I found that the Jurisprudence and Laws Committee interpretation of my wording and my interpretation insofar as the statutory construction is concerned were somewhat in disagreement. Therefore, for that reason, you have heard the report read and although I felt that the duties would be placed under the supervision of the Recorder, the Jurisprudence and Laws Committee felt that in effect I was saying that these were the Recorder's duties.

Now, I do not particularly disagree with that. I merely feel that there is at present some lack of clarity in the Bylaws of the Imperial Council.

We have recently, in our own Temple, had some study done in relation to our Bylaws and our Bylaws do not specifically enumerate a lot of duties in relation to the Recorder and the Treasurer. As a matter of fact, they are rather vague in nature and, therefore, are controlled by the laws of the Imperial Council. Of course, they would be controlled by the laws of the Imperial Council even if ours were not in agreement.

However, I do believe that all of these matters need to be placed squarely in the Recorder's lap.

Now, Judge Cochran did not read the first 14 enumerated duties that are now the duties of the Recorder. One of them is to "keep a just and true account of each member in the Temple". Another is to "present his books and papers to the auditor whenever required". Another is "at the Annual Meeting, render a complete report of the finances, investments, membership and other matters of interest in which his office is concerned."

Let me make my point again—these are now in subsection (a), the specific duties of the Recorders. One of them, for example, is to arrange to remit the Imperial Recorder's per capita tax; another is to arrange to remit the initiation fee; another is to report and remit all hospital assessments and voluntary contributing memberships.

What I am trying to indicate is that those are now the duties of the Recorder. Therefore, I am proposing to add to these, by the form in which it now stands, the specific duties that you find in the Call, that were formerly perhaps his specific duties and they were not.

Now, I know there may be some question as to the effect of this. While I hate to even mention it, I feel confident that has nothing to do with the continued debate going on regarding the role of Temple Recorders and Temple Managers. I don't think it enters into that field at all.

If it is in proper order, Imperial Sir, I would be happy to stand up here and answer any questions that the representatives might have.

I would move for the adoption of the amendment as presented by Judge Cochran and would be happy to answer any questions that might be directed to me, if that is in order, Sir.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. Now, if there are any questions you would like to ask, please present them.

NOBLE GEORGE LEVY (Mecca Temple): Imperial Sir, with regard to Section 327.3—"receive all funds accruing to the Temple and properly deposit them to the credit of the Temple in an approved depository", does that include dividend checks addressed to the Trustees of the Temple?

NOBLE ROBERT L. MORRISON: (Midian Temple) If your Trustees, as ours, are involved with a separate building corporation, that operates to own the property of the Temple, no, I don't believe the amendment would have any effect on that. Your Corporation Bylaws would effect that and I am sure that would likewise apply in your case. In our case, our Recorder is the Secretary of the Board of Trustees.

NOBLE LEVY (Mecca Temple): I am sorry—no, we do not have a corporation such as you state—we just have certain investments of the Temple, such as bonds or something else, which every three or six months accrue interest and the bank sends us the interest. Now, I, in the past have deposited this to our checking account

of the Temple and have advised our Trustees of such receipt of funds and how they were deposited.

Now, in this connection, I have been informed by my Trustees that I am wrong—that this money belongs to the Trustees and they can do with it as they see fit.

NOBLE ROBERT L. MORRISON (Midian Temple): I think it would be your duty to deposit the funds where the Trustees said they should be deposited but, to answer your question, I think this will help clarify one of the points that I think is a little confusing now. In other words, it would be your duty to receive them and deposit them in the approved depository, which would be that which the Trustees would designate.

(The question on the motion was severally called for.)

IMPERIAL POTENTATE STRUBY: The question has been called for. Before putting the question, I will recognize Past Imperial Potentate Vic Thornton.

NOBLE C. VICTOR THORNTON (Past Imperial Potentate): I think it might simplify this if we would say that if you vote for this motion, you add these listed duties to those of the Recorder; if you vote against the motion, you leave it to the option of including it in your Temple Bylaws and to assign those duties to another officer.

IMPERIAL POTENTATE STRUBY: Thank you, Vic. Does anybody else wish to speak either for or against this proposal?

NOBLE FRED L. EDWARDS (Akdar Temple): Imperial Sir and Nobles: I have perhaps a selfish interest in this, as you can see. I am a Past Potentate of my Temple and in 1972 we had what we called the "Follies of Akdar Temple". We had a Business Manager. (Laughter) Now, I sold my business, ran for the office of Recorder and got it and now I am in a mess. (Laughter)

Now, let me say this—that these 7 new items that you refer to which are being added to the duties of the Recorder—the Recorder in our office, who at this time happens to be me, is already doing those 7 duties and has always done them. Last year, those 7 items, plus a number of others, were assigned to the Business Manager. Whether or not these particular business functions were taken care of properly, the Recorder had no knowledge of that—further, he had no control—he could not organize his work—he could not organize his office. Further, the Business Manager indicated to him this was none of his business, that these were his (the Business Manager's) duties and that he would take care of them.

A couple of Imperial Officers, I am sure, and many of the Recorders and quite a group of Potentates, they know the fiasco that we are just now coming out from under in relation to this matter, especially after using this Business Manager Plan last year.

We have always done this type of work in the Recorder's Office, at least until last year and, frankly, we were mixed up all year long and I am sure that my Potentate will verify this. Now, I have put in from between 12 to 14 hours a day, seven days a week since February 1st in order to get our Recorder's Office straightened out—to get some $3,700 in checks and cash which was lying loose on the shelf into the vault—checks we could generally identify by amount and cash, now who knows? Now, I don't mean to imply in any sense of the word that there was any embezzlement, any manipulation of funds, any gifts or anything of that type. It was strictly a 100 percent plan of mis-management and it was a complete failure and, therefore, I, at least for one, would strongly urge all of you to call for a vote on this question to in the future protect our Temples.

IMPERIAL POTENTATE STRUBY: Nobles, this is an important question to most of you. However, let us not get into a debate as to whether or not it is a good idea to have a Business Manager or Recorder but, on the other hand, I would urge, if you have further discussion with regard to the proposal as submitted, that you make it at this time. Is there anybody else who desires to be heard?

NOBLE J. J. JORDAN (Bahia Temple): Imperial Sir, Imperial Sirs and Representatives: Personally, I am in favor of the amendment but I have a question and a point of clarification.

The seven additional subparagraphs, as I understand it, are in effect added to the fourteen? Then, as I understand it, there would be no need for a subparagraph (b) is this correct?

IMPERIAL POTENTATE STRUBY: Perhaps Judge Morrison can answer that question for you.

NOBLE ROBERT L. MORRISON (Midian Temple): The answer is "yes". As it would be amended, subsection (a) would be eliminated insofar as the designation of the subsection is concerned. The wording of subsection (a) will remain, there being no subsection (b). Of course, you don't want a subsection (a) and so all of the numbered sections would refer to the lettered section which is the first subdivision in the draft used in connection with these Bylaws. In other words, all of the numbered duties would become lettered duties under the leading clause. In other words, it would begin "It is the duty of the Recorder to . . ."

IMPERIAL POTENTATE STRUBY: I would now like to present to you the Potentate of Arabia Temple of Houston, Texas.

NOBLE LEWIS C. HEACKER (Arabia Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: My name is Lewis Heacker, and I am Potentate of Arabia Temple in Houston.

Several years ago we went through some of what this is all about and what really happens, and I believe I am speaking on behalf of our entire Divan, is that your Recorder is charged with all these responsibilities and, in quoting our Imperial Sir with regard to some private conversation, he said that if he were the Recorder of a Temple and were charged with all these responsibilities and they brought someone else in there and dumped everything on him, he would load this individual with a $100,000 bond. I think this is really true.

If you are going to charge the Recorder with all the responsibilities of looking after this, then you'd better let him also have the responsibility.

We have a Recorder—we do not have a Business Manager. We have had one and I don't think we want any more at any time soon.

What I would suggest to you—if you do not have a Recorder doing the job and cannot do it, I suggest you just try to tell your membership about it and see if you cannot do something about replacement with someone else more suitable.

I think the motion is fine and our Divan supports it and I believe it is only fair to state this.

(The question was again severally called for.)

NOBLE ROBERT H. BARNETT (Oleika Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: I would like to ask a question if I may.

As this is stated, this is designating according to Imperial law, these duties to the Recorder. What do you do with your Treasurer?

NOBLE R. L. MORRISON (Midian Temple): That is the reason I wished you all had your Bylaw books with you because the duties of the Treasurer are enumerated in that section. In other words, the Treasurer still performs the same duties enumerated here but, as to matter of practice, and I think this is in connection with most all of the Temples, the Recorders are performing these duties and you do run into some problems in some areas. As I say, I have studied these Bylaws with a view to what we need to do with ourselves.

I was asked just a while ago as to why we do not just amend the Bylaws of our Temple. Well, it would be simple. I sat in and listened to a discussion at a Recorders' Meeting at San Antonio in connection with the Shrine Director's Association Meeting last Spring and discovered that this wasn't just a local problem—that this is a problem that affects most of the Temples.

I would like to again emphasize—I don't think that this has anything to do with the debate as to whether or not you desire a Recorder or Business Manager—but, on the other hand, these duties will be put under the areas of responsibility of the Recorder. If you cannot trust your Recorder, then maybe you need to look at the individual and also at your election process.

NOBLE R. H. BARNETT (Oleika Temple): May I say this in relation to designating these duties, according to Imperial law, to the Recorder—that I, for one, would prefer for the local Divan to decide who would perform those duties. (Applause)

IMPERIAL POTENTATE STRUBY: This discussion could be carried on for quite a

while and, of course, I don't want to hurry anybody, especially if anybody has anything further to say either for or against this proposal.

(The question was severally called for.)

IMPERIAL POTENTATE STRUBY: I will give the courtesy of the floor to Robert L. Morrison.

NOBLE R. L. MORRISON (Midian Temple): In response to the last remark, if your local Divan has the power to amend your local Temple Bylaws, then your local Divan could do what the last speaker suggested. However, these duties are assigned to specific officers, either by the Imperial Bylaws or by your local Temple Bylaws, one or the other, and, therefore, if you are in favor of writing your own rules as you go along, then leave it in confusion. (Applause)

IMPERIAL POTENTATE STRUBY: I believe we have had sentiment for the motion to be presented. Again, gentlemen, let me inform you that it requires a two-thirds vote in order to adopt this.

. . . All in favor of the proposed amendment indicate by saying "aye"; contrary by the same sign. Now, gentlemen, let me say that yelling louder really doesn't make the vote count any more and, therefore, I would like to take the vote one more time. All in favor of the adoption of this please indicate by saying "aye"; contrary by the same sign.

Well, you know, I have been informed that it will take 526 ballots and I am not so sure we have 526 ballots, but if you would like to have a ballot, I imagine this is what we are going to have to do because I would hate to rule from a voice vote as to just how the matter turned out.

(Cries of "stand up and be counted".)

IMPERIAL POTENTATE STRUBY: The Chairman of the Tellers Committee has indicated to me it would be a much easier job for him and his Committee if they counted ballots rather than people because sometimes people are sitting under banners who are not actually representatives. Now, I want to be fair about this and I will do anything you say.

(Cries of "ballot, ballot".)

IMPERIAL POTENTATE STRUBY: We will have a ballot on this matter. We will use ballot number 10. I will give you an opportunity to vote "yes" or "no" for this and, further, let's try to proceed as expeditiously as we can. As I say, we will use ballot No. 10 and at this time I would again like to recognize Clyde Oliver.

NOBLE CLYDE OLIVER: Nobles, the same procedures in voting on this topic will apply as when we balloted on the candidates yesterday. Balloting will be taken from your seats only, not out in the lobby, not in the back area of the room but from the Representatives' sections only. The tellers will now proceed to collect the ballots. As indicated, ballot #10 is to be used and you are to vote either "yes" or "no" in connection with this proposal.

(Whereupon, the balloting and collection of ballots ensued.)

IMPERIAL POTENTATE STRUBY: While this is going on, Nobles, let me say that I am sure you heard me yesterday mention our Golf Tournament at Robinson, Illinois. It just so happens that the Potentate of Ainad Temple is here and, with your indulgence, I would like to have him say a few words about it.

NOBLE JAMES E. CARTER (Ainad Temple): Thank you, Imperial Sir.

On behalf of those Temples who have assisted in the promotion of the Shrine Robinson, Illinois Golf Classic at Robinson, Illinois, I thank all of you for your acceptance and support of this event. It will be held during the week of July 9-15 and I do want to thank you all for the wonderful work that has thus far been done. The ticket sales have gone very well and the candy promotion has likewise gone well.

I would like to say that there were brought some 4,000 cases of this candy to Atlanta and a lot of Temples have sent anywhere from one to fifteen cases back home. If you send 10 cases it doesn't cost you anything. Also, as has been indicated, fifty cents from each bar of candy sold goes to the Shrine Hospital Fund. As I understand it, there are likewise more cases available for those of you who would like to help us.

Again, I would like to express my thanks to all of those Temples who have helped us in connection with this first PGA Shrine Golf Classic in the Midwest. Thank you all so very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you for that announcement.

Now, has everybody voted? If so, I will declare the ballot closed. (Gavel)

Now, at this time, I would like to turn the podium over to Imperial Sir O. Carlyle Brock and urge that you give him your attention in connection with the report of the Necrology Committee.

IMPERIAL SIR O. CARLYLE BROCK: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Masons, My Fellow Representatives: We are gathered together today to pay tribute to those Grand Nobles whose voices resounded through the halls of these conventions for many years. We were familiar with their smiling faces, their strong handshakes and their words of wisdom as they raised them upon this convention floor.

They have now slipped away on the black camel beyond the horizon from whence no traveler ever returns.

We mourn their losses but we know that Almighty God, the giver and creator for their lives and their contributions to their beloved fraternity, the likes of which the world has never seen, is with them.

Now, fellow Nobles, I would like to ask that you remain in your seats and bow your heads and reflect in particular on those you knew who have left us.

Great and merciful Father, give us the spirit to read your voice in the thunder, in the waterfall and in the mighty river. Give us the observation to see your handywork in the lightening as it flashes across the black sky at night. Give us ability to see your presence in every blade of grass, tree, flower, the birds of the air and the beasts of the field but, in particular, in our fellow man.

We thank Thee for these lives and we know and pray that you give them a greater and finer life with more noble opportunities than they have had here. Bless us in these moments and those who render the tribute.

(Whereupon, the hymn "Beautiful Savior" was sung by the Chanters.)

IMPERIAL SIR O. CARLYLE BROCK: Illustrious Sir James A. McKnight of Zem Zem Temple will read the roster of our departed brethren.

IMPERIAL SIR GEORGE MATTISON, JR. (Past Imperial Potentate): Imperial Sirs and Nobles: Many of you knew a great Shriner, a great man, Carl Rahn of Billings, Montana, a Past Potentate of Al Bedoo Temple and Past Royal Director of the National Court of Jesters.

Carl was a close friend of mine for many, many years. He was one of our great Nobles and it was a privilege to be in the same training camp with him in 1918 at Fort Sheridan, where each of us was commissioned in the United States Army.

He served on the Board of Trustees of Shriners Hospitals for Crippled Children. He was Chairman of the Insurance Committee. He served most ably because he was a competent man. He was dedicated to crippled children and did something about it.

I am happy to have the privilege to pay even a slight eulogy to this great Noble. Thank you very much.

I will now recognize Imperial Potentate George Stringfellow.

IMPERIAL SIR GEORGE STRINGFELLOW (Past Imperial Potentate): Nobles, I am very happy to make some remarks about my good friend, Fredrick Wilken.

He was born in Denver, Colorado, on January 1st, 1891 and he passed on to his rich reward on May 7th, 1973.

He was a member of most all of the Masonic bodies, practically all the Masonic bodies and the Shrine. He served for a number of years with great distinction as Recorder of Almas Temple. In 1947, upon the death of the Imperial Recorder, he was called by the Imperial Potentate to serve as Imperial Recorder and Secretary of Shriners Hospitals for Crippled Children. When he refused to run for those two offices in 1948, the Imperial Council, in session at Atlantic City, unanimously elected him Ad Vitam Representative, an honor given heretofore only to Past Imperial Potentates.

By his conduct and example, Fredrick Wilken preached a better sermon with his life than most men preach with their lips.

In the words of Aristotle, the greatest compliment one man can pay another is to say that he is a "good citizen". That is a compliment I should like to pay to his memory and when you pay him that compliment, you are also saying he was a good Shriner. Thank you for this privilege of saying these few words in behalf of Fredrick Wilken.

NOBLE JAMES MCKNIGHT (Reading):

Al Menah Temple, Nashville, Tennessee, James R. Cox.

Arab Temple, Topeka, Kansas, Clinton T. Wilcox.

Ararat Temple, Kansas City, Missouri, Will H. Wittig and Harry S. Truman.

I would now like to recognize our Imperial Recorder, George M. Saunders.

IMPERIAL SIR GEORGE M. SAUNDERS: Mr. Chairman and Representatives: With reference to the name of President Harry S. Truman, I would tell you that he was a member of my Temple. I was Recorder of Ararat Temple and at the time of his election to the Senate he was not only in the Grand Lodge line of my state but he was also in the Shrine Divan in my Temple.

He asked for an appointment and came to my office and he told me, "George, I am going to have to resign from the Divan". I asked as to why and he replied, "Well, you know, I cannot come back monthly to attend your meetings". Knowing that he was in the Grand Lodge line at the same time, I asked, "Well, what about your Grand Lodge line, Harry?" He replied, "I am going to stay in the Grand Lodge line." Now, he would have been serving as Potentate of our Temple and Grand Master of the state in the same year had he stayed in the two lines.

He went to the Senate, he served as Grand Master and did a tremendously creditable job in relation to good relations for Masonry at the time he served in the Senate.

He was a close personal friend of Frank Land and at Frank's invitation, and my own, he came to one of our Imperial Session Meetings. When he was serving as

President of the United States, he made a major political address at our Imperial Session Banquet.

He was a great Mason—he was a great Shriner and those who knew him and know of the great work he did in handling decisions that were the greatest of any President in our entire history, you will say, with me, that in history he goes down as the greatest President our country ever had.

It is a pleasure to tell you just these few things about him.

I would now like to recognize Past Imperial Potentate J. Worth Baker.

IMPERIAL SIR J. WORTH BAKER (Past Imperial Potentate): My fellow Nobles, in Symbolic Masonry we learned about the good and great man and I rise to speak about such a person at this moment in regard to our late Imperial Chaplain, John H. Jefferson who passed away on April 26, 1973.

At his church, where he had been active all of his adult life as Clerk of the Session, I attended his funeral. The church seated two thousand people and it was estimated that there were an additional three hundred standing. This, I think, would tell you a lot about John Jefferson and how he was esteemed in the community in which he lived.

John finished Ohio State University in 1923, with a degree in Civil Engineering and promptly moved to Indianapolis, a place where he resided for the remaining portion of his life.

He was Grand Treasurer at the time of his death, Grand Lodge, State of Indiana and was a Past Grand Master, Thirty-Third Degree Mason and was serving his second term as Imperial Chaplain of the Shrine of North America at the time of his death. He has the distinction of being, I think, the only layman to serve in this office and the only man to serve the office during two administrations.

John was a Past Master of his Lodge, a Past Master of our Scottish Rite and held many other high Masonic honors.

He was Chaplain and Past President of the Indianapolis DeMolay Foundation and, certainly, a most distinguished Mason and belonging to many Masonic organizations too countless to enumerate.

He was a Past President of the Downtown Exchange Club and a member of the Board of Directors of the Historical Landmark Society and also a Past Secretary of the Ohio State University Alumni Association of Indianapolis.

Few men merit as much or as universally the sincere appelation of a Christian gentleman or wear it as humbly as did John Jefferson—dedicated religious worker Masonic leader, civic-minded citizen, patriot, friend of youth and champion of American heritage.

In relation to the last of his messages that came out in the Shrine News, I want to read just a part of it:

"As Masons, we have professed our belief in God and our faith in His promise

IN MEMORIAM

of the immortality of the soul and life everlasting. This is a good time to renew our faith and hope and trust in the spiritual values which make life meaningful in these days and when there are those who seek to destroy the virtues and ideals which we cherish in Masonry, in Shrinedom and in our everyday lives.

"Again, the glory of the Holy Easter Season has brought to us spiritual comfort and promise from the Great Light."

Now, ironically he concluded his article with this scripture quotation: "I am the resurrection and the life; he that believeth in me, though he were dead, yet shall he live and whosoever liveth and believeth in Me shall never die."

I would pray that we who survive John, when we make this journey to the next world, that upon arriving there John will be there to meet us with his familiar "Cherrio" and we, too, then will unmistakably know that we are in the right place.

IMPERIAL SIR O. CARLYLE BROCK: My Brethren, I have contacted the widows of our Past Imperial Officers and these are the passages of Scripture they have told me were nearest and dearest to their hearts.

With Carl Rahn, Corinthians I, Chapter 13:

"Though I speak with the tongues of men and of angels and have not charity, I am become as a sounding brass, or a tinkling cymbal; and though I have the gift of prophecy, and understand all mysteries and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity, I am nothing. And though I bestow all my goods to feed the poor and though I give my body to be burned and have not charity, it profiteth me nothing. Charity suffereth long and is kind; charity envieth not; charity vaunteth not itself, is not puffed up; doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil. For now we see through a glass darkly; but then face to face: now I know in part; but then shall I know even as also I am known. And now abideth faith, hope, charity, these three; but the greatest of these is charity."

And with Fred Wilken, Psalms 46:

"God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea. Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the most High. God is in the midst of her; she shall not be moved; God shall help her and that right early. The heathen raged, the kingdoms were moved; he uttered his voice, the earth melted. The Lord of hosts is with us; the God of Jacob is our refuge."

And, again Psalms 121:

"I will lift up mine eyes unto the hills from whence cometh my help. My help cometh from the Lord, which made heaven and earth. He will not suffer thy foot to be moved; he that keepeth these will not slumber. Behold, he that keepeth Israel shall neither slumber nor sleep. The Lord is thy keeper: The Lord is thy shade upon thy right hand. The sun shall not smite thee by day, nor the moon by night. The Lord shall preserve thee from all evil: he shall preserve thy soul. The Lord shall preserve thy going out and thy coming in from this time forth and even for evermore."

And with our friend, John Jefferson, we can think of Ecclesiastes, Chapter 12:

"Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shall say, I have no pleasure in them. While the sun, or the light, or the moon, or the stars, be not darkened, nor the clouds return after the rain. In the day when the keepers of the house shall tremble, and the strong men shall bow themselves; and the grinders cease because they are few and those that look out of the windows be darkened. And the doors shall be shut in the streets, when the sound of the grinding is low, and he shall rise up at the voice of the bird, and all the daughters of musick shall be brought low; and when the almond tree shall flourish and the grasshopper shall be a burden and desire shall fail, because man goeth to his long home and the mourners go about the streets. Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was and the spirit shall return unto God who gave it."

I should likewise like to read the first verses he learned when but a boy:

"Trust ye in the Lord forever, for in the Lord Jehovah is everlasting strength."

"He has showed thee, O man, what is good and what doeth the Lord require of thee but to do justly, to love mercy and to walk humbly before thy God."

(Singing of "The Lord's Prayer" by the Chanters ensued.)

IMPERIAL SIR O. CARLYLE BROCK: May the Lord bless you and keep you; may the Lord make his face to shine upon you and be gracious upon you; and may the Lord lift up the light of his countenance upon you and give you his peace, now and forever more.

(The Necrology Ceremony then was concluded with the playing of "Taps".)

IMPERIAL POTENTATE STRUBY: Thank you so much, Carlyle, and also to the Yaarab Chanters for the very fine program you have given here this afternoon. We certainly appreciate it. I would like to have a motion to receive this report, please.

(It was severally moved, seconded and unanimously carried that the report be received.)

CARL A. RAHN

Member

Board of Trustees, Shriners Hospitals for Crippled Children

February 22, 1899 October 6, 1972

"We do not lose the ones we love
They only go before
Where there is everlasting life
Where sorrow is no more . .
And there the soul will always live
And peace is everywhere
We do not lose the ones we love
God takes them in His Care."

Carl A. Rahn, 73, president of the Midland Implement Co., died in Deaconess Hospital at Billings, Montana after a short illness.

Mr. Rahn, of 2518 Whittier Place, had been a Billings resident for the last 52 years.

He was born February 22, 1899, in Minneapolis, a son of Mr. & Mrs. A. A. D. Rahn, Sr. His father who was so affectionately known as "Andy" served as Imperial Potentate of the Shrine of North America in 1938 and 1939.

Illustrious Sir Carl served as Illustrious Potentate of Al Bedoo Temple at Billings, Montana for the year 1944, and was elected and served as a Representative to the Imperial Council for the years 1938 and 1942 through 1958 inclusive when he was elected to emeritus status and served the Imperial Council as an Emeritus member from that time until his death.

He was elected a member of the Board of Trustees, Shriners Hospitals for Crippled Children, in 1962, and has served this, the "world's greatest philanthropy" since that time with great distinction. He will long be remembered by the many thousands of crippled children that have been returned to the race of life by Shriners Hospitals for Crippled Children as one who contributed much to their return to normal life and living.

He attended grade school in St. Paul, St. Thomas Academy and the University of Minnesota. He moved to Billings in 1920 after graduation with a degree in business administration.

He married Grace Accola January 3, 1923, in Bozeman. She survives, as does a daughter, Mrs. Seabrook Pates, 3014 Glacier Drive, and three grandchildren and a brother, Robert L. Rahn of Great Falls.

Mr. Rahn, who served as a lieutenant in the Army in World War I, was president of the Billings Chamber of Commerce in 1930. He was on the board of advisors for the Mountain States Telephone & Telegraph Co. and was a member of the Rotary Club.

He was a 50-year member of Ashlar Lodge No. 29, A.F. & A. M., the Billings Consistory, Scottish Rite and the York Rite Bodies, the DeMolay Legion of Honor, the Royal Order of Scotland and during his term as Potentate of Al Bedoo Temple in 1944 was one of the organizers and a charter member of the Black Horse Patrol.

He was Royal Director of the National Court, Royal Order of Jesters, and a member of the Board of Trustees, Shriners Hospitals for Crippled Children. Mr. Rahn was also a member of the Rancheros Visitadores, Santa Barbara, California.

Funeral services were held at 2:00 P.M., Monday, October 9, 1972 in the First Presbyterian Church. The Reverend Luther Powell officiated and burial was in Mountview Cemetery. Smith's Funeral Home was in charge of arrangements.

His host of friends in the Shrine and its great charity work extend deepest sympathies and condolences, to his lovely wife and other loved ones and with this goes their personal affection and love.

We have lost a great friend and co-worker and recognize this as the will and wisdom of our Heavenly Father.

"The tender arms of Allah now hold him in embrace,
His touch his eyes reopened, they see His Holy Face.
His heavy head is lifted, his quiet arms He'll raise,
His silent tongue, now gifted, will send in songs of praise.
For Allah's tents are spacious, and Allah's courts are bright;
So he is with the faithful, in Allah's peace and light.
He wore the fez in laughter, the helmet red as blood,
But now, forever after, he wears a crown from God."

THE HONORABLE

HARRY S. TRUMAN

THIRTY-THIRD PRESIDENT OF THE UNITED STATES

May 8, 1884 — December 26, 1972

There is no death! The stars go down
To rise upon some fairer shore;
And bright in Heaven's jeweled crown
They shine for evermore.

There is no death! The dust we tread
Shall change beneath the summer showers
To golden grain or mellowed fruit,
Or rainbow tinted flowers.

There is no death! An angel form
Walks o'er the earth with silent tread;
He bears our best loved things away;
And we then call them "dead."

He leaves our hearts all desolate,
He plucks our fairest, sweetest flowers;
Transplanted into bliss, they now
Adorn immortal bowers.

The granite rocks disorganize,
And feed the hungry moss they bear;
The forest leaves drink daily life,
From out the viewless air.

There is no death! The leaves may fall,
And flowers may fade and pass away;
They only wait, through wintry hours,
The coming of the May.

The bird-like voice, whose joyous tones,
Made glad these scenes of sin and strife.
Sings now an everlasting song.
Around the tree of life.

Where'er he sees a smile too bright,
Or heart too pure for taint or vice.
He bears it to that world of light,
To dwell in Paradise.

Born unto that undying life,
They leave us but to come again!
With joy we welcome them the same—
Except their sin and pain.

And ever near us, though unseen,
Their dear immortal spirits tread;
For all the boundless universe
Is life—there are no dead.

Illustrious Noble Harry S. Truman was born in Lamar in Barton County, Missouri, on May 8, 1884, and as an infant, accompanied his parents to Belton and Harrisonville in Cass County, Missouri, where they resided for a period of less than two years before moving to Jackson County, Missouri, where he became a resident for the remainder of his long, active, and productive life.

Harry S. Truman was a Baptist, and a member of the Grandview Baptist Church. He was interested in and active in Freemasonry at all levels. Among his many Masonic accomplishments and memberships was his membership in Belton Lodge 450, Belton, Missouri, where he became a member in 1909 and served as senior Warden in 1910. In 1911 he organized Grandview Lodge 618 and was its first Worshipful Master when it became a Chartered Lodge. He served again as Master of the Lodge in 1917.

While he was a member of the U.S. Senate he served as Grand Master of the Grand Lodge of Ancient Free and Accepted Masons of Missouri in 1941 and Master of the Missouri Lodge of Research in 1951. He was a member of the Scottish Rite of the Orient of Missouri and was Coroneted a Thirty-Third Degree Mason on October 19, 1945. He received the Order of the Red Cross of Constantine, December 26, 1945. He belonged to Orient Chapter 102, of Kansas City, Missouri, Shekinah Council 24, Kansas City, Missouri and Palestine Commandery 17, Independence, Missouri. He was a member of Ararat Temple of Kansas City, Missouri, and Court 54, Royal Order of Jesters, Kansas City, Missouri. During his more active years in Ararat Temple he served as a member of its Divan, attaining the office of Oriental Guide before his election to the United States Senate in 1934 prevented him proceeding farther. Our brother also served as Honorary Grand Master of the Order of DeMolay.

During the time of all of his participation in Masonry, Noble Truman was also actively engaged in political life. He was elected Eastern Judge of the County Court of Jackson County, Missouri and served as such in 1923 and 1924. In 1927 he was elected Presiding Judge of that Court, a position that he held until 1934. In the election in the fall of 1934, Noble Truman was elected to the United States Senate where he served through 1944. History is replete with his activities and constructive works during this phase of his life. In January, 1945, he became Vice-President of the United States, and in April, 1945, upon the death of President Franklin Delano Roosevelt, Noble Harry S. Truman became the thirty-third president of the United States. He continued to serve as President until 1953.

Upon his retirement from active political life, he returned once more to his home in Independence, Missouri, where he remained until his death, December 26, 1972, at 88 years of age. Seldom does an organization have the privilege of including within its ranks a member such as Noble Harry S. Truman, and at a time such as this, the inadequacy of the spoken or written word to express our pride in his accomplishments and our sorrow in this loss is self evident. To him we say, Noble Truman, well done.

As we move in travel we note in a downtown park site in Athens a life size statue of our Illustrious Noble set to honor his great interest in humanity throughout the world. A similar site was noted in the Islands of the Caribbean. We note a few quotes from brilliant minds of our time. "A fearless son of simple soil", "of sturdy soul and tempered true", "earthy, plain, there was no wrinkle in his honesty. When the time came he stepped to the anvil humbly but not afraid, relying always in his independent way, upon the goodness of the Lord, in whose hand is the hammer of our fate." "He wore the mantle of our trust with truth, and bore his solitary power with humility".

He was in attendance and often served as speaker at the Frank S. Land Breakfast given each year during the Grand Masters Conference at Washington, D. C. He was a great personal friend of the Shrine in all its endeavors. We have all been made richer in spirit and in service by his association with us down through the years.

Our sympathies and our sincere condolences are extended to his loved ones and his host of friends throughout the world.

While with ceaseless course the Sun
Hastens on from year to year,
Many souls their race will run,
Never more to meet us here:
Fixed in an eternal state,
They have done with all below;
We a little longer wait,
But how little none can know.

Waiting without dread or fear;
May our *Faith* in God be found,
With our *Hope* both bright and clear,
Let our *Charity* abound:
All things earthly fade away;
Even time itself will flee,
Faith, and Hope, and Love will stay;
Love the greatest of the Three.

In Memoriam we raise,
Loving tribute to our friend:
While we speak in grateful praise,
Let our voices gently blend:
For the Craftsman's work is o'er,
Strife and storm of life is past:
Now upon the further shore
Stands the Veteran at last.

Thanks for mercies Lord receive:
Pardon of our sins renew;
Teach us, henceforth, how to live
With eternity in view.
May Thy word to young and old
Fill us with Fraternal Love;
And, when life's short tale is told,
May we dwell with Thee above.

JOHN H. JEFFERSON

Imperial Chaplain

Esteemed By All

July 7, 1900 — April 26, 1973

"We do not sigh when golden skies have donned
The purple shadows and the gray of night,
Because we know that morning lies beyond,
And we must wait a little while for light.
So when grown weary with the care and strife
Our loved ones find in sleep, the peace they crave
We would not weep but learn to count this life
A prelude to the one beyond the grave."

Illustrious Sir John H. Jefferson, 72, one of Indiana's most widely known Masons and a self-employed civil engineer, died April 26, 1973 at his home, 7272 N. Pennsylvania.

A native of Bloomingburg, Ohio, Jefferson was a 1923 graduate of Ohio State University. He had lived in Indianapolis since 1923.

His engineering career encompassed managing of gravel plants, flood protection, construction, crude oil production and fluorspar mining in Kentucky and Illinois.

Grand Treasurer and Past Grand Master of the Indiana Masonic Lodge, he was a 33rd Mason. He was serving his second term as Imperial Chaplain of the Shrine for North America, having held that post in 1969-1970.

Also, Jefferson was a Past Master of Mystic Tie Masonic Lodge; Past Thrice Potent Master of the Indianapolis Scottish Rite; Grand Pryor of the Indiana Council of Deliberation, the ruling body in Indiana of the Scottish Rite; Chaplain and Past President of the Indianapolis DeMolay Foundation, a member of all York

Rite Bodies, Red Cross of Constantine, Royal Order of Scotland, Murat Shrine Temple and Chaplain of the 33rd Degree Association of Indianapolis.

He was Past President of the Downtown Exchange Club, a member of the Board of Directors of the Historical Landmarks Society, Conner Prairie Farm, Triangle Fraternity and was Past Secretary of Ohio State University Indianapolis Alumni Association.

Jefferson was an elder and former clerk of the session at Tabernacle Presbyterian Church, where he had sung in the choir for a number of years.

To be a gentleman is to be one all the world over, and in every relation and grade of society.

Few men ever merit as much or as universally the sincere appellation of a Christian gentleman or wear it as humbly as did John H. Jefferson, dedicated religious worker, Masonic leader, civic-minded citizen, patriot, friend of youth and champion of the American heritage, who died April 26.

He was held in that high regard by men, women and youngsters of all walks and stations of life, all creeds and all races.

Without fanfare or ostentation he was a living example of that wherever he went and in whatever activity he was engaged.

Those who knew him best attest unreservedly that he was the embodiment of the famous statement of Will Rogers, humorist and home-spun philosopher, that "I never met a man I didn't like."

His devotion to his God and his fellowman was a 24 hour-a-day service. Whether alone, in the crowded mart, in a group enjoying genial fellowship, at a convention or at a sumptuous banquet he never forgot to voice his sincere thanks to his God by thanking Him, without display, for the bounties and blessings God had accorded. His invocations at fraternal, religious and other dinners or gatherings were things of simple spiritual grace and beauty, sufficient to lift anyone's thoughts to higher levels and inspire anybody's life to higher purpose.

His devotion to his church, Tabernacle Presbyterian, is recorded in the richest annals of its history for his service not only as an elder, clerk of the session and in other posts but for the example and inspiration, he offered to all as a concerned and dedicated member.

He left his lasting and inspirational mark on Freemasonry in all its facets and in whatever position he held or role he played, from Blue Lodge member and Worshipful Master to Grand Master, as an officer and leader in the Scottish Rite and a dedicated member in the York Rite and all other Masonic or Masonic-related groups.

One of his enjoyable pursuits was music. For years he sang in his church choir and with the Murat Shrine Chanters. At the time of his death he was and had been for many years chairman of the music committee of the Scottish Rite. In that role he saw its orchestra and chorus rise to their high position where the members play or sing solely for the joy they derive and impart to others.

His interest and work for youth was reflected in many avenues in his church and otherwise. Of special interest to him was the Indiana DeMolay Foundation, of which he was president one year. It counsels and advises the operations of at least 10,000 boys in more than 130 chapters throughout the state. In addition, it owns and operates a 120-acre camp and retreat in Monroe County for DeMolay chapters and boys.

Whether in a serious gathering or in a group of funmaking friends he never lost or surrendered his spiritual dignity but maintained it gracefully and unshamedly. His inevitable trademark of "Cheerio" was his traditional salutation. He was one of the most beloved and most popular Imperial Chaplains the Shrine ever has had, a post he was occupying for his second time when he died. Masons of all orders never will forget the brilliant and inspiring divine service he planned and presented at the Scottish Rite Cathedral in 1970 when the Shrine's Imperial Council Session was held in Indianapolis. He had completed plans for another such majestic program at the Shrine's forthcoming 1973 Imperial Council Session in Atlanta in July.

His deep interest in patriotism and the American heritage was reflected in many ways, especially in his continued activity in the SAR, his staunch support of Free-

doms Foundation at Valley Forge and the work for the preservation of historic shrines and buildings on the part of the Historical Landmarks Association.

Surviving is his wife Mary Ann; son William and sister Mrs. Lucille Creath. Our thoughts extend to them in the realization that our Lord drapes the mantle of His Divine Comfort about their shoulders and gives them peace in the hour.

"Cheerio"

"Dear Friend, farewell! . . . The people long
Your virtues will proclaim,
And garlands of sweet memories
Will wreath about your name.

The world was better that you lived,
And so know 'tis well
That Allah called your spirit home—
Adieu, dear friend, farewell."

"Cheerio"

FREDERICK WILKEN

Past Imperial Recorder

January 1, 1891 — May 7, 1973

"One by one the great All-Father gently lets His seasons fall;
One by one the storm and sunshine cast their shadows over all.
One by one we lose the handgrasp that so warm a welcome gave;
One by one their voices silence in the stillness of the grave.
One by one we miss the faces of the forms we once caressed;
One by one their names are written: 'Ceased to labor, home, at rest.'"

Frederick Wilken, who died on May 7, 1973, was born in Denver, Colorado, and attended public schools in that city. At the death of his mother, he moved to Norton, Kansas, where he attended high school. After graduation he enrolled in Bethany College, Lindsberg, Kansas, to continue his musical education.

During the early part of the twentieth century he came east. At the outbreak of World War I, in June 1917, he enlisted in the U. S. Marine Corps. He was sent to Quantico, Virginia to organize a Marine Corps Band. In October of that year he was sent with the Sixth Regiment Marines for service in France. While at the battle front during the July 1918 engagements, this regiment received the French citation of the Croix de Guerre for its valorous service. It was presented by General Petain.

During this period Frederick Wilken was commissioned having passed the musical examination under Walter Damrousch in Paris.

After the Armistice he remained in Germany with the Army of Occupation until 1919. While in Germany he conducted the Massed Bands of the Second Division for the Pershing Review.

Upon his return to the United States he enlisted in the United States Marine Band in which he served until his retirement in 1933 as Principal Musician. While

serving with this organization, he conducted this orchestra, which played during many White House functions, especially the dances.

After retirement he joined the firm of Boss and Phelps, Realtors. However, in 1934 he was called to McKinley High School as instructor of their band and orchestra. When he left McKinley, he was presented with the Tech Key, its Medal of Honor.

He again returned to the real estate business, where he was associated with the firms of Cafritz, Brueinger, and Waverly Taylor. He was associated with the Brueinger Firm when he was appointed Acting Recorder of Almas Temple, A.A.O.N.M.S. by Past Potentate Howard F. Foley in May of 1942. Each year until his resignation in 1963, he was reelected.

Prior to becoming Recorder, he had been Director of the Almas Military Band and was in charge of the Massed Bands during the 1935 Imperial Council Session in Washington, D. C. He served on numerous committees before becoming an officer of his Temple.

In 1947 upon the death of the Imperial Recorder, he was called by the Imperial Potentate to serve as Imperial Recorder and Secretary of the Shriners Hospitals for Crippled Children. When he refused to run for this office in 1948, the Imperial Council then in session in Atlantic City unanimously elected him an ad vitam representative, an honor given only to Past Imperial Potentates.

Noble Wilken was a life member of Naval Lodge, No. 4 and Anacostia Chapter. He held membership in Washington Commandery, No. 1, and Albert Pike Consistory in which he was invested with his K.C.C.H. He was a member of the Royal Order of Jesters. He was also a life member of Kallipolis Grotto which he served as Monarch in 1933. He was an Honorary Legion of Honor in the Order of DeMolay, and a member of the Royal Order of Scotland and the Masonic Veterans Association.

His memberships in military organizations are in the Military Order of World Wars, the Military Order of Foreign Wars, National Sojourners, the Heroes of '76, the Globe and Anchor, the Second Division Association, and Cathedral Post of the American Legion.

Before becoming Recorder of Almas Temple he served on the Membership Committee of the Washington Board of Trade and on various other committees and received his certificate of Twenty-Five Year Membership in the Board of Trade. He was a member of the Oldest Inhabitants.

For the past several years Mr. Wilken had been custodian of the Shrine Rooms at the George Washington National Memorial in Alexandria, Virginia.

Mr. Wilken was an Episcopalian having been christened and confirmed in St. Mark's Church in Denver.

He is survived by his wife, Ruth R. Wilken, his son Wesley, and four grandchildren.

His many friends in Almas Temple and the Imperial Council join with us in an expression of sincere respect and condolences to his loved ones.

"Sleep on, O Friend, until the waking day,
And ever we, who loved thy presence here,
Will keep for thee, through changes manifold,
A tender mem'ry, growing with each year."

Imperial Sir, I would move for the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. Is there discussion?

I am sure that you are probably all in favor of it and so I will put the question.

(The motion was voted upon and carried.)

IMPERIAL SIR THOMAS W. MELHAM: For the benefit of the Representatives, your Mileage and Per Diem checks will be paid at the end of this room, at the Registration Desk, immediately after adjournment of this Session tomorrow morning. These are the instructions from the Imperial Potentate. Thank you.

IMPERIAL POTENTATE STRUBY: That means that it will be sometime around eleven or twelve o'clock and so don't get too hasty about wanting to get home.

I am sure that you are interested in this last ballot that was taken and so I will call on Clyde Oliver to give you the results.

NOBLE CLYDE OLIVER: Imperial Potentate, for the benefit of the Representatives, I will indicate to you again that in relation to a change in the Bylaws, that this requires not less than a two-thirds vote. I would also like to indicate to you that 142 Representatives were absent at the time this vote was taken. I would like to give you the results of the ballot. This has to do with the vote in relation to Section 327.3.

There were a possible 772 votes and 630 actually voted. There was one spoiled ballot—necessary for a choice 516. There were 414 "yes" votes and 215 "no" votes.

IMPERIAL POTENTATE STRUBY: Gentlemen, from the results of the ballot, I will have to declare that the motion has been lost. However, let me also add that this is a thing that has troubled me in relation to all of the twenty-five years that I have been attending the sessions. It is a hard thing to get anything voted on by ballot, especially when some 142 representatives are not even present. You know, some Imperial Potentate with a lot more intestinal fortitude than I have is going to stand up here some day and call for a roll call and, of course, the fellows who are not here at that time are not going to get paid. I don't mean to scold anybody but this just goes on and on, especially when we are in a resort area. Therefore, I hope that our incoming Imperial Potentate next year will devise soime kind of method of insuring that all delegates vote. Of course, when you are out somewhere playing or having fun and not present at these sessions, your vote, in turn is indicated as a vote against the matter which may be under consideration. I am not speaking in particular about this ballot, but about many other ballots. If your Temple is good enough to send you here to represent it, then won't you also be kind enough to attend these meetings? After all, I am sure that the other representatives likewise would like to be out doing other things but then, when you are present, you are actually present and getting paid for what you are supposed to be doing.

Therefore, I would only hope that in my small way I would be able to encourage you to go out and talk with some of the other representatives and get them to also attend these Sessions.

So much for the scolding (laughter). Now I would like to call on our Imperial Recorder. I don't think that he has any actual report but I would just like to bring him up here and in all fairness and everything considered I think that I would not even like to consider the situation of having to do my job without him being here. He is, without a doubt, the finest Secretary of any fraternal group that I have ever seen and he has been a big help to me, as I am sure that he has been and continues to be a big help to many of the Temple Recorders. Therefore, I would like to have our Imperial Recorder come up here for any report or comments he may desire to make.

IMPERIAL SIR GEORGE M. SAUNDERS: Thank you, kindly, I am grateful for those comments.

The Report of the Imperial Recorder is published in the Book of Reports and is in the hands of each Temple and Representative.

I would merely like to move the adoption of this report.

(The motion was severally seconded and, there being no discussion, was voted upon and carried.)

(Business was transacted in the Colorado Corporation at this time.)

(The Ninety-Ninth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-thirty o'clock p.m., to reconvene at nine o'clock a.m., Friday, July 6, 1973 at the Marriott Motor Hotel, Atlanta, Georgia.)

MORNING SESSION

FRIDAY, JULY 6, 1973

NINE O'CLOCK A.M.

The Ninety-Ninth Annual Session of the Imperial Council A.A.O.N.M.S. reconvened at the Marriott Motor Hotel, Atlanta, Georgia, on July 6, 1973, at nine o'clock a.m., Imperial Potentate Henry B. Struby presiding.

IMPERIAL POTENTATE STRUBY: Will the Representatives please take their seats.

At this time I would like to call on our Imperial Chaplain, Reverend Frank Wingerter for the invocation.

REV. FRANK WINGERTER: Let us pray.

Eternal Potentate, our dynamic is in communication with you. They say that your arms are open to us. However, the important thing is that we be open to you—that we may be open to one another, because our hearts are faint and low until we have learned to serve.

Sure, we vary with the wind, we cannot drive the world until we ourselves are driven. So, oh God, open your arms to us and may we enter in communication with you because you are our dynamic. Amen.

IMPERIAL POTENTATE STRUBY: Again, Nobles, I want to reiterate the statement I made a couple of days ago, how fortunate we are to have a fine Imperial Chaplain.

As you probably know, one of my dearest friends was John Jefferson from Indianapolis and it was quite a personal loss to me when he passed on. Nevertheless, how fortunate we are to have Jake's brother with us and, as I said to you the other day, you are going to be hearing a lot more from him next year. He is a fine Christian gentleman and we are all very proud of him. (Applause)

At this time, I would like to call on Bill Knowlton from the Jurisprudence and Laws Committee, for a report.

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL POTENTATE STRUBY: At this time, Nobles, I would like to present to you one of the greatest guys it has ever been my pleasure to meet and to know. He and I have been meeting together for the past five years trying to arrange this convention so that you would all be pleased with it. He has been working with the various committees here for some two or three years now. Also, I was down here recently when we had committee meetings and we had present, I believe, all of the various Nobles who were the heads of the various committees and I believe there were some nineteen or twenty in attendance.

He certainly is a great Noble, is the Potentate of a big Temple. Further, he has devoted, I don't know, how many hours to making this convention a success.

I am sure you will agree that it is one of the finest conventions we have ever had and, therefore, this fine Noble deserves a lot of credit for what he has done as our Director General. Also, I want you to know that he has some real fine Nobles helping him and, therefore, at this time, I would like to thank Gene for the great job he did and perhaps call on him for a few words to you.

NOBLE GENE BRACEWELL (Director General): Thank you, Imperial Sir.

Imperial Sirs, Illustrious Sirs and Nobles: Of course, let me say that the food the other night was really no joking matter. We are not going to let that go by. We will be involved in it to quite an extent a bit later.

Nevertheless, it is again a pleasure for me to have the opportunity of saying "Good Morning" to all of you and again welcoming you to Atlanta.

I would like to introduce to you some of our committee chairmen who have done so much and worked so hard in assisting us and in helping us endeavor to put on a good convention for this Imperial Council Session. We have had a hard working group of Past Potentates and Divan members and, therefore, at this time, I am going to ask them to step forward and let me introduce them if I may. I would also like to have you hold your applause until I have completed all of the introductions.

(Whereupon, the Past Potentates and Committee Chairmen involved in the arrangements of the Imperial Council Session were individually introduced and applause ensued.)

Let me also add, Imperial Sir, that I have been asked by our Grand Master, George Oliver, to please extend his apologies for not being in attendance this morning. However, he is a superior court judge and he had some "trying" business to take care of. (Laughter)

I would also like to present to you one of the greatest Divans in all of North America and I am sure that each Potentate sitting out here will say the same thing for his. However, I have worked with this Divan for a number of years and they all played an important part in the arrangements for this session. I am sure you likewise have seen much of them this week. Of course, they have not been in the limelight but they have all been working behind the scenes because they likewise have had a job to do and, in my opinion, they have also done it well.

(Whereupon, Noble Bracewell presented his Divan members who, as they were individually introduced, were likewise applauded.)

Nobles, this is our Divan and our Nobles that worked so hard to make this convention the great convention we have tried to make it and who, if there is any degree of success involved here, should be credited with the success. I want to thank them publicly in front of all you Nobles this morning.

Also, we likewise express our thanks to you for your attendance here in Atlanta. You know, as I tried to indicate the other day, history indicates it has been some fifty-nine years since we had this opportunity previously and we trust that it will not be that long again. We enjoyed having you and want to say, also, that I will be at Atlantic City next year and will again look forward to seeing a lot of you. (Rising applause)

IMPERIAL POTENTATE STRUBY: Thank you, Gene, and again, I am sure that, on behalf of all of the Representatives here, they will agree with me when I say that you certainly have done an outstanding job and we are all deeply grateful to you for your efforts.

Now, Nobles, at this time, we have a report from Imperial Sir George E. Stringfellow, Chairman, Shrine Rooms East. It is a short report but I would like to have George read it so that it can become a part of the record.

IMPERIAL SIR GEORGE E. STRINGFELLOW (Past Imperial Potentate): Imperial Sir, Imperial Sirs, and Representatives: This is the annual report of your Shrine Rooms East.

For the first time in the last five years there was an increase in attendance of Shrine Rooms East. For the fiscal year ended May 31, 1973, the total attendance was 57,395, an increase of 1,773 over the previous year.

The Rooms were visited by a number of Imperial Officers including the Imperial Potentate. Foreign distinguished visitors included the Grand Masters of Belgium, the Republic of China, West Germany, Italy and Mexico. There were 1,486 visitors from 81 foreign countries, and Nobles from 162 of our 172 Shrine Temples included Shrine Rooms in their travels.

Consideration is currently being given to air-conditioning the three rooms.

It is with sincere regret that we report the passing on May 7, 1973 of Imperial Sir Frederick Wilken, Past Imperial Recorder, Chief Custodian of Shrine Rooms East. He had served in that position since December 1, 1970. Noble Harry R. White, a member of Kena Temple, has been appointed Chief Custodian to fill the vacancy created by the death of Imperial Sir Wilken.

Respectfully submitted,
George E. Stringfellow, Crescent Temple,
Chairman

Imperial Sir, I would move for the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have a motion and a second before you to adopt the report as submitted. Is there discussion?

If not, all in favor of the adoption of the report indicate by saying "aye"; contrary by the same sign. It is so ordered and the report is adopted.

Now, gentlemen, as a courtesy to our incoming Imperial Potentate, I would like all of you, at this time, to stand and give him a great big hand because, if you treat him half as kindly as you have treated the Struby's, then he is likewise bound to have a good year.

Therefore, Jake, will you now come up and I am sure the Representatives would like to hear from you.

(The Representatives arose and applauded as Imperial Sir Wingerter approached the podium.)

IMPERIAL SIR JACOB A. WINGERTER (Imperial Potentate-Elect): Thank you, Nobles.

Imperial Officers, Past and Present; Distinguished Guests, Representatives and Nobles: I am not going to have too much to say today except to tell you that I am going to try to do the job to fill the shoes that Henry started. We have been doing that throughout all the years that we have been in the line.

As you know, you have often heard him say, as we came up the line, that we would have one convention and we'd have it on board a ship and, of course, we were drinking some of that hair tonic at the time and so, when we went to bed that night and woke up the next morning, he came to me and said, "You had better not have that on that ship for they may decide that these two fat boys are not the boys they want and they might throw us overboard." Well, Henry got by and I still have to see how well I make out.

Really, the projects that Henry had, DeMolay and the Hundred Million Dollar Club, they are a "natural" to what we are trying to do—to educate and bring into our Order young men—men that someday will take your place and mine. Therefore, where do we get them from? We get them from where they come—from the youth of America.

I think that we really have to spread the gospel a little bit more to the youth. I thought that Chuck Cumpstone made a terrific talk when he spoke before the Pennsylvania Shrine Association not too long ago. He said that a lot of us say that the youth of North America cannot come into the Shrine or the Masonic Orders because of finances. Well, that may be true in some cases but he added, as he continued, "did you ever stop to think that they were the ones who owned the snowmobiles, who went to the mountains skiing, who owned boats—did you ever stop to think about that?" It is not we individuals, at least in many instances—it is the youth of America and, of course, if they can afford to go skiing, then it isn't money that is the problem, is it? It is really the attractions that we offer to them.

You know, you cannot bring the youth of America into something that they do not know about and that, in my opinion, is our most important consideration.

Along that line, I have discussed with my Divan the possibility of an information program, where we might, for example, print a summary of the history of the accomplishments of the Shrine over the past twenty-five years—put it into easily readable print, not too lengthy, short, concise and present it to them for their information. For example—"Did you know that in a certain year such and such happened; do you know when we built the San Francisco Hospital; when we took over the Erie Hospital; the Houston Hospital; when we built the Burns Units; what were the accomplishments in relation to the Burns Unit; what have been the accomplishments in relation to our Orthopedic Units?" That is what we have in mind. Also, how many Nobles really know what the Shrine has accomplished? For example, how many know that there has been a serum developed at the Cincinnati Burns Institute that has reduced the loss of life through burns over fifty percent of what it had been before that serum was developed—done in our hospital—how many Nobles know that?

How many Nobles know that in our Orthopedic Hospitals there were advances being made almost every day along medical lines. For example, that some years ago, when those hospitals were created, there were only about seventy-five orthopedic doctors in North America and that, today, there are about five thousand? Just think of that and, further, that the greatest percentage of them have received their training in our hospitals. Also, how many actually know that those doctors who were trained in our hospitals are now available in your town and in my town to lend the knowledge they learned in our hospitals to your children and to my children?

How many know that we have a committee functioning today that is searching out the cause of crippling. You know, if we ever find out what causes crippling, we will cure the world. I am sure that we all look forward to that and I am sure that we will eventually accomplish that.

However, I think we have to put out the information as to what the Shrine has already done and will continue to do in the future. Therefore, I think that if we get something like this out to our nine hundred thousand Nobles, possibly some four times in the next year, that this will help us with increasing our numbers among the younger individuals.

I might add that we do not expect to get a copy of anything like this out before at least three months but we believe that by the education of our Nobility and, in many cases, the officers around North America, that we will not only educate ourselves but likewise have some of the younger people attracted to our Order.

Also, in connection with DeMolay, and as I already have indicated, I believe that we should all get in back of that. We have the Grand Master of DeMolay sitting on the stage with us right here and we are very fortunate in that this Grand Master is likewise one of the great leaders of our Shrine—George Klepper.

We have the Secretary of this great Order in George Saunders and so, as you can see, the Shrine is working for the DeMolay.

When we have the Frank Land breakfast this year, we are also going to hold a dinner for the Grand Masters in order to develop closer relationships with them.

We are also going to have a Seminar.

I think that you have heard, in relation to some of the information that Imperial Sir Barney Collins dug up that in the Scottish and York Rite bodies there are approximately one million two hundred thousand Masons in the prerequisite Bodies and of that figure approximately between two hundred and two hundred-fifty thousand are York Rite Masons, leaving another nine hundred to a million in the Scottish Rite bodies. The Shrine presently has some nine hundred thousand of this possible million. When you say, for example, let's have a million and one in 1971 or any other year, where are you really going to get them from? They are not in the market place, are they? We are within ten percent of the market. We also have to remember that many of these individuals also are not marketable because they are getting older and have no interest in continuing, especially those presently retiring. So we have the question as to where we are going to procure our contemplated increases from.

I think this has to be done by really going back to the Blue Lodges and educating our Brother Masons back there in relation to what the Scottish and the York Rites are. It seems to me that the Shrine is doing a good job, especially when you can get to within ten percent of your market.

Therefore, as I say, this is going to be one of our programs for the coming year. Of course, we have not as yet determined just how that will be evolved into a functional program but I am sure that with the help of my Divan and others who are interested, I am sure that we can do it.

The idea is to have well trained, knowledgeable Nobles in, say, four pilot areas in North America and try this out and if it works, then perhaps some who follow in these footsteps will carry it on. I do believe, however, that if we get information to the Brother Masons that we have around North America, that they will move on to the prequisite bodies and then I am sure that the Shrine will do its part from there on.

I also plan to develop a kind of newsletter to the Potentates and Chief Rabbans and to the Recorders in relation to some of the plans we have and the progress we are making in relation to them and possibly with suggestions as to how you might implement them. I would also appreciate it if the Recorders would kindly reproduce these letters so that the other members of the Divan would be knowledgeable of what is going on.

I would appreciate also any suggestions from the new officers in your Temples as to how we can make the Shrine grow. After all, it is really your job—we are the leaders up here and all that we can do is to suggest things which we think might be successful and if you give us some of your suggestions I am sure, that after due deliberation, we will implement them.

I am very proud of the Divan that you have elected—I am proud of Dr. Bowers and all the officers in the line and I know that they will cooperate with me as I will with them. It is not a case of individual glory for any one of us today. I think this type of day is rapidly coming to an end. Large corporations need ideas with regard to constructive progress and today you just cannot run a good business without proper planning. When I sit around the Board table in relation to the number of corporations that I am involved in, let me say that we expect help from the people associated with us.

Therefore, Nobles, in like manner also please give us your help. I am sure that I can say to you without question that there are as many good ideas out there among you as there are up here on the platform. The only difference is that we get an opportunity to get on the box and most of the time you do not. Therefore, if you will

think about that and send any thoughts or suggestions that you may have, I will certainly do my best to get them into action for you.

I wish you all good health and thanks so much for honoring me with this high position and, again, I shall try, with your cooperation, to move the Shrine forward in the coming year.

(Rising applause.)

IMPERIAL POTENTATE STRUBY: Thank you very much, Jake. I am sure that the Nobles, as they have me, will support you during the coming year and I also know you will have a very successful year.

At this time, I would like to recognize Imperial Sir Jack M. Streight, Chairman of the Resolutions Committee, for the report of the Resolutions Committee.

IMPERIAL SIR JACK M. STREIGHT: Good morning, Nobles.

Let me say that, in connection with the making of this report, I would like to have Wendell Miller of Tangier Temple, a member of this committee, make the report. After all, he was the author of it.

Let me further indicate that this, in essence, is a report thanking Atlanta and Yaarab Temple. Therefore, at this time, I would like to have Wendell come forward and present this report.

NOBLE WENDELL MILLER: Imperial Sir, Imperial Sirs and Representatives: Before I make this report I do want to say that my wife and I have been around this fabulous and beautiful city on our own time and we have been very much impressed with what we have seen. Now, I know that you have some very beautiful statuary out on Stone Mountain but there was some great architect there ahead of that man that did that beautiful work. We likewise have seen many other beautiful things around Atlanta and we do wish to commend Noble Bracewell, the Potentate of Yaarab Temple and his Divan and the members of his committees for a great job, a job well done in the interest of our Nobility and our ladies. We certainly do think it was a great job and this is attested to by the reception you gave him a few moments ago.

I will now present the report. (Reading)

Chairman
Palmer N. Hegvold, Aad Temple

Thomas F. Seay, Medinah Temple
Gerald D. Crary, Naja Temple
Aurie J. Thompson, Nile Temple

Imperial Sir, I would move for the adoption of this resolution.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: Nobles, I think we can show that we agree with the Resolutions Committee on this fine report by giving them a great big standing vote of approval.

(Rising applause ensued.)

IMPERIAL POTENTATE STRUBY: I declare, by your action, you have unanimously received the report of the Committee on Resolutions.

Again, let me say you have been a great group and I think we are beginning to get the point where we will soon be getting out of here. Therefore, stay with us and we will try to expedite matters as quickly as we can.

Again, at this time, I would like to call on Imperial Sir Wingerter, who is the Chairman of our Time and Place Committee and, at this time, we are going to endeavor to give you some information with regard to our forthcoming Imperial Council Convention sites.

Now, I think that Jake probably has somebody else to give his report in relation to Atlantic City but, nevertheless, I would like to recognize him at this time.

IMPERIAL SIR JACOB WINGERTER: Imperial Sir, Imperial Sirs and Representatives: I would like to have Ken Smith, Director General of the Atlantic City Convention, come forward and while he is coming up here, I might tell you that this spring we are going to have a mid-winter meeting of the Board of Directors of the Iowa and Colorado Corporations on board a ship leaving Fort Lauderdale on February 1, ending up in Los Angeles on the 16th of February. The Board Meeting and transaction of all matters will be carried on aboard ship and it will be done early in the morning so that you can relax in the afternoon. If you would care to attend the meetings, it will be our pleasure to have you there.

For those of you who would like to have a nice winter vacation and likewise be with your Joint Boards, we certainly would welcome your presence with us and would ask that you contact Don Alberton, who is arranging for this tour. It is going to make stops in the Caribbean and then proceed up the Mexican Coast, Acapulco and then numerous ports up that way. I am sure you will all have a good time.

At this point, Imperial Sir, I would like to recognize my Director General, Ken Smith, to talk to you about the Atlantic City Convention.

NOBLE KENNETH SMITH (Director-General, Atlantic City Convention): Thank you, Imperial Sir, Jake.

Imperial Sir, Imperial Sirs and Representatives: As you know, we plan on going to Atlantic City during the week of June 25. I might give you just a little bit something in relation to the State of New Jersey before we get into the matter of Atlantic City.

As you cross from New York or from Pennsylvania coming into the State of New Jersey, you are coming into a state that has just about everything that any state in the Union has. You have scenery, for example, that is second to none. You have rivers for fishing—you have lakes for fishing and boating—you have camps for men who like to travel by motor home or trailers. As a matter of fact, you have about just everything that you can find in any state in the Union here.

Further, you are not crossing prairies—you are crossing hills and beautiful country and driving through beautiful state parks, government parks. We likewise have cherry blossoms that are equal to anywhere in the world.

With regard to your stay at Atlantic City, it certainly is, we believe, a great place for your families. The ocean there is such that the beach slopes down and the children can play on it.

Also, for those who love deep sea fishing, there are marinas and boats there available which will carry you out to some of the finest fishing grounds in the world.

Also, in relation to those who plan to come to Atlantic City by plane, you do not have to land in Philadelphia—but you can land at the Air Force Base which is only about twelve miles outside of Atlantic City and, from there, you will be transported to your hotel by buses. There will be bus transportation provided for the Nobility coming in by airplane.

Also, lighter planes are welcome at this airport.

Also, as the Mayor of Atlantic City indicated to you yesterday morning, the City will be made wide open for you. As a matter of fact, I believe he said he would make Imperial Sir Wingerter Mayor for a day and on that basis, I know that Imperial Sir Jake will be able to take care of anyone that may get into trouble down there.

Atlantic City has developed, within the past two years, under our present Mayor's direction, an outstanding police department. As a matter of fact, police assignments on the boardwalk have been more than doubled.

With regard to hotel facilities, at the present time we are having additions added to some of the hotels but, in relation to Atlantic City and the surrounding area, you will have the finest rooms that you can have anywhere in the country.

Likewise, we have entertainment planned for you at Atlantic City that we are sure will make you happy.

The convention hall, which will be under contract to us for the entire week, will involve plans not only for the Representatives but for the entire Nobility in attendance. Therefore, I am sure that those of you planning to attend the Atlantic City Convention will certainly enjoy yourselves, your Nobility will enjoy themselves and, further, Imperial Sir Jake will be very, very happy to have you.

I also know that, Imperial Sir Jake, in giving me the job of Director General, has likewise given me a great responsibility and, to follow in the footsteps of a man like Gene Bracewell, the job he has done, is likewise going to be a challenge to me. However, a few moments ago, just before Gene left the hall, I assigned him the job of Deputy Director General for Atlantic City and so he is going to come up there and give me a little hand.

We want you to come to Atlantic City—we want all of the Nobles in the Shrine to attend the Atlantic City Convention. I am sure that Imperial Sir Jake will see that you all have a good time. Thank you for this opportunity of being able to speak about the Atlantic City Convention to you. (Applause)

IMPERIAL SIR JACOB A. WINGERTER: Nobles, in addition to what Ken has just indicated to you, we are going to have a lot of accommodations at Wildwood, New Jersey. There are many brand new motels there. Some of them have efficiency apartments, where they have, for example, three or four bedrooms with kitchen facilities.

Also, the beaches are all new and it is really beautiful there. In addition to that, they have a convention hall that will seat about 12,000. We are going to have the night parade there. Therefore, we are planning on a parade in two different cities. You are going to be parading before two different groups and I think you are going to have a real fine time.

We are likewise going to put some entertainment on at Wildwood as well as at Atlantic City.

We have the beautiful Garden State Parkway on which to carry you back and forth. I don't know what we are going to do about transportation but I am sure that will be solved before you get there.

In conclusion, we look forward to as many of you coming as possible. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you for that information about Atlantic City.

Now, we will also go down the Imperial Line and ask any of the other Imperial Sirs if they desire to comment with regard to their particular convention arrangements. Now, we don't want to cut anybody off but, in the interest of time, perhaps they can keep it a little bit short.

Therefore, at this time, I would like to call on Imperial Sir Jack Streight to give us his report.

IMPERIAL SIR JACK M. STREIGHT: Imperial Sir, Imperial Sirs and Representatives: My Director General will be here in a moment to tell you where you are going to go following the Atlantic City meeting. However, let me assure you that arrangements are now being made for your convenience and comfort in Canada. Therefore, with these brief words, let me turn you over to my Director General, Charles Emmett, Past Potentate of Rameses Temple.

NOBLE CHARLES EMMETT (Rameses Temple): I assure you, Imperial Sir, I will not take too long.

1962 has already spoken for itself and we can assure you that in 1975 you are going to have Canadian hospitality extended to you. In fact, we are going to go straight across Canada to have a convention befitting this wonderful organization.

I want to take this opportunity of thanking the Imperial Officers and, in particular, Imperial Sir George M. Saunders, for the tremendous assistance and help that has been given not only, I am sure to myself, but all the Director Generals.

In spite of the many, many rumors in existence, let me assure you once again that, to date, no accommodations have been allocated—no contracts have been signed. However, I can assure you also that we are ready to go. We look forward to seeing you in 1975.

Someone has asked me about the dates. They will be from June 29 through July 4, the first week in July at Toronto. Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: At this time, I would like to call on Woody Bennett.

IMPERIAL SIR W. W. BENNETT: Imperial Sir, Imperial Sirs and Fellow Representatives: It gives me great pleasure to present our Illustrious Potentate from Kansas City, Maxroy Ritter.

NOBLE MAXROY RITTER (Ararat Temple): Imperial Sir, Imperial Sirs and Representatives: You have already heard these other reports. The only thing I would like to say is that in 1976 we will be at Kansas City, Missouri, the "Show Me" state.

We are not going to promise you a lot of things now but we are just going to invite you to come down there and let us "show you".

I am sure that you have been in Missouri before. Our present Kansas City Auditorium was built back in the forties, I believe it was, and right now we are starting to build a brand new one that will be something like two blocks long so that, we believe, it will be adequate to house this august body.

As to our date, it is tentatively scheduled to begin on July 6 and we will close on July 9.

Thank you for your kindness. (Applause)

IMPERIAL POTENTATE STRUBY: I will next recognize Imperial Sir Peter Val Preda.

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives: I do not have a report for you at this time. I feel I still have time and, as yet, I don't know the place but I assure you that in 1977 we will have a very good one for you.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: The next one in line would be Harvey Smith. Is there anyone here that would like to report for Harvey? If not, we will go on to the final one for this time, Imperial Sir Fred Morrison.

IMPERIAL SIR FRED MORRISON: I have already been told I have said enough. (Laughter) However, let me say that I am like Peter, I have plenty of time and plenty of places. At the moment, I am not making any definite statement but as soon as something tentatively is gotten together, you will be informed.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Let me say, at this time, I am deeply grateful to the Oldsmobile Corporation because they have been so kind to us and and I am sure that you men know about their automobiles that we are using here. However, they have always been most kind and we all get the benefit from these automobiles.

I also wish to thank Clyde Oliver and his Elections Committee, because they have done an exceptionally fine job and we have been able to expedite our various business matters by them taking the ballots quickly.

Likewise, I wish to extend my thanks also to George Saunders and Bob Turley. You know, you hear many things as you sit up here and you have to keep them straight and these two fine Nobles have been doing their best to keep me in perspective. They have both been of great help to me and I am deeply grateful to them.

Now, another thing that I would like to mention has to do with the Jurisdictional Lines Study Committee, under the chairmanship of Everett Trunk. This has been a hard-working group and many times it seems to be a lost cause but it has been making progress.

Now, at this time, I would like to call on Tom Lucas to give a small report for the Jurisdictional Lines Study Committee.

NOBLE THOMAS E. LUCAS (Al Chymia Temple): Imperial Sir, Imperial Sirs and Nobles and Representatives: Before I give this report, I would like to take just a moment and say that each year, at our Imperial Session, when we present our image to the public in relation to our two parades and the uniformed units in them, it becomes unfortunate that a Temple or two will lose a dedicated Noble right on the street. Such was our lot yesterday, in last night's parade.

These men who march on the streets have been paid tribute here by the various Grand Officers here in relation to their dedication to the Shrine and, in this connection, I believe the old saying to the effect—a Shriner never dies—he just marches his way into heaven.

Now, as I say, such was the case again yesterday.

Therefore, I think these men are entitled to just a moment of silent prayer for their dedication to all of Shrinedom.

(Whereupon, the Representatives all arose in a moment of silent prayer.)

Thank you, Nobles.

Being a dedicated Noble for many years, I would like the record to show that the name of the Noble I had reference to was Jesse Saltier.

I would now like to present to you the report of the Jurisdictional Lines Study Committee.

In accordance with the responsibility placed upon this committee relative to the effect of jurisdictional lines on membership, this committee has had but one purpose. That purpose has been to find some method whereby the distance barrier to a prospective novice in one of our Temples might be coped with. Reports made to this committee by various interested Temples who are affected by this dilemma of distance indicates a loss of membership gain because a prospective novice will not travel the greater distance in the jurisdiction where he is domiciled. This meant in some cases crossing of state lines to reach the nearest Temple.

Our code provides for the use of waivers when requested. This committee's information has been that this method has not been used in the fullest. This is not meant to criticize any Temple or it's reasons for not granting a waiver if requested.

Based on several years of study this committee at the 1972 session offered legislation to improve this situation. Almost fifty-seven percent of the Representatives agreed with the proposed legislation. It is still the consensus of this committee that each Temple throughout Shrinedom must give the utmost consideration to the wishes

of a prospective Noble. We urge each Temple to carefully consider the wishes of a prospect who requests a waiver and if possible let the wishes of the prospect be paramount in the decision of granting a waiver.

The committee further suggests that some method be promulgated from the main office that would make available a business-like record of waivers requested, granted or denied during any Shrine year, by all Temples. With this information available, it could be invaluable in future recommendations and actions for the good of our Order.

Respectfully submitted,

JURISDICTIONAL LINES STUDY COMMITTEE

I move you, Imperial Sir, that this report be received and filed.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, which is that the report just given be received and filed. Is there discussion? If not, all in favor indicate by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered. Thank you, Tom, for presenting that report to us.

We will now have the report of the Treasurer's Committee, which is headed by Past Imperial Potentate Tom Melham, who is our Treasurer.

IMPERIAL SIR THOMAS MELHAM (Past Imperial Potentate and Treasurer): Imperial Sir, Imperial Sirs and Representatives to this Imperial Session: You, sometime ago, received a Book of Reports which included the financial report of both the Iowa and Colorado Corporations. Unless there are any questions, Imperial Sir, I would like to move that the Treasurer's Report of both corporations be received and approved and made a part of the record of this session.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, is there any discussion? All in favor signify by saying "aye"; contrary by the same sign. The motion is carried.

IMPERIAL SIR THOMAS W. MELHAM: In addition to my previous report, I wish to present a short summary of comparative figures for the year end of 1966 and the year end of 1972 concerning both corporations. I trust that these will, in part, demonstrate the financial growth in expenses for the last seven years.

First, as to the Colorado (our hospital) Corporation. Its receipts for these 2 years—They consist of two types—For Capital and for Operations.

RECEIPTS ADDED TO CAPITAL

	1966	1972
1. Contributions	4,720,000	7,377,000 Up 3½ Million
2. Bequests	16,000,000	32,000,000 Up 16 Million
3. Life Memberships	218,000	374,000
4. Profits from Investments	3,000,000	13,000,000
5. Income from Trust Principal & Miscellaneous	153,000	1,989,000
TOTAL	24,244,000	55,038,000 Up 30,794,000

RECEIPTS FOR OPERATIONS

	1966	1972
1. Contributions	82,000	125,000
2. Hospital Assessments	3,496,000	3,953,000
3. Investment Income	12,500,000	21,000,000
TOTAL FOR OPERATIONS	16,125.000	25,060,000 Up 8,934,000

COMPARATIVE EXPENDITURES FOR OPERATIONS

	1966	1972
Total for Operations Less Property and Equipment Additions	16,916,000	25,643,000
Deficit in Operations	(790,000)	(583,685)

ENDOWMENT FUND SECURITIES

		12/31/66	12/31/72	3/31/73
Non-cash Items				
Cost + Additions		261 Million	444 Million	454 Million
Market Value		292 Million	533 Million	506 Million
Difference		31 Million	89 Million	52 Million
Income		12,500,000	20,000,000	
Yield	Cost	4.79%	4.50%	
	Market	4.28%	3.75%	

Now, as to the Iowa Corporation (fraternal):

Back in 1966 Total Receipts were just over 1 Million
in 1972 Total Receipts were 1¼ Million

After operations and other administrative and annual Session expenses, we had a net gain to Surplus (Our Fund Balances) of 63,000 in 1966—and 218,000 in 1972.

So, our Fund Balance has grown from 2¼ Million in 1966 to 4 Million as of the end of 1972.

This ends my Supplementary report and I now move, Imperial Sir, that these remarks, together with the audited reports contained in the Book of Records, be accepted and approved by this body and that they be included in the proceedings for this Session.

Respectfully submitted,

Thomas W. Melham, *Imperial Treasurer*

This ends my supplementary report, Imperial Sir and I would also move that these remarks be accepted and approved by this body and that they be included in the Proceedings of this session.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, is there discussion? If not, all in favor indicate by saying "aye"; contrary by the same sign. The motion is carried.

At this time I would like to call on Noble Bob Vetter. Here is a fellow who used to give us all these numbers but I would merely urge him to abbreviate his report and merely indicate to us as to how much we took in, how much we spent and how much we have left. (Laughter and applause)

NOBLE ROBERT VETTER: Imperial Sir, Imperial Sirs,, Illustrious Sirs and Fellow Representatives: Your Committee on Finance and Accounts will present at this time

for your consideration and approval the Iowa Corporation operating budget from the years 1972, 1973 and 1974.

You have received, prior to coming to this convention, the Book of Reports which contains our report for the year ended December 31, 1972. You have had an opportunity to review the operations and since we have received no questions, your Committee recommends approval of the report.

I would move for approval and adoption of the 1972 report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, is there discussion?

If not, all in favor indicate by saying "aye"; contrary by the same sign. The motion is carried.

NOBLE BOB VETTER: We shall now present to you the revised budget for 1973, As you will recall, we brought to your attention the necessity of approving a tentative budget for the incoming Imperial Potentate's operations for some six months in 1973. You approved a tentative budget based principally on the operations of 1973, with the understanding that a more realistic figure be given you at this Convention for your approval. This we have done, and submit the following:

Estimated Income	$1,237,150
Estimated Expenses	1,150,698
An indicated Surplus	$ 86,452

We are including in this report a detail of the corrected items which shows the source of income and amount of appropriation by classification. A copy of this report will be recorded in these Proceedings. This report has been approved by the Board of Directors. We shall be governed by your wishes; either read it in detail at this time, or you may review the report when you receive your copy of the Proceedings.

IMPERIAL POTENTATE STRUBY: I am sure that nobody desires all of the figures read.

NOBLE BOB VETTER: On that basis, Imperial Sir, I now move that the budget for 1973 for the Iowa Corporation be approved and adopted as submitted.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. Is there discussion? All in favor indicate by saying "aye"; contrary by the same sign. The motion is carried.

NOBLE BOB VETTER: Imperial Sir and Representatives: It is necessary for you to approve a tentative budget for 1974 in order for the incoming Imperial Potentate to have funds to carry on until his term expires in 1974. Therefore, we have prepared tentative figures for the year 1974 based principally on the 1973 budget, with the exception of non-recurring items and Imperial Council Session expense due to location.

We submit the following:

Estimated Income	$1,225,000
Estimated Expense	1,160,000
An indicated Surplus	$ 65,000

Since these figures are based upon a prior year's operations, we have not included a detailed classification of all items; however, these will be classified at a later date and included in the Revised Budget for 1974, which will be submitted for your approval next year.

Imperial Sir, I move that the tentative budget for 1974 for the Iowa Corporation be approved and adopted as submitted.)

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: Is there discussion with regard to the acceptance of the tentative budget for 1974?

All in favor indicate by saying "aye"; contrary by the same sign. The motion is carried.

(Business was conducted in the Colorado Corporation at this time.)

IMPERIAL SIR GEORGE M. SAUNDERS: I have a resolution, Imperial Sir.

I move you, Sir, that all of the acts and transactions of the Imperial Officers, the Board of Directors and others for the Iowa Corporation for the past year and those taken at this session be ratified and approved.

(The motion was severally seconded, was voted upon and unanimously carried.)

IMPERIAL POTENTATE STRUBY: Now, we are getting down to about the end here. Are there any further Committee Reports to be received. Now, here comes a fine Noble here. I don't want to overlook anybody.

At this time, I will recognize Noble James T. Singley, Chairman of the Special Committee on Shrine Tours and Cruises.

NOBLE JAMES T. SINGLEY: Imperial Sir, Imperial Sirs and Representatives: As Chairman of your Tours and Cruises Committee and in the interest of time, I beg your permission to file this report so that it can be placed in the Proceedings. I will not bore you with the reading of it at this time, especially in an effort to cooperate and save time. However, I do want it in the Proceedings. (Applause)

IMPERIAL POTENTATE STRUBY: As you know, Nobles, these Tours and Cruises are important to our success and we do wish to thank the committee for its report. Of course, the report will be included in the Proceedings.

(The reports of the Special Committee on Shrine Tours and Cruises is included as follows:

To the Imperial Council, A.A.O.N.M.S., 99th Annual Session:

1. Your Special Committee on Shrine Tours and Cruises wishes to report that the members of the committee have continued to be available and have given many Temples advice and counsel concerning the sponsorship of Caravans Tours and Cruises by them and their subordinate organizations.

2. We continue to enjoy success in these endeavors. Such success has resulted from much effort on the part of the many tour committees and individuals responsible for these promotions. We must continue to be vigilant and constantly review the contracts relating to these endeavors and watch carefully our activities relating to them. We again advise all our organizations to continue reviewing all documents so as to assure yourselves that the travel agency is directly responsible to you. The agency of the travel agents with the carriers, hotels and suppliers should also be determined and proven at the time you enter into such contracts. Your liability to the public and your passengers should be made certain and proper insurance taken to cover your exposures.

3. Your committee is informed that some Temples are violating either Shrine Law or Federal Law or both by charging less than the required initiation fee or charging candidates more than members for tours. We recommend that proper action be taken to correct this practice and enforce the laws and previous rulings prohibiting such practices.

4. From time to time legislation is pending in the Congress and rules changes are proposed and adopted by the Civil Aeronautics Board which change the rules of the game. We recommend that you keep abreast of the changes to avoid the penalties resulting from non-compliance.

5. We again recommend the issuance by the Imperial Potentate of a General Order, similar to those issued during the last several years, pertaining to the reporting of such tours and cruises to the office of the Imperial Recorder.

Respectfully submitted,

IMPERIAL POTENTATE STRUBY: Are there any other committees to report? Thank you, Noble Singley, I certainly, as I said before, did not mean to overlook you.

Are there any announcements? I am sure that there will be some announcements from Imperial Sir Jake and then, following that, we will have the installation of the Imperial Officers and then you men can get your checks and proceed home. However, I want to again indicate to you, before we proceed any further, how grateful I am. You know, I have been coming to these meetings for some twenty-six years now and I have never seen a more cooperative group than you and you have been just so kind to me. Thank you so much for all of your kindnesses. (Applause)

IMPERIAL SIR JACOB A. WINGERTER: You know, Nobles, I learned many years ago that when you have something you want done, you give a good man the chairmanship

and then you don't worry about it any more. At this time, therefore, I will give you George Saunders for the purpose of making some announcements.

IMPERIAL SIR GEORGE M. SAUNDERS: Well, he could have done this.

He has appointed Past Imperial Potentate Carlyle Brock to install the officers and the next order of business is the Installation of the newly elected officers.

IMPERIAL SIR O. CARLYLE BROCK (Past Imperial Potentate): Imperial Sir, Imperial Sirs and Representatives: I have asked Imperial Sir J. Worth Baker to act as Imperial Marshal for this occasion.

(Whereupon, the Imperial Officers assumed their respective places for the Installation to their respective offices.)

IMPERIAL SIR O. CARLYLE BROCK: I will ask each of the newly elected officers to pronounce your name in full and repeat after me the obligation of office.

(Whereupon, the Imperial Officers-Elect assumed the obligation of office conferred by Past Imperial Potentate O. Carlyle Brock.)

IMPERIAL SIR O. CARLYLE BROCK: And now, Imperial Sir Struby, if you will step forward here, I would like to say that this is going to be your last place in the sun for a little while.

It has been a great privilege to work with you on down through the many years, to serve under you as Imperial Potentate of the greatest fraternity the world has ever known and I am thinking and I want to think that this is just a commencement and just the beginning of your greater service to humanity and to this great Order.

I stood a few days ago upon the shores of a great ocean and saw a mighty ocean liner and it went out to sea and, as I watched it gradually sink beneath the horizon, those standing with me said, "She is gone." However, to the other part of the world, she was coming. I am sure, Henry, that you are not gone and may the Grand Architect of the Universe give you many years of good health to serve this fraternity as you have so ably done in the past. God speed and God bless you.

(Rising applause.)

And now, if the new Imperial Outer Guard will please come forward.

You know, I like to receive every Imperial Officer with a few words of love and affection but time does not permit and so I will select your newly elected Imperial member to this Imperial Council.

He has been a grand friend of mine and we have traveled together. I am happy that his enthusiasm and persistence has resulted in success.

May I assure you, Danny, that you have entered the greatest ruling family, the greatest family in all this world. You have added to yourself new brothers and sisters who will be with you down through the many years and I hope that you will be able, after these longer years which will go by all too quickly, to say that these have been your dearest hours.

Welcome to the Imperial family, Danny, and Godspeed. (Applause)

And now to you, Imperial Sir, Jake, we have known each other and we likewise have traveled the campaign trail together. You have been very successful and you have arrived here many years sooner than most have done but, Sir, I know that the years you have spent have been enjoyable and fruitful ones.

I think of an Imperial Potentate as an actor on the stage. He enters from one of the wings and he looks out over a great audience and in that audience are two massive giants and a little giant. One of the giants is "applause", the other is "criticism" and the little one represents "silence."

I hope for you, Imperial Sir, practically no "criticism," though there will be; but an abundance of "applause" and little "silence." I am sure you have some great ideas and you concur with me that despite the greatness and accomplishments of the past, the greater accomplishments lie ahead of us.

I am sure the most glorious years of the fraternity are in the tomorrows and the great future which lies ahead.

And, Imperial Sir, I am sure you are well fitted with the attributes to carry the banner of this great fraternity to even greater heights.

It has been said that ideals are like the stars, you cannot reach out and touch them with your hands but, like the seafaring man on the desert of waters, having accepted them as our guide and following them surely will lead us to our destiny.

And, Jake, as you follow your star, may the Almighty go with you and may He be at your right hand at all times. Godspeed and good luck.

Now, before I complete my duties here and turn this over to you, I would ask if your Brother, the new Imperial Chaplain, would come forward.

Imperial Sir and Reverend Frank Wingerter, I welcome you to this Imperial family and I hope that your year will be one filled with happiness and joy. It is unusual that an Imperial Potentate has his own brother as his Imperial Chaplain.

(At this point the gavel was handed to Imperial Potentate Jacob A. Wingerter.)

IMPERIAL SIR O. CARLYLE BROCK: And now, Nobles, the son of our Imperial Potentate desires to place the five-star Fez upon the head of his father.

NOBLE RON WINGERTER: Dad, it is again with deep personal pride that I present to you this highest mantle of Shrinedom, your five-star Fez.

(Presentation of Fez ensued.)

(Applause.)

IMPERIAL POTENTATE WINGERTER: Let me say to you, Ronnie, that I thank you very, very much.

IMPERIAL SIR O. CARLYLE BROCK: At this point, Imperial Sir, Illustrious Sir Fred Wingerter desires to make a presentation.

NOBLE FRED WINGERTER: Imperial Sir, Imperial Sirs, members of this great Imperial Council: Yesterday I had the opportunity to thank each and every one of you for bringing this great honor to the Wingerter family. If you were not at the pageant that was put on by Salaam Temple, I would like to say once more to this wonderful audience—thanks, we are indeed proud, we are a proud family and we are most happy for our brother, Jake. We know he will do a splendid job. He has been a great leader in the family, a great leader to this organization of ours and I know he will carry on the banner. Thank you once more.

At this time I have a small pin from the family which I would like to place on his lapel.

(Presentation of pin and applause ensued.)

IMPERIAL SIR HENRY B. STRUBY: (Past Imperial Potentate): It is now my real pleasure to pin the Imperial Potentate's badge on a great leader. I know he is going to do a fine job for all of us.

Now, before leaving the podium, let me say that there is one more thing I would like to present to you. You know, when we were down here at the Southeast, we had a little bit of a problem with the Mayor. Now, we have about a half minute of tape which I would like to play back to you, indicating the reversal of his feelings toward the Shriners. This is an honor to Jake and all of you. However, I have this here merely to indicate that insofar as we are concerned, he has changed his attitude completely and, of course, we are all so very, very proud of Jake and his Divan and of all the men who have made all of this possible.

Now, Jake, I present to you this Jewel with the hope that you wear it both with good luck and good health.

(Presentation of Imperial Potentate's Jewel and applause ensued.)

IMPERIAL SIR GEORGE M. SAUNDERS: You know, since Imperial Potentate Struby has lost his Jewel, I would like to tell you that in the name of the Representatives and this Imperial Council, that I am pleased to present you, Henry, with your Past Imperial Potentate's Jewel. I am sure that this will serve as an everlasting tribute to your year of dedicated effort to our fraternity.

It is fashioned of purest gold and precious stones. Gold is emblematic of the true value of Masonic and Shrine good fellowship that has been so much a part of your very life itself. Precious stones symbolize the true character of the fraternal and the charitable efforts that are known the world over in the work of the Shrine and Shriners Hospitals for Crippled Children, the world's greatest philanthropy.

You. year of service as Imperial Potentate has been a most strenuous one for you and Margaret and, certainly, you have left your footprints on the sands of our glorious Shrine history.

May you now enjoy some much needed and deserved rest and may you live long in Shrine service and as you return to the ranks of our noted leaders, graciously welcomed into their sacred numbers, our sincere thanks go out to you for your devotion to duty and your magnificent contribution to our Order throughout your year of leadership.

I am pleased to vest you with the Jewel in the name of the Representatives.

(Representatives arose and applauded as Imperial Sir Struby was presented with his Past Imperial Potentate's Jewel.)

IMPERIAL SIR HENRY B. STRUBY: You know, if I were to live to be a million, and of course, I won't, I could only tell you that it is with a very, very grateful heart that the Struby's are so thankful to you for the many courtesies, many visitations we made. We made them all—we made all the commitments we have had—we were just so pleased to meet so many outstanding Shriners and to see this beautiful country.

I will always be indebted to Jake and this great Imperial Divan (and, of course, it is not mine any more) for the great work that they did in helping me with my different programs because, as you know, a lot of this work is accomplished through committee work and it is because of them that a great deal of what I think was a successful year was possible.

I certainly admire Carlyle Brock. We have been friends for many years and I appreciate his part in this presentation and while maybe this could be done without George, I just would not want that to happen.

Again, Nobles, my thanks to all of you for your efforts and cooperation throughout this past year. I deeply appreciate it and, of course, my best and my cooperation to Jake and his Imperial Divan for the coming year.

Now, before you leave, Nobles, I would like to have you listen to this tape.

IMPERIAL POTENTATE WINGERTER: While they are getting that ready, Henry, let me tell you what our plans are in relation to these new Fezes that have been presented to all of our Imperial Officers.

As you know, on the 26th of November past we were one hundred years old and so, in turn, this present Divan will be the 101st birthday Divan. Now, these new Fezes that your Imperial Officers will be wearing throughout the year will, at the end of the term, be placed in a museum in Alexandria representing the first Divan of the 101st year of Shrinedom and, Henry, with that in mind, I should like to place this Fez on your head as the Potentate who brought us into the 101st year and thank you again for all of your great work.

(Presentation of new Fez and applause ensued.)

IMPERIAL SIR O. CARLYLE BROCK: Nobles, at this time I will ask our Imperial Marshal to make the proclamation.

IMPERIAL SIR J. WORTH BAKER (Past Imperial Potentate): Imperial Sir, Imperial Officers and fellow Nobles: I herey declare the Officers duly and constitutionally elected, and installed into the office to which they have been elected.

IMPERIAL SIR O. CARLYLE BROCK: Officers, behold your Nobility and, Nobility, observe your Officers and give them a rousing ovation.

(Rising applause ensued.)

IMPERIAL SIR O. CARLYLE BROCK: And now, Imperial Sir, Jake, I declare you, by the authority of this Imperial Council, duly installed as the Imperial Potentate of the Shrine of North America and present you this gavel.

(Presentation of gavel.)

IMPERIAL POTENTATE WINGERTER: Thank you, Carlyle, for the wonderful installation program which you provided and also provided on very short notice. However, as has been evidenced by him, Carlyle can do these things and, therefore, I would ask you all to give him a great big hand.

(Applause.)

IMPERIAL POTENTATE WINGERTER: I should now like to call on our Imperial Recorder for some announcements.

(At this time, Imperial Sir George M. Saunders announced the partial list of committee appointments.)

IMPERIAL POTENTATE WINGERTER: Nobles, once again, my thanks to all of you.

I will now declare this Imperial Council Session adjourned.

(The Ninety-Ninth Annual Session of the Imperial Council, A.A.O.N.M.S. adjourned sine die at eleven-thirty o'clock a.m.)

Statement from Mayor Sam Massell of the City of Atlanta, taken from tape:

MAYOR SAM MASSELL: A couple of years ago I had occasion to find fault with some of the activities of Shriners visiting our city so it is only fair that today I express compliments on the behavior of the vast majority of the 70,000 Shriners who have visited here from all over North America during their big convention.

I also want to compliment the citizens of Atlanta for their acceptance of the inconvenience they experienced from time to time. We were pleased to have this group in our city and we invite them back.

ANNUAL REPORT OF GEORGE M. SAUNDERS IMPERIAL RECORDER, A.A.O.N.M.S.

JANUARY 1, 1972 TO DECEMBER 31, 1972

Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.

GREETINGS:

The following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period January 1, 1972 to December 31, 1972, both dates inclusive, are respectfully submitted by your Imperial Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Central Office, has been submitted and your attention is directed thereto.

The election returns for 1973, of the 172 subordinate Temples reflect that there were Representatives to the Imperial Council for 1973 as follows:

	*Total Number	Total Votes
At Large	13	13
Ad Vitam	19	18
Emeritus	97	75
Elected	686	686
Total		792

*Includes Duplications

At the end of our last calendar year, the Temples Annual Reports showed a total of 896,750 Nobles on the active rolls of membership, and Permanent Contribution Membership certificates were held by 112,673 Nobles, which relieved them of paying the Annual Shriners Hospital Assessment.

The net gain in total Shrine Membership for the year 1972 was 10,250 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 61 Temples report a loss in membership, with 111 Temples reporting gains over the previous year, some of which are extremely small.

The net gain this year was 1,762 more than last year and this can be accounted for almost entirely by the 1,755 increase in the number of creations in 1972 over 1971. The changes in the other areas just about washed each other out. It is a shame that we let suspensions rob us of a much larger gain.

Temples must give more thought to maintaining their current members as well as getting new creations. More attention to all membership details must be paramount in the minds of all Nobles if we are to reach our desired membership goals.

The responsibility that rests on the shoulders of the Imperial Officers continues to grow and increase with each passing year and any degree of success that we have been able to chalk up in the past is due to their sincere dedication. We are grateful to them for their many hours of service in the Shrine's cause.

To Imperial Potentate Henry B. Struby goes my sincere thanks for his dedicated service to the Shrine. His year of stewardship brings forth from his visitations an abundance of warm praise for his efforts. He is a devoted worker with great inspiration to all with whom he associates.

Our continued changing economic condition means even more dedicated effort on the part of the Imperial Officers, if we are to steer our beloved fraternity and its great philanthropy through these troubled times to a safe future for which we are all working hard.

Again we have many new faces in the ranks of the Temple Recorders and I want to welcome them to our service and extend to all Recorders and their staff members my sincere thanks for their splendid cooperation and dedication to Shrine service. If we of the Central Office can be of help to you in any way, please feel free to call upon us.

The publicity section of the Imperial Recorder's Office continues to operate along established procedures under the Chairman of the Public Relations Committee. They strive to keep the proper Shrine image before the public and to help all Temples who request help. The continued fine work of this department is gratefully acknowledged and much appreciated.

The Accounting Department of the Central Office finds their work load on an even greater increase and with the problems appendant to the continuing variation in government regulations and procedures, we expect even greater activity in this department. The staff works hard and deserves the sincere appreciation of all for a job so well done.

My sincere thanks to Nobles Lewis K. Molnar who is in charge of the Accounting Office; Don Peirce, the Data Processing Office; Charles G. Cumpstone, Jr., Assistant to the Imperial Recorder and Robert E. Sconce of the Public Relations Department. I am grateful to each of you.

This report cannot be concluded without a public thanks and appreciation to every one in the Central Office who has done so much to keep the work flowing smoothly through the office. They are all a great part of the success of the office function through their own loyalty, dedication and effort for the organization. They each deserve the very best in commendation for a job well done and the Shrine has grown in the minds of the public through their efforts. You are each and every one most wonderful folks and I am grateful to you. I appreciate your continued friendship and splendid work.

Membership is a subject that is uppermost in our minds as we close the year's work. Each Temple is urged to devote more time and effort on developing a gain in membership. We are in the first of our second hundred years as a fraternal organization and we must apply more effort if we are to reach the million Nobles goal we have so fervently worked to attain.

"EACH ONE BRING ONE"

is not at all impossible if all Temples will "organize, delegate and supervise" the work of their Nobles. Every Noble can either bring in at least two new members by taking the petitions of his friends into a Lodge and following them through to the Shrine—

OR get the petitions of those who are now eligible for the Shrine—

OR secure Nobles by affiliation who live in the area and are carrying a demit from their former Temple—

OR secure Nobles by reinstatement who have been suspended by their Temple.

GET at least TWO before you are through. One to replace you when you are gone and one for the Temple to grow on. REMEMBER GET TWO BEFORE YOU ARE THROUGH.

See that they are all given something to do in Shrine work because busy Nobles are happy Nobles.

SHRINETENNIAL

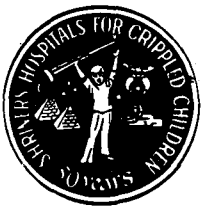
Our fraternal organization celebrated its 100th birthday last year since our first Shrine Temple started to work in September in the year 1872. We have made great progress down through the years and now we are nearing our goal of a million Nobles in good standing. We have in operation at the present time 172 Shrine Temples.

Our great charity work, Shriners hospitals for Crippled Children, celebrated its 50th birthday last year with our first hospital opening September 16, 1922. We now operate a chain of 22 such Units located at strategic points throughout North America, 19 orthopedic units and 3 burns units, with one hospital in Honolulu, one in Mexico, 2 in Canada and 18 in the United States.

Since our beginning in this great work we have treated without charge more than 200,000 underprivileged children as in-patients and as out-patients and this regardless of race or creed. We as Nobles of the Mystic Shrine can take great personal pride in these accomplishments.

We celebrate the Shrinetennial Year of the Shrine, the 100th anniversary of the fraternal organization founded September 26, 1872 in New York City, New York.

These coins were struck in commemoration of the noted occasion.



The hundredth anniversary of the founding of the Imperial Council or governing body of the Shrine is June 6, 1976.

The One Hundredth Session of the Imperial Council will be held at Atlantic City, New Jersey the week of June 23, 1974. Two Sessions of the Imperial Council were held in the year of 1880. From all this information it seems like we can celebrate the 100th for several years.

SHRINETENNIAL

Shrine work is our work and we take great pride in the dedication of our staff to all the details of helping Temples with their problems. We are happy to lend our help in improving our image with the public as well as with our Masonic Fraters.

The Shrine is the organization that provides the greatest help in promoting membership in all prerequisites as well as the Shrine itself. This, of course, includes the work of the Order of DeMolay.

The Order of DeMolay is a character building organization of young men from thirteen to twenty-one years of age, who are seeking to prepare themselves as better leaders and citizens for tomorrow by developing those traits and strengths of character of all good men.

The organization has carried out the aforementioned goals for over 50 years through programs of athletic competitions, social activities, civic service and charitable projects.

We call upon all our Nobles to join in saluting the young men of the Order of DeMolay and in expressing our grateful appreciation of the fine examples set by these young leaders in contributing to the welfare and character of other young men in their community, thus aiding in the development and leadership of tomorrow.

Following you will find statistics that have been compiled for your use; study them and compare the history of membership of your Temple with

others, your State with other States, and concern yourself with the statistics and history of membership of the principal Bodies of Masonry. We owe them our help.

May Allah guide us as we enter the second hundred years of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

ES SELAMU ALEIKUM

Respectfully Submitted,

GEORGE M. SAUNDERS
Imperial Recorder

SHRINE PROTOCOL

For the Use and Guidance of Illustrious Potentates and Divan Members of the Subordinate Temples, Shrine Clubs and Shrine Associations

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLES PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present. The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

2. Imperial Officers other than the Imperial Potentate (by rank). (One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
   (Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the

Mystic Shrine for North America, Imperial Sir.....of.....

Temple, ... (City), ... (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
   a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical Sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

ARTICLE 22

Temple Charter and Location

§ **322.1 Recognition.** Only Temples chartered or under dispensation by the Imperial Council are recognized as a part of the Order.

§ **322.2 Authority.** A charter or dispensation from the Imperial Council constitutes the authority of a Temple to meet and work.

§ **322.3 Exhibit of charter.** The charter must be properly preserved and prominently displayed.

§ **322.4 Loss of charter.** If a charter is lost or destroyed, the Temple must immediately apply to the Imperial Council for a duplicate for which $25 shall be charged.

§ **322.5 Change of location.** A Temple may change its location in the following manner:

(a) The proposal to move the location of the Temple must be in writing, signed by at least 100 members of the Temple, setting forth the details of the proposal. It must be presented to the Potentate.

(b) Thereupon the Potentate shall direct the Recorder to mail a notice of the proposal to each member stating that a meeting of the Temple will be held within 90 days to vote upon the proposal.

(c) Before the expiration of 30 days after the receipt of the proposal by the Potentate, he shall fix the time and place of the meeting and notify the Recorder.

(d) Thereafter not less than 20 days nor more than 30 days prior to the meeting, the Recorder shall mail to each member a notice of the exact time and place thereof.

(e) If 2/3rds or more of the members voting at the meeting are in favor of changing the location of the Temple, the result of the election shall be certified to the Imperial Recorder who shall submit it to the Imperial Council at the next annual meeting.

(f) If the Imperial Council finds the move to be in the best interests of the Order, it may approve the proposal and order an amendment to the charter changing the location of the Temple.

ARTICLE 23

Temple Membership

§ **323.1 Temple; how constituted.** A Temple consists of its officers and as many members as it admits.

§ 323.2 Petition, form. Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

§ 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

§ 323.4 Residence.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the Temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1973

§ 323.6 Candidate; when initiated.

(a) A Temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) Application for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the

second Temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto effect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto effect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Each Temple in which a Noble holds associate membership shall collect and remit the hospital levy for an associate member unless he has been issued a Permanent Contributing Membership certificate by the Recorder of that Temple.

(f) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

Amend. 1972

§ 323.8 Retention of membership.

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a).

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership, he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

§ 323.9 Suspension or Termination of membership.

(a) Rights of membership in a Temple are suspended by:

(1) Voluntary demission upon payment of all indebtedness, assessments and voluntary obligations to the Temple; or

(2) Suspension for nonpayment of dues; or

(3) Suspension for other cause.

(b) Membership is terminated by:

(1) Expulsion; or

(2) Death

§ 323.10 Demit.

(a) A demit specifies that at the time of its issue the Noble named therein was (1) in good standing, (2) free from charges, and (3) free from indebtedness, assessments and voluntary obligations to the Temple.

(b) A Temple cannot withhold a demit from a Noble applying and who qualifies for it under (a).

(c) A Temple may issue a duplicate demit to a Noble.

(d) A demit may be issued by the Potentate and Recorder of the Temple between stated meetings of the Temple. A record of a demit so issued must be made and reported to the Temple at its next succeeding stated meeting.

(e) A demit, when granted, is effective for all purposes as of the date of the filing of the written application therefor with the Recorder of the Temple.

(f) A demit entitles the holder to affiliate with a Temple only pursuant to these By-laws.

§ 323.11 Suspension for nonpayment of dues.

(a) A Temple may not carry a member on the books who is more than 2 years in arrears. The Temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

(1) He must be notified by first class mail that he is in arrears;

(2) He must be given an opportunity to be heard;

(3) He must be admitted to the Temple for this purpose even though he is in arrears; and

(4) A majority of members present at a stated meeting must vote to suspend him.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ 328.8 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c).

(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be at-

tached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple until it has been under dispensation for a period of at least the time elapsing

between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacany in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30
Discipline by Temple

§ **330.1 Jurisdiction.** A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ **330.2 Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain

and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) If any officer named in this section either files the complaint, is himself the accused, is related by blood or marriage to the Noble who files the complaint or the accused, or is in any way interested in the controversy, he shall be disqualified to act hereunder. No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancy with a disinterested Nobles.

Amend. 1970

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve.

Amend. 1970

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; and, if any other officer is disqualified, the Potentate shall appoint another officer or Noble to act in his stead.

Amend. 1970

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation

of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required.

The report of the trial committee must be signed by the entire committee.

As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BY-LAWS
(Iowa)

§ 101.3

1972 Proceedings, p. 155. Obedience to Shrine law, as defined in § 101.3(j), is not optional but is required of all Shriners and of every Temple.

1973 Proceedings, p. ..... According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (j), General Orders which have expired are no longer Shrine law.

§ 101.4

1972 Proceedings, p. 153. According to Robert's Rules of Order, which apply by virtue of § 101.4, an amendment which is germane and which does not enlarge the scope of a resolution at the time being considered by the Temple may be offered without prior notice.

Unless appropriate points of order and appeals from rulings thereon are made at the meeting at which violations of parliamentary procedure are claimed to have occurred, the objectors waive any right to question the procedure by which action by the Temple was taken.

§ 101.7

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

§ 323.3

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1973 Proceedings, p. 98. Under § 323.8 a Noble is required to maintain membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.

1973 Proceedings, p. 96. A Noble holding associate membership under § 323.7 must pay the hospital assessment in each temple in which he holds membership and from which he does not have a Permanent Contributing Membership certificate issued pursuant to § 332.4.

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another

temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite membership, does not result in a loss of Shrine membership.

§ 323.9(b)

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.13

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial By-law §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 324.1

1971 Proceedings, p. 97. Stated meetings of a temple must be held at the city named in its charter; and, at ceremonial sessions held elsewhere, §328.7(a) prohibits the transaction of any business other than the election and initiation of candidates.

1972 Proceedings, p. 152. So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.

1972 Proceedings, p. 153. All business meetings of a Temple must be held at the city named in its charter and, even at ceremonial sessions held elsewhere pursuant to § 328.7, the transaction of any business other than the election of candidates is prohibited.

1965 Proceedings, p. 40. Use of written devices prohibited.

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

§ 325.10(a)

1972 Proceedings, p. 153. A Temple By-law provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for Temple office is not inconsistent with Article 25.

§ 325.13

1972 Proceedings, p. 152. 1973 Proceedings, p. 96. A special election under § 325.13(a) is not

mandatory; but the temple itself may direct that a special election be called, in which event a special election must be held at the time and place directed.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple By-laws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial By-Laws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

§ 327.4

1973 Proceedings, p. 99. Under § 327.5, temple by-laws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

§ 328.1

1972 Proceedings, p. 153. By virtue of § 328.1, the Potentate of one Temple has the power to prohibit the solicitation of advertisements within the jurisdiction of his Temple by or for the benefit of another Temple.

§ 328.2(a)

§ 328.7(d)

1972 Proceedings, p. 154. By virtue of § 328.1 a Temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.

§ 329.4

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under §329.4(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

§ 329.6

1971 Proceedings, p. 94. Pursuant to §§337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

1973 Proceedings, p. 99. § 332.1(d) requires payment of initiation fees before initiation, so that the acceptance of credit cards or other credit transactions to which the temple is a party for the purpose of financing the initiation of candidates is prohibited.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

§ 332.6

1973 Proceedings, p. 97. Imperial By-law §§323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332. 7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

§ 334.4

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

§ 334.4(c)

1967 Proceedings, p. 83. A Temple By-law provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. By-laws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

§ 334.6

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

§ 334.7

The $5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE–IMPERIAL COUNCIL

On January 1st, each Temple owes sixty cents per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 207: DEFERRED REVENUE

The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 27th day of the 10th month, Shauwal, 1393 (marked 55 in red) is the 24th day of November, 1973 (also marked 55 in red).

What day in the Mohammedan year is May 18, 1974.

Finding May 18, 1974 in the Gregorian calendar it is found to be marked 230 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 24th day of the 4th month, Rabi-ul-Akhar, 1394.

FOR CRIPPLED CHILDREN

PROCEEDINGS

of the

IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER

OF THE

NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

Colorado Corporation

July 3-6, 1973

Atlanta, Georgia

AFTERNOON SESSION

TUESDAY, JULY 3, 1973

THREE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was held at the Mariott Motor Hotel, Atlanta, Georgia on July 3, 4, 5 and 6, with the opening session being called to order on July 3, 1973 at three o'clock p.m., Imperial Potentate Henry B. Struby, presiding, pursuant to the notice of annual meeting.

IMPERIAL POTENTATE STRUBY: I would now like to declare the Ninety-Ninth Annual Session open for business and the waiving of forms and ceremonies.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: I would at this time like to recognize George M. Saunders for a motion to elect Representatives and members of the Colorado Corporation.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, in accordance with the provisions of Section 504.1 of the Colorado By-Laws, I move that all of the elected Representatives and the Emeritus Representatives of the Iowa Corporation be elected Representatives of the Colorado Corporation.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion as seconded. Is there discussion? All in favor indicate by saying "aye"; contrary by the same sign. It is so ordered.

The Chair now declares this session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and it will remain open until the session is adjourned.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: Now, Nobles, this concludes our meeting for this afternoon. We will start again at nine o'clock in the morning. Thank you all once again for your cooperation.

I will now declare this meeting recessed until nine o'clock tomorrow morning.

(The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at four o'clock p.m.

MORNING SESSION

WEDNESDAY, JULY 4, 1973

NINE O'CLOCK A.M.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Marriott Motor Hotel, Atlanta, Georgia, on July 4, 1973, at nine o'clock a.m., Imperial Potentate Henry B. Struby presiding.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: I would now like to recognize our Imperial Recorder, who will explain to you what we are now going to do.

IMPERIAL SIR GEORGE M. SAUNDERS: In accordance with the provisions of Shrine Law, certain elective officers of the Imperial Council are being nominated for Trustees. Those Officers are your newly elected Imperial Potentate, Jacob A. Wingerter; your newly elected Deputy Imperial Potentate, Jack M. Streight; your newly elected Imperial Chief Rabban, W. W. Bennett; your newly elected Imperial Treasurer, Thomas W. Melham and your soon to be Junior Past Imperial Potentate, Henry B. Struby.

If there is no objection, I move that those named Nobles be elected as members of the Board of Trustees for the ensuing one-year term.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. I will put the motion. Those in favor please say "aye"; contrary by the same sign. The motion is carried and I will therefore declare them unanimously elected as Trustees for the one-year term.

Now, we come to another part concerning the Trustees and George will again explain this.

IMPERIAL SIR GEORGE M. SAUNDERS: There are two terms expiring and the Imperial Sir will now declare nominations open for members to serve the three-year terms. These involve two three-year terms on the Board of Trustees and nominations are now open, Imperial Sir, for those to serve those two three-year terms as members of the Board of Trustees.

IMPERIAL POTENTATE STRUBY: As indicated, nominations are now in order.

To be absolutely fair, again, we are going to handle this by drawing ballots to see who is going to make the first nomination.

(Whereupon, drawing for position with regard to nomination ensued.)

IMPERIAL POTENTATE STRUBY: Judge Wilson is going to make the first nomination.

IMPERIAL SIR ROBERT GARDINER WILSON, JR. (Past Imperial Potentate): Imperial Potentate and Representatives to this Imperial Council: I readily agree that no man is wholly indispensable but it also remains true that some men are extremely difficult to replace and they are unwisely replaced if their experience and highly competent abilities continue to be available.

I have in mind an eminently successful businessman—a man, who, for many years, was a member of the Board of Governors of one of our largest and, incidentally one of our best operated Orthopedic Hospitals. For a considerable period, he was Chairman of the St. Louis Unit Board of Governors.

Some years ago, he had the honor and the great privilege of giving a year of service and leadership as Imperial Potentate of the Shrine of North America.

In more recent years, he has been a valued member of the Board of Trustees of Shriners Hospitals for Crippled Children, not merely an honor but an opportunity for dedicated service.

He is the present Chairman of the Board of Trustees and I urge you, each Representative present at this Imperial Council Session, to cast one of his two votes for the reelection of the Noble it is now my privilege to nominate—Imperial Sir Harvey Beffa, of Moolah Temple.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: Thank you, Judge, I will now recognize Potentate Walter E. Bischoff of Medinah Temple.

NOBLE WALTER E. BISCHOFF (Medinah Temple): Imperial Sir, Imperial Sirs and Representatives: As Potentate of Medinah Temple, I place in nomination for Trusteeship of the Board of Shriners Hospitals for Crippled Children, a Past Potentate of Medinah Temple, Thomas E. Roberts.

Tom Roberts has served on the Board of Governors of the Chicago Unit for over thirteen years, seven of which were as its Chairman and for the past three years has been the Vice Chairman. His executive and administrative ability is highly regarded.

Those Temples having a close association with him concur as to his leadership ability. Evidence of his accomplishments is shown in the recent Imperial Council report that rates the Chicago Unit as number two.

The Nobility of Medinah Temple, and there are likewise several other Temples with whom I have discussed this, are wholeheartedly in back of this capable man—a man from the rank and file, with Hospital Board experience, following in the footsteps of our beloved Noble Carl Rahn, that respected Trustee who was not an Imperial Officer.

I believe it is important, Nobles, Trustees and Representatives, that we nominate and elect as one of our Trustees to the Board of Shriners Hospitals for Crippled Children, Thomas Roberts.

Thank you very much. (Applause)

IMPERIAL POTENTATE STRUBY: I will now recognize Past Potentate Singley of Hamasa Temple.

NOBLE JAMES T. SINGLEY (Hamasa Temple): Imperial Sir, Imperial Sirs and Fellow Representatives: We come here this morning to select a Trustee to operate and help operate our Crippled Childrens Hospitals, commonly known to us as our Colorado Corporation. In doing this, we should do it with the same care we would use in selecting our doctor, our preacher, our banker or our lawyer.

Now, we happen to have among us a gentleman who has heretofore been granted your trust. You elected him a number of years ago, with the thought that he would serve at least ten years before becoming your Imperial Potentate. Now, because of an unfortunate loss in the Imperial line, he had to assume that job within eight years. You saw last year at Dallas-Forth Worth, the splendid job he did for you.

You have further entrusted him, as your Immediate Past Imperial Potentate, to serve you during this past year as a member of your Board of Trustees.

He has served on the Evaluation Committee for a long time; he has served on the Budget Committee, the Investment Committee and the Salary Committee. He is a man of experience in your work.

Now, of course, we have two individuals to elect today and only two. However, I wish we could elect more but that is what the regulations provide for.

Therefore, I commend to you for your consideration a gentleman proven in this field, familiar with it, your own C. Victor Thornton. I take great pleasure and recommend to you C. Victor Thornton as a proven man in industry, ability and youth to serve you.

Therefore, Imperial Sir, I place in nomination for these vacancies the name of C. Victor Thornton. (Applause)

IMPERIAL POTENTATE STRUBY: Are there other nominations? Are there other nominations? Hearing none, I declare the nominations closed. (Gavel)

Now, so that there will be no question and inasmuch as the Tellers are still counting the ballots with regard to the election for Imperial Outer Guard, I would like to have Bob Turley explain to us just how you have to cast this ballot.

NOBLE ROBERT J. TURLEY: The Imperial Potentate had selected ballot No. 7, which is the brown ballot, to be used for this election.

There are two three-year terms on the Board of Trustees. You must vote for two. A vote for less than two cannot be counted. You may mark your ballots. The Tellers will be back to collect the ballots later on when the ballot boxes are open.

However, again, you must vote for two and the two receiving the highest number of votes and the majority of the votes cast will be elected.

IMPERIAL POTENTATE STRUBY: Of course, it also goes without saying that if you write in a name of someone who has not been nominated, that ballot will also be voided.

Now, there is a question here on the stage with regard to the voting. With regard to this matter, they must receive a majority in order to be elected. I give you that information so that you know what we are talking about.

Now, while we are waiting for the ballot boxes to again be open, we will proceed with other business.

(Business was conducted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: While we are waiting here now, I would like to call attention of the Tellers, because they were outside when nominations were made, that there were three nominations made for Trustee—Beffa, Roberts and Thornton. Therefore, you fellows, if you desire to vote, you can vote for any two of these three men on Ballot No. 7.

Now, at this time, I would like to recognize Clyde Oliver, who can again explain this to you.

NOBLE CLYDE OLIVER: If the Tellers will assume their stations, we will proceed with the voting for Trustees of the Colorado Corporation. Use ballot No. 7 and vote for two only. If you vote for more than two, the ballot will be considered spoiled.

The Tellers may proceed.

(Whereupon, voting and collection of ballots ensued.)

IMPERIAL POTENTATE STRUBY: Has everyone balloted? I now declare the ballot closed. (Gavel)

(Business was then conducted in the Iowa Corporation.)

IMPERIAL POTENTATE STRUBY: Now, Nobles, we are going to give you the results of the vote for Trustees. Now, please don't leave because we still have a few more announcements.

NOBLE CLYDE OLIVER: Imperial Sir and Representatives: First I would tell you how grateful we are for your indulgence in tabulating this ballot. I know you have been patient.

This is the results of the ballot on the voting for Trustees for the Colorado Corporation.

There were a possible 772 votes and 746 actually voted. There were two spoiled ballots. Necessary for choice, 386. The votes were distributed as follows: Noble Thomas Roberts, 309; Noble Victor Thornton, 613 and Noble Harvey Beffa, 566.

IMPERIAL POTENTATE STRUBY: As indicated to you before, this vote takes a majority vote and, therefore, on the basis of the results of this ballot, I declare Imperial Sir Harvey Beffa and Imperial Sir Victor Thornton elected as Trustees. (Applause)

Now, I believe our Imperial Recorder has some further business.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir and Nobles, we have two other pieces of business having to do with the reorganization of the Colorado Corporation.

A motion is in order that Jacob A. Wingerter be elected as Chairman of the Board of Directors; Harvey Beffa as President of the Colorado Corporation; Jack M. Streight as First Vice President of the Colorado Corporation, W. W. Bennett as Second Vice President of the Colorado Corporation; Thomas W. Melham as Treasurer of the Colorado Corporation; George M. Saunders as Secretary of the Colorado Corporation; Peter Val Preda as Assistant Secretary of the Corporation. This is as provided for in the By-Laws of the Imperial Council.

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: I would so move, Imperial Sir.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL SIR GEORGE M. SAUNDERS: Now, Imperial Sirs and Nobles, in accordance with the laws of the Imperial Council, the following are to be elected as Directors

of the Colorado Corporation: Jacob A. Wingerter, Jack M. Streight, W. W. Bennett, Peter Val Preda, Harvey Smith, Fred Morrison, Thomas Melham, George M. Saunders, Warren Weck, Charles Claypool, F. T. H'Doubler, Jr., Randolph R. Thomas, Dan Bowers, Henry Struby and Harvey A. Beffa.

A motion is in order that they be elected Directors of the Colorado Corporation.

IMPERIAL SIR ROBERT GARDINER WILSON, JR.: Again Sir, I would so move.

(The motion was severally seconded and, there being no discussion, was voted upon and carried.)

IMPERIAL POTENTATE STRUBY: Thank you again, Nobles. You have been a great bunch and I certainly appreciate your cooperation. Don't forget to be back here at three o'clock this afternoon for the next session.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at eleven fifty-five o'clock a.m.)

AFTERNOON SESSION

WEDNESDAY, JULY 4, 1973

THREE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Marriott Motor Hotel, Atlanta, Georgia, on July 4, 1973 at three o'clock p.m., Imperial Potentate Henry B. Struby presiding.

(Business was transacted in the Iowa Corporation at this time.)

NOBLE WILLIAM H. KNOWLTON: (Reading)

To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws by the Board of Directors of the Colorado Corporation, all of whom are members of the Corporation, a proposal to amend § 511.3 of Article II of the By-Laws of the Colorado Corporation so that said section will read as follows:

"§ 511.3. IMPREST ACCOUNT. The Board of Directors may establish a special account, not exceeding $25,000.00 for the prompt payment of expenses and obligations employing the imprest system; and authorize checks to be drawn thereon upon the signature of any officer:"

The Committee reports that the proposed amendment if in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS
Robert J. Turley, *Chairman*
Warren L. Jones
Walter S. Jeffries
John D. Cochran
William H. Knowlton
Elmer P. Bromley
Edward G. Maag

Imperial Sir, I would move for the acceptance of the report.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. All in favor indicate by saying "aye"; contrary by the same sign. It is so ordered.

NOBLE ROBERT TURLEY: Imperial Sir; I was asked by the Board of Directors to prepare this amendment for them and you might like to have an explanation of the purposes for it. As a matter of fact, you might like to know where it is.

It begins on page 27 of the Call and the text of it actually is on page 28, the last page of the Call.

We have a provision in the Colorado Corporation By-Laws now which permits the use, on authority of the Board of Directors, of an imprest account but under the terms of the By-Laws as they presently exist, that imprest account may not exceed $10,000.

The Board of Directors of the Colorado Corporation would like to increase the limit to $25,000.

I am sure that most of you know what an imprest account is. In the event that you do not, let me say that it is an account into which the normal three-signature checks of the Colorado Corporation are deposited in order that small amounts may be paid without the necessity of circulating three-signature checks among the officers of the corporation and an accounting then, of course, is made bofore the imprest account is replenished.

If you will permit me to put it into terms with which I am more familiar, as well as some of you may be, I would liken it to a petty cash account.

Now, is there any question about the nature or purpose of this amendment?

If there are no questions, Imperial Sir, I would move for the adoption of the amendment.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: We have a motion and a second to adopt this amendment. Is there discussion?

Let me say that this is truly a bookkeeping item and that the money will not be expended unless approved.

If there is no discussion, all those in favor of the adoption of the amendment indicate by saying "aye"; contrary by the same sign. It is unanimous and it is so ordered.

(Business was conducted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: One of our newly elected Trustees, Past Imperial Potentate C. Victor Thornton, would like to have a word with you.

NOBLE C. VICTOR THORNTON (Past Imperial Potentate): Thank you, Imperial Sir.

Imperial Sirs and Fellow Representatives: I was not asked whether I would accept this office and I would like to say that I do accept it with appreciation for your confidence. I will try to merit it.

You know, I was thinking earlier this morning, when Joe Shirley made his statement that he had secured some three thousand-odd petitions for the Shrine—namely, that this was enough to form a new Temple. Therefore, I thought that inasmuch as we had approved forming two more of them today, that we might form one more and name it after Joe, and we would then have a "Shirley Temple." (Laughter and applause)

IMPERIAL POTENTATE STRUBY: You know this is the first time that I ever knew that they grew corn in Texas.

At any rate, Victor, I apologize for not asking you if you would accept but I know that you have done a lot more for Shrinedom and I know you will be a good Trustee. Therefore, I merely took it for granted that you would evidently accept.

(Business was conducted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: We are now in recess again and we will reconvene at one o'clock tomorrow afternoon, here in this room.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at four-thirty o'clock p.m.

AFTERNOON SESSION

THURSDAY, JULY 5, 1973

ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Marriott Motor Hotel, Atlanta, Georgia, on July 5, 1973, at one-thirty o'clock p.m., Imperial Potentate Henry B. Struby presiding.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: Now, we will come to the report of the Board of Trustees, Shriners Hospitals for Crippled Children, which will be given by Imperial Sir Harvey Beffa, Chairman of the Board and Past Imperial Potentate.

It has been my pleasure to know him for the past 25 years and I can tell you he has done a tremendous job for the Shrine. We are all proud of him.

IMPERIAL SIR HARVEY BEFFA (Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children): Imperial Sirs, present and past Grand Masters, dignitaries, Nobles and Representatives to this Ninety-Ninth Imperial Council Session: May we at this moment express our thanks to the Nobility and Nobles of this fine host Temple who have given us the privilege of basking in the sunshine of their southern hospitality. We ought to give them all a great big hand. (Applause)

Nobles and Sirs, this will be a brief report from your Chairman since we last met in Dallas. Our World's Greatest Philanthropy continues in its 51st year to render its daily help and assistance to mankind. Our daily operating problems are met with full consideration of their merits and we have, by the full cooperation and dedication to objectives by all concerned, managed to resolve most of the problems and to move onward and certainly forward.

It might be proper at this time to briefly and statistically review with you our 1972 operations versus our 1971 operations, certainly in a condensed form.

Our Orthopedic Units, which you are familiar with, I am sure, containing the total sum of nineteen, in 1971 discharged eight thousand one hundred twenty-one patients; in 1972 we discharged eight thousand two hundred seventy-eight patients.

In 1971 we serviced 324,000 patient days and in 1972, 380,000 patient days. Notwithstanding less patient days, the patients discharged we increased.

We are facing inflationary costs in our vast operations. The average daily cost per patient day in 1971 was $47.68; notwithstanding our additional cost in 1972, that figure went down to $47.42.

In 1971, the average cost per patient was $1901.54 and, again, notwithstanding the additional costs that we were all confronted with, the 1972 cost was $1,762.58.

I think that what I am trying to say to you is that the operations of these Orthopedic units under the control of the Local Boards and their Staffs, have been under control and they all have been doing a fine job.

Now, let me also give you some brief figures with regard to the Burns Units.

In 1971, we discharged 1004 patients and in 1972 we discharged 1033 patients. Our average patient days were about thirty thousand each in 1971 and 1972.

The average cost per patient day in your Burns Units in 1971 was approximately $245 per day. Remember that I said that your Orthopedic Units had a cost of some $47-odd.

Your patient cost per day in 1971 is $245 and in 1972 it is $268 per day. The average cost of your patients in 1971 was $7,419.00—again remembering that I mentioned to you that your average cost in the orthopedics was $1900.00 in 1971 and some $1700.00 in 1972.

The cost in 1972 per patient day in burns was $7,515.00—which is about a one hundred dollar additional cost over 1971.

Now, it would take hours on end to give you the report of the advancements in burn therapy. Now, I am a layman but I would like to indicate to you, as we said when we stood on the stage in Toronto some eleven years ago, on the fourth day of

July, 1962, that it was our objective to break through in burn therapy, as it was initially our objective to also break through in orthopedics.

Now we have accomplished what we have set out to do in orthopedics and we are accomplishing what we said we were going to do in burn therapy.

Let me give you just one example. Dr. Bruce MacMillan, our Chief Surgeon at our Cincinnati Unit, was here last week to tell us certain things and one thing that he told us, among others, and as a layman I think I can understand this one, is that a child that was burned to the extent of some thirty-five percent of his or her body in 1964; that a like child burned in 1972 in over seventy percent of its body, had the same advantage now as that child burned over some thirty-five percent of its body in 1964. Do you understand that kind of language? (Applause)

We said that we would save lives and, God willing, we are. We said that we would train technicians and we are. We said that we would research for a breakthrough in burn therapy and I wish that I were a doctor and had the time and could tell you of the many things that are being done and, believe me, you are doing it.

Now, Nobles, figures are indeed important. However, in this great philanthrophy and in connection with our great philanthropic work that it has been our God-given privilege to perform, they only tell a minor portion of the complete story.

What I also have reference to is the work of our surgeons, our local Boards of Governors, our Administrators, our nurses, our Joint Boards, our entire staffs and the thousands of Nobles who are truly dedicated and who are daily contributing their efforts to placing these burned and deformed children back into their normal living patterns, so that these children likewise may have an equal chance.

Certainly, also, it takes finances to do all of this—but, more than money, it takes people—dedicated people to help perform all of these miracles so that you and I who wear the Red Fez can blow the bugle and wave the flag.

Where under the canopy of this heaven, when we consider all of these factors, can we find an organization such as our beloved Shrine, which gives to each of us who are privileged to wear the Red Fez the great opportunities of helping God and humanity. We are indeed pleased to be able to do all that we can and our Temples and our various projects enable us to help, both individually and collectively. Yes, we are, indeed, indebted to many men, Nobles and women for all of their great help and to endeavor to name all of them would be an almost impossible task. I hope and pray that all who have contributed and who continue to contribute will fully understand that they receive their thanks through the daily, silent prayers of a voluminous number of our patients, past and present; from the parents of these children who have in silent prayers said: "Thanks, Mr. Shriner."

Let us not be unmindful of the daily contributions that are coming to us in the efforts of all Temples, the Shrine Clubs, the affiliated organizations and their activities, such as football games, circuses, golf tournaments, paper sales, ice shows, fish fries and you name them, right down the line. Their great monetary contributions enable us to carry on and we certainly encourage these tremendous activities and they mean so much to all of us.

We likewise trust that these activities will enlarge in scope, helping us to expose our philanthropy to all of the world and at the same time getting many more Shriners who may not be familiar with our work interested so that they, too, become dedicated in presenting to the public the great work that it is our privilege to do.

Our Great Imperial Potentate, Henry Struby, and his charming wife, Margaret, who have traveled all over this land since our last session at Dallas, have, through their great dedication, spread the gospel of our great Shrine. He has visited all of our Orthopedic and Burns Centers and presented to Shriners everywhere our great philanthrophy. We shall always be grateful to him and his darling wife for his position as our great leader, which assignment he has so admirably fulfilled. Certainly we all thank you, Imperial Sir, for your fine help and great inspiration and I think that we should give our Imperial Sir a great big hand. (Applause)

I am also sure that our incoming and new leader, Imperial Sir Jacob Wingerter and his darling wife, will likewise carry on in the great tradition that has been so ably set by the Imperial Sirs who have preceded him. I know that we shall all give our

wholehearted support to Imperial Sir Wingerter and we all know that he will bring much to our great Shrine and to our great philantrophy. Certainly we wish for him success, happiness and good health in all of his endeavors.

Again, to all of the members of the Board of Directors, (the Iowa Corporation, the Colorado Corporation and all other corporations), thank you for all of your help, assistance and confidence and, certainly, for their patience. I shall always be deeply grateful to all of them.

Also, a special word of thanks and deep appreciation to a great Noble, who, through the many, many years, has meant so much to me, always ready and willing to do anything he has been asked to do, our Imperial Recorder, George M. Saunders. George, thanks a million. (Applause)

Also, without an efficient staff and our hard-working committees, the record which we so proudly have accomplished, and rightfully so, would not have been possible and, along these lines, may I be privileged to refer to a few?

First, to our Endowment, Wills and Gifts, under the Chairmanship of Imperial Sir W. W. Bennett and his staff. Our Legal Staff, under the direction of our General Counsel, Imperial Sir George Klepper, Paul Ibach and their staff; the Treasurer's office under the direction of Imperial Sir Tom Melham, and Noble Molnar, our Comptroller; our Building Department, under the direction of Imperial Sir George Mattison; our Public Relations Staff, under the direction of Noble Sconce; our Research under the direction of Imperial Sir Porter; Dr. Carroll Larson heading our Professional Committee, our Million Dollar Committee and many, many more. Of course, this becomes difficult, this matter of reference to names, because, in the process of mentioning them, one tends to miss much of the work done by other great Nobles, who, after all, continue to carry the heavy load and to produce our results. Therefore, we extend our thanks and appreciation to all of you.

At our Imperial Council Session in 1971, you were advised that the Federal Provincial Government in Canada had enacted laws by which it became their obligation to provide health and medical care to every citizen in Canada. Since 1925, our Shrine has carried on two great hospitals in Canada—one at Montreal and one at Winnipeg. They were set up, as you know, for the care and treatment of crippled children who could not pay and now the assumption of this obligation by the government in Canada has left us without patients because every patient who would otherwise qualify for admission to our hospitals can now pay.

Your Trustees and your medical advisors have given consideration to alternative activities for these hospitals, especially in relation to the hospital at Montreal, and it has been recommended that we should endeavor to arrange with the government, the province of Quebec, to establish a program of basic and clinical research at Montreal, in affiliation with one or more of the medical schools of Montreal. A resolution authorizing your Trustees to enter into such an arrangement was passed and in 1972 it was reported to the Imperial Council that a satisfactory arrangement to implement this proposal had been made in the Province of Quebec, that arrangements had been concluded and the unit is now carrying on.

The Province of Quebec pays us for each patient in our hospital and we continue to serve those patients as we have heretofore. The Shrine makes the grants to the Montreal Unit Research equal to the amount of money it receives from the Province for patient care and we are therefore now continuing to serve patients in our hospitals at the expense of the taxpayers of Quebec and are spending our money on basic and clinical research.

Both the operation of the hospital and the research programs are under the control of the Shriners.

There is also a provision that our expenditure on research shall not at any time exceed our budget for the Montreal Unit as we have approved it for 1972.

The Winnipeg unit is functioning in the same manner.

Both of these programs are, of course, new and will require some adjustment from time to time as experience dictates. Your Trustees believe that this is a significant addition to the contribution that the Shriners have made to Crippled Children because

not only do we continue to serve those that are crippled but we will work to prevent crippling through this research.

Finally, and as it relates to these two Canadian Units I cannot over-emphasize the great services that have been rendered by Imperial Sir Marshall Porter. We owe him a great deal of gratitude as well as our deep appreciation to the Canadian officials, who have expressed their appreciation to the Shrine for all of the services rendered all through these years to crippled children. They have worked with our Imperial Sir in a matter of full cooperation and so we are grateful to them, as well as also to our Canadian Nobles who have rendered their help and great assistance. We hope and trust that they shall continue in their dedication in services rendered to this organization and especially to our patients in both our Montreal and Winnipeg Units.

Now you will recall quite vividly that at Dallas your Chairman was privileged to bring to you a delightful little lady from Winnipeg. I am sure that you remember her—Rebecca—and you all know about her because she told us about herself. She was so grateful and, of course, I wish that I had the time to read the gracious letters written by her to me. However, she has asked that I extend to all of you her love and appreciation for these guys who wear the Red Fez. She was a lovely little lady.

Then you will further recall little Billy, the boy who kicked the football on the fourth of July of 1962, that glorious fourth of July in the Auditorium in Toronto, who at that time was eight years old and then of course, we brought him back again last year and he was eighteen, and you saw him and you heard him again telling you what he thought of us all.

And then, if you will remember, your Chairman had a thought or a brilliant idea (I don't know what it was) and you will be able to judge that in just a moment but instead of Billy kicking one football we put out three of them, symbolic of our Burns Institutes. I remember the beautiful chandeliers in that auditorium and his concern that he might kick one of those footballs into that chandelier and perhaps cost us a lot of money. However, I suggested that he practice a little while, which he did and so when he got ready to kick that football he kicked it very well. I remember that our then Imperial Sir Marshall Porter, who was Imperial Potentate in 1962 held one and Imperial Sir Gardner Wilson, Jr. likewise held one. Well, you will remember what he did, he kicked each of those balls out into the audience and three Potentates caught them. At that time I suggested to them that they come back to this session here in Atlanta and tell us what they did with that football and now we are going to get a report on what happened in connection with those three footballs.

If you will remember one was kicked to the Potentate of El Paso and so, at this time, I wonder if he would come up here and tell us what he did with that football. Is Potentate Gray here? Will you tell us what you did with that football?

NOBLE LEWIS GRAY (El Maida Temple): Well, Imperial Sir, last year we caught one of those footballs and, to us, the football was symbolic of the great work of the hospital program in healing these young bodies and restoring them to whole so that they, too, would be able to live a much more normal life. Therefore, to that end we used this football as a base from which to develop an extremely successful blood program and with your permission, Imperial Sir, I would like to ask my Blood Chairman to come forward and render a report—Noble D. M. Patterson, Chairman of the Blood Program of El Maida Temple.

NOBLE D. M. PATTERSON (El Maida Temple): Imperial Sir, Imperial Sirs and Nobles: When we received that football at El Paso we thought about the amount of money we had raised; the number of people in our Temple that had contributed to the Hundred Million Dollar Club and, on that basis, at least felt that we were doing our part financially.

Therefore, after some further consideration of the matter, we thought that we had better stick to what we knew best, and that was in the procurement of blood for our hospitals. We have, as a result of this activity, taken in, since the last Imperial Council Session, one thousand, three hundred seventy-two pints of blood which, valued on the basis of ten dollars a pint, comes to some $13,700.00. However, as I understand it now, it is being sold to the hospitals for $25 per pint and so that would come to a total of $34,200.00.

In the five and a half years that El Maida Temple has been leading the parade in the State of Texas for securing blood for our hospitals we have secured a total of five thousand, eight hundred seventy-seven pints and this, based on the value of ten dollars per pint, would be $58,770.00. However, because it is sold to the hospitals at $25 per pint, we figured that this would come to a value of $147,945.00.

Let me say to you Nobles that there is no greater work that I know of than to help with the procurement of blood for our hospitals and Burns Institutes.

I was at the Burns Institute at Galveston just three weeks ago and we had just given them 147 pints of blood and found that they were out. They had plenty of credit, yes, but not a pint of blood. Therefore, we did take action to remedy that situation.

I would urge every one of you to get in on this blood program and if you can get your Potentates to back you up, like I have mine; and if you can get a Recorder to back you up, such as I have also been able to do, then I know that you, too, will make a success of it. We all believe that this is certainly a wonderful effort to engage in, really, in relation to helping a crippled child. (Applause)

IMPERIAL SIR HARVEY BEFFA: Now Nobles, there is your report in relation to one of the footballs. Thank you very much, Illustrious Sir.

Now, another Temple that caught one of these footballs was Suez Temple. I understand that Noble Robert M. Yancey, the Chief Rabban of this Temple, is here to give a report in relation to what that Temple did with their football.

NOBLE ROBERT M. YANCEY (Suez Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles: I would like to have our Recorder give to you this report.

BROTHER BEN GODFREY (Suez Temple Recorder): Imperial Sir, Imperial Sirs and Nobles: Last year our Potentate caught one of these footballs and he and the other Divan members took this ball around to all of the different clubs, advertising that he had the ball and then asking for donations in any amount anyone desired to give. As a result of this, we presented a check to Imperial Sir Beffa yesterday for $1,204.00. (Applause)

IMPERIAL SIR HARVEY BEFFA: That is report number two. Now report number three is to come from the Potentate of Ben Ali Temple. I recall meeting with him after the Dallas meeting in connection with a Board Meeting at the San Francisco Unit and at that time I indicated that I had not heard anything from him and that he had better get going. Now, before he says something, let me say that he wrote me a letter which I received the other day and in relation to that letter, I want to read to you just the last paragraph:

"In closing, I wish to extend my thanks to you and Billy for this inspiring presentation you gave us all at Dallas. I truly enjoyed telling the story throughout the jurisdiction of Ben Ali during my year as Potentate."

Now, Jack, you tell me what you did with football number three.

NOBLE J. J. BURGER (Ben Ali Temple): Imperial Sir, Imperial Sirs and Nobles: Let me first say that, in connection with catching our football, I think that I broke up the All Texas Conference. (Laughter) I think that they had it beamed at one of the Texas Temples. (Laughter)

The first thing I did after catching that ball, knowing, for example, that I was outnumbered two to one by Texas, I called on all of the then Potentates of the Western Shrine Association, told them that we had a great opportunity in having this ball, that if we all really got out and worked hard during the following year that I, in turn, would have the opportunity to come here before this great body and do a little bragging about the Western Shrine Association and our fourteen Temples out West. So I asked them if they would not help and, of course, they all agreed. Now, I would like to have all of those who cooperated so well with me to stand so that you can all recognize these fine Nobles. (Applause)

Now, in relation to the football, having only been in one play in that game, I didn't think it was right to take that from Billy and so it was suggested by Barney Collins that the ball be placed in the Shrine Rooms—West at San Francisco and so this I have done and that particular ball is now on display there. Therefore, for

Billy, I went out and purchased another football, went back to our Nobility and told them that I would like to bring this ball back to this session and so that, from that time on, anyone who donated a hundred dollars or more to the Burns Hospitals, their name would be inscribed on that football. Over and above that, I also said that if they did not come up with the full hundred dollars that we would put that particular money in the Burns Transportation Fund, as a result of which we increased our Burns Transportation Fund by about nine thousand dollars in the last year. It is up to $39,000.00 right now.

Therefore, I have here the world's most expensive football, with a value of $40,000 to the hospital, because it contains over four hundred names at one hundred dollars per name. (Applause)

We have enjoyed this project and I know, Imperial Sir, as I hand you this particular football, that you, in turn, will see that it gets back to Billy.

IMPERIAL SIR HARVEY BEFFA: Thank you all so very, very much. Let's give all those three fine Temples who caught those footballs a big hand for their efforts and success in making use of them. (Applause) Thank you, Nobles.

Now, Nobles, in years past we have witnessed a beautiful Parade of Nobles who have come to our Imperial Potentate and your Chairman and who have made gracious monetary presentations. This has always been a delightful highlight of all of our sessions.

As we did at Dallas, we are likewise repeating here in Atlanta, we have previously made photographs of all of these presentations for publicity purposes in your local papers. However, now we are ready, your Imperial Sir and I, to have you come to us and to talk with us and see what we might expect.

IMPERIAL POTENTATE STRUBY: Nobles, I believe that we are now ready to accept your monetary contributions. However, before we commence, I would like to recognize Past Imperial Potentate J. Worth Baker.

IMPERIAL SIR J. WORTH BAKER (Past Imperial Potentate): Imperial Sir, Imperial Sirs and Nobles: You heard me during the presentation of the Necrology Report, mention and talk about John Jefferson. A couple of days before coming to Atlanta I received this note from Mary, John's wife:

"It is with deep regret that I am not attending the Imperial Session as my husband and I had planned to do, due to the incredible circumstances of April 26, 1973. In loving memory of him, my son, William and I send this contribution to Shriners Hospitals for Crippled Children. We wish also for this gift to be in honor of two men whose friendship John treasured—Past Imperial Potentate J. Worth Baker and Imperial Potentate Henry B. Struby." And here is a check, Harvey, for one thousand dollars.

IMPERIAL SIR HARVEY BEFFA: I am sure that you will go back to Mary and express our heartfelt and deep appreciation for this contribution in memory of John.

NOBLE HARRY EHRENKRANZ (Salaam Temple): Imperial Sir, Imperial Sirs and Representatives: Your Deputy Imperial Potentate is Chairman of the Board and President of the Jersey Testing Laboratories, a subsidiary of the Walter Kidde Company and out of respect to our President of the Board of the Jersey Testing Laboratory, the Walter Kidde Company has contributed to the Shriners Hospitals for Crippled Children a check in the amount of $5,000 and pledges next year to give an equal amount. I present this check to you.

IMPERIAL SIR HARVEY BEFFA: Thank you, Sir, and thank this fine company. We will acknowledge this contribution with thanks.

NOBLE JOHN E. TROXEL (Islam Temple): Imperial Sir, on behalf of our East-West Football Game Committee, representing the Forty-Eighth Annual Game played at San Francisco last year under Paul Shannon, we have a check in favor of the hospitals for $149,500. (Applause)

IMPERIAL SIR HARVEY BEFFA: Thank you very much. This is deeply appreciated. Please extend my thanks to all the Nobles who have participated in giving this amount of money for our hospitals.

NOBLE A. LEON SINGER (Al Sihah Temple): We are one of the small Temples,

Imperial Sir, but it is with a great deal of spirit that we wish to present this contribution to you. Let me add that one of my programs this year was to increase donations to the Crippled Childrens Hospitals and about a month ago I asked all of our units and clubs if they would come up with a little money to increase the $2800 previously given and as a result of this, we received from the Laurens County Shrine Club $90.27; from the Tri-County Shrine Club, $150.00; from the Sumter County Shrine Club, $200.00; from the Washington County Shrine Club, $290.50; from the Houston County Shrine Club, $331.11; from the Khirah Club of Thomaston, $800.00; from the Columbus-Fort Benning Shrine Club, $2,000.00 and from the Al Sihah Units, the sum of $280.62, for a total of $4,142.50.

This, with the previous donations of $2,857.50, makes a grand total to date of $7,000.00. I am happy to present to you this check, Imperial Sir. (Applause)

IMPERIAL SIR HARVEY BEFFA: Thank you very much, Sir, for your efforts in behalf of our hospitals. We all can say to you that these are deeply appreciated.

NOBLE GEORGE A. EVERETTE (Rizpah Temple): Nobles, I realize that for every minute of your time, talking with some 600 Representatives here, that it represents ten man hours and so I will make this brief.

I have a check here representing the efforts of some fourteen Shrine Clubs in connection with our Temple.

We had, in connection with our Spring Ceremonial, some 2,003 members and a check for $6,493.66 regarding our paper sale. We have likewise previously submitted $1600 to the Lexington Unit from these various Shrine Clubs, for a total now of $8,093.66.

I am likewise Chairman of the Hundred Million Dollar Club and our Temple has participated in this program in excess of ten percent of its membership and I understand, from our present Potentate and our Chief Rabban, that this will be continued next year.

Further, we are not short of blood—our difficulty is finding a spot where we can deposit this blood so that they will be able to keep it for future use. No hospital, I am sure, is going to accept this blood and then dump it out in the gutter and send $25.00 to a unit. Therefore, if you need blood, please call on us and we will furnish it for you.

IMPERIAL SIR HARVEY BEFFA: Also, thank you for this donation, which will likewise be put to good use.

NOBLE J. J. JORDAN (Bahia Temple): My fellow Representatives, Bahai Temple is relatively small. We are slightly over 5,000 in strength and last year, as Chief Rabban, I did a little analyzing and found out that Bahai Temple, in relation to our various charities, contributed over $150,000 to our Crippled and Burned Childrens Units.

Now, Nobles, a little arithmetic will tell you that if each one of our Temples will equal that figure, we will go over the thirty million dollar mark each year and that, of course, is all it needs.

Nobles, our Temple's most successful charitable drive is our annual paper sale. We had our seventh annual paper sale last year and we have increased the contribution each year during these seven years. This year we increased it by some two-thirds, going from about $39,000 or $40,000 last year to, this year, $72,079.61. I am happy to present a check in this amount to you, Imperial Sir, and also indicate to you that we are going to try to double it again next year. (Laughter)

IMPERIAL SIR HARVEY BEFFA: I, on behalf of the Nobility, certainly thank you for this fine contribution. We trust that you will double it next year for only by your efforts will we be able to have the proper finances to run our charities.

NOBLE ROY T. PUCKETT (Hasan Temple): Imperial Sir and Representatives, in relation to a Temple activity that involved all the Nobles in our area, we were able to raise $8,700 for our Crippled Childrens Hospitals, which we are delighted to present to you, Sir.

IMPERIAL SIR HARVEY BEFFA: Likewise, Sir, we extend our thanks to you.

NOBLE JACK F. WOOD (Zenobia Temple): Imperial Sir and Representatives, I

would like to tell you about an endeavor that we had in Ohio, which was the first All Ohio Shrine Football Game. It was put on by the six Temples that represent the All Ohio Shrine Association.

At this game, held on December 9, 1972, we raised over $40,000 for the Shriners Hospitals and the Cincinnati Burns Institute and I am here today to tell you that this game is going to be perpetuated.

This, as I say, was our first annual game and, of course, we will have another game this year. Let me add, of course, that we believe we have done our homework and I am sure that we are going to be here next year with a much larger check.

I would also like to indicate to you that as an extra bonus on our football game, we had an instant play on the television. We have the video tapes and, after presenting them to our Shrine Clubs, we raised an additional $700 as an afterthought in relation to this.

Also, I would like to indicate to you that, at this particular point, when I left some five days ago, our Temple had about 802 members in the Hundred Million Dollar Club and we are still climbing.

IMPERIAL SIR HARVEY BEFFA: Thank you, Illustrious Sir, we appreciate this and we are in back of you in hoping that you will keep up the good work.

NOBLE HENRY J. GOLDY (Al Bahr Temple): Imperial Sir, at this time I would like to take the privilege of presenting to Imperial Sir Harvey Beffa, from our football game held last November at San Diego, a check for $39,970.

IMPERIAL SIR HARVEY BEFFA: Again, my thanks to you also.

NOBLE JOHN B. WESLEY (Kerbella Temple): Imperial Sir and Representatives, last December we presented the Shrine Hospital at Lexington, Kentucky, with a check for $62,000 and the Shrine Hospital at Greeneville, South Carolina with a check for $60,000. We likewise presented the Burns Institute at Cincinnati with a check for $35,000, for a total of some $157,000.

Likewise, we have spent some $38,000 transporting children and also purchasing shoes and braces.

During the week of May 14 to the 20th, from that time to date, we have raised $223,855.20 and also, to date, we have paid out $10,600.00. We now had $400.00 more, for a total of $11,000.00 and this is going to give us a net, in connection with this year's paper sale, for both the Orthopedic and Burns Units, of a little over $212,000 for this year.

IMPERIAL SIR HARVEY BEFFA: Thank you for this additional amount of money. We deeply appreciate it.

NOBLE V. H. SAVAGE (Philae Temple): Imperial Sir and Representatives, from our eight Shrine Clubs in our Temple, the most easterly in North America, Halifax, Nova Scotia, I am proud to present a fifty percent increase in relation to our donation last year—a check for $3,000 and, of course, we hope this will be increased by another $2,000 before the end of this year. This represents blood, sweat and tears from 200 Nobles.

IMPERIAL SIR HARVEY BEFFA: Thank you very much. We also certainly appreciate your efforts.

NOBLE JOHN E. BULL (Antioch Temple): Imperial Sir, we have been privileged to present to the Cincinnati Unit of the Burns Institutes, Lexington Crippled Childrens Hospital, a check for $43,750, for a total in the last twenty-five years of $604,000.

IMPERIAL SIR HARVEY BEFFA: Thank you very much.

NOBLE J. O. ENGEBRETSON (Tebala Temple): I was not fortunate to catch a football but, nevertheless, we have been working and, therefore, on behalf of the Nobles in my area, it is a pleasure to present to Shriners Hospitals for Crippled Children this check for $42,372.53. This is the result of an ice show which our Temple sponsored.

IMPERIAL SIR HARVEY BEFFA: Thank you very much for all of your efforts. That certainly is another splendid contribution.

NOBLE R. J. KRAEER (Mahi Temple): It is indeed a pleasure for me to present to you a check representing much activity in connection with our Temple functions.

For example, in our area, one Shrine Club donated more than $20,000 to this cause and, therefore, through the efforts of many Nobles of my Temple, Imperial Sir, I would like to present to you a check in the amount of $164,298.26.

IMPERIAL SIR HARVEY BEFFA: We certainly thank you very, very much for that fine effort in behalf of our hospitals. It certainly is appreciated.

NOBLE JAMES E. GRAY (Karnak Temple): Imperial Sir and Representatives, we are one of the smaller Temples, with only some 1280 members. However, I would like to present to you at this time a symbolic check in the amount of $50,000 from the proceeds of our circus.

IMPERIAL SIR HARVEY BEFFA: Thanks to you also, Illustrious Sir.

NOBLE GLENN MCMENNAMY (Khiva Temple): It is my pleasure at this time, Imperial Sir, on behalf of our Potentate and our four thousand Nobles to present you with a check in the amount of $36,386.26 in connection with our sixth annual Shrine Bowl Game held in the great city of Lubbock. This, Imperial Sir, makes a grand total to date of $128,517.17. We hope to do better next year.

IMPERIAL SIR HARVEY BEFFA: Thank you very, very much.

NOBLE GLENN WHEELER (Zor Temple): My name is Glenn Wheeler and I am President of the National Shrine Clown Association. Our group is here. However, on behalf of the Clown Association, I am very happy to present you with a check from them for our hospital fund in the amount of $1,000. We are going to sponsor this as an annual event and we have real good schedule worked up for next year and I am sure we can improve this amount.

IMPERIAL SIR HARVEY BEFFA: Thank you very much.

NOBLE GEORGE TERRY: Imperial Sir and Representatives, my name is George Terry, I am from Dallas, Texas, and was Director General of the 1972 session.

On behalf of the two Temples in this area, Hella Temple and Moslah Temple, I would like to present to you a check in the amount of $21,782.86.

IMPERIAL SIR HARVEY BEFFA: Thank you very, very much.

NOBLE H. N. MIZELL, JR. (Hadji Temple): Imperial Sir and Representatives, your 107th Temple in Shrinedom is happy to present to you a check for $27,054.91 and I would like to advise we have raised for our Childrens Fund in excess of $4,000, for the transportation fund. Also, we are at this time some twenty-nine or thirty percent in relation to subscription to the Hundred Million Dollar Club. Thank you, Sir.

IMPERIAL SIR HARVEY BEFFA: Thank you also for all of your efforts.

NOBLE E. G. RORINSON (Al Menah Temple): Imperial Sir and Representatives, it is a pleasure, in behalf of my Temple, to present to you a check for $175,000 as a result of the second annual paper sale of our Temple.

IMPERIAL SIR HARVEY BEFFA: Thank you very, very much.

NOBLE N. A. KARAGIANIS (Bektash Temple): Imperial Sir, on behalf of the Shrine Sugar Bowl, Incorporated, of New Hampshire and Vermont, it is my pleasure to present to the Montreal Unit a check for $15,000, another for $15,000 to the Springfield Unit, and also another one to the Boston Burns Institute. I would also like to present the Potentate of Bektash Temple, Illustrious Sir, Frank Patterson.

NOBLE FRANK PATTERSON (Bektash Temple): Imperial Sir and Representatives, it is a great pleasure for Bektash Temple to have been a part of a team in presenting this check for $25,000 to our Shrine Hospitals.

IMPERIAL SIR HARVEY BEFFA: Also, in behalf of our hospitals, my thanks go to you for your efforts.

NOBLE N. MARTIN FOLTZ (Arab Temple): Imperial Sir, in behalf of departed Noble Charles Jones, who saw fit to remember the Shrine Hospitals in relation to the establishment of a permanent trust, I am at this time pleased to hand you a check in the amount of $2,342, which makes a total of $78,000 presented during the fiscal year.

IMPERIAL SIR HARVEY BEFFA: Thank you very much.

NOBLE RONALD A. STEWART (Rameses Temple): Imperial Sir and Representatives, I come from Rameses Temple, up where the north begins. We are all going to be out to Atlantic City next year to see you all. However, at this time, I would like to present this symbolic check for $30,000.

IMPERIAL SIR HARVEY BEFFA: Thank you very much.

NOBLE LEWIS GRAY (El Maida Temple): Imperial Sir, on behalf of the Shrine Club of our Temple, we are pleased to present a check for $3,000.

IMPERIAL SIR HARVEY BEFFA: Thank you very much.

NOBLE W. H. SEALE (Omar Temple): First of all, Imperial Sir, I would like to introduce to you the Illustrious Potentate up here representing the Shrine Bowl of Carolinas.

Likewise, it is my pleasure to represent all of the Potentates of these Temples who have been responsible for the Shrine Bowl of the Carolinas. We have been pleased in our efforts and it is with a grateful heart that I am privileged to present to you the report for the year of our game and other Temple activities, which adds up to $652,000.

IMPERIAL SIR HARVEY BEFFA: Again, my thanks to all of you fine Nobles of these various Temples for your activities in our behalf. We know your contributions have done much to sustain the work in all of our hospitals. Thank you very, very much.

NOBLE WILLIAM N. BOND (Abdallah Temple): Imperial Sir and Fellow Representatives, this year we made a contribution to the St. Louis Unit of some $13,814.73, of which $5,800.00 is enclosed.

IMPERIAL SIR HARVEY BEFFA: Also, my thanks to you.

Let me now say, gentlemen and Nobles, that this completes this presentation and, finally, in conclusion, I would like to leave a few thoughtful words with you.

I would like to hope and wish that you would visit, sooner or later, and much sooner than later, one of your units, take the hand of a child, feel the warmth of its welcome and then let that feeling absorb you.

Then I also want to have you take notice of the smiles from a pair of blue eyes and likewise let those smiles absorb you. You will then begin to understand what that child is trying to convey to you—what he really is trying to say to you, which is "thanks, Mr. Shriner, you want to make me whole so that I can run and play and grow up just like you, and I understand this will come to pass because a fellow who wears a red Fez told my mom and my pop that he really cared and was ready to help."

Then, following that, I ask you, as you leave, to look toward the heavens and say a silent prayer to yourselves. Now, Nobles, thanks for listening. Your humble servant up here remains dedicated to the world's greatest philanthropy and I am truly grateful for the opportunity that you are giving me. Thank you, Mr. Shriner.

Imperial Sir, I would move for the adoption of my report.

IMPERIAL POTENTATE STRUBY: You have heard the report and the motion for its adoption. It has been severally seconded.

All those in favor of adoption of this report indicate by saying "aye"; contrary by the same sign. It is unanimously adopted.

Now, I have one or two brief announcements to give you.

(Brief announcements pertaining to scheduled meetings followed.)

IMPERIAL POTENTATE STRUBY: This will complete our business for the afternoon. Again, I have been trying to get out on time and I think thus far we have been on schedule. This has only been done through your cooperation. I am certainly grateful for your cooperation.

We are now recessed for the day.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, recessed at four-thirty o'clock p.m., to reconvene at nine o'clock a.m., Friday morning.)

MORNING SESSION
FRIDAY, JULY 6, 1973
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Marriott Motor Hotel, Atlanta, Georgia, July 6, 1973, at nine o'clock a.m., Imperial Potentate Henry B. Struby presiding.

(Business was transacted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: At this time I would like to call on Bill Knowlton of the Jurisprudence and Laws Committee.

NOBLE WILLIAM KNOWLTON: Imperial Sir and Imperial Sirs, I am going to report on what is known as the "Salary By-law", which is found at the bottom of page 27, Colorado Corporation, of your Call.

After arriving, the proposer requested that a sentence be added to the By-law as shown in the Call and I will explain that later.

The Committee decided that the sentence was germane to the By-law and, therefore, the proposal can be added.

To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws by Imperial Sir Peter Val Preda, a Representative of Cairo Temple, a proposal to amend § 510.1(a)(4) of Article 10 of the By-Laws of the Colorado Corporation so that said section would read as follows:

510.1(a)(4). The Committee on Salaries, Personnel and Retirement shall consist of 3 Directors and 2 Trustees who make recommendations to the Board of Directors and Trustees with respect to salaries, personnel and retirement. One of the Directors shall be appointed chairman of this committee.

Since the foregoing appeared in the Call, the proposer has requested that the same be amended so that said section will read as follows:

510.1(a)(4). The Committee on Salaries, Personnel and Retirement shall consist of 3 Directors and 2 Trustees who make recommendations to the Board of Directors and Trustees with respect to salaries, personnel and retirements. Neither the Chairman of the Board of Directors; nor the President, nor the Secretary, nor the Treasurer of this Corporation shall be appointed to this committee. One of the Directors shall be appointed Chairman of this committee.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS
Robert J. Turley, *Chairman*
Warren L. Jones
Walter S. Jeffries
John D. Cochran
William H. Knowlton
Elmer P. Bromley
Edward G. Maag

NOBLE WILLIAM KNOWLTON: Now, as a matter of explanation, presently no officers of the Corporation may be appointed to the Salary Committee. If this By-Law is adopted, those officers listed in the added sentence cannot be appointed to the committee. The remaining officers of the Corporation may be appointed to the Committee.

Imperial Sir, I move that the report be received.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that this report be received.

All in favor signify by saying "aye"; contrary by the same sign. It is so ordered.

I will now call on Imperial Sir Peter Val Preda.

IMPERIAL SIR PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives: Last year, when we passed this, we restricted it as the Noble just read to you. However, we did not intend for it to restrict all of the Officers.

Our Legal Department later told us that in the interpretation as of last year, it would eliminate seven of the Officers of your Colorado Corporation, the top officers. It went down as far as First Vice President, Second Vice President and Assistant Secretary.

It was our intent, at least it was mine, to eliminate only the Chairman of the Board, which is the Potentate, the President of the Colorado Corporation, the Secretary and the Treasurer so this committee could be objective and report to them on salaries.

Therefore, I would move for the adoption of this By-Law change.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. Is there any discussion? Let me remind you that this will require a two-thirds vote and I will have to declare it that way. Therefore, all those in favor of the amendment as proposed indicate by saying "aye"; contrary by the same sign. I declare it to be a unanimous vote and the amendment is passed.

I believe that our Imperial Recorder has a request to make.

IMPERIAL SIR GEORGE M. SAUNDERS: Imperial Sir, Imperial Sirs and Representatives: Section 504.2 of the Colorado By-Laws provides that the Imperial Council body may strike from the rolls those members who have failed to sign the rolls.

I would therefore move that those members of the Imperial Council who have not signed the rolls in the Colorado Corporation for two years be stricken from membership of the Colorado Corporation.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second, which is to strike from the rolls of the Colorado Corporation, those members of the Imperial Council who have not signed the rolls for two years. This is only for the purpose of keeping our books straight. Is there any discussion?

If not, all in favor of the motion indicate by saying "aye"; contrary by the same sign. The motion is carried and it is so ordered.

I will now call on the Chairman of the Jurisprudence & Laws Committee.

NOBLE ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: On page 27 of your Call appears a proposed amendment to Section 509.1 of Article IX of the By-Laws of the Shriners Hospitals for Crippled Children.

Now, I have been informed by the proposer of that amendment that he wishes to withdraw this amendment. I think that he will have a resolution that he will later propose but with respect to that particular amendment, which he desires to withdraw, I move you, Imperial Sir, that the Jurisprudence and Laws Committee be discharged from further consideration and report on that proposal.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second.

All in favor please indicate by saying "aye"; contrary by the same sign. The motion is carried and the proposed amendment is therefore withdrawn.

I will now recognize Judge Wilson.

IMPERIAL SIR ROBERT GARDINER WILSON (Past Imperial Potentate): Imperial Potentate, Imperial Sirs and Representatives: In deference to the Imperial Potentate and the Officers and, in fact, you Representatives, who, on this last day do not want to be tied up with a can of worms, I have agreed to withdraw the proposed amendment. However, I wish to raise the question this year, believing that we should not wait until the last minute, until the Congress of the United States, for example, passes legislation similar to the legislation passed in the various provinces of the Dominion of Canada and get caught short, I think we should be giving the question real con-

sideration ahead of time. This is an important question. Of course, I refer to the question of third party pay which, in my section of the country, is of extreme importance in a hospital which is severely criticized for not too successfully keeping within its budget and, therefore, in deference to the Imperial Potentate and the officers and you gentlemen who want to get away, I am hoping sincerely for definite action at the next Imperial Session.

Further, with that more or less in mind and also with the thought in mind that I would like to see an expression of opinion on the subject, I am going to offer a resolution, because a year ago, I proposed an amendment to Article IX, similar to the proposal in this year's Call, bearing in mind that in some of our hospitals, including the one at Boston, almost seventy percent of all the patients are actually covered by Blue Cross-Blue Shield or other medical insurance and by refusing to accept such insurance we have merely been subsidizing the insurance companies of North America.

Plans proposed in 1972 as a possible alternative to closing our hospitals at Montreal and Winnipeg have been consummated so that each of the two Canadian Hospitals, insofar as patient care is concerned, are now government subsidized.

Thus, in Montreal, for example, under compulsory provincial law, we now receive a sum which amounts to some $52 or $54 per patient per day. A similar contractual arrangement now also exists at Winnipeg in the Province of Manitoba. Therefore, in at least two of our twenty-two hospitals, I say we now have what amounts to third party pay.

Medicaid is also a form of third party pay and it exists in Massachusetts. This subsidy, instead of being payable by some private insurance company, which costs the patient, parent or guardian nothing is a subsidy provided by the local government.

I agreed to withdraw the 1972 proposed amendment as premature at this time but in view of the now existing status of our Montreal and Winnipeg Units and the imminent passage of similar legislation, drastic health and welfare legislation by the Congress of the United States, it would now appear the question is not so premature.

National third party pay, I say, in the United States, is inevitable within the next two or three years but, meanwhile, I will take the liberty of reiterating my personal conviction that the acceptance of available Blue Cross-Blue Shield or other insurance benefits possessed by parent or guardian of a patient does not constitute payment by the parent or guardian for a patient but actually is continually subsidizing some insurance company.

The members of our able Jurisprudence and Laws Committee are still troubled by the legal steps thought necessary to effectuate the acceptance of third party pay. I still am not convinced that my original proposal to amend Article IX is out of order but, as I stated at the outset, I have no stubborn desire to prematurely force the issue on the closing day of this convention.

My sole desire, I assure you, is to really determine the sentiment of you Representatives on this important issue because, after all, you are the stockholders and the ultimate source of that authority.

I therefore now offer this alternative resolution:

"WHEREAS, the annual expense of operation of our twenty-two hospitals continues to exceed our annual income as at present calculated, and

"WHEREAS, an increasing number of patients in our Shrine Hospitals are covered by Blue Cross-Blue Shield or other insurance held by the patient's parents or guardian, and

"WHEREAS, in some of our Shrine Hospitals the number of such cases exceeds seventy-five percent of all the children hospitalized, and

"WHEREAS, our continued refusal to assent to receiving any such insurance, although at no cost to the child's parent or guardian is merely a voluntary donation or a free will offering, or a subsidy to some insurance company, and

"WHEREAS, some parents have themselves been receiving hospital insurance benefits direct, despite the free hospitalization provided by the Shrine, and

"WHEREAS, in the Dominion of Canada, two of our twenty-two hospitals are now receiving so-called third party pay in the form of a required subsidy or grant from the local provincial government, and

"WHEREAS, there are therefore now no medically indigent crippled children in the Provinces of Quebec and Manitoba, now

"THEREFORE BE IT RESOLVED, that the members of this corporation favor the prompt consideration of the issue of acceptance of so-called third party pay, namely, the acceptance of such payments as are not made by the parent or guardian of a patient and,

"BE IT FURTHER RESOLVED, that General Counsel be and he hereby is requested to report in detail at the next annual meeting of this corporation such legal steps as may be necessary to effectuate the acceptance of so-called third party pay whether it be, Blue Cross, Blue Shield or other insurance or government subsidy, and

"BE IT FURTHER RESOLVED, that it is strongly recommended by the members of this corporation that action on the question of acceptance of third party pay may be taken at the next annual meeting of the corporation."

I apologize for taking this time on the final day when, without criticism of our present Imperial Sir, who has certainly done a swell job, these matters always seem to end up, but I think it is high time we stockholders in this eleemosynary Colorado Corporation ought to face such an important issue, which is inevitable, and we ought to stop pussyfooting on it at the first available moment.

Thank you very much. (Applause)

IMPERIAL SIR CHARLES CLAYPOOL: Imperial Sir, Imperial Sirs and Representatives: I would like to talk on this matter.

IMPERIAL POTENTATE STRUBY: Just a moment, you cannot do it now. This has to first be referred to the Jurisprudence and Laws Committee. All in favor, please signify by saying "aye"; contrary by the same sign. It is so ordered.

Let me again indicate that this is not a vote on the resolution. I will now call on the Jurisprudence and Laws Committee to report back on this resolution and then we can have discussion.

NOBLE WALTER S. JEFFRIES: (Reading)

To the Members of Shriners Hospitals for Crippled Children:

There has been referred to your Committee on Jurisprudence and Laws by Robert Gardiner Wilson, Jr., a Past Imperial Potentate and Emeritus Representative of Aleppo Temple, the following resolution.

RESOLVED that the Members of this Corporation favor prompt consideration of the issue of the acceptance of so-called third party pay, namely the acceptance of such payments as are not made by the parents or guardian of a patient and,

FURTHER RESOLVED that General Counsel be and he hereby is requested to report in detail at the next Annual Meeting of this Corporation such legal steps as may be necessary to effectuate the acceptance of so-called third party pay whether it be Blue Cross, Blue Shield or other insurance or government subsidy and,

FURTHER RESOLVED that it is strongly recommended by the Members of this Corporation that action on the question of acceptance of third party pay be taken at the next Annual Meeting of this Corporation.

The Committee reports that the proposed resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

I move that this report be accepted.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that this report be accepted. In order to keep everything in order, let me again indicate to you that we are now voting on the report of the Jurisprudence and Laws Committee and then, I am sure, the Judge will come back and make a motion to adopt his resolution.

Therefore, all those in favor of accepting the report on this matter by the Jurisprudence and Laws Committee indicate by saying "aye"; contrary by the same sign. It is carried and the report is accepted.

I will now call on Judge Wilson again.

IMPERIAL SIR ROBERT G. WILSON, JR. (Past Imperial Potentate): Imperial Potentate, Imperial Sirs and Representatives: I am trying to help out as much as I can and I gather from some of the conversation on the platform that what I am asking at this time is not thoroughly understood.

In other words, I am not asking you to put yourselves on the line today either for or against. I am merely asking that prompt consideration of the question be taken and that we stop pussyfooting around and, further, that legal counsel study in detail what legal steps are necessary to effectuate this.

I am asking that such action as we take be prompt and, I would hope, at our next Imperial Session.

Therefore, I don't think we have any cause here to get excited about and I hope that you will cooperate in what I assure you are my efforts to move this matter along and let us get on the way.

Imperial Potentate, I would move for the adoption of the resolution and thank you for letting me have the time.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: It has been moved and seconded that we adopt this resolution. Now is the time for discussion and at this time I will recognize Imperial Sir Claypool.

IMPERIAL SIR CHARLES CLAYPOOL: Imperial Sir, Imperial Sirs and Representatives: If you will look in your Book of Reports, you will see that we had $55 million this year in new money. We have 22 hospitals. There has only been one that has overspent its budget more than all of the other 21 combined.

You likewise have a procedure here where, each year, funds are coming in from wills and bequests and this is becoming larger and larger.

To my way of thinking, we don't need that third party pay. What about, for example, the little kids sitting up in the hills of Kentucky? I have reference to those who do not have any insurance and, for example, they bring them to Lexington. In other words, here, when we get this type of individual and also an individual with insurance, then we have both kinds in our institution and, on that basis, I feel we are putting a question in the mind of the doctor as to which one he is going to take.

(Cries of "no, no".)

I believe we should never have a question come up that the Shrine has not taken care of children who cannot afford to pay.

Therefore, I don't believe we need this matter of third party pay and I would like to make a motion that the matter be tabled.

(Cries of "no, no, no".)

IMPERIAL POTENTATE STRUBY: Just a moment.

As you Representatives know, a motion to table cannot be debated. You know, I am getting a lot of advice up here from different corners however, I understand

that there has been no second to the motion to table. Hearing no second, therefore, the motion to table cannot be put. I have ruled there is no second.

(Cheers and applause.)

I will recognize our incoming Imperial Potentate.

IMPERIAL SIR JACOB WINGERTER: Nobles, let us calm down a bit.

The subject that we are talking about, in my opinion, does not need to come to the floor. This can be satisfied in the Colorado Corporation by that Board of Directors. For example, we can appoint a committee to do just what we are talking about, and after having a committee studying it, we can bring it back here for your acceptance or rejection.

Therefore, I would so move, that we pass a resolution to this effect, if this is in order. However, I don't even think we need that.

I would also say this to you, Nobles, that as soon as my administration takes over, I will form such a committee covered by men of knowledge and I will put Judge Wilson as Chairman of it—a committee for the purpose of studying this problem and bringing it back for your judgment at the next Session.

(Applause)

NOBLE J. F. ROUTSONG (Adkar Temple): Imperial Sir, Imperial Sirs and Representatives: I am a practicing physician who sees many children as well as adults in my general practice.

I am forced to tolerate third party pay and I know from whence I speak.

Let me say, Nobles, that third party pay is defined by legislation as Title No. 18 Funds under the Federal government which, today, is being conducted under the Social Security Programs. Also, there was a new bill that went into effect under the name of HR #1 under date of January 1st. This likewise applies to this matter.

Let me also indicate to you that Imperial Sir Wilson was right, at least in a certain respect. You are now under Medicare, for example, from the cradle to the grave but, on the other hand, should we sell our birthright—should we give our birthright and our souls to the Federal government? Let's fight them. (Applause)

Also included within your third party pay are insurance benefits. By legislation they have re-defined certain accepted terms, such as the word "assignment".

In other words, physicians today are required to accept whatever your Federal government or insurance companies desire to pay in relation to fees. As a matter of fact, even your hospitals are required to discount fees paid to them by the Federal government and by Blue Cross and other insurance companies. If you do not believe this, investigate the finances of your private hospitals.

Besides this, once you accept one dime of Federal money or insurance money, they own your hospital.

(Cries of "no, no".)

Yes, they do. I have the proof for you if you wish to hear it.

Let me tell you something, gentlemen. Today your hospitals are told how many beds they may operate; they are told as to how many bathtubs they have to put in and how you use them. Nobles, they can also determine who will be accepted as patients and the type of treatment these patients may receive. Would you believe it—certain types of hospitals care for heart attacks and you are only entitled to 14 days of care in a hospital? This is true under Medicare. The best proof this is the record and, of course, this is a matter of record and has been that way for a number of years.

You are operating your orthopedic hospitals at one-third the cost of similar care in any other institution in the world. You do not have the meddling of insurance companies or the Federal or State governments but, remember this, once they get a dime in your institution, no matter how, even coming in through the back door, they will soon control you.

Also, you are extending your burns treatment for one-third of the cost. I think the statistics will bear this out.

The greatest Burn Institute for adults is Brooks at San Antonio. However, compare the care given there in relation to Galveston and, Nobles, when you do, you will find it to be shocking.

In our case, we are still taking care of children, giving them the best care in the world for one-third of the cost.

Nobles, I plead with you—consider this well. If you wish to give away your birthright and your souls then let the steamroller roll over you today and you lay down and die. (Applause)

IMPERIAL POTENTATE STRUBY: The Chair will recognize Past Imperial Potentate Thornton.

IMPERIAL SIR C. VICTOR THORNTON (Past Imperial Potentate): Imperial Sir, Imperial Sirs and Fellow Representatives: This is a very important matter in relation to the future of our hospitals, so important, as a matter of fact, that it should not be judged on an emotional basis and, certainly, not until we have had sufficient time to consider it from a committee viewpoint.

Therefore, I would like to offer a substitute motion—that our incoming Imperial Potentate appoint a committee to make a thorough study of this and report at the next Annual Session.

(The motion was severally seconded.)

IMPERIAL POTENTATE STRUBY: You now have before you a substitute motion, that the incoming Imperial Potentate appoint a committee to make a thorough study of this matter and report at the next Annual Session. Therefore, before you at the present time will be this substitute motion. Is there any discussion?

If not, let me put the question. All those in favor indicate by saying "aye"; contrary by the same sign. Let the record indicate that there is one "no" vote and, therefore, that sure is passed by a two-thirds majority. (Laughter)

This then, at least in my opinion, disposes of the whole matter for another year. (Cheers and applause)

Also, I appreciate the work of the Jurisprudence and Laws Committee in trying to keep me straight on what we are trying to do.

(Business was conducted in the Iowa Corporation at this time.)

IMPERIAL POTENTATE STRUBY: I will now again recognize Bob Vetter, Chairman of our Finance and Accounts Committee, for the presentation of the various budgets concerning the orthopedic hospitals and burns units.

NOBLE B. VETTER: Imperial Sir, Imperial Sirs and Imperial Representatives: Your Committee on Finance and Accounts will present now, for your consideration and approval, the Orthopedic Hospitals' and Burns Units' operations for the year 1972, an operating budget for 1973, and a tentative budget for 1974.

You have received, prior to coming to this Convention, our report for the year ended December 31, 1972. We have received no inquiries so we assume that it has your approval. If there are no objections, Imperial Sir, I move the approval and adoption of the report.

Respectfully submitted,

FINANCE AND ACCOUNTS COMMITTEE

B. W. Vetter, Akdar Temple, *Chairman*

John Rounsavelle, Al Malaikah Temple
Jesse A. White, Khedive Temple
Webber C. Harrington, Al Kader Temple
Lewis S. Parsons, El Jebel Temple
Everett H. Trunk, Moila Temple

(The motion was made and seconded.)

IMPERIAL POTENTATE STRUBY: You have heard the motion and the second. Is there discussion?

All in favor indicate by saying "aye"; contrary by the same sign. It is adopted.

NOBLE BOB VETTER: We shall now present to you the revised budget for 1973. You approved a tentative figure at our last Imperial Council Session, with the understanding that a more realistic budget could be established and brought before you at this Session. We submit the following for your approval:

Estimated income	$26,600,000
Estimated Expenditures	28,090,656
Excess Expenditures over Receipts	($ 1,490,656)
Resolution 1-3-73—Transfer from Unrestricted Capital to Operating Account	3,000,000
Excess Receipts over Expenditures—Estimated	$ 1,509,344

The Budget Committee received requests from the Units totaling $28,812,000. This Committee in session in September, 1972, considered the operating requests for 1973 and made the recommendation for approval by the Board of Trustees the amount of $27,710,000. In other words, the Budget Committee has reduced the original requests by $1,102,000. At their Mid-Winter Meeting, the Board of Trustees and Board of Directors approved the recommendation. Subsequent to this date, the Board of Trustees with the approval of the Board of Directors has added the following:

Increase—Orthopedic Hospitals	$ 139,056
Increase—Burns Units	24,600
Increase—Administration	217,000
	$ 380,656

We have a detail of the revised report which shows the source of income, and the amount of appropriations by Hospitals and Burns Units and amount of appropriations for Administrative Expense, by classifications. A copy of this report will be recorded in these proceedings. We will be governed by your wishes; either read it in detail at this time, or you may review the report when you receive your copy of the proceedings.

ANNUAL REPORT OF GEORGE M. SAUNDERS SECRETARY

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S., and Shriners Hospitals for Crippled Children.

Chicago, Illinois

GREETINGS:

Your secretary respectfuly submits the following detailed statements of the transactions of the Secretary's Office for the fiscal period January 1, 1972 to December 31, 1972 both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals for Crippled Children.

It is to be regretted that the continually rising operation cost of our Units exceeds our available operating income. This fact has forced a budget request reduction in order to balance the operation books in income and expense. The cooperation of the Local Boards and management in paring down costs deserves a vote of sincere gratitude. This has all been accomplished without any reduction in quality of care or services rendered.

The work of the Endowment-Wills and Gifts Committee continues to reflect great effort expended in bringing the problem of financial need to the Nobility. This fine Committee deserves the thanks of all for their continued cooperation. The Board of Trustees has always worked on the policy that only the income produced on the funds received from estates, games and most donations would be available for the operating account.

Experience tells us that we are faced with an operation cost for our Burns Units of 30 beds each, of more than five times the cost of operating an orthopedic Unit of 60 beds, and this with only one half the bed capacity. It is all costly work that is constantly increasing in cost in these inflationary times. It is felt that certain minor adjustments may be made in operating costs that will bring us within the appropriations approved and the funds provided by the Board of Directors. We cannot too strongly encourage the interest of all Nobles in these problems. This is a very serious problem that dictates the deep study and consideration of all Nobles in our plans for the future.

THE 100 MILLION DOLLAR CLUB

This program was developed as a program to quickly add to our endowment fund for Shriners Hospitals for Crippled Children additional funds which in accordance with our adopted policy from the very beginning of our charity work, would provide more income to be used in the operation of our

hospital program. We have always promised that we would invest such funds received and use for operation the income produced by the funds.

This program gives every Noble and his friends the privilege of helping provide the much needed increase in operating fund money to help cover the drastically increasing hospital operating costs that have been experienced in this country in the last ten years. This coupled with the spiraling inflation that has known no curb, has been our greatest concern of late, and from all reports will continue in the foreseeable future.

The 100 Million Dollar Club idea was slow in getting off the ground because of a lack of communication down to the grass roots level with each Noble. Where we have been able to sell Temple Officers on the idea of getting the Club explanation down to each individual Noble, there has been remarkable success with this program. Only those Temples who have really concerned themselves with this program are having good success.

We are urging all Temples to put forth the extra effort to make their Nobles aware of this program at once since Imperial Sir Wingerter proposes to continue this promotion throughout his administration and make every effort to get the full story of the program to every single Noble. It is assured of success and we strongly urge every Temple Officer to get back of this idea and get the true word to each and every Noble of his Temple.

This is a program that all Temples can take great personal pride in making it surpass the goal to success.

100 MILLION DOLLAR CLUB

The sincerely dedicated members of the Board of Trustees and the Board of Directors as well as the Boards of Governors and the staff members at each Shriners Hospital Unit, deserve the recognition of all Nobles for their personal devotion to this noble cause, the World's Greatest Philanthropy. It is a glorious work.

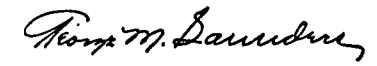
The several committees under the direction of the Joint Boards contain the names of Nobles who have made great personal contribution to the work that is far beyond the call of duty. I know that I speak for every child either completely cured or materially helped by their visits to our merciful Temples of Baby Smiles, in expressing sincere thanks to each and every one of you.

It seems that each passing year brings a much greater work load on everyone of the Central Office staff. My sincere thanks goes to them all for their understanding and their unselfish help in caring for the unceasing details of our Central Office work. Their loyalty and devotion to the work of Shriners Hospitals for Crippled Children earns for each of them the heartfelt thanks and appreciation of all with whom they come in contact as they carry out their assigned tasks. Especial thanks goes to General Counsel, Past Imperial Potentate George M. Klepper, and his staff members for their fine work.

The many years of past service of these great Hospitals have actually reflected the very soul of the Shrine and made us, in the eyes of the world

a great fraternity of Nobles who possess big hearts, filled to overflowing with compassion for crippled children, along with a real desire to prosper the organization to which they belong and with which they work. Our thanks to you as Nobles and may God's richest blessings attend you as we enter the second hundred years of our great fraternity.

Cordially yours in the Faith,



GEORGE M. SAUNDERS

THE BOARD OF DIRECTORS

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

We have examined the combined statement of assets and liabilities of Shriners Hospitals for Crippled Children, Colorado, Canadian, Massachusetts, Texas and Pennsylvania Corporations and Mexican Association as of December 31, 1972 and the related combined summary of financial activities and combined statement of changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Hospitals maintain their accounts principally on the cash basis of accounting. Income is not recorded until actually received and expenses, other than administrative expenses, are not recorded until actually paid.

In our opinion, except for the recording of certain unrealized gains from securities as set out in Note 2, the accompanying combined statements present fairly the assets and liabilities of Shriners Hospitals for Crippled Children as of December 31, 1972 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. PRINCIPLES OF ACCOUNTING AND REPORTING

Combined Organizations

The combined financial statements include the accounts of the following Shriners Hospitals for Crippled Children organizations:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children of Texas
Shriners Hospital for Crippled Children of Pennsylvania
Shriners Hospitals for Crippled Children, a Mexican Association

The Hospitals are exempt as charitable organizations from federal and state income taxes under the laws of the various countries and states.

Basis of Accounting

The Hospitals maintain their accounts principally on the cash basis of accounting. Income is not recorded until actually received and expenses, other than administrative expenses, are not recorded until actually paid.

2. ASSET CARRYING VALUES

Assets are recorded at cost, if purchased, or at estimated market value at date of receipt by gift or bequest. Valuations are not recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

Gains and losses from securities transactions are normally recorded only at the time of disposition. However, during the current year, in connection with the transfer of certain securities between investment management accounts, gains in the amount of $2,216,465 were recorded even though the securities were not actually disposed of. The recording of these gains had the effect of overstating the carrying value of investments and profits realized on investments by the same amount.

3. ENDOWMENT FUNDS AND FUNDS FUNCTIONING AS ENDOWMENTS

The Hospitals, under policy established by the Board of Directors, invest receipts from gifts and bequests and only the income from such investments is used for operations. The endowment funds include funds restricted by the Boards of Directors of the Corporations as well as those restricted by outside sources.

4. LAND, BUILDINGS AND EQUIPMENT

Prior to January 1, 1968, land, buildings and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. Beginning with the year ended December 31, 1968 depreciation has been charged to the hospitals' operations. The depreciation provision is normally funded by a transfer of funds from operations to the capital reserve fund. Total depreciation expense for 1972 amounted to $1,808,601. Buildings are being depreciated at rates from 2.5 to 3.5% and equipment 6.25 to 8.8%.

5. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organization was founded by the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council. The Hospitals pay rent for the use of the National Headquarters building owned by the Imperial Council in the amount of $50,000 annually. In addition the Hospitals bear

a substantial portion of the operating expenses of the building. The organizations also prorate salaries and other costs based on the estimated value received by each organization. An amount of $695,724 is due from the Imperial Council and included as an asset in these financial statements representing the net amount of collections due the Hospitals after deducting unpaid rent and other costs.

6. RETIREMENT PLANS

The employees of the Hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. Funds for the retirement of United States employees are held in trust in the Northern Trust Co. in Chicago. Funds for the retirement of Canadian employees are held in trust in the Canada Permanent Trust Company of Winnipeg, Canada. Funds for Mexican employees are held in trust in the Banco DeComercio, S. A. of Mexico. The Mexican Plan was funded in 1971 but was made effective retroactive to July 1, 1969. The contribution accrued for the retirement funds for all employees during the year ended December 31, 1972 amounted to $654,041.

The retirement fund assets held in the Northern Trust Co., the Canada Permanent Trust Company and Banco De Comercio S. A. at December 31, 1972 were as follows (excluding the 1971 and 1972 contributions totaling $1,329,554 not paid but included in general funds accounts payable at December 31, 1972).

	Northern Trust Company	*Canada Permanent Trust Co.*	*Banco De Comercio S. A.*	*Total*

THE BOARDS OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
COLORADO, CANADIAN, MASSACHUSETTS, TEXAS
AND PENNSYLVANIA CORPORATIONS AND
MEXICAN ASSOCIATION

We have examined the statements of assets and liabilities of Shriners Hospitals for Crippled Children, Colorado, Canadian, Massachusetts, Texas and Pennsylvania Corporations and Mexican Association, as of December 31, 1972 and the related statements of revenue and expenditures and statements of changes in fund balances for the year then ended. Our examination of each entity was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Hospitals maintain their accounts principally on the cash basis of accounting. Income is not recorded until actually received and expenses, other than administrative expenses, are not recorded until actually paid.

In our opinion, except for the failure to record depreciation on the newly constructed portion of the Erie Hospital as explained in Note 3 of notes to the financial statements of the Pennsylvania Corporation and except for the recording of certain unrealized gains from securities as set out in Note 1 of notes to the financial statements of the Colorado Corporation, the accompanying statements present fairly the assets and liabilities of the aforementioned entities as of December 31, 1972 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

COLORADO CORPORATION
NOTES TO FINANCIAL STATEMENTS

1. ASSET CARRYING VALUES

Assets are recorded at cost, if purchased, or at estimated market value at date of receipt by gift or bequest. Valuations are not recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

Gains and losses from securities transactions are normally recorded only at the time of disposition. However, during the current year, in connection with the transfer of certain securities between investment management accounts, gains in the amount of $2,216,465 were recorded even though the securities were not actually disposed of. The recording of these gains had the effect of overstating the carrying value of investments and profits realized on investments by the same amount.

2. ENDOWMENT FUNDS AND FUNDS FUNCTIONING AS ENDOWMENTS

The Hospitals, under policy established by the Board of Directors, invest receipts from gifts and bequests and only the income from such investments is used for operations. The endowment funds include funds restricted by the Board of Directors, as well as those restricted by outside sources.

3. PLANT ASSETS

Prior to January 1, 1968, land, buildings and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. Beginning with the year ended December 31, 1968 depreciation has been charged to the hospitals' operations. The depreciation provision is normally funded by a transfer of funds from operations to the capital reserve fund. Total depreciation expense for 1972 for the Colorado Corporation amounted to $1,364,548. Buildings are being depreciated at rates from 2.5 to 3.5% and equipment 6.25 to 8.8%.

4. RETIREMENT FUNDS

The employees of the hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan.

PENNSYLVANIA CORPORATION
NOTES TO FINANCIAL STATEMENTS

1. ASSET CARRYING VALUES

Assets are recorded at cost, if purchased, or at estimated market value at date of receipt by gift or bequest. Valuations are not recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

2. ENDOWMENT FUNDS AND FUNDS FUNCTIONING AS ENDOWMENTS

The Hospitals, under policy established by the Board of Directors, invest receipts from gifts and bequests and only the income from such investments is used for operations. The endowment funds include funds restricted by the Board of Directors, as well as those restricted by outside sources.

3. PLANT ASSETS

Prior to January 1, 1968, land, buildings and equipment were carried at original cost without depreciation being provided for in the cost of operations. In lieu of depreciation, normal replacements to buildings and equipment were charged to operations. Beginning with the year ended December 31, 1968 provision for depreciation has been charged to the hospital's operations.

The depreciation provision is normally funded by a transfer of funds from operations to the capital reserve fund of the Colorado Corporation. Total depreciation expense which was recorded for 1972 amounted to $17,989. Construction of new additions to the Erie Hospital unit were substantially completed by December 31, 1971. Depreciation on these additions, which should have approximated $30,000 was not recorded in 1972 and therefore not reflected in these financial statements.

4. RETIREMENT FUND

The employees of the Hospital are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan.
